financial year reflects an improvement on the first half, the comparative period includes the record \$200 million Powerball jackpot on 1 February 2024. We will continue to be disciplined around costs and while it's still early days, changes to our marketing playbook have been encouraging. While we estimate our share of total Powerball and Oz Lotto ticket sales declined in 1H25, we have seen an uptick in the first six weeks of 2H25."
