The Company took record new sales orders of \$32.8m for H1 FY25. This represents a 9% increase over the \$30.2m of new sales orders taken in H1 FY24. Revenues booked for H1 FY25 were \$23.5m compared to \$26.4m for H1 FY24. Excluding the MEG sale to TJNU in H1 FY24 for \$4.7m, sales revenues booked on a like-for-like basis were 8% higher than H1 FY24.

Explanation of Profit/Loss after tax (Appendix 4D item 2.6)

The result after tax was a loss of \$1.1m for H1 FY25 compared to a profit of \$0.1m for H1 FY24.

The significant decrease in profitability for H1 FY25 was largely a result of the following key factors:

- The lack of an MEG sale in H1 FY25, whilst the Company continues to invest in this business
- The significant investment (\$1.5m for H1 FY25) in increased sales resources, primarily in the USA business, to grow our business in this key market, as evidenced by the 208% growth in sales orders taken during H1 FY25.
- Other one-off costs (\$0.5m), such as recruiting fees which were incurred to seek and secure key sales leadership for the USA business and other critical business roles
- Foreign exchange movements led to a favourable \$0.2m movement to profit and loss in the current 6 months to 31 December 2025, compared to the pcp.

The Company remains committed to its strategic growth plans, whilst at the same time improving productivity and efficiency throughout the business to continue to generate consistent and growing profits.

Explanation of Dividends (Appendix 4D item 2.6)

No dividends were declared or paid in the period.

1 Basis of preparation and accounting policies

(a) Basis of preparation

The general purpose condensed financial report for the half-year ended 31 December 2024 has been prepared in accordance with AASB 134 *Interim Financial Reporting* and the *Corporations Act 2001*.

This half-year financial report does not include all the notes of the type normally included within the annual financial report. Accordingly, this report is to be read in conjunction with the annual report for the year ended 30 June 2024 and any public announcements made by Compumedics Limited during the interim reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001* and Australian Stock Exchange Listing Rules.

The accounting policies adopted for the interim condensed consolidated financial statements are consistent with those followed for the preparation of the Group's annual financial statements for the year ended 30 June 2024, and other standards issued as of 1 July 2024 or effective as of 31 December 2024 do not have a significant impact on the consolidated financial statements of Compumedics Limited unless otherwise stated.

The Group has not elected to early adopt any other new standards, amendments or interpretations that are issued but not yet effective.

(b) Going Concern assumption

During the half-year ended 31 December 2024, the Group generated a loss after tax of \$1.1m and \$2.1m cash outflows from operations. In the corresponding prior half-year, the Group generated a profit after tax of \$0.1m and cash inflows from operations of \$1.2m.

The Group's net cash position (cash less borrowings) on 31 December 2024 was a net debt of \$7.5m, compared to 30 June 2024 of net debt at \$5.1m.

The increase in net debt is primarily due to the funding for the manufacture of the two new MEG systems, both of which are secured by orders for delivery. In addition, the Company has taken substantively more sales orders than it shipped in H1 FY25. These orders will be shipped during H2 FY25.

As such, the Directors have prepared the financial statements on a going-concern basis.

(c) New and revised Accounting Standards

Amendments to Accounting Standards and new interpretations that are mandatorily effective for the current reporting period

There were no new or revised Accounting Standards adopted during the six months to 31 December 2024.

To the members of Compumedics Limited

Report on the Half-Year Financial Report

Conclusion

We have reviewed the accompanying half-year financial report of Compumedics Limited, which comprises the Consolidated Statement of Financial Position as at 31 December 2024, the Consolidated Statement of Comprehensive Income, Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the half-year ended on that date, notes comprising material accounting policy information and other explanatory information, and the Directors' Declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Compumedics Limited does not comply with the *Corporations Act 2001* including:

- i) giving a true and fair view of Compumedics Limited's financial position as at 31 December 2024 and of its performance for the half-year ended on that date; and
- iii) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity.* Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional & Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Responsibility of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 31 December 2024 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
