Forward looking statements

This announcement contains forward-looking statements. These statements can be identified by words such as “anticipate”, “may”, “will”, “expect”, “intend”, “estimate”, “opportunity”, “plan”, “potential”, “project”, “seek”, “believe”, “could”, “future” and other similar words that involve risks and uncertainties. These statements are based on an assessment of present economic and operating conditions, and on a number of assumptions regarding future events and actions that are expected to take place. Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties, assumptions and other important factors, many of which are beyond the control of the Company, its directors and management that could cause the Company’s actual results to differ materially from the results expressed or anticipated in these statements.

The Company cannot and does not give any assurance that the results, performance or achievements expressed or implied by the forward-looking statements contained in this announcement will actually occur and investors are cautioned not to place undue reliance on these forward-looking statements. The Company does not undertake to update or revise forward-looking statements, regardless of whether any new information, future events or any other factors affect the information contained in this announcement, except where required by applicable law and ASX requirements.
