COMPLETION OF TRANCHE 1 OF PLACEMENT

Cyprium Metals Limited (**ASX: CYM / OTCQB: CYPMF**) (**Cyprium** or the **Company**), a copper developer focused on the phased restart of the Nifty Copper Complex in the Paterson region of Western Australia (**Nifty**), is pleased to announce the successful completion of Tranche 1 of the two-tranche placement to raise A$36 million (before costs) via the proposed issue of approximately 69.2 million new fully paid ordinary shares in the Company (**Placement Shares**) at an issue price of A$0.52 (**Placement**).

Under Tranche 1 of the Placement, the Company confirms that it has today issued 68,553,846 Placement Shares.

Tranche 2 of the Placement, comprising 676,924 Placement Shares, being Placement Shares to Directors of the Company, will be issued subject to shareholder approval which will be sought at a meeting of the Company's shareholders in March.

Funds raised from the Placement will be used to execute exploration at regional prospects and accelerate studies and early works with respect to future production growth initiatives leveraging the Company's extensive asset base in the Paterson Province.

Canaccord Genuity and Euroz Hartleys acted as Joint Lead Managers to the Placement. Confidant Partners acted as legal adviser to the Company.

ABOUT US

Cyprium Metals Limited (**ASX: CYM / OTCQB: CYPMF**) is an ASX-listed Australian copper company. Its flagship property is the Nifty Copper Complex in Western Australia, which previously produced significant copper from both oxide and sulphide resources. Cyprium is focused on redeveloping Nifty, which has the advantage of significant invested capital, data from a long operating history, large-scale resources, current operational approvals, and recent investment in the property.

The Company's other assets include significant copper-focused properties in the Paterson and Murchison Provinces, including multiple defined resources.
