Re: Change of Director Interest Notice

Orezone Gold Corporation confirms the following change to director interest. On 4 February 2026, Mr Downey was issued 175,000 common shares quoted on the TSX following the exercise of 175,000 options previously issued under the Company's Stock Option Plan. The options were exercisable at C$0.30 each and were due to expire on 8 February 2026. Mr Downey subsequently sold the common shares on the TSX on that same day.

The issue of common shares formed part of a broader conversion of securities held by several employees. Due to an administrative oversight, an Appendix 3Y was not lodged within the prescribed timeframe. The attached Appendix 3Y is provided to disclose the above change.

The Company advises that it is aware of its obligations under the ASX Listing Rules in relation to these disclosures, specifically Listing Rules 3.19A and 3.19B and advises that:

1. The Appendix 3Y is being lodged to correct an administrative oversight.
2. The Company has informed all Directors of the disclosure requirements set out in Listing Rules 3.19A and 3.19B and section 205G of the Corporations Act. In addition, the Company has adopted a Securities Trading Policy, which has been disclosed to the market and outlines the requirements for disclosure and approval of all securities trading.
3. The Company believes that the arrangements it currently has in place are adequate and does not consider that any additional steps are required to ensure ongoing compliance with Listing Rule 3.19B.
