NOTES TO NOTICE OF MEETING:

1. Explanatory Statement

An explanation of each resolution is included in the accompanying Explanatory Statement.

2. Voting Entitlement

The Board, as the convenor of the meeting, has determined that the shareholding of each member for the purpose of ascertaining voting entitlements at the Annual General Meeting will be as it appears on the register of Shareholders at **7.00 pm** (Sydney time) on **Wednesday, 6 May 2026**.

3. All resolutions will be by poll

Each resolution considered at the AGM will be conducted by a poll. The Board considers that voting by poll to be in the interests of Shareholders as a whole and ensures the views of as many Shareholders as possible are represented at the AGM.

4. Proxies

4.1 If a Shareholder is unable to vote at the AGM, they are entitled to appoint a proxy to vote on their behalf.

4.2 A Shareholder must not appoint more than 2 proxies. If 2 proxies are appointed, each proxy must be appointed to represent a specific proportion or number of the Shareholders' voting rights. If the appointment does not specify the proportion or number of the Shareholders' votes each proxy may exercise, each proxy may exercise one half of the Shareholders' votes. Fractions of votes will be disregarded.

4.3 If Shareholders wish to appoint one proxy, please use the form provided. If you want to appoint 2 proxies, please contact the Company for an additional form and follow the instructions set out on the reverse side of the proxy form.

4.4 A Shareholder may appoint an individual or a body corporate as their proxy. A body corporate appointed as a proxy may then nominate an individual to exercise its powers at meetings. A proxy need not be a Shareholder of the Company.

4.6 If a Shareholder is a body corporate, the proxy form may be signed by:

4.7 In the case of joint holdings, a proxy may be signed by any one of the joint holders. However, if the Company receives more than one appointment for the same Share:

- an appointment signed by all joint holders will be accepted in preference to an appointment signed by the Shareholder whose name appears first in the register of Shareholders or by any other Shareholder holding the share jointly; and
- subject to the preceding paragraph, an appointment signed by the Shareholder whose name appears first in the register of Shareholders will be accepted in preference to an appointment signed by any other Shareholder or Shareholders holding the share jointly.

4.8 Completion of a proxy form will not prevent individual Shareholders from physically attending the Meeting if they wish.

4.9 A member of the Company's Key Management Personnel or their Closely Related Party must not, whether in person or by proxy, vote in their own right on Resolution 1.

4.10 A person appointed as a proxy may vote or abstain from voting as he or she thinks fit except in the following circumstances:

4.12 The Chairman intends to vote all Undirected Proxy Forms in favour of all Resolutions (including Remuneration Resolutions), and he is expressly authorised to do so.

4.13 **Closely Related Party** means the closely related parties of the Key Management Personnel as defined in the Corporations Act, including certain members of their family, dependants and companies they control.

Directed Proxy Form means a proxy form which specifies how a proxy is to vote.

Key Management Personnel of the Company are the Directors of the Company and those other persons having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. The Remuneration Report identifies the Company's Key Management Personnel for the financial year to 31 December 2025. Their Closely Related Parties are defined in the Corporations Act, and include certain members of their family, dependents and companies they control.

Remuneration Resolution means a resolution connected directly or indirectly with the remuneration of a member of the Key Management Personnel or their Closely Related Parties including Resolution 5.

Undirected Proxy Form means a proxy form which does not specify how the proxy is to vote.

EXPLANATORY STATEMENT

1. IMPORTANT NOTICE

This Explanatory Statement is given to Shareholders to explain the resolutions to be considered at the Annual General Meeting (**Resolutions**) and to allow Shareholders to determine how they wish to vote on the Resolutions. The Explanatory Statement should be read in conjunction with, and forms part of, the Notice of Annual General Meeting which this Explanatory Statement accompanies.

Capitalised words in this Explanatory Statement have a defined meaning which appears in it or in the Glossary.

This Explanatory Statement is dated 9 April 2026.

2. REPORTS

The Corporations Act requires the financial statements and reports of the Directors and Auditors to be laid before the Meeting. These are all incorporated into the Annual Report. Neither the Corporations Act nor the Constitution requires Shareholders to vote on such statements and reports. However, Shareholders will be given reasonable opportunity to raise questions or make comments on the Annual Report at the Meeting. The Annual Report is available on the Company's website at www.cyclopharm.com.

As part of the written Shareholder question process prior to the AGM, Shareholders may submit written questions about the Auditor's Report and the conduct of the audit. The questions must be submitted as per the directions on the Shareholder Questions Form by **5.00 pm** (Sydney time) **on Friday, 1 May 2026**.

The auditor will attend the AGM, and the Chair of the AGM will provide a reasonable opportunity for Shareholders to ask the auditor questions relevant to the audit.

2.1 EXPLANATION OF RESOLUTION 1 – REMUNERATION REPORT

The Directors' Report - "Remuneration Report" (**Remuneration Report**) is contained in the Company's 2025 Annual Report.

The Corporations Act requires a resolution be put to the shareholders of a listed company to adopt the Remuneration Report as disclosed in the Directors' Report component of the 2025 Annual Report (see pages **26 to 29** of the 2025 Annual Report inclusive). This Resolution is being put so as to give Shareholders a reasonable opportunity to ask questions or make comments concerning the Remuneration Report during the Meeting.

The Remuneration Report:

- explains the Board's policies in relation to the nature and level of remuneration paid to Directors, secretaries and senior managers with the Company;
- discusses the link between the Board's policies and the Company's performance;
- provides a summary of performance conditions, explaining why they were chosen and how performance is measured against them;
- sets out remuneration details for each Director and for each member of the Company's senior executive management team; and
- makes clear that the basis for remunerating non-executive Directors is distinct from the basis for remunerating executives, including executive Directors.

The vote on this Resolution is advisory only and does not bind the Company or its Directors. No member of the Key Management Personnel or Closely Related Party of the Key Management Personnel may vote on Resolution 1.

Under the Corporations Act, if 25% or more of the votes that are cast are voted against the adoption of the Remuneration Report at two consecutive AGMs, shareholders will be required to vote at the second of those AGMs on a resolution (a 'spill' resolution) that another meeting be held within 90 days at which all of the Company's Directors (other than the Managing Director) must go up for re-election.

2.2 Directors' Recommendation

As the Directors have a personal interest in this proposed Resolution 1, they make no recommendations as to how shareholders should vote on the resolution.

3. EXPLANATION OF RESOLUTION 2 – RE-ELECTION OF DIRECTOR (GREGORY KING)

Shareholders will be asked to consider and, if thought fit, pass, with or without amendment, the following Resolution as an ordinary resolution:

"That, for the purposes of ASX Listing Rule 14.4 and for all other purposes, Professor Gregory King, who retires at the close of this Annual General Meeting and, being eligible, and having consented to act, be re-elected as a Director of the Company.

Rule 5.2 of the Constitution requires that a director (other than an exempt Managing Director) may not hold office for a continuous period of more than three years or past the third annual general meeting following the director's appointment, whichever is the longer, without submitting for election or re-election. ASX Listing Rule 14.4 also requires that a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer.

The Nominations Committee (excluding Professor King) of the Board has conducted an assessment of Professor King including a review of the skills, knowledge, experience and diversity represented on the Board. Having conducted those assessments, the Board recommends to Shareholders the re-election of Professor King.

The following is a profile of Professor Gregory King:

3.1 Directors' Recommendation

The Board, other than Professor King (who abstains), recommends that Shareholders vote in favour of Resolution 2.

4. EXPLANATION OF RESOLUTIONS 3 AND 4 – APPROVAL OF PRIOR ISSUE OF PLACEMENT SHARES AND APPROVAL OF AGREEMENT TO ISSUE PLACEMENT SHARES

4.1 Background

On 4 February 2026, the Company announced that it was undertaking a share placement of approximately 14.7 million shares at an issue price of A\$0.95 per Share (**Placement Shares**) to sophisticated, professional and other investors to whom no disclosure was required under the Corporations Act to raise approximately up to \$14 million (**Placement**).

The Placement Shares are to be issued in 2 tranches comprising:

- 9,473,684 Placement Shares issued on 11 February 2026 (**Tranche 1 Placement Shares**); and
- 5,263,158 Placement Shares to be issued on 20 April 2026 (**Tranche 2 Placement Shares**).

4.2 ASX Listing Rules

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period (**Placement Capacity**).

As the Placement Shares do not fit within any of these exceptions and were issued or agreed to be issued without prior shareholder approval, they effectively used up part of the Company's Placement Capacity.

ASX Listing Rule 7.4 provides that an issue of, or agreement to issue, securities made by a company without the prior approval of shareholders may be treated as having been made with shareholder approval if:

- the issue or agreement did not breach ASX Listing Rule 7.1; and
- the shareholders of the company, in a general meeting, subsequently ratify it.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain shareholder approval for such issues under ASX Listing Rule 7.1.

Accordingly, the Company seeks shareholder ratification of the issue of the Tranche 1 Placement Shares and the agreement to issue the Tranche 2 Placement Shares in accordance with ASX Listing Rule 7.4.

If Resolutions 3 and 4 are passed, the Placement Shares will be excluded in calculating the Company's Placement Capacity, effectively increasing the number of equity securities it can issue without shareholder approval over the 12-month period following the relevant date of the issue or agreement to issue.

If Resolutions 3 and 4 are not passed, the Placement Shares will be included in calculating the Company's Placement Capacity, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12-month period following the relevant date of the issue or agreement to issue.

5.2 Proposed new loan arrangements

The Board (excluding Mr McBrayer) considers that it is in the best interest for the Company for Mr McBrayer to retain his current equity exposure, and has therefore determined to seek shareholder approval under Resolution 5 to:

- (a) **Loan** – provide a new non-recourse loan to Mr McBrayer for A\$2,447,183.06 to refinance the existing T1 Loan and T3 Loan on the terms set out in section 5.3 (**Share Plan Loan**); and
- (b) **Holding lock** – replace the current holding locks over the Loan Plan Shares with a new holding lock which will be released once the Share Plan Loan has been repaid (**Holding Lock Replacements**).

5.3 Share Plan Loan

Key terms of the Share Plan Loan are set out below:

| Item | Disclosure |
|----------------------|--|
| Loan Amount | A\$2,447,183.06 |
| Maturity Date | 8 May 2028 or such other date agreed between the Company and Mr James McBrayer. |
| Interest | Limited to dividends on tranches 1 and 3 of the Loan Plan Shares. |
| Non-recourse | Recourse will be limited to the value of tranches 1 and 3 of the Loan Plan Shares. If the value of tranches 1 and 3 of the Loan Plan Shares is less than the outstanding loan balance at the end of the loan repayment period, tranches 1 and 3 of the Loan Plan Shares will be surrendered and forfeited in full settlement of the loan balance. |
| Holding Lock | All Loan Plan Shares (being 2,748,918 Shares as set out in the table in paragraph 5.1) will be held in a holding lock until the Share Plan Loan has been repaid. |

5.4 ASX Listing Rules – Chapter 10 approval

ASX Listing Rule 10.14 provides that a listed company must not, except with the approval of its Shareholders, permit a director or an associate of a director (among others) to acquire equity securities under an employee incentive scheme.

The issue of each tranche of Loan Plan Shares was previously approved under ASX Listing Rule 10.14 at the 2015, 2019 and 2020 annual general meetings (**Prior Approvals**).

Whilst the provision of the Share Plan Loan and the Holding Lock Replacements does not involve a new issue of securities, they may be considered a material change to the Prior Approvals requiring fresh approval.

Accordingly, the Company is seeking approval under ASX Listing Rule 10.14 for the provision of the Share Plan Loan and the Holding Lock Replacements.

If Resolution 5 is passed, the Company can provide the Share Plan Loan to Mr McBrayer to refinance the T1 Loan and T3 Loan and replace the holding locks over the Loan Plan Shares.

If Resolution 5 is not passed, the T1 Loan and T3 Loan will remain outstanding and the current holding locks will remain over the Loan Plan Shares. The Company will then need to consider alternatives to restructure the terms of the incentive program.

5.5 Technical information required under ASX Listing Rule 10.15

5.6 The Managing Director's remuneration package for FY26

The remuneration package for the Managing Director, Mr James McBrayer for FY26 comprises:

- (a) total fixed remuneration of \$538,252 including superannuation; and
- (b) STI equal to \$180,218 - this amount will be split between a cash payment of \$54,066 and the issue of 124,903 participation rights, which are both subject to future performance tests. The performance rights are issued under the Participation Rights Plan approved at the 2025 AGM.

5.7 Corporations Act

For a public company to give a financial benefit to a related party, the public company must obtain the approval of its members and give the benefit within 15 months following such approval, unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The provision of the Share Plan Loan to the Managing Director and the Holding Lock Replacement may constitute giving a financial benefit to a related party. However, the Board (other than the Managing Director who has a personal interest in this resolution) considers that shareholder approval pursuant to Chapter 2E of the Corporations Act is not required because the issue of the Share Plan Loan to the Managing Director and the Holding Lock Replacement is considered to be given on arm's length terms or reasonable remuneration and therefore falls within the exception to the requirement for shareholder approval.

5.8 Director's recommendation

As these Resolutions relate to the remuneration of the managing director, the Board makes no recommendation regarding these resolutions in the interests of good corporate governance.

6. EXPLANATION OF RESOLUTION 6 – RENEWAL OF PROPORTIONAL TAKEOVER BID PROVISIONS

Shareholders will be asked to consider and, if thought appropriate, pass the following resolution as a special resolution with effect from the close of the meeting:

'That, for the purposes of sections 136(2) and 648G of the Corporations Act, the proportional takeover provisions in rule 164 of the Constitution be and are hereby adopted for the three-year period from 8 May 2026 up to and including 8 May 2029.'

6.1 Proportional takeover provisions

A proportional takeover bid is one under which an offer is made for only a proportion of each shareholder's shares.

Rule 164 of the Constitution prohibits the registration of a transfer of shares under a proportional takeover bid unless and until an ordinary resolution approving the bid is passed by the relevant shareholders (**Proportional Takeover Provisions**).

Under the Corporations Act, the Proportional Takeover Provisions will apply for a maximum period of 3 years unless earlier renewed at a general meeting. The Proportional Takeover Provisions were last approved and renewed at the 2023 annual general meeting and will expire on 16 May 2026. Accordingly, a special resolution is being put to shareholders under sections 136(2) and 648G of the Corporations Act to approve the adoption of rule 164 of the Constitution for the period from 8 May 2026 up to and including 8 May 2029.

6.2 Effect of Proportional Takeover Provisions

The effect of Proportional Takeover Provisions is that, if a proportional takeover bid is made to Shareholders, the Directors are required to seek Shareholder approval for such takeover bid at least 14 days before the last day of the bid period.

The resolution approving the bid must be passed by more than 50% of the votes cast on the resolution. The bidder and any associate of the bidder will be excluded from voting.

If a resolution to approve the bid is voted on and is rejected, all offers under the bid are taken to be withdrawn and each binding takeover contract for the bid can be rescinded.

If no resolution has been voted on to approve the bid in the required timeframe, a resolution is taken to have been passed approving the bid.

The proportional takeover provisions do not apply to full takeover bids and, if Resolution 6 is passed, it will only apply until 8 May 2029, unless renewed again by Shareholders.

6.3 Reasons for adopting and renewing the proportional takeover provisions

A proportional takeover bid involves an offer to buy only a specified portion of each Shareholder's shares. Therefore, without the proportional takeover provisions, a proportional takeover bid for the Company might enable a bidder to obtain control of the Company without Shareholders having an opportunity to sell all their shares.

The proportional takeover provisions give Shareholders the opportunity to decide whether or not a proportional takeover bid is acceptable and should be allowed proceed.

6.4 Potential advantages of renewal - Shareholders

The Proportional Takeover Provisions ensure that all Shareholders have an opportunity to consider a proportional takeover bid and vote on whether it should be permitted to proceed.

The provisions may help Shareholders avoid being locked in as a minority and avoid a bidder acquiring control of the Company without paying an adequate control premium.

The provisions may assist in ensuring that any future proportional takeover bid is structured to be attractive to a majority of independent Shareholders.

6.5 Potential disadvantages of renewal - Shareholders

However, the Proportional Takeover Provisions may make a proportional takeover more difficult to achieve and therefore discourage proportional bids. This in turn, may reduce opportunities for Shareholders to sell shares in the Company at an attractive price to persons seeking control of the Company and may therefore eliminate any element of takeover speculation from the Company's share price.

It may also be argued that the provisions constitute an additional restriction on the ability of Shareholders to deal freely with their shares.

6.6 Potential advantages and disadvantages of renewal - Directors

There are no specific advantages or disadvantages for Directors (in their capacity as Directors of the Company) of the Proportional Takeover Provisions.

6.7 Present acquisition proposals

At the date of this notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

6.8 Special resolution

Resolution 6 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person online, by proxy, by attorney, in the case of a corporate Shareholder, by a corporate representative).

6.9 Directors' Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 6 as the Directors consider that it is in the best interest of Shareholders to have the right to vote on a proportional takeover.

Appendix A

Summary Of Cyclopharm's Long Term Incentive Plan

A summary of the main details of the Plan are as follows:

Introduction to the Plan

- (a) The purpose of the Plan is to encourage employees, Directors and officers to share in the ownership of the Company. Those employees, Directors and officers who do participate are defined as "participating employees or officers". Shares in the Company that are purchased pursuant to the Plan are referred to as "Plan shares".

Invitation to Participate and acquisition of Plan shares

- (b) The maximum Plan shares to be purchased pursuant to this Plan shall be not more than 7.5% of the Company's issued shares. As at the date of this Explanatory Statement approximately 3.00% of the Company's issued capital comprises Plan shares of which 3.00% are issued to Directors.
- (c) There may be risks associated with participation in the Plan in that in certain circumstances the Plan shares may lose value and participating employees or officers may not benefit from the investment. The issue of shares may have a dilutionary effect on the share price but the number in question here is regarded by the Directors as too few to be likely to have that effect.
- (d) Participation in the Plan is by invitation of the Directors. Such invitation to participate is at the absolute discretion of the Directors.
- (e) There are rules covering the form of invitation and a minimum parcel of 100 shares must be applied for by participating employees or officers.
- (f) There are rules covering the acceptance and allotment of Plan shares. Under no circumstances will shares be allotted if to do so would be in breach of the Corporations Act.

Financial assistance

- (g) A participating employee or officer may apply to the Company for financial assistance to finance the subscription for Plan shares.
- (h) The Company may accept the application for financial assistance by making an interest limited (limited to dividends on the underlying shares) loan to the participating employee or officer ("borrower"). In any event the Company will not accept an application for financial assistance under the Plan if to do so would be in breach of the Corporations Act.
- (i) Financial assistance is repayable:
 - (i) at the end of 5 years (or a longer period which the Company may determine); or
 - (ii) immediately upon the dismissal or resignation of the borrower; or
 - (iii) immediately upon failure to satisfy the performance hurdle (if any) within the time period determined by the Company or upon the death or retirement of the participating employee or officer or upon the termination of the employment of the participating employee or officer otherwise than by way of dismissal or resignation.
- (j) A participating employee or officer who received financial assistance shall:
 - (i) authorise the Company to sell any bonus shares, rights or further shares issued in respect of the Plan shares and to apply all or any of the proceeds thereof in reduction of the amount of the borrower's indebtedness to the Company; and
 - (ii) give an irrevocable direction to the Company to pay to itself on behalf of the borrower and for the purposes of reducing the amount of the borrower's indebtedness to the Company or to meet any interest charge on the financial assistance, all or any moneys that may from time to time become payable in respect of the Plan shares or other shares, including dividends.

- (k) A participating employee or officer who received financial assistance will be required to transfer the Plan shares to the Company for their original subscription price:
- (i) upon dismissal or acceptance of resignation; or
 - (ii) upon failure to satisfy performance hurdles within the time period (if any); or
 - (iii) at the end of 5 years, unless the borrower lodges a written request to retain the Plan shares with the Directors before the fifth anniversary of the issue of the Plan shares and the Directors, at its absolute discretion, decides to waive the transfer requirement.
- (l) Where the financial assistance provided to a participating employee or officer is required to be repaid, the financial assistance provided must be repaid in full. Payment may be undertaken by offsetting any monies which the Company owes the borrower against the outstanding balance of the borrowings.
- (m) The Board may at its absolute discretion provide financial assistance to a participating employee or officer, which financial assistance is secured by and strictly limited in all circumstance to the value of the Plan shares. Where the Board has provided financial assistance in these circumstances, the Company will not in any circumstances be able to make any claim against the participating employee or officer in excess of the value realised for the Plan shares.
- (n) If the Company is authorised to sell any Plan shares in order to pay any money owing by the participating employee or officer and the proceeds of sale exceed the total amount owing to the Company, the surplus shall be paid by the Company to the participating employee or officer.

Security for Financial assistance

- (o) As security for financial assistance, a participating employee or officer must grant to the Company:
- (i) a pledge of the Plan shares acquired by the borrower at the time the financial assistance is provided to the borrower;
 - (ii) a charge over:
 - all the bonus shares, rights and further shares issued in respect of those Plan shares; and
 - all the dividends paid or payable on those Plan shares or other shares the subject of the charge.
- (p) The participating employee or officer must not create any other security interest over the Plan shares whilst they are subject to the Plan. Where a participating employee or officer does create a security interest over the Plan shares, that participating employee or officer must transfer the Plan shares to the Company for their original subscription price and fully repay any outstanding loan related the Plan shares and have no further entitlement under the Plan.

Alteration of the terms and provisions of the Plan

- (q) Subject to the law, the Company may make such alterations, variations, additions, deletions or modifications to all or any of the provisions of the Plan or to all or any of the rights or obligations of the participants or any of them as may be determined by the Directors, provided however that no such alteration, variation, addition, deletion or modification shall be made if it would have the effect of depriving the holders of issued Plan shares of any rights to which they are then entitled unless approved by 75% of the holders of Plan shares affected by such a change or unless the amendments are required by law.

Period of Plan

- (r) The Plan shall commence upon its approval by members of the Company in general meeting and shall continue until terminated by resolution of the Directors at any stage.

Expenses

- (s) The Company will meet the ongoing administration expenses of the Plan. The participating employee or officer will meet all outgoings and expenses in selling or otherwise dealing with his or her shares.
