

ASX Announcement

Investor Webinar Presentation

Sydney Australia, 21 July 2026: Recce Pharmaceuticals Ltd (**ASX:RCE, FSE:R9Q**) (**Recce or the Company**), the Company developing a New Class of Synthetic Anti-Infectives is pleased to announce a live online webinar.

The event will be held online via Zoom on **21 July 2026 at 2:30PM AEST** and will be recorded for those who cannot attend.

The webinar will feature presentations from Chief Medical Advisor Dr Alan W. Dunton, Chairman Dr John Prendergast and Chief Executive Officer James Graham, who will provide shareholders with an update on the Company's activities over the quarter. Presentations will cover progress across Recce's clinical programs and regulatory initiatives, together with advancements in the Company's commercialisation pathway and global expansion strategy, highlighting the key milestones supporting Recce's continued development and long-term growth.

A copy of the presentation slides will be made available via the ASX prior to the online webinar and a full recording made available via Recce Pharmaceuticals' website following the event.

To attend the webinar, please register using the link below:
