ASX:TEG

Appointment of Voluntary Administrator

Triangle Energy (Global) Ltd (ASX:TEG) (**Triangle** or the **Company**) advises that it has appointed Bryan Hughes of 101 Advisory as Voluntary Administrator of the following entities:

- Triangle Energy (Global) Ltd (ASX:TEG) (ACN 110 411 428)
- Triangle (Perth Basin) Pty Ltd (ACN 612 964 164) (wholly owned subsidiary of Triangle)
- Triangle Energy Onshore Pty Ltd (ACN 008 939 080) (wholly owned subsidiary of Triangle)
- Triangle Energy Offshore Pty Ltd (ACN 008 988 930) (wholly owned subsidiary of Triangle)

The decision to appoint voluntary administrators to Triangle and the above subsidiaries was made following the appointment of voluntary administrators to Pilot Energy Ltd and Triangle Energy (Operations) Pty Ltd, the operator of the Cliff Head Project, and in light of Triangle's inability to meet its potential decommissioning obligations under the *Offshore Petroleum and Greenhouse Gas Storage Act 2006* (Cth).

The Voluntary Administrator will work closely with key Commonwealth and State government regulators and agencies, together with creditors, to assess all available options and maximise outcomes for all stakeholders.

Notice of the first meeting of creditors for the Company and the subsidiaries will be issued to creditors in due course.

Authorised for Release by: The Voluntary Administrator
