Additional Information to Announcement - Boab Advances Reserve Growth Program at Sorby Hills

Boab Metals Limited (ASX: **BML**) ("**Boab**" or the "**Company**") advises that in the announcement made on 23 July 2026, titled "Boab Advances Reserve Growth Program at Sorby Hills", the announcement included references to "visual" mineralisation in Figures 5 and 7.

In relation to the disclosure of visual mineralisation, the Company cautions that visual estimates of mineral abundance should never be considered a proxy or substitute for laboratory analysis. Laboratory assay results are required to determine the widths and grades of the reported mineralisation. Visual descriptions and qualitative estimates of mineral amounts in core or chip samples are subject to uncertainty and should be treated with appropriate caution.

The Company is sampling the zones of mineralisation and expects to receive the laboratory results late in the September Quarter.

The Board of Directors have authorised this announcement for release to the market.
