RESULTS FOR THE HALF YEAR ENDED 30 JUNE 2026

Austral Resources Australia Ltd (ASX: AR1) ("**Austral**" or the "**Company**") is pleased to announce the half year results for the Company to 30 June 2026.

Chairman David Newling commented:

"The six months to 30 June 2026 saw the Company complete Stage 1 of its east west consolidation strategy and sees the Company's balance sheet repaired and readied for growth, as we've seen more recently with our proposal for Hammer Metals (ASX:HMX).

With a strong cash position, the Company remains fully funded for the restart of the Rocklands facility in Q3 2027, whilst we increase our production run rate at Mt Kelly, and continue our two concurrent drilling programmes across the region."

This announcement is authorised for release by the Board of Austral Resources Australia Ltd.
