About Prodigy Gold NL

Prodigy Gold has a unique blend of greenfield and brownfield exploration projects and prospects in the proven multi-million-ounce Tanami Gold Province hosting significant deposits such as Newmont Australia's Tanami operation and it's Oberon Deposit. Prodigy Gold is currently focused on the development of its Tanami North and Twin Bonanza projects with further work required to fully understand the potential for mining of it's over 1 million ounces of Mineral Resources.

The key strategic plan for Prodigy Gold over the coming 5 years includes:

- Remaining focused on mine development and gold exploration in the Tanami Region of the Northern Territory;
- Completing mining studies on the existing Tanami North and Twin Bonanza projects to better understand the development potential of Prodigy Gold's deposits;
- Reviewing opportunities to develop existing and future deposits with potential partners with the aim of generating cash-flow to continue exploration and development activities;
- Continue to grow the current Mineral Resource base while assessing and developing new projects around the Company's significant tenement package; and
- Work with our Joint Venture partners to continue to advance their projects in and around our active sites.
