CORPORATE GOVERNANCE STATEMENT
FOR THE FINANCIAL YEAR ENDING 30 JUNE 2026

This Corporate Governance Statement is current as at 28 September 2026 and has been approved by the Board of the Company on that date. This Corporate Governance Statement discloses the extent to which the Company has, during the financial year ending 30 June 2026, followed the recommendations set by the ASX Corporate Governance Council in its publication "Corporate Governance Principles and Recommendations, 4th Edition" (Recommendations). The Recommendations are not mandatory, however the Recommendations that have not been followed for any part of the reporting period have been identified and reasons provided for not following them along with what (if any) alternative governance practices were adopted in lieu of the recommendation during that period. The Company has adopted a Corporate Governance Plan which provides the written terms of reference for the Company's corporate governance duties. The Company's website at www.adavaleresources.com contains a corporate governance section that includes copies of the Company's corporate governance policies.

ASX Principal and Recommendation	Compliance yes/no	Explanation
Principle 1: Lay solid foundations for management and oversight		
Recommendation 1.1 A listed entity should have and disclose a board charter setting out: (a) the respective roles and responsibilities of its board and management; and (b) those matters expressly reserved to the board and those delegated to management.	Yes	The Company has adopted a Code of Conduct policy which discloses the roles and responsibilities of the Board and senior management. Under the policy, the Board is responsible for the overall operation and stewardship of the Company (and any future subsidiaries), including charting the direction, strategies and financial objectives for the Company (and any future subsidiaries), monitoring the implementation of those policies, strategies and financial objectives, and monitoring compliance with regulatory requirements and ethical standards. The Code of Conduct is available on the Company's website.
Recommendation 1.2 A listed entity should: (a) undertake appropriate checks before appointing a director or senior executive or putting someone forward for election as a director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.	Yes	The Company conducts background checks of candidates for new Director positions prior to their appointment or nomination for election by Shareholders, including checks as to good character, experience, education, qualifications, criminal history and bankruptcy. The Company includes in its notices of meeting a brief biography of each Director who stands for election or re-election.
Recommendation 1.3 Companies should have a written agreement with each director and senior executive setting out the terms of their appointment.	Yes	All directors have in place a formal letter of appointment including a director's interest agreement with respect to disclosure of security interests.

Recommendation 1.4 The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.	Yes	The Company Secretary reports directly, and is accountable, to the Board through the Chairman in relation to all governance matters.
Recommendation 1.5 A listed entity should: (a) have and disclose a diversity policy; (b) through its board or a committee of the board set measurable objectives for achieving gender diversity in the composition of its board, senior executives and workforce generally; and (c) disclose in relation to each reporting period: i) the measurable objectives set for that period to achieve gender diversity; ii) the entity's progress towards achieving those objectives; and iii) either; a) the respective proportions of men and women on the board, in senior executive positions and across the whole workforce (including how the entity has defined "senior executive" for these purposes); or b) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act. If the entity was in the S&P/ASX 300 Index at the commencement of the reporting period, the measurable objective for achieving gender diversity in the composition of its board should be to have not less than 30% of its directors of each gender within a specified period.	No	The Company has not adopted a Diversity Policy. Given the small size of the Company and the changes to the Board during the year, the Board has yet to consider a diversity policy and determine measurable objectives for increasing gender diversity. All personnel are employed/and or promoted on their merits. At an appropriate time in the future when the Company is of sufficient size and scale, the Board will adopt a Diversity Policy and determine appropriate measurable objectives for achieving gender diversity. During the financial year, all board members are males, and all other services are outsourced to contractors.
Recommendation 1.6 A listed entity should: (a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and (b) disclose for each reporting period whether a performance evaluation has been undertaken in accordance with that process during or in respect of that period.	No	The Company has adopted in its Nomination and Remuneration Committee Charter a process for evaluation of the Board, its committees and executives. Due to the size of the Board and the nature of its business, it has not been deemed necessary to institute a formal documented performance review program of individuals. No review was conducted during the financial year but the board intends to conduct a formal performance review process at the appropriate time.
Recommendation 1.7 A listed entity should: (a) have and disclose a process for evaluating the performance of its senior executives at least once	No	The Company has in place an informal process for evaluation of its key executives. Due to the small size of the Company and the

The Code also outlines the procedure for reporting any breaches of the Code and the possible disciplinary action the Company may take in respect of any breaches. In addition to their obligations under the Corporations Act in relation to inside information, all Directors, employees and consultants have a duty of confidentiality to the Company in relation to confidential information they possess.
Recommendation 3.2 A listed entity should: (a) have and disclose a code of conduct for its directors, senior executives and employees; and (b) ensure that the board or a committee of the board is informed of any material breaches of that code.	Yes	As detailed above the Company has an established code of conduct and this is disclosed in the Corporate Governance section of its website. These codes of conducts are also included in their respective agreements and contracts. There were no material breaches of that code during the financial year.

[1] "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.
