# About Valiant Gold

Valiant Gold is an emerging Western Australian gold company focused on unlocking value from proven Murchison assets.

Demerged from Westgold Resources Limited (ASX: WGX) in March 2026, the Company holds 100% of the Reedy and Comet gold projects, brownfields operations with historical production of more than 1Moz and a combined 1.2Moz Mineral Resource. Both projects are located in the Murchison Province of Western Australia.

With existing Mining Leases, a near-term pathway to production, a processing solution from day one and a clear focus on mine restart and resource growth, Valiant is advancing toward its next phase of development.
