First Quarter Continues Operational Delivery to Plan

Regis Resources Ltd (**ASX: RRL**, **Regis** or the **Company**) is pleased to announce the following preliminary, unaudited business update for the first quarter of FY27, ended 30 September 2026.

- While significant rainfall impacted some activities in September, group gold production[1] met expectations at 83.0koz.
- Pre-tax cash and bullion of $146M was generated (including the $51M Vault break fee) in the quarter, before $53M in tax payments.
- $1.28 billion cash and bullion[2] on hand at 30 September 2026.

Production vs Guidance[3] (koz)	Q1 FY27 Actual	FY27 Guidance
Duketon	56.1	240 - 270
Tropicana	27.0	120 - 130
Group	**83.0**	**360 - 400**

Regis has previously noted that production guidance for FY27 is weighted to the second half, with growth capital expenditure weighted to the first half as multiple open pits are commenced across the project.

Q1 Conference Call

Regis will provide further detailed commentary on its operational and financial performance, including All-In Sustaining Costs, with the release of the full September quarterly results on Tuesday 20 October 2026. Regis will host its Quarterly Results conference call at 12:30pm AEST on the same day.
