Directors' Recommendation

21 The Directors (with Dr Charmaine Gittleson abstaining), unanimously recommend the appointment of Dr Charmaine Gittleson to the Board.

Resolution 5 – Approval of Employee Share Option Plan

22 A key foundation of the Company's equity incentive program is the Company's Employee Share Option Plan (**ESOP**).

23 The ESOP is designed to:

(a) align employee incentives with shareholders' interests;

(b) assist employee attraction and retention; and

(c) encourage share ownership by employees.

24 Additionally, the Board considers equity-based compensation an integral component of the Company's remuneration platform as it allows it to be fiscally prudent by conserving cash resources while still enabling it to offer market-competitive remuneration arrangements. Accordingly, the Company is seeking shareholder approval for the ESOP.

25 The ESOP in its current form was first adopted at the Company's Annual General Meeting in 2023.

For personal use only

For personal use only

26 The ESOP will remain available to eligible employees, Directors or such other persons as the Board should deem fit to receive awards to acquire Shares in the Company. In accordance with Listing Rule 10.14, no Directors or their associates can or will be issued equity securities under the ESOP unless shareholder approval of specific issues to them is first obtained.

27 The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval. Approval is therefore being sought to issue up to 54,957,469 securities under the ESOP.

Listing Rules

28 ASX Listing Rule 7.1 allows the Company to issue a maximum of 15% of its capital in any 12-month period without requiring shareholder approval. Pursuant to Listing Rule 7.2, Exception 13(b), an issue under an employee incentive plan will not count toward a company's 15% limit provided the plan was approved by shareholders within three years before the date of the securities being issued. Approval is therefore sought in respect of the ESOP under that rule.

29 If Resolution 5 is passed, the Company will be able to issue up to 54,957,469 securities under the ESOP without such issuances counting towards the Company's placement capacity.

30 If Resolution 5 is not approved, any issuances of securities by the Company under the ESOP will count towards the Company's placement capacity under Listing Rule 7.1 (unless such securities are issued with shareholder approval under a different Listing Rule). This will effectively decrease the number of securities it can issue without obtaining shareholder approval over the last 12 month period following the issue date.

31 For the purposes of Listing Rule 7.2 exception 13(b):

(a) a copy of the ESOP is set out in Annexure A to this Notice;

(b) 18,886,181 securities (represented on a 34:1 post share consolidation basis, the consolidation occurring 7 July 2025) have been issued under the ESOP since it was last approved by Shareholders in 2023; and

(c) the maximum number of securities proposed to be issued under the ESOP within the three-year period from the date of the passing of this resolution is 54,957,469 (which currently represents 10% of the Company's Share capital). This number is not intended to be a prediction of the actual number of securities to be issued by the Company, simply a ceiling for the purposes of Listing Rule 7.2 (Exception 13(b)).

Corporations Act

32 Shareholders are also being asked to approve the ability for the Board to be able to exercise certain discretions under the ESOP in relation to the treatment of unvested or unexerciseable awards that may have been granted under the ESOP.

33 The Corporations Act provides that the Company may only give a person a benefit in connection with their ceasing to hold a managerial or executive office in the Company or its related bodies corporate if it is approved by Shareholders or an exemption applies (for example, where the benefit together with other benefits does not exceed the base salary of the relevant person as set out in section 200F Corporations Act).

34 The term 'benefit' has a wide operation and may include (for example) the accelerated vesting of awards issued under the ESOP. Under the terms of the ESOP, the Board has the discretion to determine that some, or all, of those awards that have not vested or are not otherwise

For personal use only

exercisable at the time an eligible participant ceases employment with the Company either vest, become exercisable or otherwise waive restrictions on the awards. If an eligible participant who holds, or has held, a managerial or executive office within the meaning of section 200B ceases employment with the Company, that eligible participant may be entitled to have any awards issued to them vest, or otherwise become exercisable where the awards were not otherwise (at the discretion of the Board). This constitutes a 'benefit' for the purposes of section 200B Corporations Act.

35 Advance shareholder approval is therefore being sought, for the purposes of sections 200B and 200E Corporations Act, to provide benefits which may otherwise be prohibited under section 200B Corporations Act. If shareholder approval is obtained, it will give the Board maximum flexibility to deal with the unvested or unexerciseable awards under the plan granted to executives or key personnel who cease employment.

36 Shareholders are not being asked to approve any increase in the remuneration or benefits payable to relevant personnel, nor any variations to the existing discretions of the Board. Approval is sought in relation to both current and future personnel who hold or have held during the three years prior to cessation of employment a managerial or executive office in the Company or a related body corporate.

37 The amount and value of the termination benefits for which the Company is seeking approval is the maximum potential benefit that could be provided under the ESOP, in order to provide the Board with the discretion to determine the most appropriate termination package for the outgoing executives or key personnel. There is no obligation for the Board to exercise this discretion. Exercise of the discretion will depend on factors such as the participant's performance, contribution and tenure. The amount and value of any consequent termination benefits that may be received as a result of early exercise of the awards upon cessation of employment cannot be ascertained in advance. This is because various matters, events and circumstances will or are likely to affect the calculation of the amount and value, including:

(a) the circumstances of the participant's cessation of employment (for example, whether cessation of employment arises due to resignation, retirement or redundancy);

(b) the terms contained within the invitation to participate (such as the applicable vesting conditions);

(c) number of unvested or unexercisable awards held by the relevant eligible participant prior to cessation of employment;

(d) the market price of the Company's shares on the ASX at the relevant time; and

(e) any other factors that the Board determines to be relevant when exercising its discretion under the ESOP.

38 It can be reasonably anticipated that aspects of the ESOP may be amended from time to time in line with market practice and changing governance standards. Where relevant, these changes will be reported in the Company's Remuneration Report. However, it is intended that this approval will remain valid for Board discretions exercised under the ESOP, provided that at the time the discretion is exercised the ESOP rules contain a discretion for the Board to vest all or a pro rata portion of a participant's unvested awards or to allow them to continue on foot on the terms of the ESOP rules.

39 As noted above, the impact of approval is that any offers under the ESOP will be exempt from calculation under Listing Rule 7.1. It is within the Directors' power to offer equity incentives under the plan or otherwise, however if approval is not obtained the impact would be that unless

another exemption applied, such offers would count towards the capacity calculation under Listing Rule 7.1. Accordingly, if the resolution is not approved the Company would seek to understand the reasons approval has not been obtained. The Directors reserve the right to offer securities under the ESOP, including as modified to address any concerns, where they form the view it is in the best interests of the Company to do so.

Directors' recommendation

The Directors abstain, in the interest of good corporate governance, from making a recommendation in relation to this resolution.

Resolution 6: Approval of additional 10% capacity under Listing Rule 7.1A

Listing Rule 7.1A

40 Listing Rule 7.1 allows the Company to issue a maximum of 15% of its capital in any 12-month period without requiring Shareholder approval. In accordance with Listing Rule 7.1A, eligible entities (companies that are outside the S&P/ASX 300 index and that also have a market capitalisation of $300 million or less) can issue a further 10% of the Company's share capital over a 12-month period following the Meeting (provided Shareholder approval of any issue of securities under Listing Rule 7.1A is obtained, by special resolution, at the Meeting) on a non-pro rata basis.

41 The Company falls within the eligibility criteria of Listing Rule 7.1A.

42 The number of shares that may be issued (if Shareholder approval is obtained at the Annual General Meeting) will be determined in accordance with the following formula prescribed in Listing Rule 7.1A.2:

(A x D) – E

A is the number of fully paid shares on issue 12 months before the date of issue or agreement:

(A) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2 (other than 9, 16 or 17);

(B) plus the number of fully paid Shares issued in the 12 months on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:

(I) the convertible securities were issued or agreed to be issued before the commencement of the 12 months; or

(II) the issue of, or agreement or issue, the convertible securities was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4;

(C) plus the number of partly paid Shares issued in the 12 months under an agreement to issue securities within Listing Rule 7.2 exception 16 where:

(I) the agreement was entered into before the commencement of the 12 months; or

For personal use only

(II) the agreement or issue was approved, or taken under these rules to have been approved, under Listing Rule 7.1 or 7.4;

(D) plus the number of partly paid Shares that became fully paid in the 12 months;

(E) plus the number of fully paid Shares issued in the 12 months with approval of holders of Shares under Listing Rule 7.1 or 7.4. This does not include an issue of fully paid Shares under the entity's 15% placement capacity without Shareholder approval; and

(F) less the number of fully paid Shares cancelled in the 12 months.

D is 10%.

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of Shareholders under Listing Rule 7.4.

43 Pursuant to and in accordance with the requirements of Listing Rule 7.3A, the Company provides the following disclosures in relation to Resolution 6 for this purpose:

Minimum price at which the equity securities may be issued	The issue price of each Share must be no less than 75% of the volume weighted average price for the Shares calculated over the 15 trading days on which trades in that class were recorded immediately before: (a) the date on which the price at which the securities are to be issued is agreed; or (b) if the securities are not issued within ten trading days of the date in paragraph (a), the date on which the securities are issued. Any issuance of Equity Securities under Listing Rule 7.1A must be in an existing quoted class of the Company's Equity Securities and issued for cash consideration.
Risk of economic and voting dilution	An issue of shares under Listing Rule 7.1A involves the risk of economic and voting dilution for existing ordinary security holders. The risks include: (a) the market price for Shares may be significantly lower on the issue date than on the date of the approval under Listing rule 7.1A; and (b) the equity securities may be issued at a price that is at a discount to the market price for the Shares on the issue date. In accordance with Listing Rule 7.3A.2 a table describing the notional possible dilution, based upon various assumptions as stated, is set out below.

For personal use only

For personal use only

Date by which the Company may issue the securities	The period commencing on the date of the Annual General Meeting at which approval is obtained and expiring on the first to occur of the following: (a) the date which is 12 months after the date of the annual general meeting at which approval is obtained; (b) the time and date of the Company's next annual general meeting; or (c) the date of the approval by holders of the Company's ordinary securities of a transaction under Listing Rules 11.1.2 or 11.2. The approval under Listing Rule 7.1A will cease to be valid in the event that holders of the Company's ordinary securities approve a transaction under Listing Rules 11.1.2 or 11.2.
Purposes for which the equity securities may be issued	It is the Board's current intention that any funds raised pursuant to an issue of securities will be applied towards the commercialisation of the Company's lead products. This would principally include: (a) research and development towards the azer-cell allogeneic CAR-T cell therapy program and to all other programs, if any; (b) regulatory approvals; (c) maintenance of intellectual property; and (d) staff and office costs, audit and compliance expenses, ASX fees and general working capital.
Details of the Company's allocation policy for issues under approval	The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to Listing Rule 7.1A. The identity of the allottees will be determined on a case-by-case basis having regard to the factors including but not limited to the following: (a) the methods of raising funds that are available to the Company including but not limited to, rights issues or other issues in which existing security holders can participate; (b) the effect of the issue of the Listing Rule 7.1A shares on the control of the Company; (c) the financial situation and solvency of the Company; and (d) advice from corporate, financial and broking advisers (if applicable). The allottees under the Listing Rule 7.1A facility have not been determined as at the date of this Notice of Meeting but may include existing substantial Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company. Similarly, as at the date of this Notice of Meeting, the Company is not presently proposing to make a specific issue of securities under Listing Rule 7.1A but is seeking this approval to provide the Company with flexibility to issue additional equity securities over the next 12 months.
Previous approvals and issuances under Listing Rule 7.1A	Previous approval was most recently obtained at the Company's annual general meeting on 13 November 2025.

44 The table below shows the total number of equity securities issued in the past 12 months preceding the date of the Meeting and the percentages those issues represent of the total number of equity securities on issue at the commencement of the 12-month period.

46 10,371,459 securities were issued to sophisticated, professional and institutional investors on the terms set out in the ASX Announcement *'Imugene Completes $11.1 Million Placement to Advance azer-cel Following Positive Cohort 3 Clinical Data'* dated 7 July 2026.

47 Each of these issuances were later ratified under Listing Rule 7.4.

Information under Listing Rule 7.3A.4

48 The table below shows the dilution of existing Shareholders on the basis of the current market price of Shares and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A.2 using the closing price of the Company's Shares on the ASX as at 25 September 2026.

49 The table also shows:

(a) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company had on issue at 25 September 2026. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting; and

(b) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the closing price of the Company's Shares on the ASX as against the current market price.

*__Note__: Current Variable A refers to the calculation required by Listing Rule 7.1A.2 which, in the Company's case, equates to the current issued share capital of the Company.

50 The table has been prepared on the following assumptions:

(a) the Company issues the maximum number of Shares available under the 10% Listing Rule 7.1A approval;

(b) no options are exercised to convert into Shares before the date of the issue of the Shares available under Listing Rule 7.1A;

(c) the 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%;

(d) the table does not show an example of dilution that may be caused to a particular Shareholder by reason of a share issue under Listing Rule 7.1A, based on that Shareholder's holding at the date of the Meeting;

(e) the table shows only the effect of issues of equity securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1;

(f) the issue of Shares under Listing Rule 7.1A consists only of Shares; and

(g) the issue price is $0.044, being the closing price of the shares on ASX on 25 September 2026.

51 As at the date of the Notice of Meeting, the Company has on issue 549,574,687 Shares. Subject to Shareholder approval being obtained for Resolution 6, the Company will have capacity to issue the following equity securities as at the date of the Annual General Meeting:

(a) 82,436,203 Shares (under Listing Rule 7.1); and

(b) 54,957,469 Shares (under Listing Rule 7.1A).[1]

[1] The actual number of Shares the Company will have capacity to issue under Listing Rule 7.1A may vary and will be determined at the date of issue in accordance with Listing Rule 7.1A.2 (as illustrated in the table above).

52 Listing Rule 7.1A requires Resolution 6 to be passed as a special resolution. A special resolution needs approval by at least 75% of the votes cast by members entitled to vote on the resolution.

Technical information required by Listing Rule 14.1A

53 If Resolution 6 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 (15%) and 7.1A (10%) without any further Shareholder approval.

54 If Resolution 6 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

Directors' recommendation

55 The Directors unanimously recommend that Shareholders vote in favour of this resolution.

Resolution 7 – Ratification of prior issue of TAR Convertible Notes to CVI Investments, Inc.

56 As announced on 21 August 2026, the Company entered into an amendment to the terms of its convertible note agreement with CVI Investments, Inc. to amend the terms of its existing $11.2 million SAR convertible notes and to issue new convertible notes and warrants to CVI. Specifically,

(a) $2.1 million of the SAR Convertible Notes representing 4,200 of the 22,400 SAR Convertible Notes on issue to be redeemed and replaced by a new issue of A$2.1 million senior, unsecured, zero-coupon convertible notes **(TAR Convertible Notes)**.

(b) The remaining 18,200 SAR Convertible Notes shall amortise in five equal Instalments. All other terms and conditions to the SAR Convertible Notes remain the same.

(c) The TAR Convertible Notes to have an initial conversion price equal to 80% of Imugene's closing price on the trading day prior to the date of the announcement (**Reference Price**), with quarterly price adjustments based on prevailing market prices.

(d) The issuance of TAR Convertible Notes to be accompanied by the issuance of New Subscription Warrants, providing up to $1.68 million in potential proceeds and featuring a 5-year term to maturity. The exercise price of the New Subscription Warrants is $0.0664, being 80% of the Reference Price.

57 The TAR Convertible Notes under the Subscription Agreement and New Subscription Warrants under a Warrant Deed were issued under the Company's existing ASX Listing Rule 7.1 capacity.

58 The purpose of Resolution 7 is for Shareholders to ratify, under Listing Rule 7.4, and for all other purposes, the previous issue and allotment of 4,200 TAR Convertible Notes under the Listing Rule 7.1 placement capacity, to CVI Investments, Inc. under the Subscription Agreement

ASX Listing Rule 7.1

59 Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholder over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12-month period.

For personal use only

60 The issue of the TAR Convertible Notes does not fall under any relevant exemptions set out in ASX Listing Rule 7.2 and as it has not yet been approved by Shareholders, it utilises the placement capacity limit under ASX Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval for the 12-month period following the issue date.

ASX Listing Rule 7.4

61 ASX Listing Rule 7.4 provides that the shareholders of a listed company may approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue will be treated as having been made with approval for the purpose of ASX Listing Rule 7.1, thereby replenishing the Company's capacity, enabling it to issue further securities up to that limit without shareholder approval.

62 The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain shareholder approval for such issuance under ASX Listing Rule 7.1. Accordingly, the Company is seeking Shareholders' ratification pursuant to ASX Listing Rule 7.4 for the issue of the 4,200 TAR Convertible Notes.

63 Resolution 7 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the TAR Convertible Notes.

Technical information required by ASX Listing Rule 14.1A

64 If Resolution 7 is passed, Shareholders will have ratified the issue of the TAR Convertible Notes and they will no longer utilise a portion of the Company's 15% placement capacity under Listing Rule 7.1, meaning that the Company will have an increased ability to issue Equity Securities over the next 12 months without seeking Shareholder approval.

65 If Shareholders do not approve Resolution 7, the Company's ability to raise additional equity funds over the next 12 months without Shareholder approval will be restricted.

Technical information required by ASX Listing Rule 7.5

66 In accordance with the requirements of ASX Listing Rule 7.5, the following information is provided in relation to Resolution 7:

(a) 4,200 TAR Convertible Notes were issued to CVI Investments Inc. on 21 August 2026;

(b) the TAR Convertible Notes were issued at a conversion price initially set at 80% of $0.083;

(c) the material terms of the Subscription Agreement are summarised above and in the Company's ASX announcement dated 21 August 2026.

67 A voting exclusion statement applies to this Resolution. Please refer to the voting exclusion statement in respect of Resolution 7 set out in the 'Voting Exclusion Statement' section of this Notice of Meeting.

Resolution 8 – Ratification of prior issue of New Subscription Warrants to CVI Investments, Inc.

69 As set out in Resolution 7 above, on 21 August the Company announced the amended convertible notes and as part of that financing agreed to issue 4,200 TAR Convertible Notes.

70 The purpose of Resolution 8 is for Shareholders to ratify, under Listing Rule 7.4, and for all other purposes, the previous issue and allotment of 25,301,205 warrants issued pursuant to the Warrant Deed Poll with CVI Investments, Inc., as announced on 21 August 2026 (**New Subscription Warrants**).

ASX Listing Rule 7.1

71 Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholder over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12-month period.

72 The issue of the New Subscription Warrants does not fall under any relevant exemptions set out in ASX Listing Rule 7.2 and as it has not yet been approved by Shareholders, it utilises the placement capacity limit under ASX Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval for the 12-month period following the issue date.

ASX Listing Rule 7.4

73 ASX Listing Rule 7.4 provides that the shareholders of a listed company may approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue will be treated as having been made with approval for the purpose of ASX Listing Rule 7.1, thereby replenishing the Company's capacity, enabling it to issue further securities up to that limit without shareholder approval.

74 The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain shareholder approval for such issuance under ASX Listing Rule 7.1. Accordingly, the Company is seeking Shareholders' ratification pursuant to ASX Listing Rule 7.4 for the issue of 25,301,205 New Subscription Warrants previously issued under the Listing Rule 7.1 placement capacity, to CVI Investments, Inc. under the Warrant Deed.

75 Resolution 8 seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the 25,301,205 New Subscription Warrants.

Technical information required by ASX Listing Rule 14.1A

76 If Resolution 8 is passed, Shareholders will have ratified the issue of the New Subscription Warrants and they will no longer utilise a portion of the Company's 15% placement capacity under Listing Rule 7.1, meaning that the Company will have an increased ability to issue Equity Securities over the next 12 months without seeking Shareholder approval.

77 If Shareholders do not approve Resolution 8, the Company's ability to raise additional equity funds over the next 12 months without Shareholder approval will be restricted.

Technical information required by ASX Listing Rule 7.5

78 In accordance with the requirements of ASX Listing Rule 7.5, the following information is provided in relation to Resolution 8:

(a) 25,301,205 New Subscription Warrants were issued to CVI Investments, Inc. on 21 August 2026;

(b) the New Subscription Warrants were issued for nil consideration and have an exercise price of $0.0664, being 80% of the Reference Price

(c) the material terms of the Warrant Deed have been summarised above and in the Company's ASX announcement dated 21 August 2026.

Voting Exclusion Statement

79 A voting exclusion statement applies to this Resolution. Please refer to the voting exclusion statement in respect of Resolution 8 set out in the 'Voting Exclusion Statement' section of this Notice of Meeting.

Directors' recommendation

80 The Directors unanimously recommend that Shareholders vote in favour of Resolution 8.

2.2 Further restriction on offers

6 EXERCISE PRICE

The Exercise Price (if any) of Options issued pursuant to the Plan will be determined at the discretion of the Board and specified in the Offer.

6.1 Cashless exercise

(a) The Board may determine (in its discretion) and specify in an Offer that in exercising the Options, a Participant may elect to pay the Exercise Price by use of a cashless exercise facility. Where a cashless exercise facility is permitted, Options may be exercised by the Participating by either:

(i) paying the total Exercise Price of all Options being exercised; or

(ii) by use of the cashless exercise facility described below.

(b) The Cashless Exercise Facility entitles a Participant to set-off the Exercise Price against the number of Shares which the Participant is entitled to receive upon exercise of the Participant's Options (**Cashless Exercise Facility**). By using the Cashless Exercise Facility, the Participant will receive Shares to the value of the surplus after the Exercise Price has been set-off. If a Participant elects to use the Cashless Exercise Facility, the Participant will only be issued that number of Shares (rounded down to the nearest whole number) as are equal in value to the difference between the total Exercise Price otherwise payable for the Options on the Options being exercised and the then market value of the Shares at the time of exercise (determined as the volume weighted average prices at which Shares were traded on the ASX over the one week period immediately preceding the exercise date) which is to be calculated in accordance with the following:

$$S = \frac{O \times (MSP - EP)}{MSP}$$

Where:

S = Number of Shares to be issued on exercise of the Options.
O = Number of Options.

MSP = Market value of the Shares (calculated using the volume weighted average prices at which Shares were traded on the ASX over the one week period immediately preceding the exercise date).

EP = Option exercise price.

7 MARKET PRICE

During the Exercise Period or Vesting Period (as applicable), the Board will, make available to the Eligible Employee, the Market Price of Shares in the same class as those offered subject to the Options or Performance Rights, within a reasonable time of the Eligible Employee making such a request.

8.2 Formal Application

Each Application Form when properly completed and signed by the Participant in accordance with rule 8.1 constitutes an application for the grant of an Option or Performance Right to subscribe for the Shares at the Exercise Price (in respect of Options) or upon vesting (in respect of Performance Rights).

No adjustment will be made to the exercise price per share of the Option.

15 DURATION OF THE PLAN

(a) The Plan will continue in operation at the Board's discretion.

(b) If for any reason the Plan terminates or is discontinued, such termination or discontinuance will not prejudice the rights of the Participants to whom Options or Performance Rights have been granted.

The Board may at any time and from time to time by resolution, revoke, add to or vary any of the rules of the Plan or all or any of the rights or obligations of the Participants or any of them provided the interests of the Participants are not, in the opinion of the Board, materially prejudiced by such addition or variation.

IMUGENE LIMITED
EMPLOYEE SHARE OPTION PLAN
SUBPLAN FOR U.S. PARTICIPANTS

1. PURPOSE AND APPLICABILITY.

1.1 This Subplan for U.S. Participants (the "**U.S. Subplan**") applies to Employees, Directors, and Consultants of Imugene Limited (the "**Company**") and of each Subsidiary, who are either U.S. residents or U.S. taxpayers, and who shall have been nominated to participate in the U.S. Subplan by the Board (each such person, a "**U.S. Participant**"). Pursuant to Rule 15 of the Imugene Limited Employee Share Option Plan (the "**Plan**"), the Board has the authority to amend the Plan and has determined to establish a Subplan for the benefit of U.S. Participants. The purpose of the U.S. Subplan is to facilitate compliance with U.S. tax, securities, and other applicable laws, and to permit the Company to issue Awards, such as Incentive Stock Options, Nonstatutory Stock Options, and Restricted Stock Units to Eligible Participants who are U.S residents.

1.2 All Awards granted to U.S. Participants will be governed by the terms of the Plan, when read together with the U.S. Subplan (on the basis that, for these purposes, when reading the Plan, the "Plan" shall include the U.S. Subplan, a "Participant" includes a "U.S. Participant" who has been granted an Award; and an "Option" includes a "U.S. Option".) In the case of an irreconcilable contradiction (as determined by the Board) between the provisions of the U.S. Subplan and the Plan, the provisions of the U.S. Subplan will govern.

1.3 The following definitions and sections of the Plan do not apply to this U.S. Subplan.

(a) Definitions: Awards, Director, and Option.

The U.S. Participant shall reasonably cooperate with the Company if a question arises as to whether the U.S. Participant has become disabled (including, without limitation, submitting to reasonable examinations by one or more medical doctors and other health care specialists reasonably selected by the Company and authorizing such medical doctors and other health care specialists to discuss the U.S. Participant's condition with the Company).

"**Employee**" means any person who is a full-time or permanent part-time employee of the Company or any Subsidiary. Neither service as a Director nor payment of a director's fee by the Company will be sufficient to constitute "employment" by the Company.

3. U.S. OPTIONS

3.1 Form of Award Agreement. Each grant of Options shall be evidenced by an Award Agreement (whether in paper or electronic medium (including email or the posting on a web site maintained by the Company or a third party under contract with the Company)). The Award Agreement for U.S. Participants shall be in substantially the form approved for use under this U.S. Subplan, as may be amended from time to time by the Board. At the time of grant of a U.S. Option, the Board shall indicate if all or a portion of the U.S. Option is designated as an ISO and the form of Award Agreement shall specify the type of U.S. Option.

3.2 Eligibility. ISOs may be granted to Eligible Employees only. NSOs may be granted to Eligible Employees, Directors, and Consultants.

3.3 Maximum Term of U.S. Options. Subject to the provisions of Section 3.7 below regarding ISOs granted to a Ten Percent Owner, no U.S. Option granted to a U.S. Participant will be exercisable after the 10th anniversary of the Grant Date, or such shorter period as determined by the Board and specified in the Award Agreement.

3.4 Exercise Price. Subject to the provisions of Section 3.7 below regarding ISOs granted to a Ten Percent Owner, the Exercise Price of each U.S. Option granted to a U.S. Participant will be not less than 100% of the Market Price of the Shares subject to the U.S. Option on the Grant Date.

3.5 Adjustments in Connection with a Reorganization and Variations in Share Capital. Notwithstanding Rule 12 of the Plan, in the event of a merger, takeover or other reorganization, if the U.S. Options are replaced or there is a change in the share capital, the Board shall appropriately and proportionately adjust the number and class of securities subject to, outstanding U.S. Options, the Exercise Price of outstanding and unvested U.S. Options and the number and class of securities subject to the limit on Awards set forth in Section 3.7 below) hereof in a manner that complies with Sections 422 and 409A of the Code, as applicable. The Board will make such adjustments, and its determination will be final, binding and conclusive.

3.6 Vesting and Exercise of U.S. Options. In no event may any U.S. Option be exercised later than the 10th anniversary of the Grant Date.

3.7 Incentive Stock Options.

(a) Eligible Recipients of ISOs. ISOs may be granted only to Employees who are U.S. Participants.

For personal use only

(b) Designation of ISO Status. The Board action approving the grant of an ISO to a U.S. Participant must specify that the U.S. Option is intended to be an ISO. If a U.S. Option is not specifically designated as an ISO, or if a U.S. Option is designated as an ISO but some portion or all the U.S. Option fails to qualify as an ISO under the applicable rules, then the U.S. Option (or portion thereof) will be an NSO. The Company shall have no liability to a U.S. Participant, or any other party, if a U.S. Option (or any part thereof) that is intended to be an ISO is not an ISO or for any action taken by the Board to amend, modify or terminate the Plan, the U.S. Subplan or any U.S. Option, including without limitation, the conversion of an ISO to an NSO.

(c) Maximum Plan Shares Issuable on Exercise of ISOs. Subject to adjustment under Section 3.5 of this U.S. Subplan, the maximum aggregate number of Shares that may be issued upon the exercise of ISOs is the limit set forth in Rule 2.1 of the Plan.

(d) Limits for Ten Percent Owners. A person who is a Ten Percent Owner may not be granted an ISO unless the Exercise Price of such U.S. Option is at least 110% of the Market Price on the Grant Date and the U.S. Option is not exercisable after the expiration of 5 years from the Grant Date.

(e) No Transfer. As provided by Section 422(b)(5) of the Code, and if permitted by the Plan, an ISO will not be transferable except by will or by the laws of descent and distribution, and will be exercisable during the lifetime of the U.S. Participant only by the U.S. Participant. If the Board elects to allow the transfer of a U.S. Option by a U.S. Participant that is designated as an ISO, such transferred U.S. Option will automatically become an NSO.

(f) US$100,000 Limit. As provided by Section 422(d) of the Code and applicable regulations thereunder, to the extent that the aggregate Market Price (determined on the Grant Date) of Shares with respect to which ISOs are exercisable for the first time by any U.S. Participant during any calendar year (under all plans of the Company and any Subsidiary) exceeds US$100,000 (or such other limit established in the Code) or otherwise does not comply with the rules governing ISOs, the U.S. Option or portion thereof that exceed such limit (according to the order in which they were granted) or otherwise do not comply with such rules will be treated as a NSO, notwithstanding any contrary provision of the applicable Award Agreement.

(g) Post-Termination Exercise Period. To obtain the U.S. federal income tax advantages associated with an ISO, the Code requires that beginning on the Grant Date and ending on the day 3 months before the date of exercise of the U.S. Option, the U.S. Participant must be an Employee (except in the event of the U.S. Participant's death or Disability, in which case longer a 12-month period applies). The U.S. Option will no longer be treated as an ISO and shall automatically be converted into a NSO if the U.S. Participant continues to provide services as a Consultant after such U.S. Participant's employment terminates or if the U.S. Participant otherwise exercises the U.S. Option more than 3 months after the date employment terminates for any reason other than death or Disability.

(h) Disqualifying Disposition. Each U.S. Participant awarded an ISO under the U.S. Subplan shall notify the Company in writing of the date the U.S. Participant makes a "disqualifying disposition" of any Share acquired pursuant to the exercise of such ISO. A "disqualifying disposition" is any disposition (including any sale) of such Shares before the later of (i) two years after the Grant Date and (ii) one year after the date the U.S. Participant acquired the Shares by exercising the ISO.

4. RESTRICTED STOCK UNITS.

4.1 Generally. Restricted Stock Units may not be granted to U.S. Participants until the Company's shareholders have approved either or both an amendment to the Employee Share Option Plan to allow Restricted Stock Units or this U.S. Subplan. Each grant of Restricted Stock Units shall be evidenced

For personal use only

by an Award Agreement (whether in paper or electronic medium (including email or the posting on a web site maintained by the Company or a third party under contract with the Company)). Each such grant shall be subject to the conditions set forth in this Section 4, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award Agreement.

4.2 Vesting; Acceleration of Lapse of Restrictions. Unless otherwise provided by the Board in an Award Agreement the unvested portion of Restricted Stock Units shall terminate and be forfeited upon termination of employment or Service of the Participant granted the applicable Award.

4.3 Settlement of Restricted Stock Units. Unless otherwise provided by the Board in an Award Agreement, upon the expiration of the Restricted Period with respect to any outstanding Restricted Stock Units, the Company shall deliver to the Participant, or his beneficiary, without charge, one Share for each such outstanding Restricted Stock Unit; provided, however, that the Board may, in its sole discretion, elect to (a) pay cash or part cash and part Share in lieu of delivering only Shares in respect of such Restricted Stock Units or (b) defer the delivery of Shares (or cash or part Shares and part cash, as the case may be) beyond the expiration of the Restricted Period if such delivery would result in a violation of applicable law until such time as is no longer the case. If a cash payment is made in lieu of delivering Shares, the amount of such payment shall be equal to the Market Price of the Shares as of the date on which the Restricted Period lapsed with respect to such Restricted Stock Units, less an amount equal to any taxes required to be withheld or paid.

5. CONDITIONS ON DELIVERY OF SHARES.

5.1 Notwithstanding anything herein to the contrary, the Company shall not be required to issue or deliver any evidence of book entry or certificates evidencing Shares issued pursuant to an Award, unless and until the Board has determined, with advice of counsel (to the extent the Board deems such advice necessary or advisable), that the issuance and delivery is in compliance with all applicable laws, regulations of governmental authorities and, if applicable, the requirements of the Securities Act or any exchange on which the Shares are listed, quoted or traded.
