Updated September 2026 quarterly activities report advisory

Investor webcast and call

PLS Group Limited (ASX: PLS) (PLS or the Company) advises that the Company's September 2026 Quarterly Activities Report has been re-scheduled to Wednesday, 28 October 2026.

The Company will host an investor webcast and call covering the September Quarterly Activities Report commencing at 6.00am (AWST) / 9.00am (AEDT) on Wednesday, 28 October 2026. There are two options for participating, as outlined below.

Webcast – for retail shareholders and investors

Retail shareholders and investors are invited to listen to the call and view a synchronised slide presentation via the Notified webcast service. To listen live, please click on this **link** and register your details.

Please note that it is best to log on at least five minutes before the scheduled commencement time to ensure that you are registered in time for the call.

Teleconference – for professional investors

Professional investors (investors, brokers, analysts and fund managers) and media who wish to join the teleconference with PLS can register via this dedicated **link**.

Please note that it is best to register for the teleconference in advance of the call to ensure that you are registered in time.

Recording

A recording of the call and webcast will be available on the same link and on the PLS website shortly after the conclusion of the webcast.

Release authorised by Dale Henderson, PLS' Managing Director and CEO.

About PLS

PLS is a leading global producer of lithium materials, with a diversified portfolio of assets and strategic partnerships in the rapidly growing battery materials sector. The Group owns 100% of the world's largest, independent hard-rock lithium operation, the Pilgangoora Operation in Australia, and the Colina Lithium Project in Brazil. PLS is also integrated into the lithium value chain through its joint venture with POSCO in South Korea, which manufactures battery-grade lithium hydroxide. With significant scale, high-quality assets, and a strong commitment to advancing the global energy transition, PLS has established enduring partnerships with leading international companies in the sector including POSCO and Ganfeng.
