VOTING INFORMATION STATEMENT

REQUIRED MAJORITY

Resolutions 1 and 2 are ordinary resolutions and each will be passed if at least 50% of votes cast by Shareholders entitled to vote on the resolution are cast in favour of the Resolution. The vote on Resolution 3 is advisory only and does not bind the Directors or the Company. Resolution 4 is a special resolution and will be passed if at least 75% of votes cast by Shareholders entitled to vote on the resolution are cast in favour of the Resolution.

ENTITLEMENT TO VOTE

The Company has determined that for the purposes of the Corporations Act, Shareholders eligible to vote at the Meeting will be taken to be those registered holders of the Company's shares at **4:00pm (AWST) on Monday, 16 November 2026**. Accordingly, Share transfers registered after that time will be disregarded in determining entitlements to attend and vote at the Meeting.

PROXIES

Appointing a proxy

Each Shareholder who is entitled to attend and vote at the Meeting is entitled to appoint a proxy. The proxy does not need to be a Shareholder and can be either an individual or a body corporate.

A Shareholder who is entitled to cast two or more votes may appoint two proxies and may specify the number or percentage of votes each proxy is to exercise. If no number or percentage is specified, each proxy may exercise half the Shareholder's votes.

Voting by proxy

A Shareholder may direct their proxy to vote for, against or abstain from voting on each Resolution by marking the appropriate box in the voting directions section of the proxy form. If a proxy holder votes, they must cast all votes as directed. Any directed proxies that are not voted will automatically default to the Chair, who must vote the proxies as directed.

Should any Resolution, other than those specified in this Notice, be proposed at the Meeting, a proxy may vote on that resolution as they think fit.

If a proxy is instructed to abstain from voting on an item of business, they are directed not to vote on the Shareholder's behalf on the poll and the Shares that are the subject of the proxy appointment will not be counted in calculating the required majority.

Shareholders who return their proxy forms with a direction how to vote, but who do not nominate the identity of their proxy, will be taken to have appointed the Chair of the Meeting as their proxy to vote on their behalf. If a proxy form is returned but the nominated proxy does not attend the Meeting, the Chair of the Meeting will act in place of the nominated proxy and vote in accordance with any instructions. Proxy appointments in favour of the Chair of the Meeting, the secretary or any Director that do not contain a direction how to vote will be used, where possible, to support each of the Resolutions proposed in this Notice, provided they are entitled to cast votes as a proxy under the voting exclusion rules which may apply to one or more of the proposed Resolutions. These rules are explained in this Notice.

Voting restrictions that may affect your proxy appointment - Resolution 3

- *Key Management Personnel (other than Chair) as proxy*

  Due to the voting exclusions that apply to Resolution 3, Key Management Personnel and their Closely Related Parties will generally not be able to vote your proxy on Resolution 3 unless you are eligible to vote, and you have specifically directed them how to vote.

- *Chair as proxy*

  If the Chair is to act as your proxy in relation to Resolution 3, and you have not given the Chair directions on how to vote by marking the appropriate box in the voting directions section of the proxy form, the proxy form expressly directs and authorises the Chair to cast your vote 'for' Resolution 3.

Signing instructions – Proxy form

The proxy form must be signed by the Shareholder or his/her attorney duly authorised in writing or, if the Shareholder is a corporation, in a manner permitted by the Corporations Act. The proxy holder may, but need not, be a Shareholder. In the case of Shares jointly held by two or more persons, both holders must sign the proxy form.

Where the appointment of a proxy is signed by the Shareholder's attorney, a certified copy of the power of attorney, or the power of attorney itself, must be received by the Company at the above address, or by facsimile, and by 10:30am (AWST) on Monday, 16 November 2026. If facsimile transmission is used, the power of attorney must be certified.

FINANCIAL REPORTS

The Corporations Act requires:

- the reports of the Directors and Auditor; and
- the annual financial report, including the financial statements of the Company for the year ended 30 June 2026,

to be laid before the Meeting. Neither the Corporations Act nor the Constitution requires a vote of Shareholders on the reports or statements. However, Shareholders will be given an opportunity to raise questions or comments on the management of the Company at the Meeting.

A reasonable opportunity will be given to Shareholders who are entitled to vote at the Meeting to ask the Company's external auditor, Ernst & Young ("**EY"**), questions relevant to the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

Shareholders who are entitled to vote at the Meeting may also submit a written question to EY (via the Company) if the question is relevant to:

- the content of EY's audit report; or
- the conduct of its audit of the Company's annual financial reports for the year ended 30 June 2026.

Relevant questions for EY must be received no later than 5:00pm (AWST), Wednesday 11 November 2026. EY will either answer the relevant questions at the Meeting or table written answers at the Meeting. If written answers are tabled at the Meeting, they will be made available to Shareholders as soon as practicable after the Meeting, on the Company's website: *https://www.mgx.com.au/investors-and-media/2026-annual-general-meeting/*

Please send any relevant questions for EY by 5:00pm (AWST), Wednesday 11 November 2026 to the Company at Level 2, 2 Kings Park Road, West Perth, Western Australia, or by email – admin@mgx.com.au, marked for the attention of the Company Secretary, David Stokes.

The following details should be included with written questions:

– the Shareholder's name; and

– either the Shareholder's SRN or HIN.

2. RESOLUTION 1 - Re-election of Alan Jones

Mr Jones was last re-elected as a Director at the Company's annual general meeting on 15 November 2023. Pursuant to Rule 8.1(d) of the Constitution and Listing Rule 14.4, Mr Jones, being a Director, retires by rotation and, being eligible, offers himself for re-election as a Director.

Rule 8.1(d) of the Constitution provides that a Director (who is not the Managing Director, if any) must not hold office without re-election beyond the third annual general meeting following the meeting at which the director was last elected or re-elected. Listing Rule 14.4 provides that

a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer.

Mr Jones was appointed as an Independent Non-Executive Director on 28 July 2006 and is the current Chairman of the Nomination, Remuneration and Governance Committee. Mr Jones is a Chartered Accountant with extensive senior management and board experience in listed and unlisted Australian public companies, particularly in the construction, engineering, finance and investment industries. Mr Jones has been involved in the successful merger and acquisition of a number of public companies in Australia and internationally. He is an independent Non-Executive Director of Mulpha Australia Ltd, Sun Hung Kai & Co Ltd (Hong Kong), Allied Group Ltd (Hong Kong), and Air Change International Limited.

The Board considers that Mr Jones, if re-elected, will continue to be classified as an independent director.

Based on Mr Jones' relevant experience and qualifications, the Board (excluding Mr Jones) recommends that Shareholders vote in favour of the re-election of Mr Jones.

RESOLUTION 2 - Re-election of Evian Delfabbro

Ms Delfabbro was elected as a Director at the Company's annual general meeting on 15 November 2023. Pursuant to Rule 8.1(d) of the Constitution and Listing Rule 14.4, Ms Delfabbro, being a Director, retires by rotation and, being eligible, offers herself for re-election as a Director.

Rule 8.1(d) of the Constitution provides that a Director (who is not the Managing Director, if any) must not hold office without re-election beyond the third annual general meeting following the meeting at which the director was last elected or re-elected. Listing Rule 14.4 provides that a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is longer.

As a civil engineer and lawyer, Ms Delfabbro has over two decades of experience in the commercial property, mining and construction sectors. She is currently a director of a boutique Sydney property company and a Queensland hard-rock quarrying business. She has previously held senior management roles with former ASX-listed commercial property company FKP Ltd, Port Bouvard Ltd and Thakral Holdings. Ms Delfabbro holds a Diploma of Law, Bachelor of Civil Engineering and Bachelor of Commerce from the University of Sydney.

The Board considers that Ms Delfabbro, if re-elected, will continue to be classified as an independent director.

Based on Ms Delfabbro's relevant experience and qualifications, the Board (excluding Ms Delfabbro) recommends that Shareholders vote in favour of the re-election of Ms Delfabbro.

3. RESOLUTION 3 - Non-binding resolution to adopt the 2026 Remuneration Report

The Remuneration Report sets out the Company's remuneration arrangements for Directors and senior management and is set out in the Directors' Report section in the Company's Annual Report, which is available on the Company's website (www.mgx.com.au).

Section 250R(2) of the Corporations Act requires companies to put a resolution to their Shareholders that the Remuneration Report be adopted. The Remuneration Report is set out in the Company's Annual Report and is also available on the Company's website at *www.mgx.com.au*.

Under section 250R(3) of the Corporations Act, the vote on the resolution is advisory only and does not bind the Directors or the Company.

The Company's remuneration report for the financial year ended 30 June 2025 did not receive a vote of more than 25% against its adoption at the Company's last annual general meeting held on 12 November 2025. Accordingly, if at least 25% of the votes cast on this Resolution 3

For personal use only

are against adoption of the Remuneration Report it will not result in the Company putting a Spill Resolution (defined below) to Shareholders for this Meeting.

Under the Corporations Act, if 25% or more of votes cast on Resolution 3 at the Meeting were against the adoption of the Remuneration Report, and this occurred again at the Company's 2027 Annual General Meeting in relation to the remuneration report considered at that meeting, the following sequence of events would occur:

- The Company would be required to put to Shareholders at the 2027 Annual General Meeting a resolution ("**Spill Resolution**") proposing the calling of a general meeting to consider the appointment of Directors of the Company.
- If more than 50% of Shareholders voted in favour of the Spill Resolution, the Company would be required to convene the general meeting ("**Spill Meeting**") within 90 days after the 2027 Annual General Meeting.
- All of the Directors who were in office when the 2027 Directors' Report was approved by the Board, other than the Managing Director of the Company (if any), would cease to hold office immediately before the end of the Spill Meeting but could stand for re-election at the Spill Meeting.
- Following the Spill Meeting those persons whose election or re-election as Directors was approved at the Spill Meeting would be the Directors of the Company.

The Chair will give Shareholders a reasonable opportunity to ask questions about, or make comments on, the Remuneration Report at the Annual General Meeting. The Board will consider the outcome of the vote on Resolution 3 and comments made by Shareholders on the Remuneration Report at the Annual General Meeting when reviewing the Company's remuneration policy.

Note that a voting exclusion applies to this Resolution 3. Shareholders are urged to carefully read the proxy form and provide a direction to the proxy on how to vote on this Resolution.

The Chair of the Meeting intends to vote undirected proxies in favour of Resolution 3.

4. RESOLUTION 4 - Amendment to Constitution to adopt Proportional Takeover provisions

The Corporations Act permits a company to include in its constitution provisions (called **takeover approval provisions**) requiring that a proportional or partial takeover offer (ie an offer for less than 100% of the shares but for the same proportion of each shareholder's shares) be approved by a majority of shareholders, before it may proceed. In effect, the approval of Resolution 4 will enable the Company to refuse to register transfers of Shares acquired under a proportional takeover bid unless the bid is approved by a majority of shareholders.

Rule 6 of the Company's existing Constitution currently contains provisions dealing with proportional takeover bids for the Company's shares. These provisions are designed to assist Shareholders to receive proper value for their shares if a proportional takeover bid is made for the Company.

Under the Corporations Act and rule 6.4 of the Constitution, the provisions must be renewed every three years or they cease to have effect. The current provisions were last renewed by special resolution of Shareholders at the 2023 Annual General Meeting held on 15 November 2023 and, under section 648G(3) of the Corporations Act and rule 6.4 of the Constitution, will cease to have effect and be omitted from the Constitution three years after that date, being 15 November 2026 (before the date of the Meeting).

Because the existing provisions will have ceased to have effect before the Meeting, they cannot be renewed at the Meeting. The Directors consider that it is in the interests of Shareholders for the Company to reinsert the takeover provisions into the Constitution. Approval is therefore being sought to amend the Constitution to reinsert the takeover provisions as rules 6.1 to 6.4, in the form set out in Schedule 1.

For personal use only

Resolution 4 is a special resolution and therefore requires the approval of at least 75% of the votes cast by Shareholders entitled to vote on the Resolution.

Section 648G of the Corporations Act requires the Company to provide the following information to Shareholders when they consider the adoption of takeover approval provisions in a constitution.

(a) What are the takeover approval provisions?

A proportional takeover bid is one where the offer made to each Shareholder is only for a proportion of that Shareholder's shares.

This means that control of the Company may pass without Shareholders having the chance to sell all their shares to the bidder. Shareholders may therefore be exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium for their shares.

To deal with this possibility, the takeover provisions proposed to be reinserted as rules 6.1 to 6.4 (as set out in Schedule 1) provide that, if a proportional takeover bid is made for shares in the Company, Shareholders must vote on whether to accept or reject the offer and that decision will be binding on all the Shareholders.

(b) What is the effect of the proportional takeover approval provisions?

If rules 6.1 to 6.4 of the Constitution are reinserted and a proportional takeover bid is made, the Directors must hold a meeting of the Shareholders entitled to vote for the purpose of considering, and if thought fit, passing a resolution to approve the proportional takeover bid. In other words, the registration of a transfer of Shares acquired under a proportional takeover bid will be prohibited unless the Shareholders approve of the proportional takeover bid in the manner provided for in rules 6.1 to 6.4 of the Constitution.

Shareholders must vote on the resolution to approve the bid more than 14 days before the bid period closes. The vote is decided on a simple majority. The Shareholder approval can be obtained at a general meeting of Shareholders.

Each person who, as at the end of the day on which the first offer under the bid was made, is recorded on the register of members as holding bid class securities is entitled to vote at the general meeting, but the bidder and its associates are not allowed to vote.

The resolution must be voted on at least 14 days before the last day of the offer period under the proportional takeover bid. The resolution will be passed if more than 50 percent of eligible votes are cast in favour of the approval. If no such resolution has been voted on at least 14 days before the last day of the bid period then a resolution to approve the registration of transfers under the bid is taken to have been passed.

If the resolution to approve the bid is not passed, transfers which would have resulted from the acceptance of a bid will not be registered and the bid will be taken to have been withdrawn. Acceptances will be returned and any contracts formed by acceptance will be rescinded. If the resolution is approved, transfers of shares to the bidder will be registered provided they comply with the other provisions of the Constitution.

If the bid is approved or taken to have been approved, the transfers resulting from the bid may be registered provided they comply with other provisions of the Corporations Act and the Company's Constitution.

The Directors are required under the Corporations Act to ensure the resolution is voted on within the required time period. If this does not occur, and the resolution is not voted on by the deadline, the bid will be taken to have been approved.

The takeover provisions do not apply to full takeover bids and only apply for three years after their adoption. If rules 6.1 to 6.4 are reinserted, they will apply for a three year period

For personal use only

commencing on the date of the Meeting, being 18 November 2026, unless Shareholders renew them by special resolution before the end of that period.

(c) No knowledge of any acquisition proposals

At the date of this Notice, no Director of the Company is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

(d) Review of takeover approval provisions

In the period during which the takeover provisions in rules 6.1 to 6.4 of the Constitution were in effect, there were no full or proportional takeover bids for the Company. Accordingly, there are no actual examples against which to assess the advantages or disadvantages of those provisions for the Directors and the Shareholders, respectively, during that period.

The Directors are not aware of any potential takeover bid that was discouraged by rule 6.

(e) Potential advantages and disadvantages

The Directors consider that the proposed reinsertion of the takeover provisions into the Constitution has the following potential advantages or potential disadvantages for Directors:

- If the Directors consider that a proportional takeover bid should be opposed, they will be assisted in preventing the bidder from securing control of the Company as the bidder will need a majority of votes to be cast in its favour by the independent Shareholders before the bidder can succeed;

- On the other hand, under the takeover approval provisions, if a proportional takeover bid is received, the Directors must call a meeting to seek the Shareholders' views. They must do so even if the Directors believe that the offer should be accepted;

- At present, it is only the Directors who express any formal view on the adequacy or otherwise of a takeover bid, on behalf of the Company. Under the takeover approval provisions the most effective view on a proportional bid will become the view expressed by the vote of the Shareholders themselves, at the general meeting; and

- The takeover approval provisions may make it easier for the Directors to discharge their fiduciary and statutory duties as directors in the event of a proportional takeover bid.

The potential **advantages** of the proposed reinsertion of the proportional takeover provisions for Shareholders are:

- The takeover approval provisions may enable Shareholders to act together and so avoid the coercion of Shareholders that might otherwise arise where they believe a partial offer is inadequate, but nevertheless accept through concern that a significant number of other Shareholders will accept;

- They give Shareholders their say in determining by majority vote whether an offer under a proportional takeover bid should proceed;

- They may assist Shareholders avoid being locked in as a minority;

- The takeover approval provisions may provide Shareholders with protection against being coerced into accepting a partial bid at a high premium where the bidder indicates its intention to mount a subsequent bid for the remaining shares at a much reduced price. This puts pressure on Shareholders to accept the initial bid in order to maximise their returns;

- If a partial bid is made, the takeover approval provisions may make it more probable that a bidder will set its offer price at a level that will be attractive to at least a majority of Shareholders;

For personal use only

- The takeover approval provisions may make it more probable that any takeover offer will be a full bid for the whole shareholding of each Shareholder, so that Shareholders may have the opportunity of disposing of all their Shares rather than only a proportion; and

- Knowing the view of the majority of Shareholders assists each individual Shareholder in assessing the likely outcome of the proportional takeover bid and deciding whether to accept or reject that offer for their shares.

The potential **disadvantages** of the proposed reinsertion of the proportional takeover provisions for Shareholders are:

- By placing obstacles in the way of partial offers, proportional takeover bids for shares in the Company may be discouraged, thus reducing the opportunity for Shareholders to sell a portion of their holding;

- Shareholders may lose an opportunity to sell some of their shares at a premium;

- The likelihood of a proportional takeover being successful may be reduced;

- An individual Shareholder who wishes to accept a proportional offer will be unable to sell to the bidder unless a majority of Shareholders favour the proportional takeover bid (which may be viewed as an additional restriction on the ability of individual Shareholders to deal freely in their Shares);

- It is possible that the existence of the takeover approval provisions might have an adverse effect on the market value of the Company's Shares by making a partial offer less likely thus reducing any takeover speculation element in the Share price; and

- If a proportional takeover bid is made, the Company will incur the cost of calling a meeting of Shareholders.

The Directors consider that the potential advantages for Shareholders of the proportional takeover provisions outweigh the potential disadvantages, particularly in light of the fact that Shareholders as a whole are able to decide whether or not a proportional takeover bid is successful.

(f) Recommendation

Having considered the advantages and disadvantages to Shareholders and the Directors, the Directors have decided to put this Resolution 4 to Shareholders to give Shareholders an opportunity to take advantage of the protections which the takeover approval provisions offer, if a proportional takeover bid is made.

The Directors recommend that Shareholders vote in favour of Resolution 4. The Chair of the Meeting intends to vote all available proxies in favour of Resolution 4.
