

Cleanaway enters into Scheme Implementation Deed with EQT Infrastructure

- Cleanaway has entered into a Scheme Implementation Deed with Sedum Group Pty Ltd, an entity owned by funds managed, operated and/or advised by the EQT AB Group, under which it will acquire 100% of the shares in Cleanaway by way of a Scheme of Arrangement
- Under the Scheme, Cleanaway shareholders will receive \$3.095 cash per share less the cash amount of any dividends paid¹, representing a premium of 34.5%² to the 3-month VWAP to 12 August 2026 and 20x FY26 EBIT multiple^{2,3}
- The Cleanaway Board may declare and pay a fully franked special dividend of up to \$0.19 per share, currently expected to be in the range of \$0.145 to \$0.190 per share (subject to the availability of franking credits) prior to implementation of the Scheme
- The Cleanaway Board unanimously recommends that Cleanaway shareholders vote in favour of the Scheme in the absence of a Superior Proposal and subject to an Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of Cleanaway shareholders

Cleanaway Waste Management Limited (ASX: CWY, the “Company” or “Cleanaway”) announces that it has entered into a Scheme Implementation Deed (“SID”) with Sedum Group Pty Ltd (the “Bidder”), an entity owned by funds managed, operated and/or advised by the EQT AB Group (“EQT”), under which the Bidder has agreed to acquire 100% of the shares in Cleanaway by way of a Scheme of Arrangement (the “Scheme”).

Scheme Consideration

Under the terms of the Scheme, Cleanaway shareholders will be entitled to receive \$3.095 cash for each Cleanaway share held on the Scheme Record Date, less the cash amount of any dividends paid¹ (together, the “Scheme Consideration”).

The Scheme Consideration implies² an enterprise valuation for Cleanaway of approximately \$9.3 billion³ and represents:

- a premium of 32.1% to the last closing share price of Cleanaway of \$2.37 per share on 12 August 2026, being the last trading day prior to the announcement of EQT’s non-binding indicative proposal;
- a premium of 34.2% to the 1-month volume weighted average price of \$2.33 per share at 12 August 2026;
- a premium of 34.5% to the 3-month volume weighted average price of \$2.33 per share at 12 August 2026;

¹Plus any ticking fee, which applies where the implementation date is after 31 May 2027 and is an additional cash amount equal to \$0.0002 per day, accruing daily for each day that has elapsed from (and including) 1 June 2027 to (and including) the implementation date.

²The Scheme Consideration of \$3.095 cash per share reflects the indicative offer price of \$3.13 cash per share, reduced for the FY26 final dividend of 3.5 cents per share paid on 8 October 2026. The implied enterprise value, premia and FY26 underlying EBIT multiple are calculated by reference to the total value of \$3.13 per share, consistent with Cleanaway’s undisturbed share price, which included the entitlement to the FY26 final dividend, but excluding any ticking fee.

³On a fully diluted basis, assuming 2,255.1 million fully paid ordinary shares and performance rights outstanding, total net debt and debt-like items (\$2,288.7 million) and non-controlling interests (\$1.6 million) as disclosed at June 2026 and FY26 underlying EBIT of \$470.2 million.

- a premium of 34.0% to the 6-month volume weighted average price of \$2.34 per share at 12 August 2026; and
- an implied enterprise value to FY26 underlying EBIT multiple of approximately 20x³.

Under the SID, Cleanaway is permitted to determine and pay one or more cash dividends of up to \$0.19 per Cleanaway share in aggregate⁴ prior to implementation of the Scheme, which may include a fully franked special dividend. The Cleanaway Board currently expects any such dividends to be in the range of \$0.145 to \$0.190 per Cleanaway share in aggregate. The cash amount of any dividends paid will be deducted from the Scheme Consideration of \$3.095 cash per Cleanaway share. Any dividends are intended to be franked to the maximum extent possible. There is no certainty as to the amount, timing or franked proportion of any dividend, which will be subject to approval and determination by the Cleanaway Board and will be subject to tax advice. The amount of any special dividend will depend on, among other things, the timing of implementation of the Scheme and the franking credits available and retained earnings balance at that time.

Cleanaway Board unanimously recommends the Scheme

The Cleanaway Board unanimously recommends that Cleanaway shareholders vote in favour of the Scheme in the absence of a Superior Proposal and subject to an Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of Cleanaway shareholders.

Subject to those same qualifications, each Cleanaway Director intends to vote, or procure the voting of, all Cleanaway shares held or controlled by them in favour of the Scheme.

Cleanaway Chair, Samantha Hogg, said, *"The Board has carefully assessed EQT's proposal against the value of Cleanaway on a standalone basis, including the opportunities ahead of us under Blueprint 2030 2.0 and the investment and execution required to deliver them. Following a disciplined process and engagement with EQT, the Board is unanimous in its view that the Scheme delivers strong and certain cash value to shareholders, at a significant premium to Cleanaway's undisturbed share price."*

"Accordingly, the Board unanimously recommends that shareholders vote in favour of the Scheme, in the absence of a Superior Proposal and subject to the Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of Cleanaway shareholders.", she said.

Key terms of the SID

Implementation of the Scheme is subject to a number of conditions which are customary for a transaction of this nature, including:⁵

- regulatory approvals, including from the Foreign Investment Review Board ("**FIRB**"), the Australian Competition and Consumer Commission ("**ACCC**") and the competition authorities of Kuwait and Saudi Arabia;
- approval of the Scheme by Cleanaway shareholders at the Scheme Meeting and by the Federal Court of Australia;
- the Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of Cleanaway shareholders;

⁴This maximum applies to the aggregate of all cash dividends that Cleanaway may determine or declare under the SID prior to the Scheme becoming effective.

⁵Capitalised terms used in this announcement and not otherwise defined have the meaning given to them in the SID.

- no Material Adverse Change and no Prescribed Occurrence occurring in respect of Cleanaway;
- change of control consents for specified material contracts (as agreed between Cleanaway and the Bidder) being obtained by 14 December 2026, being the target date for despatch of the Scheme Booklet (or such later date agreed by the parties in writing); and
- certain other customary conditions.

The Scheme is not subject to any financing condition.

The SID contains limited termination rights including that either party may terminate if a condition becomes incapable of satisfaction or in the event of an unremedied material breach by the other party, as well as an obligation on Cleanaway and EQT to pay a break fee or reverse break fee respectively in certain customary circumstances.

Under the SID, Cleanaway is subject to customary exclusivity provisions, including “no shop”, “no talk” and “no due diligence” obligations (the latter two being subject to a customary fiduciary exception) and notification obligations. The SID also contains a matching right regime in respect of any Superior Proposal received by Cleanaway.

A full copy of the SID, which sets out the terms and conditions of the Scheme, is attached to this announcement.

Indicative timetable and next steps

Cleanaway shareholders do not need to take any action in relation to the Scheme at this time.

A Scheme Booklet containing important information and disclosures relating to the Scheme, including the reasons for the Cleanaway Board’s recommendation and an Independent Expert’s Report on whether the Scheme is in the best interests of Cleanaway shareholders, will be issued to Cleanaway shareholders in due course.

The Cleanaway Board has appointed Kroll Australia Pty Ltd as the Independent Expert to opine on whether the Scheme is in the best interests of Cleanaway shareholders.

The Scheme Meeting, at which Cleanaway shareholders will vote on the Scheme, is expected to be held before the end of February 2027. Subject to the conditions of the Scheme being satisfied (or waived, where permitted) and Court approval, the Scheme is expected to be implemented by the end of March 2027.

These dates are indicative and subject to change, including as a result of the timing of regulatory approvals.

Advisers

Cleanaway is advised by Barrenjoey and Macquarie Capital as its joint financial advisers and Ashurst Perkins Coie as its legal adviser.

This ASX Announcement has been authorised by Cleanaway’s Board of Directors.

RECITALS:

- (A) The Bidder and CWY have agreed that, subject to the terms and conditions set out in this deed, the Bidder will acquire all of the ordinary shares in CWY by means of a scheme of arrangement between CWY and Scheme Shareholders under Part 5.1 of the Corporations Act.
- (B) CWY and the Bidder have agreed to implement the Scheme on the terms and subject to the conditions set out in this deed.

THE PARTIES AGREE AS FOLLOWS:

1. Defined terms and interpretation

1.1 Definitions

A term or expression which is defined in Schedule 1 has the meaning given to it in Schedule 1 when used in this deed.

1.2 Interpretation

Clauses 2 and 3 in Schedule 1 set out the rules of interpretation for this deed.

2. CWY scheme

2.1 Agreement to propose and implement Scheme

- (a) CWY agrees to propose and implement the Scheme under which:
 - (i) all of the CWY Shares held by the Scheme Shareholders will be transferred to the Bidder; and
 - (ii) each of the Scheme Shareholders will be entitled to receive the Scheme Consideration for each CWY Share so transferred;

and otherwise on the terms and subject to the conditions of this deed.
- (b) CWY must not consent to any amendment to, or the making or imposition by the Court of any condition in respect of, the Scheme without the prior written consent of the Bidder, such consent not to be unreasonably withheld or delayed.
- (c) The Bidder agrees to assist CWY to propose and implement the Scheme on the terms and subject to the conditions of this deed.

2.2 Scheme Consideration

- (a) The Scheme Consideration for each Scheme Share held by a Scheme Shareholder as at the Scheme Record Date is:
- (i) \$3.095 cash; *less*
 - (ii) the cash amount of any Permitted Dividends in relation to a CWY Share; *plus (if applicable)*
- where the Implementation Date is after 31 May 2027, an additional cash amount equal to \$0.0002 per day, accruing daily for each day that has elapsed from (and including) 1 June 2027 to (and including) the Implementation Date.
- (b) Each Scheme Shareholder is entitled to receive the Scheme Consideration in respect of each Scheme Share held by that Scheme Shareholder, in accordance with the terms of this deed and the Scheme.
- (c) Subject to this deed, the terms of the Scheme and the Scheme becoming Effective, the Bidder undertakes and warrants to CWY (in its own right and on behalf of the Scheme Shareholders) that, in consideration of the transfer to the Bidder of each CWY Share held by a Scheme Shareholder under the terms of the Scheme, on the Implementation Date, the Bidder will:
- (i) accept that transfer; and
 - (ii) provide to each Scheme Shareholder the Scheme Consideration for each Scheme Share in accordance with the terms of this deed and the Scheme.
- (d) Where the calculation of the cash to be paid to a particular Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a cent, the fractional entitlement will be rounded up to the nearest whole number of cents.

2.3 Board recommendation and voting intention

- (a) CWY represents and warrants to the Bidder that, as at the date of this deed, each Director has confirmed that:
- (i) his or her recommendation in respect of the Scheme is that CWY Shareholders vote in favour of the Scheme at the Scheme Meeting; and
 - (ii) he or she intends to vote, or procure the voting of, any CWY Shares held or controlled by him or her or held on his or her behalf at the time of the Scheme Meeting in favour of the Scheme at the Scheme Meeting,

in each case in the absence of a Superior Proposal and subject to the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Scheme is in the best interests of CWY Shareholders.

- (b) CWY must use all reasonable endeavours to procure that, subject to clause 2.3(d), the Directors unanimously recommend that the CWY Shareholders vote in favour of the Scheme at the Scheme Meeting, in the absence of a Superior Proposal and subject to the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Scheme is in the best interests of CWY Shareholders.

- (c) CWY must use all reasonable endeavours to procure that, subject to clause 2.3(d), each Director votes or procures the voting of, any CWY Shares held or controlled by him or her or held on his or her behalf at the time of the Scheme Meeting in favour of the Scheme at the Scheme Meeting, in the absence of a Superior Proposal and subject to the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Scheme is in the best interests of CWY Shareholders.
- (d) CWY must use all reasonable endeavours to procure that the Board collectively, and the Directors individually, do not adversely change, withdraw, adversely modify or adversely qualify (including by making any public statement supporting, endorsing or recommending a Competing Proposal and/or to the effect that he or she no longer supports the Scheme) his or her recommendation or voting intention as set out in clause 2.3(a) unless:
- (i) CWY has received a Superior Proposal and CWY has complied with its obligations under clauses 11.8 and 11.9;
 - (ii) the Independent Expert concludes in the Independent Expert's Report, or the Independent Expert's Report is amended or updated so as to conclude that the Scheme is not in the best interests of CWY Shareholders; or
 - (iii) the change, withdrawal, modification or qualification occurs because of a requirement or reasonable request by a court of competent jurisdiction, ASIC or the Takeovers Panel that he or she abstain or withdraw from making a recommendation that CWY Shareholders vote in favour of the Scheme after the date of this deed.
- (e) For the purposes of this clause 2.3, customary qualifications and explanations contained in the Scheme Booklet or any public announcements by CWY in relation to a recommendation to vote in favour of the Scheme, including to the effect that:
- (i) the recommendation is made in the absence of a Superior Proposal; and/or
 - (ii) the recommendation is made subject to the Independent Expert concluding and continuing to conclude in the Independent Expert's Report (including in any amendment of it) that the Scheme is in the best interests of CWY Shareholders,

will not be regarded as a failure to make, or a change, withdrawal, modification or qualification of, a recommendation to vote in favour of the Scheme.

Despite anything to the contrary in this clause 2.3, a statement made by CWY, the Board or any member of the Board, to the effect that no action should be taken by CWY Shareholders pending the assessment of a Competing Proposal by CWY or the completion of the procedure in clause 11.8 will not, in and of itself, contravene clause 2.3.

3. Conditions Precedent

3.1 Scheme subject to Conditions Precedent being satisfied or waived

investigation, in consequence of or in connection with the Scheme which restrains, prohibits or impedes (or could reasonably be expected to restrain, prohibit or impede) the acquisition of all the CWY Shares by the Bidder, or that would otherwise prevent implementation of the Scheme, is in effect at 8.00 am on the Second Court Date.

3.3 Benefit and waiver of Conditions Precedent

- (a) The Conditions Precedent in clause 3.2(a) (*FIRB*), 3.2(b) (*ACCC*), 3.2(c) (*Kuwait*), 3.2(d) (*Saudi Arabia*), 3.2(k) (*CWY Shareholder Approval*) and 3.2(m) (*Court approval*) cannot be waived.
- (b) Each Condition Precedent is included for the benefit of only the party or parties specified opposite the Condition Precedent in the table in clause 3.2.
- (c) Subject to clause 3.3(a), the breach or non-fulfilment of a Condition Precedent is waived only if:
 - (i) where the Condition Precedent is included for the benefit of only one party – that party waives the breach or non-fulfilment of the Condition Precedent by notice in writing to the other party;
 - (ii) where the Condition Precedent is included for the benefit of both parties – both parties agree in writing to waive the breach or non-fulfilment of the Condition Precedent.
- (d) A party for whom a Condition Precedent is included must not waive the breach or non-fulfilment of the Condition Precedent if it would result in a breach of law.
- (e) If a party waives the breach or non-fulfilment of a Condition Precedent in accordance with this clause 3.3, that waiver precludes the party from suing another party for any breach of this deed that arises as a result of the breach or non-fulfilment of the Condition Precedent.
- (f) Waiver of a breach or non-fulfilment in respect of one Condition Precedent does not constitute:
 - (i) a waiver of breach or non-fulfilment of any other Condition Precedent resulting from the same event; or
 - (ii) a waiver of breach or non-fulfilment of that Condition Precedent resulting from any other event.

3.4 Reasonable endeavours

- (a) CWY and the Bidder each agree to use reasonable endeavours to procure that:
 - (i) each Condition Precedent for which it is a party responsible (specified opposite the Condition Precedent in the table in clause 3.2):
 - (A) is satisfied as soon as practicable after the date of this deed; and
 - (B) continues to be satisfied at all times until the last time it is to be satisfied (as the case may require); and
 - (ii) there is no occurrence within its control or the control of its Affiliates or subsidiaries that would prevent the Condition Precedent for which it is a party responsible being or remaining satisfied.
- (b) For the avoidance of doubt, CWY will not be in breach of its obligations to use reasonable endeavours under this clause 3.4 to the extent that it takes an action or omits to take an action:
 - (i) as is expressly required, expressly permitted to be done, or expressly permitted not to be done, under or in accordance with this deed;
 - (ii) in response to a Competing Proposal as permitted by this deed; or
 - (iii) which has been consented to by the Bidder (such consent not to be unreasonably withheld).

3.5 Certain notices relating to Conditions Precedent

- (a) CWY and the Bidder (as the case may be) must promptly advise each other, orally and in writing, of satisfaction of a Condition Precedent or of any material progress towards such satisfaction.
- (b) If a Condition Precedent is not satisfied by the time and date specified for satisfaction of that Condition Precedent (or the End Date if no such time and date is specified), then, unless there is no reasonable prospect that the Condition Precedent will be satisfied before the End Date, CWY must, if requested by the Bidder, make an application to defer the Second Court Date until such time (being not later than the Business Day before the End Date) as is reasonably required to enable the relevant Condition Precedent to be satisfied.
- (c) If, before the time and date specified for satisfaction of a Condition Precedent (or by the End Date if no such time and date is specified), an event or occurrence that will prevent that Condition Precedent being satisfied occurs, the party with knowledge of that event must give the other party written notice of that event or occurrence as soon as possible.
- (d) CWY and the Bidder (as the case may be) must promptly advise each other, orally and in writing, of any fact, matter, change, event or circumstance causing, or which, so far as can reasonably be foreseen, would cause:
 - (i) a representation or warranty provided in this deed by the relevant party to be false or misleading in any material respect;
 - (ii) a breach or non-satisfaction of any of the Conditions Precedent; or
 - (iii) a material breach of this deed by the relevant party.

However, for the avoidance of doubt, nothing in this deed obliges a party to waive the breach or non-fulfilment of a Condition Precedent or extend the End Date.

3.6 **Regulatory matters**

- (a) Without limiting clause 3.4(a), each party:
- (i) must promptly (and in any event no later than 15 Business Days from the date of this deed) apply for all relevant Regulatory Approvals for which it is responsible (and pay any applicable fee or filing charge) and provide each other party with a copy of those applications;
 - (ii) must take all steps reasonably required and which it is responsible for as part of the Regulatory Approval process, including responding to requests for information within any relevant time limit set out by the Government Agency and otherwise at the earliest practicable time, to the extent such information is within its possession or control;
 - (iii) to the extent it is legally permissible, must keep the other party reasonably informed in a timely manner of progress in relation to each relevant Regulatory Approval (including in relation to any material matters raised by, or conditions or other arrangements proposed or imposed by, or to, any Government Agency in relation to the Regulatory Approval);
 - (iv) must provide reasonable assistance to the other party in order to enable the other party to obtain any relevant Regulatory Approvals, for which it is responsible including by, providing:
 - (A) any information reasonably requested by the other party for such purpose; and
 - (B) the relevant Government Agency with all information that the relevant Government Agency requests,
 in connection with the application for the Regulatory Approval, to the extent such information is within its possession or control;
 - (v) to the extent it is reasonably practicable and legally permissible, give the other party reasonable notice of any material proposed meetings or material discussions with a Government Agency relating to any Regulatory Approval and, if the participation of the other party in any meeting or discussion is required by that Government Agency or requested by the first party, use reasonable endeavours to procure that the relevant meeting or discussion is held at such time that will enable representatives of the other party to attend;
 - (vi) to the extent it is legally permissible, must consult with the other party in advance in relation to the proposed contents of the applications for Regulatory Approvals and all material communications (whether written or oral, and whether direct or via a Representative) with any Government Agency relating to any Regulatory Approval and:
 - (A) provide the other party with drafts of any applications for Regulatory Approvals and material written communications to be sent to a Government Agency at least 3 days (or if that is not reasonably practicable in any particular circumstance, such shorter period as is necessary to enable the first party to meet any

deadline imposed by the Government Agency) prior to sending them;

- (B) provide the other party with a reasonable opportunity to comment on any material written communications before they are sent;
 - (C) will, in good faith, take into account (but not necessarily incorporate) all reasonable comments received from the other to the drafts provided; and
 - (D) provide copies of any material written communications sent to or received from a Government Agency to the other party promptly upon despatch or receipt (as the case may be), subject to the ability to redact commercially or competitively sensitive information;
- (vii) in the case of the Bidder, the Bidder must not:
- (A) resile from or change, with a consequence that might be adverse to its prospects of satisfying any Regulatory Approval, any of the assurances or other commitments provided by the Bidder or its Affiliates to a Government Agency in connection with satisfying a Regulatory Approval;
 - (B) take any action after the date of this deed that would result in any changes to the Bidder's ownership structure (including direct or indirect, legal or beneficial ownership interests but excluding any proposed changes to the Bidder's ownership structure that will take place after the date of this deed and which have been notified to CWY on or prior to the date of this deed) where the Bidder has formed the view, acting reasonably and in good faith, after receiving written legal advice, that change would, or would be reasonably likely to, cause the satisfaction of any Regulatory Approval to:
 - (aa) be delayed beyond the End Date;
 - (bb) not be obtained; or
 - (cc) be obtained on conditions which would not be acceptable to the Bidder (acting reasonably and in accordance with this clause 3),

compared to the position had such change not been made;
- (viii) must not, and must ensure that its Affiliates and Representatives do not, do any of the following:
- (A) apply to any Government Agency for any approval, consent, clearance, waiver, concession or similar in connection with the Scheme; or
 - (B) send any submission, notification or communication to, any Government Agency in connection with the Scheme,

in each case other than:

- (C) in respect of a Regulatory Approval and in accordance with this clause 3;
- (D) with the prior written consent of the other party; or
- (E) if requested or required by a Government Agency; and
- (ix) use its reasonable endeavours to procure that there is no occurrence that would prevent the Regulatory Approvals from being obtained by the time and date specified for satisfaction of any Regulatory Approval, except to the extent such action is:
 - (A) required by law; or
 - (B) required by, expressly provided for, expressly contemplated by or expressly permitted by this deed, the Scheme or the transactions contemplated by them.
- (b) Before a party (the **Discloser**) provides any document or other information to the other party under this clause 3.6, the Discloser may withhold or redact such information or documents (or provide on an external legal counsel basis only) if and to the extent:
 - (i) required to comply with applicable law or contract;
 - (ii) required to maintain legal professional privilege; or
 - (iii) it reasonably believes it contains commercially sensitive information, competitively sensitive information, non-public information, or otherwise information confidential to the Discloser.

3.7 **Regulatory conditions**

- (a) Without limiting clauses 3.7(b) or 3.7(c), in relation to all Regulatory Approvals except the FATA no objection notification contemplated in clause 3.2(a), the Bidder must promptly (and, in the case of an ACCC competition determination, within the timeframes prescribed by section 51ABZZC(1) of the CCA) consider, and agree or accept, all conditions, commitments or undertakings required by a Government Agency or, in the case of an ACCC competition determination, that the ACCC has otherwise indicated (whether in writing or orally) are likely to be required in respect of that determination, unless such undertaking, commitment or condition would, or would be reasonably likely to:
 - (i) have a material adverse impact on the value expected to be obtained by the Bidder from the CWY Group's business (taken as a whole);
 - (ii) have a material adverse impact on the conduct or operation of the CWY Group's business (taken as a whole) following implementation of the Scheme including due to the imposition of regulatory or compliance obligations; or
 - (iii) require the sale or disposal of any part of the CWY Group or another portfolio investment of the Bidder or its Affiliates or otherwise have a direct material adverse impact on a business of the CWY Group, or any portfolio investment of the Bidder or its Affiliates compared with the business of the CWY Group or such portfolio investment (as applicable) as it was conducted prior to the execution of this deed,

provided that for the avoidance of doubt, the foregoing or any other provision of this deed will not limit the ability of the Bidder (acting reasonably and in good faith) to negotiate such conditions or undertakings during each natural justice (or procedural fairness) process for the relevant Regulatory Approval.

- (b) In relation to the FATA no objection notification contemplated in clause 3.2(a), the Bidder must, subject to clauses 3.7(c) and 3.7(d), agree or accept:
- (i) any conditions or undertakings in the form or substantially in the form of, or the purpose of which is to give effect to, any undertaking or commitment, specified in writing in the application made by or on behalf of the Bidder or any other member of the Bidder Group in relation to the FIRB approval;
 - (ii) any conditions or undertakings in the form or substantially in the form of conditions described under the headings 'General', 'Provision of Information', 'Restructures / Reorganisations', 'Thin Capitalisation', 'Financing', 'Private Equity / Private Capital' and 'Conditions Reporting' in section D of FIRB's Guidance Note 12 on 'Tax Conditions' (in the form last published prior to the date of this deed); and
 - (iii) any other conditions involving:
 - (A) any member of the Bidder Group engaging with (including providing documents to) the ATO prior to disposing of a direct or indirect interest in a member of the CWY Group;
 - (B) any member of the Bidder Group providing information to the ATO (including in relation to the funding of an acquisition of securities in a member of the CWY Group and other transactions whilst any member of the Bidder Group owns an equity interest in a member of the CWY Group); and
 - (C) the use, disclosure, access or storage of data (subject to customary carve-outs); cybersecurity, data protection or data breaches; or conditions relating to audit and compliance reporting or reporting of any breaches to a Government Agency unless:
 - (aa) if requested by the Bidder to do so, CWY is unable to provide written confirmation that such condition can be complied with from an operational perspective; or
 - (bb) such condition would, or would be reasonably likely to have a material adverse impact on the conduct or operation of the CWY Group's business (taken as a whole) following implementation of the Scheme.
- (c) Clause 3.7(b) operates only in respect of the form of any conditions which:
- (i) Treasury's Foreign Investment Division ultimately proposes to put to the decision-maker of the Bidder's application for a FATA no objection notification, following the completion of a customary natural justice (or procedural fairness) process under which the Bidder is given an opportunity to comment on any proposed conditions; or

- (ii) the decision-maker has separately proposed, after completing a natural justice (or procedural fairness) process under which the Bidder is given an opportunity to comment on such proposed conditions,

and neither clause 3.7(b) nor anything else in this deed prevents the Bidder from commenting on (including requesting changes to) draft conditions during each natural justice (or procedural fairness) process.

- (d) Notwithstanding anything in this deed to the contrary, nothing in this clause 3.7 or elsewhere in this deed shall require the Bidder to agree or to otherwise be required to take or agree to any action or omission, make or agree to any undertaking, or agree to any remedy or condition, including any action contemplated by this clause 3.7, with respect to EQT AB, any investment funds or investment vehicles affiliated with, or managed or advised by, EQT AB or its affiliates or any portfolio company (as such term is commonly understood in the private equity industry) or investment of EQT AB or of any such investment fund or investment vehicle and the equity investors (and their respective affiliates) in any such investment fund or investment vehicle, or interest therein, other than with respect to the Bidder (and, after the Implementation Date, the CWY Group).

3.8 Parties to provide certificate to Court

Each of CWY and the Bidder must provide to the other and to the Court, before or at the Second Court Date, a certificate (or such other evidence as the Court requests) as to whether or not (in respect of matters within its knowledge) the Conditions Precedent that are included for its benefit, other than the Condition Precedent in clause 3.2(m) (*Court approval of Scheme*), have been satisfied (or waived by it) in accordance with the terms of this deed and whether or not this deed has been terminated in accordance with its terms.

3.9 Failure of a Condition Precedent

- (a) If:
 - (i) there is an event or occurrence that would, or does, prevent any of the Conditions Precedent being satisfied;
 - (ii) there is an event or occurrence that would, or does, prevent any of the Conditions Precedent being satisfied by the time and date specified in this deed for the satisfaction of that Condition Precedent (or by the End Date, if no such time and date is specified) or such Condition Precedent is otherwise not satisfied by that time and date; or
 - (iii) the Scheme has not become Effective on or before the End Date,

then either party may serve written notice (**Consultation Notice**) on the other party as soon as practicable, and in any event within 5 Business Days after a notice is given under clause 3.5(c), the parties must consult in good faith to:

 - (iv) consider and, if agreed, determine whether the proposed acquisition of CWY by the Bidder as contemplated in this deed and the Scheme may proceed by way of alternative means or methods;
 - (v) consider and, if agreed, change the date of the application made to the Court for an order under section 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application (as applicable) to another date agreed to in writing by CWY and the Bidder (being not later than the Business Day before the End Date);

- (vi) consider extending and, if agreed, extend the relevant date, provided that neither party shall be under any obligation to extend the End Date, or
 - (vii) do any combination of the matters listed in clauses 3.9(a)(iv) to 3.9(a)(vi) (inclusive).
- (b) Subject to clauses 3.9(d) and 3.9(e), if the parties are unable to reach agreement under clause 3.9(a) by the earliest of:
- (i) 10 Business Days after the date on which the Consultation Notice is given; or
 - (ii) the End Date,

as appropriate, then, unless that Condition Precedent has been waived in accordance with clause 3.3, either party may terminate this deed. However, a party may not terminate this deed pursuant to this clause 3.9(b) if the relevant occurrence or event, the failure of the Condition Precedent to be satisfied, or the failure of the Scheme to become Effective, arises out of a breach of clauses 3.5, 3.7 or 3.8 by that party, although in such circumstances the other party may still terminate this deed.

- (c) Subject to any rights or obligations arising under or pursuant to clauses that are expressed to survive termination (including by virtue of clause 15.3), on termination of this deed, no party shall have any rights against or obligations to any other party under this deed except for those rights and obligations which accrued prior to termination.
- (d) If the Condition Precedent in clause 3.2(k) (*CWY Shareholder approval*) is not satisfied only because of a failure to obtain the majority required under section 411(4)(a)(ii)(A) of the Corporations Act, then either CWY or the Bidder may by written notice to the other party within 5 Business Days after the date of the conclusion of the Scheme Meeting require the approval of the Court to be sought, pursuant to the Court's discretion under that section, provided that the party has in good faith formed the view that the prospect of the Court exercising its discretion in that way is reasonable and:
- (i) if such notice is given, CWY must promptly apply to the Court to exercise its discretion under that section by making such submissions to the Court and filing such evidence as counsel engaged by CWY to represent it in Court proceedings related to the Scheme, having consulted with the Bidder and its representatives in good faith, considers is reasonably required to persuade the Court to exercise its discretion; and
 - (ii) if approval is given by the Court, the Condition Precedent in clause 3.2(k) (*CWY Shareholder approval*) is deemed to be satisfied.
- (e) If the Court refuses to make an order approving the Scheme which satisfies the Condition Precedent in clause 3.2(m) (*Court approval*), at the Bidder's request CWY must appeal the Court's decision to the fullest extent possible (except to the extent that the parties agree otherwise, or an independent senior counsel indicates that, in his or her view, an appeal would have negligible prospects of success before the End Date). CWY may bring an appeal even if not requested by the Bidder.

4. Implementation

4.1 Timetable

- (a) Subject to clause 4.1(b), each party must use reasonable endeavours to:
 - (i) comply with their respective obligations under this clause 4; and
 - (ii) take all necessary steps and exercise all rights necessary to implement the proposed acquisition of CWY by the Bidder under the Scheme, as soon as reasonably practicable and in accordance with the Timetable.
- (b) Failure by a party to meet any timeframe or deadline in the Timetable will not constitute a breach of this deed to the extent that such failure is due to events, matters or circumstances beyond the party's control or due to CWY taking or refraining from taking any action in response to a Competing Proposal as permitted by this deed.
- (c) Each party must keep each other party informed about its progress against the Timetable and notify each other party if it believes that any of the dates in the Timetable are not achievable, as soon as reasonably practicable after forming that belief.
- (d) If any of the dates or timeframes set out in the Timetable become unachievable due to matters outside of a party's control, the parties will consult in good faith to agree how to implement the Scheme as soon as reasonably practicable within the shortest practicable timeframe. For the avoidance of doubt, however, nothing in this clause obliges any party to agree to amend or waive any Condition Precedent or the End Date.

4.2 CWY obligations

Subject to any change of recommendation by the Board as permitted by clause 2.3(d), CWY must take all reasonable steps to implement the Scheme on a basis consistent with this deed as soon as reasonably practicable, including each of the following:

- (a) **Independent Expert:** promptly appoint the Independent Expert and commission the preparation of the Independent Expert's Report, and provide all assistance and information reasonably requested by the Independent Expert to enable it to prepare the Independent Expert's Report (including any updates to such report);
- (b) **prepare Scheme Booklet:** prepare the Scheme Booklet and ensure that the Scheme Booklet includes all information required by Applicable Regulatory Requirements and clause 4.4, subject to the Bidder complying with its obligations under clauses 4.3(a) and 4.4 in respect of the Bidder Material;
- (c) **Directors' recommendation:** use its best endeavours to include in the Scheme Booklet a statement that:
 - (i) the Board unanimously recommends to CWY Shareholders to vote in favour of the Scheme; and

 in each case:
 - (iii) in the absence of a Superior Proposal;

- (iv) subject to the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Scheme is in the best interests of CWY Shareholders;
- (d) **consult with the Bidder in relation to Scheme Booklet:** consult with the Bidder as to the content and presentation of the Scheme Booklet including:
 - (i) providing to the Bidder drafts of the Scheme Booklet and the Independent Expert's Report for the purpose of enabling the Bidder to review and comment on those draft documents provided that in relation to the Independent Expert's Report, the Bidder's review is to be limited to a factual accuracy review;
 - (ii) taking all timely and reasonable comments made by the Bidder into account in good faith when producing a revised draft of the Scheme Booklet; and
 - (iii) obtaining written consent from the Bidder for the form and content in which the Bidder Material appears in the Scheme Booklet (such consent must not be unreasonably withheld or delayed by the Bidder);
- (e) **lodgement of Scheme Booklet:**
 - (i) no later than 14 days before the First Court Date, but subject to the Bidder complying with its obligations under clauses 4.3(a) and 4.4 in respect of the Bidder Material, provide a draft of the Scheme Booklet to ASIC as contemplated by section 411(2) of the Corporations Act; and
 - (ii) provide to the Bidder a copy of the Scheme Booklet provided to ASIC as soon as practicable thereafter and keep the Bidder reasonably informed of any material issues raised by ASIC in relation to the Scheme Booklet and any steps taken to address such issues;
- (f) **ASIC review of Scheme Booklet:** keep the Bidder informed of any matters raised by ASIC in relation to the Scheme Booklet or the Scheme, and consult with, and consider in good faith (but not necessarily incorporate) any reasonable comments made by the Bidder in relation to such matters raised by ASIC (provided that, where those matters relate to the Bidder Material, CWY must not take any steps to address them without the Bidder's prior written consent (not to be unreasonably withheld, conditioned or delayed));
- (g) **apply to Court for order to convene Scheme Meeting:** apply to the Court under section 411(1) of the Corporations Act for an order directing CWY to convene the Scheme Meeting, and take all other reasonable steps necessary to ensure that such application is heard by the Court at the First Court Date;
- (h) **Court documents:** consult with the Bidder in relation to the content of the documents required for the purpose of each of the Court hearings held for the purpose of subsection 411(1) and paragraph 411(4)(b) of the Corporations Act in relation to the Scheme (including originating process, affidavits, submissions and draft minutes of Court orders but (other than any affidavits and other supporting documents which are required to be provided by the Bidder under clause 4.3(e)) and consider in good faith comments from the Bidder on those documents prior to filing those documents with the Court;
- (i) **representation:**

- (i) procure that it is represented by counsel at the Court hearings convened for the purposes of subsection 411(1) and paragraph 411(4)(b) of the Corporations Act; and
 - (ii) allow, and not oppose, any application by the Bidder for leave of the Court to be represented by counsel at the Court hearings in relation to the Scheme;
- (j) **ASIC registration of Scheme Booklet:** upon the order being made by the Court under section 411(1) of the Corporations Act, request that ASIC register the Scheme Booklet under section 412 of the Corporations Act;
- (k) **Appeal Process:** if the Court refuses to make any orders directing CWY to dispatch the Scheme Booklet and convene the Scheme Meeting, or approving the Scheme, CWY must:
 - (i) consult with the Bidder in good faith as to whether to appeal the Court's decision; and
 - (ii) appeal the Court's decision, unless CWY and the Bidder agree otherwise or an independent senior counsel indicates that, in his or her view, an appeal would have no reasonable prospect of success;
- (l) **dispatch of Scheme Booklet:** as soon as reasonably possible upon the order being made by the Court under section 411(1) of the Corporations Act (but subject to ASIC registering the Scheme Booklet), dispatch a copy of the Scheme Booklet to each CWY Shareholder;
- (m) **supplementary disclosure:** if, after dispatch of the Scheme Booklet and before the date of the Scheme Meeting, CWY becomes aware:
 - (i) that information included in the Scheme Booklet is or has become a misleading or deceptive statement in any material respect (whether by omission or otherwise) or otherwise does not comply with the Applicable Regulatory Requirements; or
 - (ii) of information that is required to be disclosed in the Scheme Booklet under Applicable Regulatory Requirements but was not included in the Scheme Booklet,

promptly consult with the Bidder in good faith as to the need for, and the form of, any supplementary disclosure and, thereafter, in a timely manner:

- (iii) provide the Bidder with drafts of any documents that it proposes to issue to CWY Shareholders under this clause 4.2(m) and (acting reasonably and in good faith) take into account (but not necessarily incorporate), for the purpose of amending those drafts, any comments received in a timely manner from the Bidder or its Representatives on those drafts; and
 - (iv) make any disclosure that CWY considers necessary to ensure that the Scheme Booklet is not misleading or deceptive in any material respect (including by way of omission) and otherwise complies with all Applicable Regulatory Requirements and (if necessary) seek the Court's approval for the dispatch of any updated or supplementary Scheme Booklet;

- (n) **section 411(17)(b) statement:** apply to ASIC for the production of:
- (i) a letter stating that ASIC does not intend to appear before the Court at the hearing on the First Court Date; and

- (q) **Court approval:** subject to satisfaction or waiver of all Conditions Precedent in accordance with clause 3 other than the Condition Precedent in clause 3.2(m) (*Court approval of Scheme*), CWY must apply to the Court for orders approving the Scheme under section 411(4)(b) of the Corporations Act;
- (r) **Certificate:** at the hearing on the Second Court Date provide to the Court:
- (i) a certificate confirming whether or not the Conditions Precedent in clause 3.2 (other than the Condition Precedent in clause 3.2(m) (*Court approval of Scheme*)) have been satisfied or waived in accordance with this deed. A draft of such certificate must be provided by CWY to the Bidder by 4.00pm on the date that is 3 Business Days prior to the Second Court Date;
 - (ii) any certificate provided to it by the Bidder pursuant to clause 4.3(i);
- (s) **lodge copy of Court order:** if the Court approves the Scheme under section 411(4) of the Corporations Act, CWY must lodge an office copy of the Court order with ASIC in accordance with section 411(10) of the Corporations Act before 5.00pm on the Business Day after the day on which the office copy is received by CWY (or any later date agreed in writing with the Bidder);
- (t) **Register information:** provide the Bidder with a complete copy of the Register and any register of beneficial holders (together with analysis and results undertaken in connection with any beneficial interest program):

- (e) The Bidder must enforce its rights under the Debt Commitment Letters and the Debt Documents and the Equity Commitment Letters.
- (f) The Bidder must ensure that at all times up to and including the Implementation Date, funds, partnerships and other entities owned, advised managed and/or controlled by EQT AB and/or any of their Affiliates (within the meaning of limbs (a) to (c) (inclusive) of that definition) (taken together) will own an interest of

 - (ii) impose new or additional conditions precedent (other than conditions precedent that have already been satisfied at the time they are so added) that are more onerous, taken as a whole, than the conditions precedent in the Debt Commitment Letters, or adversely modify any conditions precedent to the receipt of the Debt Financing contained in the Debt Commitment Letters in such a way that will, or is reasonably likely to, prejudice the Bidder's ability to pay the Scheme Consideration in accordance with this deed and the Deed Poll;
- (b) neither the arrangement nor the negotiation of any Replacement Financing Letters, nor the terms thereof, will or will be reasonably likely to cause a delay to the Implementation Date, prevent the satisfaction of any Condition Precedent or prejudice implementation of the Scheme occurring; and
- (c) such Replacement Financing Letters are to be provided by reputable financing sources that customarily provide financings of the relevant type.

 - (ii) result in any member of the CWY Group breaching any applicable law or requirement of any Government Agency, or any obligation of confidentiality owed to a Third Party (provided that CWY will use reasonable endeavours to facilitate, where appropriate, the provision of such information without breaching such obligations); or
 - (iii) would compromise legal privilege (provided that CWY will use reasonable endeavours to facilitate the provision of such information without waiving legal professional privilege, including, where appropriate, by providing such information on an external legal counsel basis only).
- (d) Nothing in clause 7.1(a) requires CWY to provide any information concerning its directors' and management's consideration of the Scheme or any Competing Proposal.
- (e) Any information and access provided by CWY pursuant to clause 7.1(a) will be subject to the Confidentiality Deed.

7.2 Transition Committee

- (a) As soon as practicable after the date of this deed, CWY and the Bidder will establish a committee (the **Transition Committee**) comprising the following individuals:
- (i) as representatives of CWY: Nigel Simonsz, Frank Lintvelt, Jade Paterson and Dan Last; and
 - (ii) as representatives of the Bidder: Tobias Kueng, Sam Franklin, Hugo Visscher and Mary Zhu.
- (b) The Transition Committee will be a consultative body only that is a forum for discussion and planning but not decision making, in relation to:
- (i) material developments relating to the CWY Group's business (including in respect of the Lucas Heights expansion development application and any other material development and planning applications, consents, approvals or similar);
 - (ii) the performance of the business of CWY following implementation of the Scheme;
 - (iii) overseeing the progress of the Scheme and implementation of the Scheme in accordance with this deed;
 - (iv) the strategy for engagement with key stakeholders (including Government Agencies, employees and key contractual counterparties);
 - (v) the process for obtaining change of control consents in material contracts and leases under clause 7.3;
 - (vi) any actual or threatened Material Proceedings or material Claims against any member of the CWY Group or their directors or officers; and
 - (vii) to consider any other matters that the parties agree to refer to the Transition Committee.
- (c) The Transition Committee will meet fortnightly or as otherwise agreed. Meetings may be held virtually or via telephone.
- (d) The members of the Transition Committee may agree to invite other persons to attend meetings of the Transition Committee from time to time (including the parties' respective legal and financial advisers).
- (e) CWY and the Bidder acknowledge and agree that:
- (i) their respective representatives on the Transition Committee have no power to bind, or to give any consent, approval or waiver for or on behalf of, the party that they represent;
 - (ii) the respective businesses of the CWY Group and the Bidder Group are to continue to be operated independently until (and subject to) implementation and nothing in this clause 7.2 or elsewhere in this deed is intended to create a relationship or partnership, joint venture or similar between the parties;
 - (iii) any information provided to, or discussed by, the Transition Committee will be subject to the Confidentiality Deed; and

- (iv) nothing in this deed requires either party to do anything that would contravene any Applicable Regulatory Requirements, the party's constituent documents or any applicable law.

7.3 Material consents

- (a) As soon as practicable following the date of this deed, CWY and the Bidder must seek to identify any change of control, unilateral termination rights or similar provisions in favour of any counterparty in any material contracts, leases, licences, authorisations, permits, concessions, franchises, joint venture agreements, partnership agreements, government contracts or grants, insurance policies or debt facilities (including any financing, hedging or derivative arrangements) to which a member of the CWY Group is party, which may be triggered by or exercised in response to the implementation of the Scheme (**Change of Control Provisions**).
- (b) In respect of those Change of Control Provisions:
 - (i) the parties will agree a proposed course of action (including the form and content of any notifications and consents) and then CWY will initiate contact with the relevant counterparties and request that they provide any consents or confirmations required or appropriate;
 - (ii) the Bidder and its Representatives must not contact any counterparties without CWY being present or without CWY's prior written consent (which is not to be unreasonably withheld or delayed) but to the extent practicable or desirable, CWY will invite Representatives of the Bidder to be involved in material discussions with counterparties;
 - (iii) CWY must use reasonable endeavours to obtain such consents or confirmations as expeditiously as possible, including by providing any information reasonably required by counterparties (but nothing in this clause requires CWY to incur material external expense); and
 - (iv) the Bidder must cooperate with, and provide all reasonable assistance to, CWY to obtain such consents or confirmations, including by:
 - (A) providing any information required; and
 - (B) making officers and employees available where necessary to meet with counterparties to deal with any issues arising in relation to the relevant consent or waiver,

provided that nothing in this clause, requires the Bidder to:

 - (C) incur external expense or make any payment; or
 - (D) agree to any new conditions or guarantees or security with a counterparty which are not acceptable to the Bidder,

to obtain such consent or confirmation.
- (c) Notwithstanding any other provision of this deed, the failure to obtain any consents or confirmations contemplated by this clause 7.3 will not constitute or contribute to a breach of this deed by CWY nor a breach of any Condition Precedent. Any such failure, together with any consequences that arise, will be disregarded when assessing the operation of any other provision of this deed.

8. Employee matters

8.1 Performance Rights

- (a) CWY must ensure that, by no later than the Scheme Record Date, there are no outstanding Performance Rights.
- (b) In order to comply with its obligation under clause 8.1(a), CWY must procure that the Board exercise their discretions under the rules of the Incentive Plans such that:
 - (i) all unvested Performance Rights vest (collectively, the **Vested Performance Rights**) and, following vesting, CWY must cause the relevant number of CWY Shares to be transferred or issued (as applicable) to the relevant former holder in sufficient time to allow the relevant former holders of the relevant Vested Performance Rights to participate in the Scheme;
 - (ii) to the extent required, lift all transfer restrictions in respect of CWY Shares which are issued or transferred on vesting (including those already vested prior to the date of this deed) solely to the extent necessary for the holder to participate in the Scheme; and/or
 - (iii) cash equivalent payments are made to the relevant former holder of any Vested Performance Rights,

and take any other action as may be necessary to vest, forfeit, cause to lapse or cancel (as applicable) any outstanding Performance Rights which are not Vested Performance Rights and treated in accordance with clause 8.1(b) (if any).

8.2 Short term incentives

In respect of any short term incentive and other payments under the CWY Short Term Incentive Plans and/or the CWY Deferred Equity Plans (including for the avoidance of doubt any equity-settled portion of any short term incentive to be issued as restricted shares under the CWY Deferred Equity Plan for that period) (collectively, the **CWY STIs**) the parties acknowledge and agree that:

- (a) such CWY STIs are to be:
 - (i) tested shortly after the Effective Date for the period from 1 July 2026 to the end of the month immediately preceding the Effective Date (the **STI Testing Period**), by reference to the actual performance for the STI Testing Period and the continuing employment criteria specified in the invitation letter granting such CWY STIs and the relevant Incentive Plans (as applicable and, in the case of the continuing employment criteria, modified to apply to the Implementation Date). For the avoidance of doubt, in assessing actual performance for the STI Testing Period, transaction costs paid and incurred in a manner consistent with clause 6.2(j) will be excluded; and
 - (ii) to the extent that the performance and continuing employment criteria referred to in clause 8.2(a)(i) are satisfied, as determined by the CWY Board (acting reasonably and in good faith), the STIs will be paid in cash to the relevant employees on or prior to the Implementation Date, with the

amount paid not exceeding the portion of the STIs that is pro rata to the Implementation Date (relative to the full 12-month performance period); and

- (b) to the extent necessary, CWY must procure that the Board exercise their discretions under the rules of the Incentive Plans such that in connection with the Scheme:
 - (i) there are no accelerated short term incentive payments (other than in the case of payments under clause 8.2(a)(ii) or as otherwise permitted under the rules of the CWY Short Term Incentive Plans and/or the CWY Deferred Equity Plans (provided the Board acts reasonably in exercising any such discretion));
 - (ii) there is no waiver of any performance criteria to facilitate any short term incentive payments (other than as permitted under the rules of the CWY Short Term Incentive Plans) or accelerated issuance of any restricted shares pursuant to the CWY STIs;
 - (iii) to the extent required, lift all transfer restrictions in respect of any restricted shares issued in connection with the CWY STIs for the period commencing 1 July 2025 and ending 30 June 2026, solely to the extent necessary for the holder to participate in the Scheme;
 - (iv) any CWY STIs paid in respect of the period commencing 1 July 2026 and ending 30 June 2027, are, subject to the relevant performance and continued employment criteria being met (as modified by clause 8.2(a)), paid in cash; and
 - (v) by no later than the Scheme Record Date, the CWY Deferred Equity Plans shall be withdrawn or suspended.

8.3 **No breach**

For the avoidance of doubt, the Bidder acknowledges and agrees that, notwithstanding any other provision of this deed:

- (a) the Board can exercise such discretions and authorise such actions under the rules of the Incentive Plans (or otherwise) as it considers necessary or desirable to give effect to the arrangements and payments contemplated by clauses 8.1 and 8.2; and
- (b) no action or matter contemplated in clauses 8.1 and 8.2 will give rise to, or in any way contribute to, any breach of a Condition Precedent or any other provision of this deed.

9. **Directors and officers**

9.1 **Board of directors**

- (a) The Bidder may give a notice to CWY (not less than 5 Business Days before the Implementation Date), requiring CWY to procure on the Implementation Date:
 - (i) the appointment of each person nominated in the notice for appointment as a director of CWY or another member of the CWY Group; and

- (ii) the resignations of:
- (A) each Director; and
 - (B) each director of a subsidiary of CWY,
- as specified in the notice (other than, for the avoidance of doubt, any persons nominated by the Bidder under clause 9.1(a)) (each a **resigning director**).
- (b) Subject to implementation of the Scheme occurring and after the Scheme Consideration has been paid to Scheme Shareholders, CWY must:
- (i) procure the appointments and resignations on the Implementation Date in accordance with the notice provided under clause 9.1(a) unless to do so would cause CWY or a subsidiary to contravene section 201A of the Corporations Act; and
 - (ii) procure that, on the Implementation Date, each resigning director provides their resignation in writing and, to the extent CWY reasonably can, procure that the resignation includes a statement that the resigning director confirms in writing that the resigning director has no Claim against any member of the CWY Group, and that they unconditionally and irrevocably release the CWY Group from any Claims they may have against any of the CWY Group (without prejudice to any rights they may have under any deed of indemnity, access or insurance or policy of directors and officers insurance) other than:
 - (A) any rights or remedies they may have in respect of accrued but unpaid remuneration;
 - (B) in the case of the managing director, the managing director's employment or service contract; or
 - (C) under:
 - (aa) an indemnity given to the director under the CWY constitution; or
 - (bb) this deed, the Scheme or the Deed Poll,
- and the confirmation may include a qualification to this effect.
- (c) The obligations of CWY under clause 9.1(a) to procure the appointment of a person as a director of a member of the CWY Group, are subject to the person consenting in writing to act as a director of the member or members of the CWY Group.

9.2 D&O insurance

CWY may, before the Implementation Date, secure directors' and officers' run-off insurance for up to seven years after the Implementation Date (**Run-off D&O Cover**), provided that:

- (a) the scope of cover of the Run-off D&O Cover is on the same or substantially equivalent terms as the existing insurance policies in place for directors or officers of CWY as at the date of this deed or any proposed renewal of those policies as further described in Data Room documents 05.03.02.02.03.07, 05.03.02.01.01.02.05.05, 05.03.02.01.03.01.05 and 05.03.02.01.03.01.06; and

- (b) subject to clause 9.2(a), CWY must:
 - (i) use reasonable endeavours to obtain the Run-off D&O Cover from a reputable insurer on the most attractive commercial terms (including as to cost) available for such Run-off D&O Cover; and
 - (ii) consult in good faith with the Bidder regarding the cost and proposed terms of the Run-off D&O Cover before taking out the Run-off D&O Cover.

9.3 **CWY officer indemnities**

Subject to the Scheme becoming Effective and implementation occurring, the Bidder undertakes in favour of CWY and the directors and officers of each member of the CWY Group to:

- (a) ensure that each member of the CWY Group whose constitution contains at the date of this deed a rule requiring the member to indemnify its directors and officers against any liability incurred by that person in their capacity as a director or officer of the member, continues to contain such rule; and
- (b) procure that each member of the CWY Group complies with any deeds of indemnity, access and insurance made by them in favour of its directors and officers,

for a period of 7 years after the Implementation Date.

CWY receives and holds the benefit of clauses 9.2 and 9.3, to the extent they relates to a CWY Indemnified Party, as trustee for each CWY Indemnified Party.

10. **Releases**

10.1 **CWY and CWY directors and officers**

- (a) The Bidder releases its rights, and agrees with CWY that it will not make any Claim against any CWY Indemnified Party (other than CWY) as at the date of this deed and from time to time in connection with:
 - (i) any breach of any representations and warranties of CWY in this deed; or
 - (ii) any disclosures containing any statement which is false or misleading whether in content or by omission,

whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except where the CWY Indemnified Party has engaged in wilful misconduct or fraud. For the avoidance of doubt, nothing in this clause 10.1(a) limits the Bidder's rights to terminate this deed under clause 15.

- (b) This clause 10.1 is subject to any Corporations Act restriction and will be read down accordingly.
- (c) CWY receives and holds the benefit of this clause 10.1 to the extent it relates to each CWY Indemnified Party as trustee for each of them.

10.2 Bidder and Bidder directors and officers

- (a) CWY releases its rights, and agrees with the Bidder that it will not make any Claim against any Bidder Indemnified Party (other than the Bidder) as at the date of this deed and from time to time in connection with:
 - (i) any breach of any representations and warranties of the Bidder or any other member of the Bidder Group in this deed; or
 - (ii) any disclosure containing any statement which is false or misleading whether in content or by omission,

whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except where the Bidder Indemnified Party has engaged in wilful misconduct or fraud. For the avoidance of doubt, nothing in this clause 10.2(a) limits CWY's rights to terminate this deed under clause 15.
- (b) This clause 10.2 is subject to any Corporations Act restriction and will be read down accordingly.
- (c) The Bidder receives and holds the benefit of this clause 10.2 to the extent it relates to each Bidder Indemnified Party as trustee for each of them.

11. CWY exclusivity

11.1 No existing discussions

CWY warrants to the Bidder that, as at the date of this deed:

- (a) neither CWY nor any of its Representatives, is in any negotiations or discussions; and
- (b) CWY and its Representatives have ceased any existing negotiations or discussions;

in each case with any person in relation to, or which could reasonably be expected to lead to, a Competing Proposal (other than, for the avoidance of doubt, the discussions with the Bidder and its Representatives in respect of the Scheme); and

- (c) any due diligence access granted to any third party for the purposes of such third party making, formulating, developing or finalising or assisting in the making, formulating, development or finalisation of, a Competing Proposal, has been terminated.

11.2 No shop

During the Exclusivity Period, CWY must not, and must ensure that its Representatives do not, directly or indirectly:

- (a) solicit, encourage, initiate, continue or invite any approaches, enquiries, expressions of interest, offers, discussions or proposals in relation to, or which would reasonably be expected to encourage or lead to, a Competing Proposal; or
- (b) communicate to any person any intention to do any of the things referred to in clause 11.2(a).

11.3 No talk

Subject to clause 11.5, during the Exclusivity Period, CWY must not, and must ensure that its Representatives do not, directly or indirectly:

- (a) negotiate or enter into or participate in or continue any negotiations or discussions with any other person regarding an actual, proposed or potential Competing Proposal or any agreement, understanding or arrangement that would reasonably be expected to encourage or lead to a Competing Proposal, even if that person's Competing Proposal was not directly or indirectly solicited, invited, encouraged or initiated by CWY or any of its Representatives or the person has publicly announced the Competing Proposal; or
- (b) communicate to any person any intention to do any of the things referred to in clause 11.3(a).

11.4 No due diligence

Subject to clause 11.5, during the Exclusivity Period, CWY must not, and must ensure that none of its Representatives, directly or indirectly:

- (a) solicit, invite, initiate, or encourage or facilitate or permit, any person (other than the Bidder or any of its Representatives) to undertake due diligence investigations in respect of any member of the CWY Group, or any of their business and operations; or
- (b) make available to any person (other than the Bidder or any of its Representatives) or permit any such person to receive any non-public information relating to any member of the CWY Group, or any of their businesses and operations,

in each case, in connection with or with a view to obtaining or which may reasonably be expected to encourage or lead to such person formulating, developing or finalising a Competing Proposal.

11.5 Fiduciary out

Clauses 11.3 and 11.4 do not apply to the extent they would restrict CWY, the Board or a Representative of CWY from taking or refusing to take any action with respect to a Competing Proposal provided that the Board has determined, in good faith after receiving:

- (a) advice from its financial advisers, that the Competing Proposal is, or could reasonably be considered to become, a Superior Proposal; and
- (b) written legal advice from its external legal advisers experienced in transactions of this nature that compliance with clauses 11.3 and/or 11.4 (as applicable) would be reasonably likely to constitute a breach of the Board's fiduciary or statutory obligations.

11.6 Notice of Competing Proposals

During the Exclusivity Period, CWY must promptly (and, in any event, within 1 Business Day) notify the Bidder in writing after becoming aware of any approach, inquiry or proposal made by any person to it or any of its Representatives in relation to an actual, proposed or potential Competing Proposal (including, for the avoidance of doubt, any request or proposal to which clauses 11.3, 11.4 and/or 11.5 may apply), and as part of that notification will provide all material details of the approach (including the price (or if

not cash, implied value), form of consideration, conditions, timing, break fee provisions and other key terms of any Competing Proposal and the identity of the proponent(s) of any such proposal (in each case to the extent known to CWY)).

11.7 **Non-public information**

- (a) If any material non-public information about the business or affairs of the CWY Group is provided or made available to any person in connection with a Competing Proposal which has not previously been provided or made available to the Bidder, CWY must promptly, and in any event within 24 hours, provide to the Bidder:
 - (i) in the case of written materials, a copy of; and
 - (ii) in any other case, a written statement of,
 that non-public information.
- (b) Clause 11.7(a) does not require CWY to provide or make available to the Bidder any information
 - (i) that CWY reasonably considers is likely to disclose information relating to that other person which is commercially or competitively sensitive information of that person;
 - (ii) subject to this clause 11, regarding the Board's or CWY management's consideration of the Scheme or any Competing Proposal as permitted by this deed;
 - (iii) where to do so would be reasonably likely to compromise legal professional privilege; or
 - (iv) where disclosure would be a breach of an existing obligation (including any confidentiality obligations) to a Third Party,

provided that in respect of (iii) and (iv), CWY will use reasonable endeavours to facilitate the provision of such information without waiving legal professional privilege or breaching such obligations (as applicable), including, where appropriate, by providing information on an external legal counsel basis only.

11.8 **Matching right**

- (a) If CWY is permitted by virtue of clause 11.5 to engage in any activity that would otherwise breach either of clauses 11.3 or 11.4, CWY must enter into a confidentiality agreement with the person who has made the applicable Competing Proposal that contains customary restrictions on that person acquiring any interest in CWY Shares (and on terms no less onerous in any material respect than the restrictions on acquiring interests in CWY Shares under the Confidentiality Deed) and must contain a standstill undertaking from such Third Party on terms no more favourable to the Third Party in any material respect than the standstill undertaking given in the Confidentiality Deed.
- (b) If, during the Exclusivity Period, CWY receives a Competing Proposal, CWY must not, and must procure that each of its Representatives does not, enter into any legally binding agreement, understanding or commitment pursuant to which CWY or an Affiliate of CWY agrees to implement or give effect to a Competing Proposal (other than a confidentiality agreement contemplated by clause 11.8(a)) unless each of the following conditions have been satisfied:

- (i) the Board, acting in good faith and in order to satisfy its fiduciary or statutory obligations (having received written financial advice and legal advice from its external legal advisers experienced in transactions of this nature) determines that the Competing Proposal constitutes a Superior Proposal;
- (ii) CWY has provided the Bidder with the material terms and conditions of the Competing Proposal, including price (or if not in cash, implied value), consideration, conditions, timing, break fee provisions and the identity of the Third Party making the Competing Proposal, in each case to the extent known to CWY;
- (iii) CWY has given notice that it intends to enter into a binding agreement, understanding or commitment to implement or give effect to the Competing Proposal and gives the Bidder until the Cut Off Date to provide a matching or Superior Proposal to the terms of the Competing Proposal; and
- (iv) either:
 - (A) the Bidder has not announced or provided to CWY a Bidder Counterproposal before the Cut Off Date; or
 - (B) the Bidder has announced or provided to CWY a Bidder Counterproposal before the Cut Off Date and the Board has determined, in good faith, that the Bidder Counterproposal would not provide an equivalent or superior outcome to CWY Shareholders as a whole compared with the Competing Proposal and notified the Bidder of that conclusion in writing in accordance with clause 11.9(a).

11.9 **Matching or superior Bidder proposal**

If, in accordance with clause 11.8(b)(iv)(B), the Bidder provides to CWY a proposal (the **Bidder Counterproposal**), CWY must procure that the Board considers the Bidder Counterproposal and determines, in good faith, whether the Bidder Counterproposal would provide an equivalent or superior outcome to CWY Shareholders as a whole compared with the Competing Proposal. Following that determination, CWY must:

- (a) procure that the Board promptly, and in any event within 1 Business Day, notifies the Bidder of the determination in writing stating the reasons for the conclusion;
- (b) if the determination is that the Bidder Counterproposal would provide an equivalent or superior outcome to CWY Shareholders as a whole compared with the Competing Proposal, then for a period of 3 Business Days after CWY delivers to the Bidder the notice referred to in clause 11.9(a), CWY and the Bidder must use their best endeavours to agree:
 - (i) amendments to this deed and any other transaction documentation that are reasonably necessary to reflect the Bidder Counterproposal; and
 - (ii) the transaction documentation required to implement the Bidder Counterproposal,

as soon as reasonably practicable.

For the avoidance of doubt, CWY agrees that each successive material modification or variation to the terms of any Competing Proposal will constitute a new Competing Proposal for the purposes of the requirements under clauses 11.8 and 11.9.

11.10 **Compliance with law**

- (a) This clause 11 does not impose an obligation on CWY to the extent (and only to the extent) that the obligation:
 - (i) is declared by the Takeovers Panel to constitute 'unacceptable circumstances'; or
 - (ii) is determined to be unenforceable or unlawful by a court (including by virtue of it being a breach of the Board's fiduciary or statutory duties).
- (b) The parties must not make or cause to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 11.10(a).

11.11 **Usual provision of information**

Nothing in this clause 11 prevents CWY from:

- (a) providing information to its Representatives;
- (b) providing information to any Government Agency;
- (c) providing information to its auditors, customers, financiers and suppliers acting in that capacity in the ordinary course of business;
- (d) engaging with CWY Shareholders (in their capacity as a shareholder) in the ordinary course and consistent with past practice;
- (e) providing information required to be provided by Applicable Regulatory Requirements; or
- (f) making presentations or providing information to brokers, portfolio investors or analysts in the ordinary course of business.

12. **CWY Break Fee**

12.1 **Background**

- (a) The parties acknowledge that if they enter into this deed and the Scheme is not implemented, the Bidder will incur significant external and internal costs and opportunity costs, including:
 - (i) legal, financial and other advisory costs (excluding success fees);
 - (ii) reasonable opportunity costs in pursuing the transactions contemplated by this deed and not engaging in alternative acquisitions or strategic initiatives;
 - (iii) costs of management and directors' time in planning, managing and implementing the transactions contemplated by this deed;

- (iv) out of pocket expenses incurred in connection with planning, managing, and implementing the transactions contemplated by this deed; and
- (v) any damage to the Bidder's reputation associated with a failed transaction and the implications of that damage to the Bidder's business,

and the parties agree that:

- (vi) the costs incurred by the Bidder will be of such a nature that they cannot all be accurately ascertained; and
 - (vii) the Break Fee is a genuine and reasonable pre-estimate of the costs.
- (b) In the above circumstances, the Bidder has requested that provision be made in this deed for the payment of the Break Fee as set out in this clause 12, without which it would not have entered into this deed.
- (c) CWY and the Board believe, having taken advice from its legal and financial advisers, that the implementation of the Scheme will provide benefits to it and the CWY Shareholders, and that it is reasonable that CWY agree to the payments referred to in this clause 12 in order to secure the Bidder's participation in the Scheme as contemplated by this deed.

12.2 **Payment of Break Fee**

CWY undertakes to pay the Break Fee to the Bidder in accordance with clause 12.3 if:

- (a) **change of Director recommendation:** any Director:
- (i) does not recommend the Scheme, withdraws their recommendation, adversely changes, modifies or qualifies their recommendation or otherwise makes a public statement indicating that they no longer recommend CWY Shareholders vote in favour of the Scheme in the manner described in clause 2.3 (including by making any public statement supporting, endorsing or recommending a Competing Proposal and/or to the effect that he or she no longer supports the Scheme); or
 - (ii) makes a public statement that he or she does not intend to vote any CWY Shares that he or she directly or indirectly owns or controls in favour of the Scheme at the Scheme Meeting or withdraws, adversely changes or qualifies an earlier statement that they intend to vote in favour of the Scheme at the Scheme Meeting in the manner described in clause 2.3,

in each case provided that the Bidder has terminated this deed in accordance with clause 15, except where the change of recommendation or statement is made after:

- (iii) the Independent Expert concludes in the Independent Expert's Report (or in any update of, or revision, amendment or addendum to that report), that the Scheme is not in the best interests of CWY Shareholders (other than where the conclusion is due to the existence of a Competing Proposal which the Independent Expert may reasonably regard to be on more favourable terms than the transaction contemplated by this deed);
- (iv) a court of competent jurisdiction, ASIC or the Takeovers Panel requires or reasonably requests that one or more Board members abstain from making a recommendation on the Scheme; or

- (v) CWY is entitled to terminate this deed under clauses 15.1(a)(i) or 15.2(b) and has given a termination notice to the Bidder,

provided that a statement made by CWY, the Board or any member of the Board, to the effect that no action should be taken by CWY Shareholders pending the assessment of a Competing Proposal by CWY or the completion of the matching rights procedure in clause 11 will not, in and of itself, require CWY to pay the Break Fee to the Bidder;

- (b) **Competing Proposal:** before termination of this deed, a Competing Proposal of any kind is announced (whether or not such proposal is stated to be subject to any pre-conditions) and within 12 months of such announcement the Third Party who announced or made the Competing Proposal (or any of its associates):
 - (i) completes the Competing Proposal;
 - (ii) acquires Control of CWY;
 - (iii) merges or amalgamates with CWY; or
 - (iv) acquires a relevant interest in more than 50% of CWY; or
- (c) **termination by the Bidder for material breach:** the Bidder terminates this deed under clause 15.1(a)(i) or 15.2(a) and the Scheme does not complete.

12.3 Demand for and timing of payment

- (a) CWY must pay the Break Fee (without set-off or withholding (other than a withholding required to be made by law)) within 20 Business Days after receipt of a written demand from the Bidder where the Bidder is entitled under clause 12.2 to the Break Fee.
- (b) A demand by the Bidder for payment of the Break Fee under clause 12.2:
 - (i) must be in writing;
 - (ii) may be given only after the occurrence of the event or circumstances in clause 12.2 giving rise to the right to payment and termination of this deed;
 - (iii) must set out particulars of the event or circumstances giving rise to the demand; and
 - (iv) must nominate a bank account into which CWY must pay the Break Fee.

12.4 No Break Fee if Scheme becomes Effective

Despite clause 12.2 no Break Fee will be payable by CWY to the Bidder if:

- (a) the Scheme becomes Effective; or
- (b) at the time that the relevant event in clause 12.2 triggering the payment of the Break Fee occurs, CWY was entitled to terminate this deed under clauses 15.1(a)(i) or 15.2(b) and had given the appropriate termination notice to the Bidder in accordance with this deed,

notwithstanding the occurrence of any event in clause 12.2 and, if any amount or part of the Break Fee has already been paid, it must be promptly refunded by the Bidder.

12.5 **Break Fee payable only once**

Where the Break Fee becomes payable to the Bidder under clause 12.2 and is actually paid to the Bidder, the Bidder cannot make any Claim against CWY for payment of any subsequent Break Fee.

12.6 **Compliance with law**

- (a) This clause 12 does not impose an obligation on CWY to pay the Break Fee to the extent (and only to the extent) that the obligation to pay the Break Fee:
 - (i) is declared by the Takeovers Panel to constitute 'unacceptable circumstances'; or
 - (ii) is determined to be unenforceable or unlawful by a court of competent jurisdiction (including by virtue of it being a breach of the Board's fiduciary or statutory duties),

and the Bidder will refund to CWY within 20 Business Days any amount in excess of its obligation under this clause 12 that CWY has already paid to the Bidder when that declaration or determination is made (unless otherwise required by the Takeovers Panel or a court of competent jurisdiction).

- (b) For the avoidance of doubt, any part of the Break Fee that would not constitute unacceptable circumstances or that is not unenforceable or unlawful (as applicable) must be paid by CWY.
- (c) The parties must not make or cause to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 12.6(a).

12.7 **Other Claims by the Bidder**

- (a) Subject to clause 12.6 and except in relation to wilful misconduct or fraudulent breach of this deed by CWY, but notwithstanding any other provision of this deed:
 - (i) the maximum aggregate amount payable by CWY and the CWY Indemnified Parties to the Bidder under or in connection with this deed, including for any breach of this deed (including any breach of a Warranty) by CWY, is an amount equal to the Break Fee and in no event will the aggregate liability of CWY and the CWY Indemnified Parties for Claims under this deed and the transaction of which it is part exceed the Break Fee;
 - (ii) the payment of the Break Fee by CWY represents the sole, maximum and absolute amount of liability of CWY and the CWY Indemnified Parties in aggregate under or in connection with this deed or the transactions contemplated by it and no further damages, fees, expenses or reimbursements of any kind will be payable by CWY or the CWY Indemnified Parties in connection with this deed or the transaction of which it is a part;
 - (iii) after the payment by CWY of the Break Fee, neither the Bidder nor any of its Affiliates may make any claim whatsoever whether for damages, Loss, liability, compensation, payments, fees, expenses or reimbursements against CWY or any other CWY Indemnified Party; and

- (iv) the amount of the Break Fee payable to the Bidder under this clause 12 will be reduced by the amount of any Loss or damage recovered by the Bidder or any of its Affiliates in connection with a breach of any other clause of this deed or the transaction of which it is a part.
- (b) Nothing in this clause or the Bidder's right to receive the Break Fee affects the Bidder's right to specific performance or injunctive relief or any other remedies which would otherwise be available in equity or law as a remedy for a breach or threatened breach of this deed by CWY.

13. Reverse Break Fee

13.1 Background

- (a) The parties acknowledge that if they enter into this deed and the Scheme is not implemented, CWY will incur significant external and internal costs and opportunity costs, including:
 - (i) legal, financial and other advisory costs (excluding success fees);
 - (ii) reasonable opportunity costs in pursuing the transactions contemplated by this deed and not engaging in alternative acquisitions or strategic initiatives;
 - (iii) costs of management and directors' time in planning, managing and implementing the transactions contemplated by this deed;
 - (iv) out of pocket expenses incurred in connection with planning, managing, and implementing the transactions contemplated by this deed; and
 - (v) any damage to CWY's reputation associated with a failed transaction and the implications of that damage to CWY's business,
 and the parties agree that:
 - (vi) the costs incurred by CWY will be of such a nature that they cannot all be accurately ascertained; and
 - (vii) the Reverse Break Fee is a genuine and reasonable pre-estimate of the costs.
- (b) In the above circumstances, CWY has requested that provision be made in this deed for the payment of the Reverse Break Fee as set out in this clause 13, without which it would not have entered into this deed.
- (c) The Bidder believes, having taken advice from its legal and financial advisers, that the implementation of the Scheme will provide benefits to the Bidder and its investors, and that it is reasonable that the Bidder agree to the payments referred to in this clause 13 in order to secure CWY's participation in the Scheme as contemplated by this deed.

13.2 Payment by the Bidder to CWY

The Bidder undertakes to pay the Reverse Break Fee to CWY in accordance with clause 13.3 if:

- (a) **failure to pay the Scheme Consideration:** the Bidder does not pay the aggregate Scheme Consideration in accordance with the terms of this deed, the Scheme and the Deed Poll; or
- (b) **material breach:** CWY terminates this deed under clauses 15.1(a)(i) or 15.2(b) and the Scheme does not complete.

13.3 **Demand for and timing of payment**

- (a) The Bidder must pay the Reverse Break Fee (without withholding (other than a withholding required to be made by law) or set off) within 20 Business Days after receipt of a written demand from CWY where CWY is entitled under clause 13.2 to the Reverse Break Fee.
- (b) A demand by CWY for payment of the Reverse Break Fee under clause 13.2:
 - (i) must be in writing;
 - (ii) may be given only after the occurrence of the event or circumstances in clause 13.2 giving rise to the right to payment and termination of this deed;
 - (iii) must set out particulars of the event or circumstances giving rise to the demand; and
 - (iv) must nominate a bank account into which the Bidder must pay the Reverse Break Fee.

13.4 **No Reverse Break Fee if Scheme becomes Effective**

Despite clause 13.2 no Reverse Break Fee will be payable by the Bidder to CWY if:

- (a) the Scheme becomes Effective and the Bidder has paid the Scheme Consideration in accordance with this deed and the Scheme; or
- (b) at the time that the relevant event in clause 13.2 triggering the payment of the Reverse Break Fee occurs, the Bidder was entitled to terminate this deed under clauses 15.1(a)(i) or 15.2(a) and had given the appropriate termination notice to CWY in accordance with this deed,

notwithstanding the occurrence of any event in clause 13.2 and, if any amount or part of the Reverse Break Fee has already been paid, it must be promptly refunded by CWY.

13.5 **Reverse Break Fee payable only once**

Where the Reverse Break Fee becomes payable to CWY under clause 13.2 and is actually paid to CWY, CWY cannot make any Claim against the Bidder for payment of any subsequent Reverse Break Fee.

13.6 **Compliance with law**

- (a) This clause 13 does not impose an obligation on the Bidder to pay the Reverse Break Fee to the extent (and only to the extent) that the obligation to pay the Reverse Break Fee:
 - (i) is declared by the Takeovers Panel to constitute 'unacceptable circumstances'; or

- (ii) is determined to be unenforceable or unlawful by a court of competent jurisdiction (including by virtue of it being a breach of the Bidder's fiduciary or statutory duties),

and CWY will refund to the Bidder within 20 Business Days any amount in excess of its obligation under this clause 13 that the Bidder has already paid to CWY when that declaration or determination is made (unless otherwise required by the Takeovers Panel or a court of competent jurisdiction).

- (b) For the avoidance of doubt, any part of the Reverse Break Fee that would not constitute unacceptable circumstances or that is not unenforceable or unlawful (as applicable) must be paid by the Bidder.
- (c) The parties must not make or cause to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 13.6(a).

13.7 Other claims by CWY

- (a) Subject to clause 13.6, CWY acknowledges and agrees that, except in relation to wilful misconduct or fraudulent breach of this deed by the Bidder, but notwithstanding any other provision of this deed:
 - (i) the maximum aggregate amount payable by the Bidder and the Bidder Indemnified Parties to CWY under or in connection with this deed, including for any breach of this deed (including any breach of a Warranty) by the Bidder, is an amount equal to the Reverse Break Fee and in no event will the aggregate liability of the Bidder and the Bidder Indemnified Parties for Claims under this deed and the transaction of which it is part exceed the Reverse Break Fee;
 - (ii) the payment of the Reverse Break Fee by the Bidder represents the sole, maximum and absolute amount of liability of the Bidder and the Bidder Indemnified Parties in aggregate under or in connection with this deed or the transactions contemplated by it and no further damages, fees, expenses or reimbursements of any kind will be payable by the Bidder or the Bidder Indemnified Parties in connection with this deed or the transaction of which it is a part;
 - (iii) after the payment by the Bidder of the Reverse Break Fee, neither CWY nor any of its Affiliates may make any claim whatsoever whether for damages, Loss, liability, compensation, payments, fees, expenses or reimbursements against the Bidder or any other Bidder Indemnified Party; and
 - (iv) the amount of the Reverse Break Fee payable to CWY under this clause 13 will be reduced by the amount of any Loss or damage recovered by CWY or any of its Affiliates in connection with a breach of any other clause of this deed or the transaction of which it is a part.
- (b) Nothing in this clause 13.7 or CWY's right to receive the Reverse Break Fee:
 - (i) limits the liability of the Bidder under or in connection with clause 2.2, the Scheme or the Deed Poll; or
 - (ii) affects CWY's right to specific performance or injunctive relief or any other remedies which would otherwise be available in equity or law as a remedy

for a breach or threatened breach of this deed or the Deed Poll by the Bidder.

The aggregate sum payable to the Scheme Shareholder by the Bidder as Scheme Consideration will not be increased to reflect such deduction and the net aggregate sum payable to the Scheme Shareholder shall be taken to be in full and final satisfaction of the Bidder's obligation to pay the Scheme Consideration to the Scheme Shareholder.
- (c) CWY agrees that the Bidder may approach the ATO to obtain clarification as to the application of Subdivision 14-D to the Scheme and will provide all information and assistance that the Bidder reasonably requires for the purpose of making any such approach. The Bidder agrees:

BETWEEN:

- (1) **Cleanaway Waste Management Limited** (ABN 74 101 155 220) whose registered office is at Level 4, 441 St Kilda Road, Melbourne, VIC 3004, Australia (**CWY**); and
- (2) **The Scheme Shareholders.**

THE PARTIES AGREE AS FOLLOWS:

1. Preliminary matters

- (a) CWY is a listed public company limited by shares, registered in Queensland, Australia, and has been admitted to the official list of the ASX. CWY Shares are quoted for trading on the ASX.
- (b) Bidder is a proprietary company limited by shares, incorporated in Australia and registered in New South Wales.
- (c) CWY and Bidder have agreed, by executing the Implementation Deed, to implement this Scheme.
- (d) If this Scheme becomes Effective:
 - (i) Bidder must provide or procure the provision of the Scheme Consideration to the Scheme Shareholders in accordance with this Scheme and the Deed Poll; and
 - (ii) all the Scheme Shares, and all the rights and entitlements attaching to them as at the Implementation Date, must be transferred to Bidder and CWY will enter the name of Bidder in the Register in respect of the Scheme Shares.
- (e) This Scheme attributes actions to Bidder but does not itself impose an obligation on it to perform those actions. Bidder has agreed, by executing the Deed Poll, to perform the actions attributed to it under this Scheme, including the provision or procuring the provision of the Scheme Consideration to the Scheme Shareholders, subject to the Scheme becoming Effective.

2. Conditions

2.1 Conditions precedent

This Scheme is conditional on and will have no force or effect until, the satisfaction of each of the following conditions precedent:

- (a) all the conditions in clause 3.2 of the Implementation Deed (other than the condition in clause 3.2(m) of the Implementation Deed relating to Court approval of this Scheme) having been satisfied or waived in accordance with the terms of the Implementation Deed before 8.00am on the Second Court Date;

- (b) neither the Implementation Deed nor the Deed Poll having been terminated in accordance with their terms before 8.00am on the Second Court Date;
- (c) approval of this Scheme by the Court under section 411(4)(b) of the Corporations Act, including with any alterations or conditions made or required by the Court under section 411(6) of the Corporations Act and agreed to in writing by CWY and Bidder;
- (d) such other conditions made or required by the Court under section 411(6) of the Corporations Act in relation to this Scheme and agreed to in writing by CWY and Bidder having been satisfied or waived; and
- (e) the orders of the Court made under section 411(4)(b) (and, if applicable, section 411(6)) of the Corporations Act approving this Scheme coming into effect, pursuant to section 411(10) of the Corporations Act on or before the End Date (or any later date CWY and Bidder agree in writing).

2.2 Certificate

- (a) Each of CWY and Bidder will provide to the Court on the Second Court Date a certificate in accordance with clause 3.8 of the Implementation Deed, or such other evidence as the Court requests, confirming (in respect of matters within their knowledge) whether or not all of the conditions precedent in clauses 2.1(a) and 2.1(b) have been satisfied or waived.
- (b) The certificates referred to in clause 2.2(a) constitute conclusive evidence (in the absence of manifest error) that such conditions precedent were satisfied, waived or taken to be waived.

2.3 End Date

Without limiting any rights under the Implementation Deed, this Scheme will lapse and be of no further force or effect if:

- (a) the Effective Date does not occur on or before the End Date; or
- (b) either the Implementation Deed or the Deed Poll is terminated in accordance with its terms,

unless CWY and Bidder otherwise agree in writing (and, if required, is approved by the Court).

3. Implementation of this Scheme

3.1 Lodgement of Court orders with ASIC

CWY must lodge with ASIC, in accordance with section 411(10) of the Corporations Act, an office copy of the Court order approving this Scheme as soon as possible after the Court approves this Scheme and in any event by 5.00 pm on the first Business Day after the day on which the Court order was made (or such later time as agreed with Bidder).

3.2 Transfer of Scheme Shares

Subject to this Scheme becoming Effective in accordance with clause 3.1, the following actions will occur (in the order set out below) on the Implementation Date:

- (a) subject to the provision of the Scheme Consideration in the manner contemplated by clause 4.2, the Scheme Shares, together with all rights and entitlements attaching to the Scheme Shares as at the Implementation Date,

must be transferred to Bidder, without the need for any further act by any Scheme Shareholder (other than acts performed by CWY, or its directors, officers or secretaries, as attorney and agent for Scheme Shareholders under clause 7.5), by:

- (i) CWY delivering to Bidder a duly completed Scheme Transfer, executed on behalf of the Scheme Shareholders by CWY, for registration; and
- (ii) Bidder duly executing the Scheme Transfer, attending to the stamping of the Scheme Transfer (if required) and delivering it to CWY for registration;
- (b) immediately following receipt of the Scheme Transfer in accordance with clause 3.2(a)(ii), but subject to the stamping of the Scheme Transfer (if required), CWY must enter, or procure the entry of, the name of Bidder in the Register as the registered holder of all the Scheme Shares; and
- (c) the Scheme Shares (including all rights and entitlements attaching to the Scheme Shares) transferred under this Scheme to Bidder will, at the time of transfer of them to Bidder, vest in Bidder free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise, and restrictions on transfer of any kind.

4. **Scheme Consideration**

4.1 **Entitlement to Scheme Consideration**

Subject to the Scheme becoming Effective, in consideration for the transfer to Bidder of each Scheme Share held by a Scheme Shareholder, each Scheme Shareholder is entitled to receive the Scheme Consideration in respect of each Scheme Share held by that Scheme Shareholder, subject to the terms of this Scheme.

4.2 **Provision of Scheme Consideration**

- (a) Bidder must, by no later than 12.00 pm on the Business Day before the Implementation Date, deposit, or procure the deposit of, in cleared funds an amount equal to the aggregate amount of the Scheme Consideration payable to all Scheme Shareholders under this Scheme into an Australian dollar denominated trust account with an ADI operated by CWY as trustee for the Scheme Shareholders (**Trust Account**) and notified to Bidder at least five Business Days prior to the Implementation Date (provided that any interest on the amounts deposited (less bank fees and other charges) will be credited to Bidder's account).
- (b) On the Implementation Date, subject to funds having been deposited in accordance with clause 4.2(a), CWY must pay or procure the payment of the Scheme Consideration from the Trust Account to each Scheme Shareholder entitled to receive the Scheme Consideration in accordance with the terms of this Scheme.
- (c) The obligations of CWY under clause 4.2(b) will be satisfied by CWY (in its absolute discretion, and despite any election made by the Scheme Shareholder to receive payments from CWY by a particular means) doing any of the following:
 - (i) if a Scheme Shareholder has, before the Scheme Record Date, made a valid election in accordance with the requirements of the CWY Registry to receive dividend payments from CWY by electronic funds transfer to a

bank account nominated by the Scheme Shareholder, paying, or procuring the payment of, the relevant amount in Australian currency by electronic means in accordance with that election;

- (ii) paying, or procuring the payment of, the relevant amount in Australian currency by electronic means to a bank account nominated by the Scheme Shareholder by an appropriate authority from the Scheme Shareholder to CWY (**Registered Account**); or
 - (iii) dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian currency to the Scheme Shareholder by prepaid post (or, if the address of the Scheme Shareholder is outside Australia, by prepaid airmail post) to their Registered Address, such cheque being drawn in the name of the Scheme Shareholder (or in the case of joint holders, in accordance with the procedures set out in clause 4.3).
- (d) If Bidder is required by section 260-5 or Subdivision 14-D of Schedule 1 of the *Taxation Administration Act 1953* (Cth) or section 255 of the *Income Tax Assessment Act 1936* (Cth), to pay to the Commissioner of Taxation (**Commissioner**) an amount in respect of the acquisition of Scheme Shares (the **Withholding Amount**), Bidder is permitted to deduct the Withholding Amount from the Scheme Consideration otherwise payable in respect of those Scheme Shares under clause 4.2(a) and remit such amounts to the Commissioner (and CWY is not required to pay such amounts to the relevant Scheme Shareholder(s) under clause 4.2(b)). For the avoidance of doubt, in the case of Subdivision 14-D, Bidder is only permitted to deduct the Withholding Amount if permitted to do so under clause 17 of the Implementation Deed. The aggregate sum payable shall not be increased to reflect the deduction of the Withholding Amount and the net sum payable to those Scheme Shareholders to whom the Withholding Amount relates to shall be taken to be in full and final satisfaction of the amounts owing to those Scheme Shareholders.
- (e) If a Scheme Shareholder with a registered address (as recorded in the Register) in any jurisdiction where payment by cheque is not permitted has no Registered Account for receipt of payments, then notwithstanding any other provision of this Scheme, CWY may hold payment of the Scheme Consideration owed to that Scheme Shareholder until a valid bank account has been nominated by an appropriate authority from that Scheme Shareholder to CWY.
- (f) To the extent that, following satisfaction of CWY's obligations under clause 4.2(b), there is a surplus in the amount held by CWY as trustee for the Scheme Shareholders in the Trust Account, that surplus (less any bank fees and related charges) must be paid by CWY to Bidder.
- (g) Where the calculation of the Scheme Consideration payable to a particular Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a cent, the fractional entitlement will be rounded up to the nearest whole number of cents.

4.3 Joint holders

In the case of Scheme Shares held in joint names:

- (a) any cheque required to be sent under this Scheme will be made payable to the joint holders and sent to either, at the sole discretion of CWY, the holder whose name appears first in the Register as at the Scheme Record Date or to the joint holders; and

- (b) any other document required to be sent under this Scheme, will be forwarded to either, at the sole discretion of CWY, the holder whose name appears first in the Register as at the Scheme Record Date or to the joint holders.

4.4 Unclaimed monies

- (a) CWY may cancel a cheque issued under this clause 4 if the cheque:
 - (i) is returned to CWY; or
 - (ii) has not been presented for payment within 6 months after the date on which the cheque was sent.
- (b) During the period of 12 months commencing on the Implementation Date, on request in writing from a Scheme Shareholder to CWY (or the CWY Registry) (which request may not be made until the date which is 20 Business Days after the Implementation Date), CWY must reissue a cheque that was previously cancelled under this clause 4.4(a).
- (c) *The Unclaimed Money Act 2008* (Vic) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in section 3 of that Act), but any interest or other benefit accrued from the unclaimed Scheme Consideration will be for the benefit of Bidder.

4.5 Orders of a court or Government Agency

If written notice is given to CWY (or the CWY Registry) or Bidder of an order or direction made by a court of competent jurisdiction or by another Government Agency that:

- (a) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable or required to be issued to that Scheme Shareholder by CWY in accordance with this clause 4, then CWY shall be entitled to procure that provision of that consideration is made in accordance with that order or direction; or
- (b) prevents CWY from providing consideration to any particular Scheme Shareholder in accordance with this clause 4, or the payment of such consideration is otherwise prohibited by applicable law, CWY shall be entitled to retain an amount in Australian dollars equal to the total Scheme Consideration to which that Scheme Shareholder would otherwise be entitled to under clause 4.1 until such time as provision of the Scheme Consideration in accordance with this clause 4 is permitted by that (or another) order or direction or otherwise by law,

and the payment or retention by CWY, will constitute full discharge of CWY's obligations under clause 4.2(b) with respect to the amount so paid or retained until, in the case of clause 4.5(b) it is no longer required to be retained.

5. Dealings in CWY Shares

5.1 Determination of Scheme Shareholders

To establish the identity of the Scheme Shareholders, dealings in CWY Shares or other alterations to the Register will only be recognised if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Register as the holder of the relevant CWY Shares before the Scheme Record Date; and

- (b) in all other cases, registrable transfer or transmission applications in respect of those dealings, or valid requests in respect of other alterations, are received before the Scheme Record Date at the place where the Register is kept,

and CWY must not accept for registration, nor recognise for any purpose (except a transfer to Bidder pursuant to this Scheme and any subsequent transfer by Bidder or its successors in title), any transfer or transmission application or other request received after such times, or received prior to such times but not in registrable or actionable form, as appropriate.

5.2 Register

- (a) CWY must register, or cause to be registered, registrable transmission applications or transfers of the Scheme Shares that are received in accordance with clause 5.1(b) before the Scheme Record Date provided that, for the avoidance of doubt, nothing in this clause 5.2(a) requires CWY to register a transfer that would result in a CWY Shareholder holding a parcel of CWY Shares that is less than a 'marketable parcel' (for the purposes of this clause 5.2(a) 'marketable parcel' has the meaning given in the Settlement Rules).
- (b) If this Scheme becomes Effective, a holder of Scheme Shares (and any person claiming through that holder) must not dispose of or otherwise deal with, or purport or agree to dispose of or otherwise deal with, any Scheme Shares or any interest in them on or after the Scheme Record Date otherwise than pursuant to this Scheme, and any attempt to do so will have no effect and CWY shall be entitled to disregard any such disposal or dealing.
- (c) For the purpose of determining entitlements to the Scheme Consideration, CWY must maintain the Register in accordance with this clause 5.2 until the Scheme Consideration has been provided to the Scheme Shareholders and Bidder has been entered into the Register as holder of all of the Scheme Shares. The Register in this form will solely determine entitlements to the Scheme Consideration.
- (d) All share certificates and statements of holding for CWY Shares will cease to have effect after the Scheme Record Date as documents of title in respect of those shares and, as from that date, each entry current at that date on the Register will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the CWY Shares relating to that entry.
- (e) As soon as possible on or after the Scheme Record Date, and in any event by 5.00 pm on the first Business Day after the Scheme Record Date, CWY will ensure that details of the names, Registered Addresses and holdings of CWY Shares for each Scheme Shareholder as shown in the Register are available to Bidder in the form Bidder reasonably requires.
- (f) Each Scheme Shareholder agrees that the information referred to in clause 5.2(e) may be disclosed to Bidder, its advisers, share registry and other services providers to the extent necessary to effect this Scheme.

6. Quotation of CWY Shares

- (a) CWY must apply to ASX to suspend trading on the ASX in CWY Shares with effect from the close of trading on the Effective Date.
- (b) On a date after the Implementation Date to be determined by Bidder, CWY must apply:

- (i) for termination of the official quotation of CWY Shares on the ASX; and
- (ii) to have itself removed from the official list of the ASX.

7. General Scheme provisions

7.1 Consent to amendments to this Scheme

If the Court proposes to approve this Scheme subject to any alterations or conditions:

- (a) CWY may by its counsel consent on behalf of all persons concerned to those alterations or conditions to which Bidder has consented; and
- (b) each Scheme Shareholder agrees to any such alterations or conditions to which CWY has consented.

7.2 Scheme Shareholders' agreements and warranties

- (a) Each Scheme Shareholder:
 - (i) irrevocably agrees to the transfer of their CWY Shares together with all rights and entitlements attaching to those CWY Shares in accordance with this Scheme;
 - (ii) irrevocably agrees to the variation, cancellation or modification (if any) of the rights attached to their CWY Shares constituted by or resulting from this Scheme;
 - (iii) agrees to, on the direction of CWY, destroy any holding statements or share certificates relating to their CWY Shares;
 - (iv) agrees that after the transfer of the CWY Shares to Bidder, any share certificate relating to the Scheme Shares will not constitute evidence of title to those CWY Shares;
 - (v) who holds their CWY Shares in a CHESS Holding agrees to the conversion of those CWY Shares to an Issuer Sponsored Holding and irrevocably authorises CWY to do anything necessary or expedient (whether required by the Settlement Rules or otherwise) to effect or facilitate such conversion;
 - (vi) irrevocably acknowledges and agrees that this Scheme binds CWY and all Scheme Shareholders (including those who do not attend the Scheme Meeting and those who do not vote, or vote against this Scheme, at the Scheme Meeting) and overrides the constitution of CWY to the extent of any inconsistency; and
 - (vii) irrevocably consents to CWY doing all things and executing all deeds, instruments, transfers or other documents as may be necessary, incidental or expedient to the implementation and performance of this Scheme,

without the need for any further action by the Scheme Shareholder.

- (b) Each Scheme Shareholder is taken to have warranted to CWY and Bidder on the Implementation Date, and irrevocably appointed and authorised CWY as its attorney and agent to warrant to Bidder on the Implementation Date, that:
 - (i) all their CWY Shares (including any rights and entitlements attaching to those shares) will, at the time of transfer of them to Bidder, be fully paid

and free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise, and restrictions on transfer of any kind;

- (ii) they have full power and capacity to sell and transfer their CWY Shares to Bidder together with any rights and entitlements attaching to those shares; and
 - (iii) they have no existing right to be issued any CWY Shares, or any options, performance rights, securities or other instruments exercisable, or convertible, into CWY Shares.
- (c) CWY undertakes that it will provide such warranty in clause 7.2(b) to Bidder as agent and attorney of each Scheme Shareholder.

7.3 Title to and rights in Scheme Shares

- (a) To the extent permitted by law, the Scheme Shares (including all rights and entitlements attaching to the Scheme Shares) transferred under this Scheme to Bidder will, at the time of transfer of them to Bidder vest in Bidder free from all mortgages, charges, liens, encumbrances, pledges, security interests (including any 'security interests' within the meaning of section 12 of the *Personal Property Securities Act 2009* (Cth)) and interests of third parties of any kind, whether legal or otherwise and free from any restrictions on transfer of any kind.
- (b) Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder in the manner contemplated by clause 4.2, Bidder will be beneficially entitled to the Scheme Shares to be transferred to it under this Scheme pending registration by CWY of Bidder in the Register as the holder of the Scheme Shares.

7.4 Appointment of sole proxy

Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder in the manner contemplated by clause 4.2, and until CWY registers Bidder as the holder of all Scheme Shares in the Register, each Scheme Shareholder:

- (a) is deemed to have irrevocably appointed Bidder as attorney and agent (and directed Bidder in each such capacity) to appoint any director, officer, secretary or agent nominated by Bidder as its sole proxy and, where applicable or appropriate, corporate representative to attend shareholders' meetings, exercise the votes attaching to the Scheme Shares registered in their name and sign any shareholders' resolution or document;
- (b) must not attend or vote at any of those meetings or sign any resolutions, whether in person, by proxy or by corporate representative (other than pursuant to clause 7.4(a));
- (c) must take all other actions in the capacity of a registered holder of Scheme Shares as Bidder reasonably directs; and
- (d) acknowledges and agrees that in exercising the powers referred to in clause 7.4(a), Bidder and any director, officer, secretary or agent nominated by Bidder under clause 7.4(a) may act in the best interests of Bidder as the intended registered holder of the Scheme Shares.

7.5 **Authority given to CWY**

On and from the Effective Date, each Scheme Shareholder, without the need for any further act irrevocably appoints CWY and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purposes of:

- (a) enforcing the Deed Poll against Bidder, and CWY undertakes in favour of each Scheme Shareholder that it will enforce the Deed Poll against Bidder and, in doing so, to the extent necessary, enforce CWY's rights under the Equity Commitment Letters, on behalf of and as agent and attorney for each Scheme Shareholder; and
- (b) executing any document or doing or taking any other act necessary, desirable or expedient to give effect to this Scheme and the transactions contemplated by it, including (without limitation) executing the Scheme Transfer,

and CWY accepts each such appointment. CWY as attorney and agent of each Scheme Shareholder, may sub-delegate its functions, authorities or powers under this clause 7.5 to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally).

7.6 **Binding effect of Scheme**

This Scheme binds CWY and all of the Scheme Shareholders (including those who did not attend the Scheme Meeting to vote on this Scheme, did not vote at the Scheme Meeting, or voted against this Scheme at the Scheme Meeting) and, to the extent of any inconsistency, overrides the constitution of CWY.

8. **General**

8.1 **Stamp duty**

Bidder:

- (a) will pay all stamp duty and any related interest, fines and penalties in respect of this Scheme and the Deed Poll, the performance of the Deed Poll and each transaction effected by or made under this Scheme and the Deed Poll; and
- (b) indemnifies each Scheme Shareholder against any liability arising from failure to comply with clause 8.1(a).

8.2 **Consent**

Each of the Scheme Shareholders consents to CWY doing all things necessary or incidental to, or to give effect to, the implementation of this Scheme, whether on behalf of the Scheme Shareholders, CWY or otherwise.

8.3 **Notices**

- (a) If a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to CWY, it will not be taken to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at CWY's registered office or at the office of the CWY Registry.
- (b) The accidental omission to give notice of the Scheme Meeting or the non-receipt of such notice by a CWY Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

8.4 **Governing law**

- (a) This Scheme is governed by the laws in force in Victoria.
- (b) The parties irrevocably submit to the non-exclusive jurisdiction of courts exercising jurisdiction in Victoria and courts of appeal from them in respect of any proceedings arising out of or in connection with this Scheme. The parties irrevocably waive any objection to the venue of any legal process in these courts on the basis that the process has been brought in an inconvenient forum.

8.5 **Further action**

CWY must do all things and execute all documents necessary to give full effect to this Scheme and the transactions contemplated by it.

8.6 **No liability when acting in good faith**

Each Scheme Shareholder agrees that neither CWY, Bidder nor any of their respective directors, officers, representatives, secretaries, employees or related bodies corporate, shall be liable for anything done or omitted to be done in the performance of this Scheme, the Deed Poll or the transactions contemplated by this Scheme or the Deed Poll in good faith.
