## Explanatory Statement

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

### 1. Annual Report

Shareholders will be offered the opportunity to discuss the Annual Report at the Meeting. The Company will not provide a hard copy of the Annual Report to Shareholders unless specifically requested to do so. The Annual Report is available on the Company's website at https://dreadnoughtresources.com.au/. There is no requirement for Shareholders to approve the Annual Report. However, the Chair will provide a reasonable opportunity for Shareholders to ask questions or make comments about the Annual Report and the management of the Company. Shareholders will also be given an opportunity to ask the auditor questions as permitted by the Corporations Act.

### 2. Resolution 1: Adoption of Remuneration Report

#### 2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year. The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

#### 2.2 Voting consequences

The vote on this Resolution is advisory only and does not bind the Company or its Directors. However, the Board will actively consider the outcome of the vote and comments made by Shareholders on the Remuneration Report when reviewing the Company's future remuneration policies and practices.

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings. If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

#### 2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

### 3. Resolution 2: Re-election of Director - Mr Paul Chapman

#### 3.1 General

The Constitution sets out the requirements for determining which Directors are to retire at an annual general meeting. ASX Listing Rule 14.5 states that an entity which has directors must hold an election of directors at each annual general meeting. Mr Chapman, having been a director of the Company since 9 April 2019, and last re-elected on 28 November 2024, will retire in accordance with the Constitution and ASX Listing Rule 14.5 and, being eligible, seeks re-election from Shareholders.

#### 3.2 Qualifications and other material directorships

Mr Paul Chapman (B.Comm., CA, Grad. Dip. Tax., MAIDC, MAusIMM) is the non-executive chairman of the Company. Mr Chapman is a company director with over 30 years in the resource sector. Mr Chapman has held senior management roles across a range of commodity businesses and public companies in Australia and the USA. Mr Chapman was a founding director and shareholder of Reliance Mining, Encounter Resources, Rex Minerals, Silver Lake Resources, Black Cat Syndicate and Dreadnought Resources. Paul is also Non-Executive Chairman of Meeka Metals (ASX:MEK) (since 2022), and Black Cat Syndicate (ASX:BC8) (since 2017).

### 3.3 Independence

If re-elected, the Board considers that Mr Chapman will be a non-independent director due to his (and his associates) substantial shareholding in the Company.

### 3.4 Board recommendation

The Board supports the election of Mr Chapman and recommends that Shareholders vote in favour of this Resolution because the Board considers that the experience, expertise and skills of Mr Chapman assist the Board in fulfilling its responsibilities.

### 3.5 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Chapman will be re-elected to the Board as a non-independent non-executive Director. If this Resolution is not passed, Mr Chapman will not continue in their role as a non- independent non-executive Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

## 4. Resolution 3: Approval to issue further Equity Incentives under the Employee Incentive Scheme - Equity Incentive Plan

### 4.1 General

At the Company's annual general meeting held on 30 November 2022 (**2022 AGM**), the Company received approval to issue up to 150,000,000 Equity Incentives, pursuant to Listing Rule 7.2 (Exception 13 (b)) under the Equity Incentive Plan (**Plan**) within a period of three years from date of approval. Since this approval at the 2022 AGM, the Company has issued the following Equity Incentives under the Plan.

| Equity Incentive | Pursuant to Listing Rule | | |
|---|---|---|---|
| | 7.2 Exception 13 (b) | 10.14 | 7.1 |
| Performance Rights | 92,183,332 | 47,900,000 | 45,400,000 |
| Options | 2,000,000 | 19,460,940 | Nil |
| **Total** | **94,183,332** | **67,360,940** | **45,400,000** |

The objective of the Plan continues to be to attract, motivate and retain key employees and it is considered by the Company that future issues of Equity Incentives under the Plan will provide selected directors, employees and consultants with the opportunity to participate in the future growth of the Company.

This Resolution seeks Shareholder approval to issue further Equity Incentives under the Plan in reliance on ASX Listing Rule 7.2 Exception 13. The maximum number of Equity Incentives to be issued under the Plan (other than issues approved by Shareholders under ASX Listing Rule 10.14) following approval under this Resolution at any given time during the next 3-year period, unless otherwise approved by Shareholders, will be 250,000,000.

Broadly speaking, and subject to several exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13 (b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme, if within three years before the date of issue of the securities, the holders of the entities ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Listing Rule 7.2 (Exception 13 (b)) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13 (b)). Exception 13 (b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

### 4.2 ASX Listing Rules 7.1 and 7.2 Exception 13

A summary of ASX Listing Rule 7.1 is set out in Section 4.1.

Certain issues of equity securities are exempt from the restrictions of ASX Listing Rule 7.1 and are effectively disregarded for the purposes of determining the number of equity securities that a listed company has issued within a 12-month period.

ASX Listing Rule 7.2 Exception 13 creates an exception from Listing Rule 7.1 for the issue of equity securities pursuant to an employee incentive scheme for a period of 3 years after either:

(a) the listing of the company, provided that the terms of the employee incentive scheme and the maximum number that may be issued under the scheme were set out in the company's listing prospectus; or

For personal use only

(b) shareholders have approved the issue of securities under the employee incentive scheme being an exception from ASX Listing Rule 7.1, provided that the notice of meeting included a summary of the terms of the employee incentive scheme and certain required disclosures about the number of securities previously issued under the scheme and the maximum number that may be issued under the scheme.

The exemption is only available for the issue of equity securities under the employee incentive scheme up to the maximum number stated in the prospectus or notice of meeting, as applicable. The exemption also ceases to be available if there is a material change to the terms of the employee incentive scheme after shareholder approval has been obtained.

### 4.3 Effect of the Resolution - Technical information required by Listing Rule 14.1A

This Resolution seeks Shareholder approval for the issue of Equity Incentives under the Plan to be an exception from Listing Rule 7.1 for a period of 3 years.

If Shareholders approve this Resolution, any issue of Equity Incentives under the Plan over the 3 years after the date of the Meeting (up to the maximum number calculated as set out in Section 4.5(e)) will not use up a portion of the Company's placement capacity under Listing Rule 7.1 when that issue is made. This means that the Company will preserve its flexibility to issue equity securities without seeking Shareholder approval if and when it grants Equity Incentives under the Plan.

It should be noted that if the Resolution is passed, the Company will only be able to issue equity securities under the Plan to eligible participants who are unrelated parties without seeking prior Shareholder approval. Any proposed issue of Equity Incentives to a Director, or any of their associates, under the Plan will require prior Shareholder approval under ASX Listing Rule 10.14, such as Resolution 4.

If Shareholders do not approve this Resolution, the Company may still decide in future to grant Equity Incentives to eligible employees and consultants who are unrelated parties of the Company under the Plan, but each such issue will not be exempt from Listing Rule 7.1 and will use up a portion of the Company's placement capacity under Listing Rule 7.1 at the relevant time made (unless another exemption from Listing Rule 7.1 is applicable). The issue of Equity Incentives under the Plan in those circumstances would therefore reduce the Company's ability to issue equity securities without seeking Shareholder approval.

For the avoidance of doubt, the Company must seek Shareholder approval Under Listing Rule 10.14 in respect of any future securities under the Plan to a related party or a person whose relations with the Company or related part, is in the ASX's opinion, such that approval should be obtained.

### 4.4 Directors' recommendation

The Directors recommend that Shareholders vote in favour of this Resolution.

### 4.5 Technical information required by Listing Rule 7.2 Exception 13

Pursuant to and in accordance with ASX Listing Rule 7.2 Exception 13, the following information is provided in relation to this Resolution:

(a) A summary of the Plan is set out at Schedule 2;

| **Total** | **45,400,000** | **Nil** |

(e) The maximum number of Equity Incentives to be issued under the Plan (other than issues approved by Shareholders under ASX Listing Rule 10.14) following approval under this Resolution at any given time during the next 3-year period, unless otherwise approved by Shareholders, will be 250,000,000 (being approximately 4.37% of the number of the Company's fully paid ordinary shares on issue at the date of this Notice – 5,725,200,000 Shares).

## 5. Resolution 4: Issue of Performance Rights to Related Party - Dean Tuck

### 5.1 General

On 18 June 2026, the Board resolved to seek Shareholder approval for the issue of Performance Rights to a Director at the next meeting of Shareholders. At the time the Board resolved to issue these Performance Rights the prevailing share price of the Company was approximately $0.015.

This Resolution seeks Shareholder approval for the purposes of Listing Rule 10.14 for the issue of a total of 19,000,000 Performance Rights to Dean Tuck (or his nominee/s) (the **Related Party**) (**Performance Rights**) pursuant to the Equity Incentive Plan (a summary of which is outlined within Schedule 2). The Performance Rights proposed have vesting conditions reflecting operational and service performance targets.

The Performance Rights will be divided into four classes with different vesting conditions as follows:

| Class | Number | Vesting Conditions |
|---|---|---|
| R | 5,700,000 | Either of the following occurring by 31 December 2027:<br>(a) the first sale of gold produced from ore mined from a project in which the Company holds an interest; or<br>(b) completion of the sale of the Company's interest in a project. |
| S | 5,700,000 | The volume weighted average price (**VWAP**) of the Company's shares over a period of 30 consecutive ASX trading days being at least $0.045 at any time on or before 31 December 2028. |
| T | 3,800,000 | Completion of 12 months continued service from date of issue of Performance Right. |
| U | 3,800,000 | Completion of 24 months continued service from date of issue of Performance Right. |

### 5.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

(a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

(b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue of the Performance Rights constitutes the giving of a financial benefit. The proposed grantee of the Performance Rights, Dean Tuck, is a related party of the Company by reason of being a Director.

Section 211 of the Corporations Act provides that shareholder approval under section 208 is not required if the financial benefit to be provided to the related party is remuneration as an officer or employee of the company and to give remuneration would be reasonable given the circumstances of the company giving the remuneration and the related party's circumstances (including responsibilities involved in the office or employment).

For personal use only

The Directors (other than Dean Tuck who did not consider the issue given his material personal interest in the matter) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Performance Rights because the agreement to issue the Performance Rights, reached as part of the remuneration package for Dean Tuck, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

### 5.3 ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

(a) a director;

(b) an associate of a director; or

(c) a person whose relationship with the company, or with a director or associate of a director, is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

As the issue of the Performance Rights falls within Listing Rule 10.14.1, Shareholder approval pursuant to ASX Listing Rule 10.14 is required.

The Company therefore seeks the required Shareholder approval for the issue of the Performance Rights under and for the purposes of Listing Rule 10.14.

### 5.4 Effect of the Resolution - Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue within three years after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If this Resolution is not passed, the Company will not be able to proceed with the issue of Performance Rights to the Related Party. In that case, the Company may have to consider alternatives in respect of his remuneration, which may include increasing his cash remuneration.

### 5.5 Board Recommendation

The Directors (other than Dean Tuck who declines to give a recommendation given his material personal interest in the matter) recommend Shareholders vote in favour of this Resolution.

### 5.6 Technical information required by ASX Listing Rule 10.15

Pursuant to and in accordance with ASX Listing Rule 10.15, the following information is provided in relation to the issue of the Performance Rights to the Related Party:

(a) Performance Rights are being offered as an incentive component of the Related Party's remuneration package. The Company has chosen to seek Shareholder approval for the issue of Performance Rights as part of the Related Party's remuneration package to provide a performance-linked incentive component, and to motivate and reward their performance in the achievement of the vesting conditions within the relevant time periods. This is considered a cost-effective remuneration practice and will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given. It is considered reasonable given the vesting conditions will align the interests of the Related Party with those of Shareholders;

(b) the Performance Rights will be issued on the terms and conditions set out in Schedule 1. Each Performance Right entitles the holder to acquire a share in the Company subject to the fulfilment of the vesting and exercise conditions;

(c) a summary of the material terms of the Plan is set out at Schedule 2;

(d) the maximum number of Performance Rights to be issued to the Related Party is set out in Section 5.6(e);

(f) Dean Tuck is a Director, being within the category set out in Listing Rule 10.14.1. Any nominee/s of Dean Tuck who receive Securities may constitute 'associates' for the purposes of Listing Rule 10.14.2;

(g) the Performance Rights will be issued for no cash consideration at a nil issue price. Accordingly, no capital will be raised from the issue of the Performance Rights, as the purpose of the issue is to provide an equity incentive as part of the remuneration package for the Related Party;

(h) the Performance Rights will be issued no later than 3 years after the date of the Meeting (or such later date to

*19,000,000 Performance Rights: Class R to Class U subject to shareholder approval of this Resolution.

(l) If this Resolution is passed and the Performance Rights are issued, the total remuneration package of the Related Party will increase from $403,200 by $256,500, being the value of the Performance Rights set out in Section 5.6(n) below, to $659,700.

(m) details of any securities issued under the Plan will be published in the Annual Report relating to any year in which they are issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14;

(n) the value of the Performance Rights is set out in the table below. The valuation of the Class S Performance Rights has been completed by an independent corporate advisory firm of the Company using a trinomial valuation model with a valuation date of 18 June 2026, being the date the Board resolved to seek Shareholder approval. The valuation of Class R, T and U Performance Rights has been completed by internal management of the Company using the Cox, Ross & Rubinstein Binomial Tree valuation model, with a valuation date of 18 June 2026. The underlying security price used in the valuation model reflects the closing price of the Company's Shares as at the valuation date of 18 June 2026. The share-based payment valuations for Performance Rights shown below are prepared solely for financial reporting purposes (and specifically for AASB 2 Share Based Payments) and are not to be considered either the market price that the performance rights could theoretically be traded at nor an appropriate valuation for any other purposes including personal taxation.

## 6. Resolution 5: Ratification of prior issue of Shares - tenement acquisition

### 6.1 General

On 2 March 2026, the Company announced it had entered an agreement (**Tenement Acquisition Agreement**) to acquire 12 tenements in Mangaroon (**Acquisition**).

The material terms of the Tenement Acquisition Agreement are:

(a) **Vendor**: Kingfisher Mining Ltd (**Vendor**)

(b) **Purchaser**: Dreadnought Exploration Pty Ltd (wholly owned subsidiary of the Company);

(c) **Tenements**: E09/2242, E09/2349, E09/2481, E09/2320, E09/2495, E09/2653, E09/2494, E09/2523, E09/2654, E09/2655, E09/2660 & E09/2661.

(d) **Consideration**:

(i) 82,682,358 Shares

(e) **Milestone payments based on any Resource definitions**:

(i) 1st Milestone: $500,000 upon announcing an Inferred Resource > 10Mt @ 1 TREO

(ii) 2nd Milestone: $1,000,000 upon announcing an Inferred Resource > 20Mt @ 1 TREO

On 31 March 2026 the Company issued 82,682,358 Shares to the Vendor (**Consideration Shares**) using its existing placement capacity under Listing Rule 7.1. 50% of the Consideration Shares are subject to voluntary escrow period as follows:

- 41,134,179 Shares until 31 March 2027.

This Resolution seeks Shareholder ratification pursuant to ASX Listing Rule 7.4 for the issue of the Consideration Shares.

### 6.2 Listing Rule 7.1

A summary of ASX Listing Rule 7.1 is set out in Section 4.1.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of the issue.

### 6.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

### 6.4 Effect of the Resolution - Technical information required by Listing Rule 14.1A

If Shareholders approve this Resolution, they will have ratified the issue of the Consideration Shares, and the issue of those Shares will no longer use up a portion of the Company's placement capacity under Listing Rule 7.1, and will be included in the base figure (referred to as variable "A" in ASX Listing Rule 7.1) from which the Company's 15% placement capacity under Listing Rule 7.1 and 10% additional placement capacity under Listing Rule 7.1A are calculated (as explained further below), meaning the Company will have an increased ability to issue equity securities without seeking Shareholder approval.

If Shareholders do not approve this Resolution, the issue of the Consideration Shares will continue to use up a portion of the Company's current placement capacity under Listing Rule 7.1 until the date that is 12 months from their date of issue, and the Company will therefore have a reduced ability to issue equity securities without seeking Shareholder approval until that time.

### 6.5 Board recommendation

The Board recommends that Shareholders vote in favour of this Resolution so the Company can preserve maximum flexibility in terms of its ability to issue equity securities under its placement capacity under Listing Rule 7.1.

For personal use only

### 6.6 Technical information required by ASX Listing Rule 7.5

Pursuant to and in accordance with ASX Listing Rule 7.5, the following information is provided in relation to this Resolution:

(a) the Consideration Shares were issued to Kingfisher Mining Ltd on 31 March 2026;

(b) the number of Consideration Shares issued was 82,682,358;

(c) the Consideration Shares were fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;

(d) the Consideration Shares were issued at a nil issue price as part consideration for the Acquisition;

(e) the Shares were issued pursuant to the Tenement Acquisition Agreement, summarised at Section 6.1;

(f) a voting exclusion statement applies to this Resolution; and

(g) the issue did not breach Listing Rule 7.1.

## 7. Resolution 6: Approval of 10% Issuance Capacity

### 7.1 General

A summary of Listing Rule 7.1 is set out in Section 4.1.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

An "eligible entity" means an entity which is not included in the S&P/ASX300 Index and which has a market capitalisation of $300 million or less at the date of the Meeting.

The Company is an eligible entity for these purposes as at the Disclosure Date (5,725,200,000 Shares at a Share price of $0.011 being a market capitalisation of $62,977,200).

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval (**Additional Issuance Capacity**).

### 7.2 Effect of Resolution - Technical information required by ASX Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the Additional Issuance Capacity and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

### 7.3 Board Recommendation

The Board considers it is in the Company's best interests to have the opportunity to take advantage of the flexibility to issue additional Equity Securities provided under ASX Listing Rule 7.1A. As at the date of this Notice, no decision has been made by the Board to undertake any issue of Equity Securities under the Additional Issuance Capacity if Shareholders approve this Resolution. The Board unanimously recommends that Shareholders vote in favour of this Resolution.

### 7.4 Technical information required by ASX Listing Rule 7.3A

The information below provides more background on ASX Listing Rule 7.1A and the disclosure required by ASX Listing Rule 7.3A.

(a) **Securities which may be issued under the Additional Issuance Capacity**

Under the Additional Issuance Capacity, the Company may only issue Equity Securities belonging to an existing quoted class of the Company's Equity Securities. As at the date of this Notice, the Company has on issue one class of quoted Equity Securities, being fully paid ordinary shares (ASX Code: **DRE**).

(b) **Minimum issue price**

Equity Securities issued under the Additional Issuance Capacity must be issued for cash consideration per security at an issue price which is not less than 75% of the volume weighted average market price for the securities in that class, calculated over the 15 ASX trading days on which trades of securities in that class were recorded immediately before:

(i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and

the recipient of the Equity Securities; or

(ii) if the Equity Securities are not issued within 10 ASX trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

The Company will disclose this information when Equity Securities are issued under the Additional Issuance Capacity.

(c) **Period for which approval will be valid**

Shareholder approval of the Additional Issuance Capacity will be valid for the period commencing on the date of the Meeting and expiring on the first to occur of the following:

(i) the date that is 12 months after the date of the Meeting; or

(ii) the time and date of the Company's next annual general meeting; or

(iii) if the Company receives Shareholder approval for a proposed transaction under ASX Listing Rule 11.1.2 (significant change to the nature or scale of activities) or ASX Listing Rule 11.2 (disposal of main undertaking), the time and date of that approval, (**Additional Issuance Period**).

(d) **Dilution risks**

If Equity Securities are issued under the Additional Issuance Capacity, there is a risk of economic and voting dilution of existing Shareholders, including the following risks:

(i) the market price for Equity Securities in the class of securities issued under the Additional Issuance Capacity may be significantly lower on the issue date than on the date of the approval under ASX Listing Rule 7.1A (that is, the date of the Meeting, if this Resolution is approved); and

(ii) the Equity Securities may be issued under the Additional Issuance Capacity at a discount to the market price for those Equity Securities on the issue date, which may influence the amount of funds raised by the issue of the Equity Securities.

The below table shows the potential dilution of existing Shareholders on the basis of the market price of Shares and the number of ordinary securities for variable "A" calculated in accordance with the formula in ASX Listing Rule 7.1A.2, both as at the Disclosure Date. The table also shows two examples:

(i) where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue as at the Disclosure Date. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require Shareholder approval (for example, a pro rata entitlement offer or securities issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future general meeting; and

(ii) where the issue price of ordinary securities has decreased by 50% and increased by 50% as against the market price as at the Disclosure Date.

The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

| **Number of Shares on Issue (Variable 'A' in ASX Listing Rule 7.1A.2)** | **Dilution** | | | |
|---|---|---|---|---|
| | **Issue Price (per Share)** | **$0.0055 50% decrease** | **$0.0110 Issue Price** | **$0.0165 50% increase** |
| 5,725,200,000 (Current Variable A) | Shares issued | 572,520,000 | 572,520,000 | 572,520,000 |
| | Funds Raised | $3,148,860 | $6,297,720 | $9,446,580 |
| 8,587,800,000 (50% increase) | Shares issued | 858,780,000 | 858,780,000 | 858,780,000 |
| | Funds Raised | $4,723,290 | $9,446,580 | $14,169,870 |
| 11,450,400,000 (100% increase) | Shares issued | 1,145,040,000 | 1,145,040,000 | 1,145,040,000 |
| | Funds Raised | $6,297,720 | $12,595,440 | $18,893,160 |

The table above uses the following assumptions:

(i) As at the Disclosure Date there are 5,725,200,000 Shares on issue.

(ii) The issue price set out above is the closing price of the Shares on the ASX on the Disclosure Date.

(iii) The Company issues the maximum possible number of Equity Securities under the Additional Issuance Capacity.

(iv) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.

For personal use only

(v) The issue of Equity Securities under the Additional Issuance Capacity consists only of Shares and the consideration provided for those Shares is cash. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.

(vi) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

(vii) The calculations above do not show the dilution that any particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

(viii) This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.

(ix) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional Issuance Capacity, based on that Shareholder's holding at the date of the Meeting.

(e) **Purpose of issues under Additional Issuance Capacity**

The Company may issue Equity Securities under the Additional Issuance Capacity to raise cash to fund the following:

(i) general working capital expenses;

(ii) activities associated with its current business;

(iii) repayment of debt; or

(iv) the acquisition of new assets and investments (including any expenses associated with such an acquisition).

The Company will comply with the disclosure requirements of ASX Listing Rule 7.1A.4 on issue of any Equity Securities pursuant to the approval sought by this Resolution.

(f) **Allocation policy under Additional Issuance Capacity**

The Company's allocation policy and the identity of the recipients of Equity Securities issued under the Additional Issuance Capacity will be determined on a case-by-case basis at the time of issue and at the Company's discretion.

No decision has been made in relation to an issue of Equity Securities under the Additional Issuance Capacity, including whether the Company will engage with new investors or existing Shareholders, and if so, the identities of any such persons.

However, when determining the allocation policy and the identity of the recipients, the Company will have regard to the following considerations:

(i) prevailing market conditions;

(ii) the purpose for the issue of the Equity Securities;

(iii) the financial situation and solvency of the Company;

(iv) impacts of the placement on control;

(v) other methods of raising capital; and

(vi) advice from corporate, financial and broking advisers (if applicable).

Recipients may include existing Shareholders or new investors, but not persons who are related parties or associates of related parties of the Company. If the issue is made in connection with the acquisition of assets, the recipients may be the sellers of those assets.

(g) **Previous issues under the Additional Issuance Capacity**

The Company obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its previous annual general meeting held on 28 November 2025.

Since that date, the Company has not issued Equity Securities under Listing Rule 7.1A.2 in the 12 months preceding the date of this Annual General Meeting.

**7.5 Voting exclusion**

At the time of dispatching this Notice, the Company is not proposing to make an issue of Equity Securities under the Additional Issuance Capacity, and a voting exclusion statement is therefore not included in this Notice.

## 8. Resolution 7: Insertion of Proportional Takeover Provisions in the Constitution

### 8.1 General

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, an entity may include a provision in its constitution whereby a proportional takeover bid for shares may only proceed after the bid has been approved by a meeting of shareholders held in accordance with the terms set out in the Corporations Act.

In accordance with section 648G(1) of the Corporations Act, such clause will cease to apply at the end of three years from the incorporation of the Company, insertion of the clause or renewal of the clause (as appropriate) unless otherwise specified. When this clause ceases to apply, the constitution will be modified by omitting the clause.

A company may renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution (i.e., by special resolution of shareholders).

The proportional takeover provisions contained in clause 37 of the Constitution are no longer operative as it has been more than three years since they were last approved by Shareholders.

This Resolution is a special resolution which will enable the Company to modify its Constitution by re-inserting proportional takeover provisions into the Constitution in the form of clause 37. The new clause 37 is in the same form as clause 37 as it stood immediately before it ceased to apply (as set out in Schedule 3 of this Notice).

The Company is permitted to seek further Shareholder approval to renew this clause for further periods of up to three years on each occasion.

A copy of the Constitution was released to ASX on 6 December 2022 and is available for download from the Company's ASX announcements platform.

### 8.2 Technical information required by section 648G(5) of the Corporations Act

(a) **Overview**

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company proposes to include in the Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause of the Constitution will cease to have effect on the third anniversary of the date of the adoption or last renewal of the clause.

(b) **Effect of proposed proportional takeover provisions**

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a Resolution to approve the proportional off-market bid is passed.

(c) **Reasons for proportional takeover provisions**

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle and assist in ensuring that any partial bid is appropriately priced.

(d) **Knowledge of any acquisition proposals**

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

(e) **Potential advantages and disadvantages of proportional takeover provisions**

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

For personal use only

(i) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;

(ii) assisting in preventing Shareholders from being locked in as a minority;

(iii) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and

(iv) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

(i) proportional takeover bids may be discouraged;

(ii) lost opportunity to sell a portion of their Shares at a premium; and

(iii) the likelihood of a proportional takeover bid succeeding may be reduced.

(f) **Board Recommendation**

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.

(i) issue the number of Shares required under these terms and conditions in respect of the number of Performance Rights specified in the Notice of Exercise; and

If a Cleansing Notice for any reason is not effective to ensure that an offer for sale of the Shares does not require disclosure to investors, the Company must, no later than 20 Business Days after becoming aware of such notice being ineffective, lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors.

**Reconstruction of capital:** If at any time the issued capital of the Company is reconstructed, all rights of a holder are to be changed in a manner consistent with the Corporations Act and the ASX Listing Rules at the time of the reconstruction.

The Performance Rights do not confer any right to a return of capital, whether in winding up, upon reduction of capital or otherwise.

**Transferability:** A Performance Right is not transferable other than in a manner consistent with the ASX Listing Rules and the rules of the Plan.

## Schedule 2 - Key terms of the Equity Incentive Plan

The principal terms of the Equity Incentive Plan are summarised below:

**Eligibility**: Participants in the Plan may be:

(i) an employee or Director (whether executive or non-executive) of, or any individual who provides services to, the Company and any Associated Body Corporate of the Company (each a **Group Company**);

(ii) a prospective participant, being a person to whom the offer is made but who can only accept the offer if an arrangement has been entered into that will result in the person becoming an Eligible Participant under subparagraph (i); or

(iii) a person prescribed by the Corporations Regulations for the purposes of section 1100L(1)(a)(iv) of the Corporations Act who is declared by the Board to be eligible to receive grants of Equity Incentives under the Plan (**Eligible Participants**).

For personal use only

**Offer**: The Board may, from time to time, in its absolute discretion, make a written offer to any Eligible Participant (including an Eligible Participant who has previously received an offer) to apply for up to a specified number of Equity Incentives, upon the terms set out in the Plan and upon such additional terms and conditions as the Board determines.

**Limit on Offers**: The Company must have reasonable grounds to believe, when making an Offer to which the limit on Offers as set out in section 1100V of the Corporations Act applies, that the number of Shares to be received on exercise of Equity Incentives offered under such an Offer, when aggregated with the number of Shares issued or that may be issued as a result of offers made as covered by section 1100V(1)(b) of the Corporations Act at any time during the 3 year period ending on the day the Offer is made, will not exceed, if the Constitution specifies an issue cap percentage, that percentage, otherwise, the greater of:

(i) 5% of the total number of Shares on issue at the start of the day the Offer is made; or

(ii) such other percentage prescribed by the Corporations Regulations for the purposes of section 1100V(2)(b)(iii).

**Issue price**: Unless the Equity Incentives are Options quoted on the ASX, Equity Incentives issued under the Plan will be issued for nil cash consideration.

**Vesting Conditions**: An Equity Incentive may be made subject to vesting conditions as determined by the Board in its discretion and as specified in the offer for the Equity Incentive.

**Vesting**: The Board may in its absolute discretion (except in respect of a Change of Control occurring where Vesting Conditions are deemed to be automatically waived where not restricted by the Listing Rules) by written notice to a Participant (being an Eligible Participant to whom Equity Incentives have been granted under the Plan or their nominee where the Equity Incentives have been granted to the nominee of the Eligible Participant), resolve to waive any of the Vesting Conditions applying to Equity Incentives due to:

(i) Special Circumstances arising in relation to a Relevant Person in respect of those Equity Incentives; or

(ii) a Change of Control occurring; or

(iii) the Company passing a resolution for voluntary winding up, or an order is made for the compulsory winding up of the Company.

**Lapse**: An Equity Incentive will lapse upon the earlier to occur of:

(i) an unauthorised dealing in, or hedging of, the Equity Incentive;

(ii) a Vesting Condition in relation to the Equity Incentive is not satisfied by its due date, or becomes incapable of satisfaction as determined by the Board in its sole discretion, unless the Board exercises its discretion to waive the Vesting Conditions and vest the Equity Incentive in the circumstances set out in paragraph (f) or the Board resolves, in its absolute discretion, to allow the unvested Equity Incentives to remain unvested after the Relevant Person ceases to be an Eligible Participant;

(iii) in respect of unvested Equity Incentive only, a Relevant Person ceases to be an Eligible Participant, unless the Board exercises its discretion to vest the Equity Incentive in the circumstances set out in paragraph (f) or the Board resolves, in its absolute discretion, to allow the unvested Equity Incentives to remain unvested after the Relevant Person ceases to be an Eligible Participant;

(iv) in respect of vested Equity Incentives only, a relevant person ceases to be an Eligible Participant and the Equity Incentive granted in respect of that person is not exercised within one (1) month (or such later date as the Board determines) of the date that person ceases to be an Eligible Participant;

(v) the Board deems that an Equity Incentive lapses due to fraud, dishonesty or other improper behaviour of the Eligible Participant;

(vi) in respect of unvested Equity Incentive only, the Company undergoes a Change of Control or a winding up resolution or order is made and the Board does not exercise its discretion to vest the Equity Incentive;

(vii) the expiry date of the Equity Incentive.

**Not transferrable**: Equity Incentives are only transferrable in Special Circumstances with the prior written consent of the Board (which may be withheld in its absolute discretion) or by force of law, upon death to the Participant's legal personal representative or upon bankruptcy to the Participant's trustee in bankruptcy.

**Cashless exercise:** A Participant may, subject to the terms of any Offer, elect to exercise such vested Options by way of a 'cashless exercise'. Where a Participant makes such an election, rather than the Participant being required to pay the Option Exercise Price for each Option to be exercised, the Company will issue the Participant with a smaller number of Shares on the exercise of the Options representing the difference between the value of the Shares to be issued and the Option Exercise Price. Where the Options are exercised by a 'cashless exercise', the Company will only issue such number of Shares as is determined by the following formula (rounded down to a whole number of Shares), where ***Closing Share Price*** means the closing Share price on the date of receipt by the Company of the exercise notice for the Options:

$$\frac{\text{Number of Options exercised} \times (\text{Closing Share Price} - \text{Option Exercise Price})}{\text{Closing Share Price}}$$

**Shares**: Shares resulting from the exercise of the Equity Incentives shall, subject to any Sale Restrictions (defined below) from the date of issue, rank on equal terms with all other Shares on issue except as regards any rights attaching to such Shares by reference to a record date prior to the date of their issue.

For personal use only

**Sale Restrictions**: The Board may, in its discretion, determine at any time up until exercise of Equity Incentives, that a restriction period will apply to some or all of the Shares issued to an Eligible Participant (or their eligible nominee) on exercise of those Equity Incentives up to a maximum of fifteen (15) years from the grant date of the Equity Incentives. In addition, the Board may, in its sole discretion, having regard to the circumstances at the time, waive any such restriction period determined.

**Quotation of Shares**: If Shares of the same class as those issued upon exercise of Equity Incentives issued under the Plan are quoted on the ASX, the Company will, subject to the Listing Rules, apply to the ASX for those Shares to be quoted on ASX within 10 business days of the later of the date the Shares are issued and the date any restriction period applying to the disposal of Shares ends.

**No Participation Rights**: There are no participating rights or entitlements inherent in the Equity Incentives and holders will not be entitled to participate in new issues of capital offered to Shareholders during the currency of the Equity Incentives.

**Change in exercise price or number of underlying securities**: Unless specified in the offer of the Equity Incentives and subject to compliance with the Listing Rules, an Equity Incentive does not confer the right to a change in exercise price (if any) or the number of underlying Shares over which the Equity Incentive can be exercised.

**Reorganisation**: If, at any time, the issued capital of the Company is reorganised (including consolidation, subdivision, reduction or return), all rights of a holder of an Equity Incentive are to be changed in a manner consistent with the Corporations Act and the Listing Rules at the time of the reorganisation.

**Amendments**: Subject to express restrictions set out in the Plan, complying with the Corporations Act, Listing Rules and any other applicable law, the Board may at any time by resolution amend or add to all or any of the provisions of the Plan, or the terms or conditions of any Equity Incentive granted under the Plan including giving any amendment retrospective effect.

**Trust**: The Board may, at any time, establish a trust for the sole purpose of acquiring and holding Shares in respect of which a Participant may exercise, or has exercised, vested Equity Incentives, including for the purpose of enforcing the disposal restrictions and appoint a trustee to act as trustee of the trust. The trustee will hold the Shares as trustee for and on behalf of a Participant as beneficial owner upon the terms of the trust. The Board may at any time amend all or any of the provisions of the Plan to effect the establishment of such a trust and the appointment of such a trustee.

**Definitions**: Capitalised terms used in the above summary are as defined in the Equity Incentive Plan, including:

**Associated Body Corporate** means:

(i) a related body corporate (as defined in the Corporations Act) of the Company;

(ii) a body corporate which has an entitlement to not less than 20% of the voting Shares of the Company; and

(iii) a body corporate in which the Company has an entitlement to not less than 20% of the voting shares.

**Change** of **Control** means:

(i) a bona fide Takeover Bid is declared unconditional, and the bidder has acquired a Relevant Interest in more than 50% of the Company's issued Shares;

(ii) a court approves, under section 411(4)(b) of the Corporations Act, a proposed compromise or arrangement for the purposes of, or in connection with, a scheme for the reconstruction of the Company or its amalgamation with any other company or companies; or

(iii) in any other case, a person obtains Voting Power in the Company which the Board (which for the avoidance of doubt will comprise those Directors immediately prior to the person acquiring that Voting Power) determines, acting in good faith and in accordance with their fiduciary duties, is sufficient to control the composition of the Board.

**Relevant Person** means:

(i) in respect of an Eligible Participant, that person; and

(ii) in respect of a nominee of an Eligible Participant, that Eligible Participant.
