This Explanatory Memorandum should be read in conjunction with, and forms part of, the accompanying Notice. The purpose of this Explanatory Memorandum is to provide information to Shareholders in deciding whether or not to pass the Resolutions set out in the Notice.

A Proxy Form is located at the end of the Explanatory Memorandum.

2. ACTION TO BE TAKEN BY SHAREHOLDERS

2.1 Voting in person

To vote in person, attend the Meeting at the time, date and place set out above.

2.2 Voting by proxy

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

In accordance with section 249L of the Corporations Act, Shareholders are advised that:

- each Shareholder has a right to appoint a proxy;
- the proxy need not be a Shareholder of the Company; and
- a Shareholder who is entitled to cast 2 or more votes may appoint 2 proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints 2 proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that changes to the Corporations Act made in 2011 mean that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

Should you wish to discuss the matters in this Notice of Meeting please do not hesitate to contact the Company on +61 8 6311 2039.

3. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Constitution, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2026 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.northstoneresources.com.

4. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

4.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

4.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting within 90 days of the second annual general meeting.

At the Company's previous annual general meeting held on 28 November 2025, the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

5. RESOLUTION 2 – ELECTION OF DIRECTOR – MR ROBERT EDWARDS

5.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Robert Edwards, having been appointed by the Board as Non-Executive Chair on 3 June 2026, retires in accordance with the Constitution and Listing Rule 14.4 and, being eligible, seeks election from Shareholders.

5.2 Qualifications and other material directorships

Mr Edwards is a mining industry executive with more than 30 years of international experience in mining, investment banking and corporate governance. He has advised and served on the boards of numerous resource companies across multiple jurisdictions and commodities, bringing

For personal use only

extensive expertise in strategy, finance, mergers and acquisitions, and capital markets. Mr Edwards holds a Bachelor of Engineering (Honours) in Mining Engineering from the Camborne School of Mines.

Mr Edwards is currently a director of Sandfire Resources Limited.

5.3 Independence

If elected, the Board considers Mr Edwards will be an independent Director.

5.4 Information required by Listing Rule 14.1A

If Resolution 2 is passed, Mr Edwards will be elected to the Board as a Director.

If Resolution 2 is not passed, Mr Edwards will not continue as Non-Executive Chairman and the Company may seek nominations or otherwise identify suitably qualified candidates to join the Board.

5.5 Board recommendation

The Board (other than Mr Edwards) supports the election of Mr Edwards and recommends that Shareholders vote in favour of Resolution 2.

6. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – MR IAN SHACKLETON

6.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting. In addition, Listing Rule 14.4 provides that a director must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is the longer.

Mr Ian Shackleton, who was appointed as a Director on 6 May 2022 and was last re-elected by Shareholders on 30 November 2023, retires by rotation and seeks re-election.

6.2 Qualifications and other material directorships

Mr Shackleton has more than 36 years' experience as a geologist in mineral exploration and mining for numerous commodities including lithium, diamonds, gold, base metals, manganese, mineral sands, iron and industrial minerals. Mr Shackleton has worked in senior technical and management roles with Global Lithium, BCI Minerals, Gindalbie Metals Ltd, Iluka Resources, BHP, Normandy Mining and Murray Basin Titanium, including exploration, project and mine management positions.

6.3 Independence

If re-elected, the Board considers Mr Shackleton will be an independent Director.

6.4 Information required by Listing Rule 14.1A

If Resolution 3 is passed, Mr Shackleton will be re-elected to the Board as a Director.

If Resolution 3 is not passed, Mr Shackleton will not continue as a Non-Executive Director and the Company may seek nominations or otherwise identify suitably qualified candidates to join the Board.

For personal use only

6.5 Board recommendation

The Board (other than Mr Shackleton) supports the re-election of Mr Shackleton and recommends that Shareholders vote in favour of Resolution 3.

7. RESOLUTION 4 – APPROVAL OF 10% PLACEMENT CAPACITY

7.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of $300,000,000 or less. The Company is an eligible entity for these purposes, with a market capitalisation of approximately $27.86 million (based on the last traded price of the Company's shares on ASX on 14 October 2026, being $0.013).

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Resolution 4 is a special resolution and therefore requires approval of at least 75% of the votes cast by the Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

7.2 Information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

7.3 Information required by Listing Rule 7.3A

(a) **Period for which the 7.1A Mandate is valid**

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

(i) the date that is 12 months after the date of the Meeting;

(ii) the time and date of the Company's next annual general meeting; or

(iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

For personal use only

(b) **Minimum Price**

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

(i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or

(ii) if the Equity Securities are not issued within 10 Trading Days of the date in Section 7.3(b)(i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

The Company may only seek to issue the Equity Securities under the 7.1A Mandate for cash consideration. The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate towards:

(i) the acquisition of new resources, assets and investments (including expenses associated with such an acquisition);

(ii) continued exploration expenditure on the Company's current assets and/or projects;

(iii) the development of the Company's current business; and

(iv) general working capital.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue as at 14 October 2026 (being $0.013).

The table below also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

For personal use only

For personal use only

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			$0.0065	$0.013	$0.0195
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	2,143,153,314	214,315,331	$1,393,050	$2,786,099	$4,179,149
50% increase	3,214,729,971	321,472,997	$2,089,574	$4,179,149	$6,268,723
100% increase	4,286,306,628	428,630,663	$2,786,099	$5,572,199	$8,358,298

The table above uses the following assumptions:

1. There are currently 2,143,153,314Shares on issue.
2. The issue price set out above is the closing market price of Shares as at 14 October 2026 (being $0.013).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no convertible securities are exercised or converted into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
5. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
6. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
7. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
8. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

(i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and

(ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

(i) the purpose of the issue;

(ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;

(iii) the effect of the issue of the Equity Securities on the control of the Company;

(iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;

(v) prevailing market conditions; and

(vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 28 November 2025.

During the 12-month period preceding the date of the Meeting, being on and from 28 November 2025, as at the date of this Notice, the Company has not issued or agreed to issue any Equity Securities under Listing Rule 7.1A.

(g) **Voting Exclusion Statement**

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.
