EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2026 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.reachresources.com.au/financial-reports.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – ROBERT DOWNEY

3.1 General

Listing Rule 14.4 and clause 14.2 of the Constitution provide that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or three years, whichever is the longer. However, where there is more than one managing director, only one is entitled to be exempt from this rotation requirement.

Robert Downey, having held office without re-election since 15 November 2023 (being the date on which he was last re-elected) and being eligible, retires by rotation and seeks re-election.

Further information in relation to Robert Downey is set out below.

Qualifications, experience and other material directorships	Mr Downey is a qualified solicitor who has practised mainly in the areas of international resources law, corporate law and initial public offerings, as well as mergers and acquisitions. He has extensive experience as an adviser, founder and director of various ASX, TSX and AIM listed companies. Mr Downey is currently a partner of Dominion Legal, a boutique law firm in Perth. Mr Downey is currently a director of Zeotech Limited (ASX: ZEO), Connexion Telematics Ltd (ASX: CXZ), Askari Metals Ltd, Mt Malcolm Mines NL and Twenty Seven Co Ltd.
Term of office	Robert Downey has served as a Director since 20 May 2021 and was last re-elected on 15 November 2023.
Independence	If re-elected, the Board considers that Robert Downey will be an independent Director.
Board recommendation	Having received an acknowledgement from Robert Downey that he will have sufficient time to fulfil his responsibilities as a Director and having reviewed the performance of Robert Downey since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Robert Downey) recommend that Shareholders vote in favour of this Resolution.

3.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Robert Downey will be re-elected to the Board as a Non-Executive Director and Chairman.

If this Resolution is not passed, Robert Downey will not continue in his role as a Non-Executive Director and Chairman. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Board. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4. RESOLUTION 3 – APPROVAL OF 7.1A MANDATE

4.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). An Eligible Entity means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of $300,000,000 or less. As of the

date of this Notice, the Company's market capitalisation is approximately $17,215,517. The Company is therefore an Eligible Entity.

4.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

4.3 Technical information required by Listing Rule 7.3A

REQUIRED INFORMATION	DETAILS
Period for which the 7.1A Mandate is valid	The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following: (a) the date that is 12 months after the date of this Meeting; (b) the time and date of the Company's next annual general meeting; and (c) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).
Minimum price	Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before: (a) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or (b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.
Use of funds	The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the acquisition of new resources, assets and investments (including expenses associated with such acquisitions), continued exploration and development expenditure on the Company's current projects (including the Murchison South Gold Project) and general working capital.
Risk of economic and voting dilution	Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue. If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

For personal use only

For personal use only

REQUIRED INFORMATION	DETAILS

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 25 September 2026.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

		DILUTION			
Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		**Shares issued – 10% voting dilution**	**Issue Price**		
			$0.0065	**$0.013**	**$0.0195**
			50% decrease	**Issue Price**	**50% increase**
			Funds Raised		
Current	1,324,270,555 Shares	132,427,055 Shares	$860,776	$1,721,552	$2,582,328
50% increase	1,986,405,832 Shares	198,640,583 Shares	$1,291,164	$2,582,328	$3,873,491
100% increase	2,648,541,110 Shares	264,854,111 Shares	$1,721,552	$3,443,103	$5,164,655

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are 1,324,270,555 Shares on issue as at the date of this Notice.
2. The issue price set out above is the closing market price of the Shares on the ASX on 25 September 2026 (being $0.013) (**Issue Price**). The Issue Price at a 50% increase and 50% decrease are each rounded to four decimal places prior to the calculation of the funds raised.
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. Other than the issue of 100,000,000 Shares to Andel Resources Pty Ltd on 12 June 2026 (ratification of which is being sought under Resolution 4), the Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

REQUIRED INFORMATION	DETAILS
	Shareholders should note that there is a risk that: (a) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and (b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.
Allocation policy under 7.1A Mandate	The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company. The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors: (a) the purpose of the issue; (b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate; (c) the effect of the issue of the Equity Securities on the control of the Company; (d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company; (e) prevailing market conditions; and (f) advice from corporate, financial and broking advisers (if applicable).
Previous approval under Listing Rule 7.1A.2	The Company did not obtain approval under Listing Rule 7.1A.2 at its annual general meeting held on 13 November 2025. Accordingly, the Company has not issued any Equity Securities under Listing Rule 7.1A.2 in the twelve months preceding the date of the Meeting.
Voting exclusion statement	As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

5. RESOLUTION 4 – RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES TO ANDEL RESOURCES PTY LTD

5.1 General

This Resolution seeks Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of 100,000,000 Shares (**Placement Shares**) to Andel Resources Pty Ltd (ACN 693 820 496) (**Andel**) at an issue price of $0.009 per Share to raise $900,000 (**Placement**).

The Placement Shares were issued pursuant to the terms of a binding option agreement between the Company and Andel dated 16 May 2026 and announced on 18 May 2026 (**Option Agreement**), under which Andel was granted an exclusive option to enter into a right to mine and milling agreement in respect of the Company's Murchison South Gold Project. Under the Option Agreement, Andel also agreed to pay the Company a non-refundable option fee of $2,000,000 and to subscribe for the Placement Shares. The

For personal use only

Placement Shares were issued on 12 June 2026 using the Company's existing placement capacity under Listing Rule 7.1.

As announced by the Company on 18 August 2026, Andel exercised the option and the Company and Andel entered into a right to mine agreement in respect of the Murchison South Gold Project. Refer to the Company's announcements dated 18 May 2026 and 18 August 2026 for further information.

The funds raised under the Placement will be applied to general working capital, existing projects and project identification.

Westar Capital Ltd acted as the lead manager/broker to the Placement and was paid a fee of 6% on the funds raised. There were no other material terms of the agreement with Westar Capital Ltd.

5.2 Listing Rule 7.1

A summary of Listing Rule 7.1 is set out in Section 4.1 above.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of the issue.

5.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

5.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If this Resolution is not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

6.2 Director Recommendation

Each Director has a material personal interest in the outcome of these Resolutions on the basis that all of the Directors (or their nominee(s)) are to be issued Securities should these Resolutions be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on these Resolutions.

6.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

(a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

(b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and each of the proposed recipients is a related party of the Company by virtue of being a Director.

As Securities are proposed to be issued to all of the Directors, the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue. Accordingly, Shareholder approval for the issue is sought in accordance with Chapter 2E of the Corporations Act.

6.4 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

10.14.1 a director of the entity;

10.14.2 an associate of a director of the entity; or

10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

6.5 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the Company will be able to proceed with the issue within 15 months after the date of the Meeting. As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

If these Resolutions are not passed, the Company will not be able to proceed with the issue.

Purpose of the issue, including the intended use of any funds raised by the issue	The purpose of the issue is to provide a performance linked incentive component in the remuneration package for the Related Parties to motivate and reward their performance as Directors and to provide cost effective remuneration to the Related Parties, enabling the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties.
Consideration of type of Security to be issued	The Company has agreed to issue the Performance Rights for the following reasons: (a) the issue of Performance Rights has no immediate dilutionary impact on Shareholders; (b) the Milestones attaching to the Performance Rights will align the interests of the recipients with those of Shareholders; (c) the issue is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Related Parties; and (d) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Performance Rights on the terms proposed.

3.	**Consideration**	Nil consideration is payable for the Performance Rights.
4.	**Expiry Date**	Each Performance Right will expire on the earlier to occur of: (a) the Performance Right lapsing and being forfeited under the Plan; or (b) 5:00pm (WST) on 5 November 2028 in respect of the Class A Performance Rights, or the date that is 4 years after the date of issue in respect of the Class B Performance Rights, (**Expiry Date**). 13.	**Rights attaching to Shares on conversion**	Shares issued upon conversion of the Performance Rights will rank equally with the then issued Shares of the Company.
14.	**Change of Control**	Subject at all times to the Listing Rules, if a Change of Control Event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the holder's Performance Rights will be dealt with, including, without limitation, in a manner that allows the holder to participate in and/or benefit from any transaction arising from or in connection with the Change of Control Event.
15.	**Participation in new issues**	Subject always to the rights under paragraphs 16 and 17, holders of Performance Rights will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.
16.	**Adjustment for bonus issue**	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Performance Rights is entitled, upon conversion of the Performance Rights, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Performance Rights are converted.
17.	**Reorganisation**	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each holder holding Performance Rights will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.
18.	**Tax Deferral**	Subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth) applies (subject to the conditions in that Act) to the Performance Rights.

SCHEDULE 2 – MATERIAL TERMS OF THE PLAN

A summary of the material terms of the Plan is set out below:

(a) **Purpose of Plan**

The purpose of the plan is to:

(i) assist in the reward, retention and motivation of Eligible Participants;

(ii) link the reward of Eligible Participants to Shareholder value creation; and

(iii) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Related Body Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Awards (being securities exercisable for Shares, including options and performance rights).

(b) **Eligibility to Participate**

An Eligible Participant means a person that:

(i) Is a "primary participant" (as defined in section 1100L(1)(a) of the Corporations Act or any amendment or replacement thereof) in relation to the Company or Related Body Corporate; and

(ii) Has been determined by the Board to be eligible to participate in the Plan from time to time.

(c) **Permitted Nominee**

If an Eligible Participant is permitted in the Offer, they may, by written notice to the Board, nominate a Permitted Nominee in whose favour the Eligible Participant wishes to renounce the Offer.

A "Permitted Nominee" is defined as a "related person" of an Eligible Participant (section 1100L(b) of the Corporations Act) or a trustee(s) of a trust set up solely for the benefit of the Eligible Participant and/or a "related person".

(d) **Administration of Plan**

The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its absolute discretion. The Board may delegate its powers and discretion.

(e) **Offers of Awards**

The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an offer to that Eligible Participant to apply for Options or Performance Rights (**Awards**).

(f) **Applications for Awards**

An Eligible Participant who wishes to apply to participate in the Plan in response to an Offer must provide a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the Offer, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation in order for that nominee to be granted the Awards the subject of the Offer.

(g) **Grant of Awards**

The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number of Awards, subject to the terms and conditions set out in the Offer, the Plan rules and any ancillary virtue of holding the Award.

(h) **Term of Awards**

Each 'Award' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan. Prior to an

For personal use only

Award being exercised, a Participant does not have an interest (legal, equitable or otherwise) in any Share the subject of the Award by virtue of holding the Award.

(i) **Vesting of Awards**

Any vesting conditions applicable to the grant of Awards will be described in the Offer. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Awards have vested. Unless and until the vesting notice is issued by the Company, the Awards will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to an Award are not satisfied and/or otherwise waived by the Board, that Award will lapse.

(j) **Delivery of Shares on exercise of Awards**

As soon as practicable after the valid exercise of an Award by the Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Awards held by the Participant.

(k) **Exercise of Awards and cashless exercise**

In the case of an Award which is an Option, to exercise an Award, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Awards (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation. In the case of an Award which is a Performance Right, following the issue of a Vesting Notice, a vested Performance Right will automatically be exercised within the period specified by the Board in the relevant Offer.

The Participant may elect not to be required to provide payment of the exercise price for the number of Awards specified in a notice of exercise, but that on exercise of those Awards the Company will transfer or issue to the Participant that number of Shares as are equal in value to the difference between the total Exercise Price otherwise payable for the Awards on the Awards being exercised and the then market value of Shares at the time of exercise (determined as the volume weighted average of the prices at which Shares were traded on the ASX during the 5 trading-day period immediately preceding the exercise date) calculated in accordance with the following formula:

$$\mathbf{S = A \times \frac{(MSP - EP)}{MSP}}$$

Where:

S = Number of Shares to be issued on exercise of the Awards;

A = Number of Awards;

MSP = Market value of Shares (calculated using the volume weighted average price (as that term is defined in the ASX Listing Rules) at which Shares were traded on the ASX during the 5 trading day-period immediately preceding the exercise date); and

EP = Exercise Price.

If the difference between the total Exercise Price otherwise payable for the Awards on the Awards being exercised and the then market value of Shares at the time of exercise (calculated in accordance with the formula above) is zero or negative, then a holder will not be entitled to use the Cashless Exercise Facility.

(l) **Restrictions on Dealing**

A Participant may not sell, transfer, assign, grant a security interest over, option, swap, alienate or otherwise deal with an Award that has been granted to them.

The Board may impose a restriction on dealing with Shares allocated on exercise or vesting of an Award. The Board may implement any procedure it considers appropriate to ensure the compliance by the Participant with this restriction, including the imposition of a holding lock or requiring that Shares be held in trust on behalf of the Participant.

For personal use only

(m) **Forfeiture of Awards**

Where a Participant who holds Awards ceases to be an Eligible Participant or becomes insolvent, all unvested Awards will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Awards to vest. Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Awards held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

(i) any Awards which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and

(ii) any Awards which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

(n) **Change of Control**

If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its absolute discretion determine that:

(i) all or a specified number of a Participant's unvested Awards are deemed to have vested;

(ii) all or specified number of a Participant's Options may be exercised for a period specified by the Board, and if not exercised within that period, will lapse;

(iii) the Dealing Restrictions or any other terms which apply to the Award cease to apply; and/or

(iv) the Dealing Restrictions which apply to Shares allocated on the vesting of or exercise of an Award (as applicable) cease to apply.

(o) **Rights**

All Shares issued under the Plan or issued or transferred to a Participant upon the valid exercise of an Award, will rank equally in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Shares. A Participant may exercise any voting rights attaching to Shares.

(p) **Adjustment for capital reconstructions**

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Awards will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Awards is entitled, upon exercise of the Awards, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Awards are exercised.

Unless otherwise determined by the Board, a holder of Awards does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

(q) **Participation in new issues**

There are no participation rights or entitlements inherent in the Awards and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Awards without exercising the Awards.

For personal use only

(r) **Amendment of Plan**

Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including the terms upon which any Awards have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

(s) **Term of Plan**

The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

SCHEDULE 3 – VALUATION OF PERFORMANCE RIGHTS

The Company has assessed the value of the Performance Rights proposed to be issued to the Related Parties (or their nominee(s)) under Resolutions 5 to 10 as set out below. The value of the Performance Rights for accounting purposes will be determined as at the date of issue and may differ from the values set out below.

The Performance Rights have been valued by reference to the underlying value of the Shares into which they may convert, adjusted for the assessed probability of satisfaction of the applicable Milestone, based on the following inputs:

(a) underlying Share price: $0.013;

(b) assessed probability of vesting: 80%; and

(c) value per Performance Right: $0.0104.

On this basis, the indicative value of the Performance Rights proposed to be issued to each of the Related Parties is set out in the table below.

RELATED PARTY	CLASS A PERFORMANCE RIGHTS	VALUE	CLASS B PERFORMANCE RIGHTS	VALUE	TOTAL VALUE
Robert Downey	4,000,000	$41,600	3,250,000	$33,800	$75,400
Matthew O'Kane	2,250,000	$23,400	1,500,000	$15,600	$39,000
Sam Wright	2,250,000	$23,400	1,500,000	$15,600	$39,000
Total	**8,500,000**	**$88,400**	**6,250,000**	**$65,000**	**$153,400**

Notes:

1. The Share price used above is the price advised by the Company for the purposes of these calculations. The Class B Milestone is a market based vesting condition and the value ultimately recognised by the Company for accounting purposes may be determined using a different valuation methodology.
