(E) plus the number of fully paid Shares issued in the Relevant Period with approval under Listing Rules 7.1 and 7.4; and

(F) less the number of fully paid Shares cancelled in the Relevant Period.

Note that 'A' has the same meaning in Listing Rule 7.1 when calculating the Company's 15% annual placement capacity, and 'Relevant Period' has the relevant meaning given in Listing Rule 7.1 and 7.1A.2, namely, the 12-month period immediately preceding the date of the issue or agreement.

D = is 10%.

E = is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue, where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

(d) **What is the interaction with Listing Rule 7.1?**

The Company's ability to issue Equity Securities under Listing Rule 7.1A will be in addition to its 15% annual placement capacity under Listing Rule 7.1.

(e) **At what price can the Equity Securities be issued?**

Any Equity Securities issued under Listing Rule 7.1A must be issued for a cash consideration per Equity Security which is not less than 75% of the VWAP of Equity

For personal use only

Securities in the same class calculated over the 15 Trading Days on which trades in that class were recorded immediately before:

(i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the Equity Securities; or

(ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph 6.2(e)(i) above, the date on which the Equity Securities are issued,

(**Minimum Issue Price**).

(f) **When can Equity Securities be issued?**

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A will be valid from the date of the Meeting and will expire on the earlier of:

(i) the date that is 12 months after the date of the Meeting;

(ii) the time and date of the Company's next annual general meeting; or

(iii) the time and date of Shareholder approval of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

(**10% Placement Period**).

(g) **What is the effect of Resolution 4?**

The effect of Resolution 4 will be to allow the Company to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without further Shareholder approval or using the Company's 15% annual placement capacity under Listing Rule 7.1.

7.3 **Specific information required by Listing Rule 7.3A**

Pursuant to and in accordance with Listing Rule 7.3A, the following information is provided in relation to the 10% Placement Facility:

(a) **Final date for issue**

The Company will only issue the Equity Securities under the 10% Placement Facility during the 10% Placement Period (refer to Section 7.2(f) above).

(b) **Minimum issue price**

Where the Company issues Equity Securities under the 10% Placement Facility, it will only do so for cash consideration and the issue price will be not less than the Minimum Issue Price (refer to Section 7.2(e) above).

(c) **Purposes of issues under the 10% Placement Facility**

The Company may seek to issue Equity Securities under the 10% Placement Facility for the purposes of raising funds for continued investment in the Company's current assets, the acquisition of new assets or investments (including expenses associated with such an acquisition), and/or for general working capital.

(d) **Risk of economic and voting dilution**

Shareholders should note that there is a risk that:

(i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and

(ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

If this Resolution 4 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' economic and voting power in the Company may be diluted as shown in the below table (in the case of Options, only if the Options are converted into Shares).

The table below shows the dilution of existing Shareholders based on the current market price of Shares and the current number of Shares for Variable 'A' calculated in accordance with the formula in Listing Rule 7.1A.2 (see Section 7.2(c) above) as at the date of this Notice (**Variable A**), with:

(i) two examples where Variable A has increased, by 50% and 100%; and

(ii) two examples of where the issue price of Shares has decreased by 50% and increased by 100% as against the current market price.

Notes:

1. The table has been prepared on the following assumptions:

   (a) The issue price is the current market price ($0.012), being the closing price of the Shares on ASX on 14 October 2026, being the latest practicable date before this Notice was signed.

   (b) Variable A comprises 1,205,027,348 existing Shares on issue as at the date of this Meeting, assuming the Company has not issued any Shares in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with Shareholder approval under Listing Rules 7.1 and 7.4.

   (c) The Company issues the maximum number of Equity Securities available under the 10% Placement Facility.

   (d) No convertible securities (including any issued under the 10% Placement Facility) are exercised or converted into Shares before the date of the issue of the Equity Securities.

   (e) The issue of Equity Securities under the 10% Placement Facility consists only of Shares. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.

2. The number of Shares on issue (i.e. Variable A) may increase as a result of issues of Shares that do not require Shareholder approval (for example, a pro rata entitlements issue, scrip issued under a takeover offer or upon exercise of convertible securities) or future specific placements under Listing Rule 7.1 that are approved at a future Shareholders' meeting.

3. The 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue. This is why the voting dilution is shown in each example as 10%. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that Shareholder's holding at the date of the Meeting.

4. The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

(e) **Allocation policy**

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

(i) the methods of raising funds that are available to the Company, including but not limited to, rights issues or other issues in which existing Shareholders can participate;

(ii) the effect of the issue of the Equity Securities on the control of the Company;

(iii) financial situation and solvency of the Company; and

(iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial Shareholders and/or new investors who are not related parties of or associates of a related party of the Company.

(f) **Issues in the past 12 months**

The Company previously obtained Shareholder approval under Listing Rule 7.1A at its annual general meeting held on 27 November 2025.

In the 12 months preceding the date of the Meeting and as at the date of this Notice, the Company has not issued or agreed to issue Equity Securities under Listing Rule 7.1A.

(g) **Voting exclusion**

At the date of the Notice, the Company is not proposing to make a new issue of Equity Securities under Listing Rule 7.1A and has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in any such issue.

However, in the event that between the date of the Notice and the date of the Meeting, the Company proposes to make an issue of Equity Securities under Listing Rule 7.1A to one or more existing Shareholders, those Shareholders' votes will be excluded under the voting exclusion statement in the Notice.

7.4 **Additional information**

Resolution 4 is a **special** resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board recommends that Shareholders vote in favour of Resolution 4.

8. Resolution 5 – Approval to issue Incentive Performance Rights

8.1 General

The Company is proposing, subject to obtaining Shareholder approval pursuant to Listing Rule 10.14, to issue up to 8,000,000 Performance Rights to Ruben Wallin and Robin Longley (or their respective nominees) (together, the **Recipient Directors**) as follows (**Incentive Performance Rights**):

Recipient Director	Incentive Performance Rights			
	Tranche A	Tranche B	Tranche C	TOTAL
Ruben Wallin (*Non-Executive Director*)	2,000,000	2,000,000	2,000,000	6,000,000
Robin Longley (*Non-Executive Director*)	2,000,000	-	-	2,000,000
TOTAL	**4,000,000**	**2,000,000**	**2,000,000**	**8,000,000**

The proposed issue of the Incentive Performance Rights seeks to align the efforts of the Recipient Directors in seeking to achieve growth of the Company's projects and in the creation of Shareholder value. The Board believes that the issue of these Incentive Performance Rights will align the interests of each Recipient Director with those of the Company and its Shareholders. In addition, the Board also believes that incentivising with Performance Rights is a prudent means of conserving the Company's available cash reserves. The Board believes it is important to offer these Incentive Performance Rights to continue to attract and maintain highly experienced and qualified Board members in a competitive market.

The Incentive Performance Rights are to be issued under the Plan. A summary of the material terms of the Plan is in Schedule 2. Subject to the terms and conditions in Schedule 3, the Incentive Performance Rights will vest as follows:

Tranche	Number of Incentive Performance Rights	Vesting Condition	Expiry Date
A	4,000,000	The VWAP of the Company's Shares calculated over 20 consecutive Trading Days on which Shares have traded following the date of issue of the Incentive Performance Rights being equal or greater than $0.04.	3 years from the date of issue
B	2,000,000	The VWAP of the Company's Shares calculated over 20 consecutive Trading Days on which Shares have traded following	3 years from the date of issue

		the date of issue of the Incentive Performance Rights being equal or greater than $0.07.	
C	2,000,000	The VWAP of the Company's Shares calculated over 20 consecutive Trading Days on which Shares have traded following the date of issue of the Incentive Performance Rights being equal or greater than $0.10.	3 years from the date of issue

Resolution 5(a) and (b) seeks Shareholder approval pursuant to Listing Rule 10.14 for the issue of up to 8,000,000 Incentive Performance Rights under the Plan to the Recipient Directors (or their respective nominees).

8.2 **Listing Rule 10.14**

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme, unless Shareholder approval is provided:

(a) a director of the company (Listing Rule 10.14.1);

(b) an associate of a director of the company (Listing Rule 10.14.2); or

(c) a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders (Listing Rule 10.14.3).

The proposed issue of the Incentive Performance Rights falls within Listing Rule 10.14.1 (or Listing Rule 10.14.2 if a Recipient Director elects for the Incentive Performance Rights to be issued to their respective nominees) and therefore requires the approval of Shareholders under Listing Rule 10.14.

Approval pursuant to Listing Rule 7.1 is not required for the issue of the Incentive Performance Rights as approval is being obtained under Listing Rule 10.14. Accordingly, the issue of the Incentive Performance Rights to the Recipient Directors (or their respective nominees) will not be included in the Company's 15% annual placement capacity in Listing Rule 7.1.

The effect of Shareholders passing Resolution 5(a) and (b) will be to allow the Company to issue the Incentive Performance Rights to the Recipient Directors (or their respective nominees) as part of their remuneration package and in the proportions listed above.

If Resolution 5(a) and (b) are not passed, the Company will not be able to proceed with the issue of the Incentive Performance Rights to the Recipient Directors (or their respective nominees) and the Company will consider other alternative commercial means to incentivise the Recipient Directors, including by the payment of cash, subject to the requirements of the Constitution, Corporations Act and Listing Rules.

Resolution 5(a) and (b) are not conditional on each other, and Shareholders may approve one or all of those Resolutions (in which case, the Incentive Performance Rights the subject of the relevant Resolution(s) will be issued), even though Shareholders have not approved all of these Resolutions.

8.3 **Specific information required by Listing Rule 10.15**

Pursuant to and in accordance with Listing Rule 10.15, the following information is provided in relation to the proposed issue of the Incentive Performance Rights:

(a) The Incentive Performance Rights will be issued under the Plan to:

(i) Ruben Wallin pursuant to Resolution 5(a); and

(ii) Robin Longley pursuant to Resolution 5(b),

(or their respective nominees).

(b) The Recipient Directors are each a related party of the Company by virtue of being a Director and fall into the category stipulated by Listing Rule 10.14.1. In the event the Incentive Performance Rights are issued to a nominee of a Recipient Director, that person will fall into the category stipulated by Listing Rule 10.14.2.

(c) A maximum of 8,000,000 Incentive Performance Rights will be issued to the Recipient Directors (or their respective nominees) in the proportions set out in Section 8.1.

(d) The current total annual remuneration package for each of the Recipient Directors as at the date of this Notice is set out below:

Recipient Director	Salary and fees[1]
Ruben Wallin (*Non-Executive Director*)	$48,000
Robin Longley (*Non-Executive Director*)	$45,000

Notes:

1. Exclusive of superannuation. Figures do not include the proposed issue of the Incentive Performance Rights, the subject of Resolution 5(a) and (b).

(e) The Recipient Directors (or their respective nominees) have not been issued any Equity Securities under the Plan.

(f) The Incentive Performance Rights will be issued on the terms and conditions in Schedule 3.

(g) The Board considers that Performance Rights, rather than Shares, are an appropriate form of incentive because the Performance Rights granted will generally only be of benefit if the Recipient Director performs to the level whereby the milestones to the Performance Rights are satisfied. The issue of the Incentive Performance Rights will therefore further align the interests of the Recipient Directors with Shareholders by rewarding the Recipient Directors for the achievement of share price growth and creation of Shareholder value for the Company. Additionally, the issue of Performance Rights instead of cash is a prudent means of rewarding and incentivising the Recipient Directors whilst conserving the Company's available cash reserves.

(h) A valuation of the Incentive Performance Rights is contained in Schedule 4, with a summary below:

Recipient Director	Incentive Performance Rights			
	Tranche A	Tranche B	Tranche C	TOTAL
Ruben Wallin (*Non-Executive Director*)	$16,093	$12,159	$9,702	$37,954
Robin Longley (*Non-Executive Director*)	$16,093	$-	$-	$16,093
TOTAL	**$32,186**	**$12,159**	**$9,702**	**$54,047**

(i) The Incentive Performance Rights are intended to be issued to the Recipient Directors (or their respective nominees) as soon as practicable following the receipt of approval at the Meeting and in any event, will be issued no later than three years after the date of the Meeting if the required approval is received.

(j) The Incentive Performance Rights will be issued for nil cash consideration as they will be issued as an incentive component to the Recipient Directors' remuneration packages.

(k) A summary of the material terms of the Plan is in Schedule 2.

(l) No loan will be provided to the Recipient Directors in relation to the issue of the Incentive Performance Rights.

(m) Details of any Securities issued under the Plan will be published in the annual report of the Company relating to a period in which they were issued, along with a statement that approval for the issue was obtained under Listing Rule 10.14.

(n) Any additional persons covered by Listing Rule 10.14 who become entitled to participate in the Plan after Resolution 5(a) and (b) are approved and who were not named in the Notice will not participate until approval is obtained under Listing Rule 10.14.

(o) A voting exclusion statement is included in the Notice.

8.4 **Chapter 2E of the Corporations Act**

In accordance with Chapter 2E of the Corporations Act, in order to give a financial benefit to a related party, the Company must:

(a) obtain Shareholder approval in the manner set out in sections 217 to 227 of the Corporations Act; and

(b) give the benefit within 15 months following such approval,

For personal use only

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The proposed issue of the Incentive Performance Rights constitutes giving a financial benefit to related parties of the Company.

The Board (other than the Recipient Directors who have a personal interest in the outcome of Resolution 5(a) and (b)) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue of the Incentive Performance Rights, because the issue of the Incentive Performance Rights constitutes reasonable remuneration payable to the Recipient Directors and therefore falls within the exception stipulated by section 211 of the Corporations Act.

8.5 **Additional information**

Each of Resolution 5(a) and (b) is an ordinary resolution.

The Board (other than the Recipient Directors who have a personal interest in the outcome of this Resolution) recommends that Shareholders vote in favour of Resolution 5(a) and (b).

Schedule 2 Summary of Plan

A summary of the material terms and conditions of the Plan is set out below:

(a) (**Eligible Participant**): Eligible Participant means a person that has been determined by the Board to be eligible to participate in the Plan from time to time and is an "ESS participant" (as that term is defined in Division 1A) in relation to the Company or an associated entity of the Company. This relevantly includes, amongst others:

(i) an employee or director of the Company or an individual who provides services to the Company;

(ii) an employee or director of an associated entity of the Company or an individual who provides services to such an associated entity;

(iii) a prospective person to whom paragraphs (i) or (ii) apply;

(iv) a person prescribed by the relevant regulations for such purposes; or

(v) certain related persons on behalf of the participants described in paragraphs (i) to (iv) (inclusive).

(b) (**Maximum allocation**) The Company must not make an offer of Securities under the Plan in respect of which monetary consideration is payable (either upfront, or on exercise of convertible securities) where:

(i) the total number of Plan Shares (as defined in paragraph (m) below) that may be issued or acquired upon exercise of the convertible securities offered; plus

(ii) the total number of Plan Shares issued or that may be issued as a result of offers made under the Plan at any time during the previous 3 year period,

would exceed 5% of the total number of Shares on issue at the date of the offer or such other limit as may be specified by the relevant regulations or the Company's Constitution from time to time.

The maximum number of equity securities proposed to be issued under the Plan for the purposes of Listing Rule 7.2, Exception 13 will be as approved by Shareholders from time to time (**ASX Limit**). This means that, subject to the following paragraph, the Company may issue up to the ASX Limit under the Plan without seeking Shareholder approval and without reducing its placement capacity under Listing Rule 7.1.

The Company will require prior Shareholder approval for the acquisition of Equity Securities under the Plan to Directors, their associates and any other person whose relationship with the Company or a Director or a Director's associate is such that, in ASX's opinion, the acquisition should be approved by Shareholders. The issue of Securities with Shareholder approval will not count towards the ASX Limit.

(c) (**Purpose**): The purpose of the Plan is to:

(i) assist in the reward, retention and motivation of Eligible Participants;

(ii) link the reward of Eligible Participants to Shareholder value creation; and

(iii) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of Securities.

(d) (**Plan administration**): The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion, subject to compliance with applicable laws and the Listing Rules. The Board may delegate its powers and discretion.

(e) (**Eligibility, invitation and application**): The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for Securities on such terms and conditions as the Board decides. An invitation issued under the Plan will comply with the disclosure obligations pursuant to Division 1A.

On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.

A waiting period of at least 14 days will apply to acquisitions of Securities for monetary consideration as required by the provisions of Division 1A.

(f) (**Grant of Securities**): The Company will, to the extent that it has accepted a duly completed application, grant the successful applicant (**Participant**) the relevant number of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.

(g) (**Terms of Convertible Securities**): Each 'Convertible Security' represents a right to acquire one or more Shares (for example, under an option or performance right), subject to the terms and conditions of the Plan.

Prior to a Convertible Security being exercised a Participant does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security by virtue of holding the Convertible Security. A Participant may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them. A Participant must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.

(h) (**Vesting of Convertible Securities**): Any vesting conditions applicable to the grant of Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.

(i) (**Exercise of Convertible Securities and cashless exercise**): To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see below), pay the exercise price (if any) to or as directed by the Company, at any time prior to the earlier of any date specified in the vesting notice and the expiry date as set out in the invitation.

At the time of exercise of the Convertible Securities, and subject to Board approval, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at

For personal use only

the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.

Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.

A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.

(j) (**Delivery of Shares on exercise of Convertible Securities**): As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.

(k) (**Forfeiture of Convertible Securities**): Where a Participant who holds Convertible Securities ceases to be an Eligible Participant or becomes insolvent, all unvested Convertible Securities will automatically be forfeited by the Participant, unless the Board otherwise determines in its discretion to permit some or all of the Convertible Securities to vest.

Where the Board determines that a Participant has acted fraudulently or dishonestly, or wilfully breached his or her duties to the Group, the Board may in its discretion deem all unvested Convertible Securities held by that Participant to have been forfeited.

Unless the Board otherwise determines, or as otherwise set out in the Plan rules:

(i) any Convertible Securities which have not yet vested will be forfeited immediately on the date that the Board determines (acting reasonably and in good faith) that any applicable vesting conditions have not been met or cannot be met by the relevant date; and

(ii) any Convertible Securities which have not yet vested will be automatically forfeited on the expiry date specified in the invitation.

(l) (**Change of control**): If a change of control event occurs in relation to the Company, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the Participant's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the Participant to participate in and/or benefit from any transaction arising from or in connection with the change of control event.

(m) (**Rights attaching to Plan Shares**): All Shares issued under the Plan, or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (**Plan Shares**) will rank pari passu in all respects with the Shares of the same class. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.

(n) (**Disposal restrictions on Securities**): If the invitation provides that any Plan Shares or Convertible Securities are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.

Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an allotment of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.

(p) (**Participation in new issues**): There are no participation rights or entitlements inherent in the Convertible Securities and holders are not entitled to participate in any new issue of Shares of the Company during the currency of the Convertible Securities without exercising the Convertible Securities.

(q) (**Amendment of Plan**): Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.

No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.

(r) (**Plan duration**): The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely, and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.

If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
