EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2026 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.powerminerals.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – ISRAEL BENCHEMHOUN

3.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Benchemhoun, having been appointed by other Directors on 17 July 2026 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

3.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Benchemhoun will be elected to the Board as an independent Director.

If this Resolution is not passed, Mr Benchemhoun will not continue in his role as an independent Director. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – JAMES MOSES

4.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Clause 16.1 of the Constitution provides that, at every annual general meeting, one third of the Directors (other than any Managing Director) or, if their number is not a multiple of 3, then the number nearest to but not less than one third must retire from office. Clause 16.2 of the Constitution provides that the Directors to retire are those longest in office since last being elected, and that a retiring Director is eligible for re-election.

Mr Moses, who has held office without re-election since 29 November 2024 and being eligible, retires by rotation and seeks re-election.

Further information in relation to Mr Moses is set out below.

Qualifications, experience and other material directorships	Mr Moses has an extensive background in investment markets and the media in a career spanning 30 years. He is the founder and managing director of a leading Australian bespoke investor relations and corporate communications practice for public companies. He has also previously worked as a business and finance journalist, and was editor of Australia's leading resource sector investor publication. His career began in the investment market, where he held a number of business development roles with leading global fund managers over a period of 15 years, and was also a private client adviser for a high net worth investment advisory firm. Mr Moses holds a Bachelor of Business and a Graduate Diploma in Communications-Journalism. Mr Moses is currently a director of Aruma Resources Limited (ASX: AAJ).
Term of office	Mr Moses has served as a Director since 5 May 2021 and was last re-elected on 29 November 2024.
Independence	If re-elected, the Board considers that Mr Moses will be an independent Director.
Board recommendation	Having received an acknowledgement from Mr Moses that he will have sufficient time to fulfil his responsibilities as a Director and having reviewed the performance of Mr Moses since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Mr Moses) recommend that Shareholders vote in favour of this Resolution.

4.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Moses will be re-elected to the Board as an independent Director.

5. RESOLUTION 4 – APPROVAL TO ISSUE SECURITIES UNDER THE COMPANY'S EMPLOYEE INCENTIVE SECURITIES PLAN

5.1 General

At the general meeting of Shareholders held on 5 June 2026, Shareholders approved an increase to the maximum number of Securities that may be issued under the Company's employee incentive scheme titled "*Employee Incentive Securities Plan*" (**Plan**) pursuant to Listing Rule 7.2 (Exception 13(b)) to 150,000,000 Securities.

This Resolution seeks Shareholder approval for purposes of Listing Rule 7.2 (Exception 13(b)) for the issue of a maximum of 250,000,000 Securities under the Plan over a period of three years from the date of the Meeting.

The objective of the Plan is to attract, motivate and retain key employees, contractors and other persons who provide services to the Company, and the Company considers that the adoption of the Plan and the future issue of Securities under the Plan will provide these parties with the opportunity to participate in the future growth of the Company.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as an exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

5.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to issue Securities under the Plan to eligible participants over a period of 3 years. The issue of any Securities to eligible participants under the Plan (up to the maximum number of Securities stated in Section 5.3 below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If this Resolution is not passed, the Company will be able to proceed with the issue of Securities under the Plan to eligible participants, but any issues of Securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the Securities.

5.3 Technical information required by Listing Rule 7.2 (Exception 13)

The Company may also seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of Securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.
Voting exclusion statement	A voting exclusion statement applies to this Resolution.
Voting prohibition statement	A voting prohibition statement applies to this Resolution.

6. RESOLUTION 5 – RATIFICATION OF PRIOR ISSUE OF SHARES AND PNNOA OPTIONS

6.1 General

On 18 June 2026, the Company announced that it had entered into a binding share subscription agreement dated 17 June 2026 with an international specialist resources investment fund, for a strategic placement to raise $1,700,000 (before costs) (**Subscription Agreement**).

This Resolution seeks Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of 11,724,138 Shares under the Subscription Agreement at an issue price of $0.145 per Share (being equal to the closing price of Shares on ASX on 17 June 2026), together with 5,862,069 free attaching Options on the basis of one (1) free attaching Option for every two (2) Shares subscribed for and issued under the Subscription Agreement, to raise $1,700,000.

The Options were issued in the Company's existing class of quoted Options (ASX: PNNOA) (**PNNOA Options**), which are exercisable at $0.10 each on or before 31 December 2029 and are otherwise on the terms and conditions set out in Schedule 1.

6.2 Listing Rule 7.1

A summary of Listing Rule 7.1 is set out in Section 5.1 above.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of the issue.

6.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

6.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the issue will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If this Resolution is not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the

7. RESOLUTION 6 – APPROVAL OF 7.1A MANDATE

7.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

A summary of Listing Rule 7.1 is set out in Section 5.1 above.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). An Eligible Entity means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of $300,000,000 or less. As at

For personal use only

19 October 2026, the Company's market capitalisation is approximately $63 million. The Company is therefore an Eligible Entity.

7.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

7.3 Technical information required by Listing Rule 7.3A

REQUIRED INFORMATION	DETAILS
Period for which the 7.1A Mandate is valid	The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following: (a) the date that is 12 months after the date of this Meeting; (b) the time and date of the Company's next annual general meeting; and (c) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).
Minimum price	Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before: (a) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or (b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.
Use of funds	The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the acquisition of new resources, assets and investments (including expenses associated with such an acquisition), continued exploration expenditure on the Company's current assets and projects (funds would then be used for project, feasibility studies and ongoing project administration), the development of the Company's current business and general working capital.
Risk of economic and voting dilution	Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue. If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

REQUIRED INFORMATION	DETAILS

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 19 October 2026.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

		DILUTION			
Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Issue Price		
			$0.073	$0.145	$0.218
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	437,714,045 Shares	43,771,404 Shares	$3,195,312	$6,346,853	$9,542,166
50% increase	656,571,068 Shares	65,657,106 Shares	$4,792,968	$9,520,280	$14,313,249
100% increase	875,428,090 Shares	87,542,809 Shares	$6,390,625	$12,693,707	$19,084,332

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 437,714,045 Shares on issue as at the date of this Notice.
2. The issue price set out above is the closing market price of the Shares on the ASX on 19 October 2026 (being $0.145) (**Issue Price**). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised.
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements

8.2 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

(a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

(b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and Mr Benchemhoun is a related party of the Company by virtue of being a Director.

The Directors (other than Mr Benchemhoun) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of the issue, because the agreement to issue the Performance Rights, reached as part of the remuneration package for Mr Benchemhoun, is considered reasonable remuneration in the circumstances and was negotiated on an arm's length basis.

8.3 Listing Rule 10.14

Listing Rule 10.14 provides that an entity must not permit any of the following persons to acquire equity securities under an employee incentive scheme without the approval of the holders of its ordinary securities:

10.14.1 a director of the entity;

10.14.2 an associate of a director of the entity; or

10.14.3 a person whose relationship with the entity or a person referred to in Listing Rules 10.14.1 to 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by security holders.

The issue falls within Listing Rule 10.14.1 and therefore requires the approval of Shareholders under Listing Rule 10.14.

8.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue within 3 years after the date of the Meeting. As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.14), the issue will not use up any of the Company's 15% annual placement capacity.

For personal use only

If this Resolution is not passed, the Company will not be able to proceed with the issue. In these circumstances, the Company may consider alternative forms of remuneration for Mr Benchemhoun, which may include the payment of cash.

Remuneration package	The current total remuneration package for Mr Benchemhoun is $50,172 per annum, comprising directors' fees. Date(s) on or by which the Securities will be issued	The Company expects to issue the Performance Rights within 5 Business Days of the Meeting. In any event, the Company will not issue any Securities later than three years after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).

SCHEDULE 2 – SUMMARY OF EMPLOYEE INCENTIVE SECURITIES PLAN

A summary of the material terms of the Plan is set out below.

Eligible Participant	Eligible Participant means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time.
Purpose	The purpose of the Plan is to: (a) assist in the reward, retention and motivation of Eligible Participants; (b) link the reward of Eligible Participants to Shareholder value creation; and (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of a security in the capital of the Company, including Share, Option, Performance Right or other Convertible Security (**Securities**).
Maximum number of Convertible Securities	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b)).
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents an Eligible Participant who has been granted any Security under the Plan (**Participant**) relying on the deferred tax concessions under Subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth)). The Board may delegate its powers and discretion.
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) the Securities provided under the Plan on such terms and conditions as the Board decides. On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
Grant of Securities	The Company will, to the extent that it has accepted a duly completed application, grant the Participant the relevant number and type of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
Rights attaching to Convertible Securities	A Convertible Security represents a right to acquire one or more Shares in accordance with the Plan (for example, an Option or a Performance Right).

For personal use only

	Prior to a Convertible Security being exercised, the holder: (a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security other than as expressly set out in the Plan; (b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company; (c) is not entitled to receive any dividends declared by the Company; and (d) is not entitled to participate in any new issue of Shares (see Adjustment of Convertible Securities section below).
Restrictions on dealing with Convertible Securities	Convertible Securities issued under the Plan cannot be sold, assigned, transferred, have a security interest granted over or otherwise dealt with unless in Special Circumstances as defined under the Plan (including in the case of death or total or permanent disability of the holder) with the consent of the Board in which case the Convertible Securities may be exercisable on terms determined by the Board. A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.
Vesting of Convertible Securities	Any vesting conditions applicable to the Convertible Securities will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that security will lapse.
Forfeiture of Convertible Securities	Convertible Securities will be forfeited in the following circumstances: (a) in the case of unvested Convertible only, where a Participant acts fraudulently, dishonestly, negligently, in contravention of any the Company and any Associated Bodies Corporate (as defined in the Corporations Act) (the **Group**) policy or wilfully breaches their duties to the Group; (b) where there is a failure to satisfy the vesting conditions in accordance with the Plan; (c) on the date the Participant becomes insolvent; or (d) on the Expiry Date, subject to the discretion of the Board.
Listing of Convertible Securities	Convertible Securities granted under the Plan will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of Convertible Securities granted under the Plan on the ASX or any other recognised exchange.
Exercise of Convertible Securities and cashless exercise	To exercise a security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Securities (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice. An invitation to apply for Convertible Securities may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer

For personal use only

	or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities. Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation. Convertible Securities may not be exercised unless and until that security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.
Timing of issue of Shares and quotation of Shares on exercise	Within five business days after the issue of a valid notice of exercise by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.
Restriction periods and restrictions on transfer of Shares on exercise	If the invitation provides that any Shares issued upon the valid exercise of a Convertible Security are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction. Additionally, Shares issued on exercise of the Convertible Securities are subject to the following restrictions: (a) if the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on exercise of the Convertible Securities may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act; (b) all Shares issued on exercise of the Convertible Securities are subject to restrictions imposed by applicable law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and (c) all Shares issued on exercise of the Convertible Securities are subject to the terms of the Company's Securities Trading Policy.
Rights attaching to Shares on exercise	All Shares issued upon exercise of Convertible Securities will rank equally in all respects with the then Shares of the Company.
Change of control	If a change of control event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), unvested Convertible Securities will vest unless the Board determines in its discretion otherwise. The Board's discretion in determining the treatment of any unvested Convertible Securities on a change of control event is limited to vesting or varying any vesting conditions in respect to the Convertible Securities and does not include a discretion to lapse or forfeit unvested Convertible Securities for less than fair value.
Participation in entitlements and bonus issues	Subject always to the rights under the following two paragraphs, Participants will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.
Adjustment for bonus issue	If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the Participant is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.

For personal use only

Reorganisation	If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.
Buy-Back	Subject to applicable law, the Company may at any time buy-back Securities in accordance with the terms of the Plan.
Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Convertible Securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Convertible Securities.
Amendment of Plan	Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect. No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.
Plan duration	The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants. If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.
Income Tax Assessment Act	The Plan is a plan to which Subdivision 83A-C of the Income Tax Assessment Act 1997 (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.
Withholding	Notwithstanding any the Plan rules, and without limiting the amounts which may be deducted or withheld under applicable laws, if a member of the Group, a trustee or the Plan administrator is obliged, or reasonably believes that it may have an obligation to account for any Tax, or any superannuation amounts (or equivalent social security contributions, if applicable) in respect of a Participant (Withholding Amount), then that Group company, trustee or Plan administrator (as applicable) is entitled to withhold or be reimbursed by the Participant for the Withholding Amount payable or paid. The relevant Group company, trustee or Plan administrator may take any actions as it sees fit to ensure payment of, or recover (as applicable), the Withholding Amounts including (without limitation): (a) selling on behalf of the Participant the number of Shares granted under this Plan required to provide the Withholding Amount; (b) obtaining the Withholding Amount from the Participant (by salary deduction or otherwise); (c) forfeiting a sufficient number of Securities to satisfy the Withholding Amount; or

	(d)	making any other arrangements with the Participant for payment or reimbursement of the Withholding Amount.

SCHEDULE 3 – TERMS AND CONDITIONS OF PERFORMANCE RIGHTS

(a) **Entitlement**

Each Performance Right entitles the holder to subscribe for one Share upon conversion of the Performance Right.

(b) **Consideration**

Nil consideration is payable for the Performance Rights.

(c) **Plan**

The Performance Rights are granted under the Plan.

Defined terms in these terms and conditions have the same meaning as in the Plan. In the event of any inconsistency between the Plan and these terms and conditions, these terms and conditions will apply to the extent of the inconsistency.

(d) **Rights attaching to Performance Rights**

Prior to a Performance Right being converted, the holder:

(i) does not have any interest (legal, equitable or otherwise) in any Share which may be issued on conversion of the Performance Right other than as expressly set out in the Plan;

(ii) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company;

(iii) is not entitled to receive any dividends declared by the Company; and

(iv) is not entitled to participate in any new issue of Shares (refer to paragraph (o)).

(e) **Restrictions on dealing with Performance Rights**

The Performance Rights cannot be sold, assigned, transferred, have a security interest granted over or otherwise dealt with unless in Special Circumstances under the Plan (including in the case of death or total or permanent disability of the holder) with the consent of the Board.

A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Performance Right that has been granted to them.

(f) **Expiry Date**

Each Performance Right will expire on the earlier to occur of:

(i) the Performance Rights lapsing and being forfeited under the Plan; and

(ii) 30 March 2030,

(**Expiry Date**).

For the avoidance of doubt, any unconverted Performance Rights will automatically lapse on the Expiry Date.

(g) **No lapsing**

Notwithstanding any other provision in the Plan or any other direction from the Company or the Board, the Performance Rights will not lapse due to the holder ceasing to be an employee, consultant or contractor of the Company. In these circumstances, unvested Performance Rights will continue "on-foot" and will be tested upon satisfaction of the Vesting Condition, vesting only to the extent that the Vesting Condition has been satisfied.

For personal use only

(h) **Vesting Conditions**

The Performance Rights shall vest as follows:

CLASS	VESTING CONDITION
A	The VWAP of Shares, as traded on ASX, being equal to or exceeding $0.15 per Share over a 10 consecutive trading day period.
B	The VWAP of Shares, as traded on ASX, being equal to or exceeding $0.20 per Share over a 10 consecutive trading day period.
C	The VWAP of Shares, as traded on ASX, being equal to or exceeding $0.30 per Share over a 10 consecutive trading day period.

each, a **Vesting Condition**.

(i) **Conversion**

The Performance Rights can be converted at any time on and from the delivery of a vesting notice until the Expiry Date (**Conversion Period**).

(j) **Conversion Notice**

The Performance Rights may be converted during the Conversion Period by delivery of a written notice specifying the number of Performance Rights being converted (**Conversion Notice**).

(k) **Timing of issue of Shares and quotation of Shares on conversion**

Within five Business Days after the issue of a Conversion Notice by the holder, the Company will:

(i) issue, allocate or cause to be transferred to the holder the number of Shares to which the holder is entitled; and

(ii) if required, issue a substitute certificate for any remaining unconverted Performance Rights held by the holder.

Additionally, the Company will do all such acts, matters and things to obtain the grant of quotation of the Shares by ASX in accordance with the ASX Listing Rules and subject to the expiry of any restriction period that applies to the Shares under the Corporations Act or the ASX Listing Rules, as soon as reasonably practicable.

(l) **Restrictions on transfer of Shares on conversion**

Shares issued on conversion of the Performance Rights are subject to the following restrictions:

(i) if the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Shares issued on conversion of the Performance Rights may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Corporations Act;

(ii) all Shares issued on conversion of the Performance Rights are subject to restrictions imposed by Applicable Law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available; and

(iii) all Shares issued on conversion of the Performance Rights are subject to the terms of the Company's Securities Trading Policy as set out on the Company's website.

(m) **Rights attaching to Shares on conversion**

Shares issued upon conversion of the Performance Rights will rank equally with the then Shares of the Company.

For personal use only

(n) **Change of Control**

If a change of control event occurs (being an event which results in any person (either alone or together with associates) owning more than 50% of the Company's issued capital), unvested Convertible Securities will vest unless the Board determines in its discretion otherwise. The Board's discretion in determining the treatment of any unvested Convertible Securities on a change of control event is limited to vesting or varying any vesting conditions in respect to the Convertible Securities and does not include a discretion to lapse or forfeit unvested Convertible Securities for less than fair value.

(o) **Participation in new issues**

Subject always to the rights under paragraphs (p) and (q), holders of Performance Rights will not be entitled to participate in new issues of capital offered to holders of Shares such as bonus issues and entitlement issues.

(p) **Adjustment for bonus issue**

If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Performance Rights is entitled, upon conversion of the Performance Rights, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Performance Rights are converted.

(q) **Reorganisation**

If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each holder holding Performance Rights will be changed to the extent necessary to comply with the ASX Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.

(r) **No rights to return of capital**

A Performance Right does not entitle the holder to a return of capital, whether in a winding up, upon a reduction of capital or otherwise.

(s) **Rights on winding up**

A Performance Right does not entitle the holder to participate in the surplus profits or assets of the Company upon winding up.

(t) **Withholding**

Notwithstanding any the Plan rules, and without limiting the amounts which may be deducted or withheld under applicable laws, if a member of the Group, a trustee or the Plan administrator is obliged, or reasonably believes that it may have an obligation to account for any Tax, or any superannuation amounts (or equivalent social security contributions, if applicable) in respect of a Participant (**Withholding Amount**), then that Group company, trustee or Plan administrator (as applicable) is entitled to withhold or be reimbursed by the Participant for the Withholding Amount payable or paid.

The relevant Group company, trustee or Plan administrator may take any actions as it sees fit to ensure payment of, or recover (as applicable), the Withholding Amounts including (without limitation):

(i) selling on behalf of the Participant the number of Shares granted under this Plan required to provide the Withholding Amount;

(ii) obtaining the Withholding Amount from the Participant (by salary deduction or otherwise);

(iii) forfeiting a sufficient number of Securities to satisfy the Withholding Amount; or

(iv) making any other arrangements with the Participant for payment or reimbursement of the Withholding Amount.

For personal use only

(u) **Deferral of conversion if resulting in a prohibited acquisition of Shares**

If the conversion of a Performance Right would result in any person being in contravention of section 606(1) of the Corporations Act (**General Prohibition**) then the conversion of that Performance Right shall be deferred until such later time or times that the conversion would not result in a contravention of the General Prohibition. In assessing whether a conversion of a Performance Right would result in a contravention of the General Prohibition:

(i) holders may give written notification to the Company if they consider that the conversion of a Performance Right may result in the contravention of the General Prohibition. The absence of such written notification from the holder will entitle the Company to assume the conversion of a Performance Right will not result in any person being in contravention of the General Prohibition; and

(ii) the Company may (but is not obliged to) by written notice to a holder request a holder to provide the written notice referred to in paragraph (u)(i) within 7 days if the Company considers that the conversion of a Performance Right may result in a contravention of the General Prohibition. The absence of such written notification from the holder will entitle the Company to assume the conversion of a Performance Right will not result in any person being in contravention of the General Prohibition.

(v) **ASX Listing Rule compliance**

The Board reserves the right to amend any term of the Performance Rights to ensure compliance with the ASX Listing Rules.
