EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2026 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at https://magmaticresources.com/.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report to be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – MR DAVID BERRIE

3.1 General

Listing Rule 14.5 provides that an entity which has directors must hold an election of directors at each annual general meeting.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr David Berrie, who has held office without re-election since 27 November 2024 and being eligible retires by rotation and seeks re-election.

Further information in relation to Mr Berrie is set out below.

Qualifications, experience and other material directorships	Mr Berrie has over 30 years' experience in the mining industry and has extensive public company experience. He worked as a solicitor in the mining team at Clayton Utz before joining the international mining house Western Mining Corporation in 1987 with much of that time spent in the exploration division before transitioning over to BHP Billiton. Mr Berrie has a Bachelor of Laws and a Bachelor of Jurisprudence from the University of Western Australia. Mr Berrie has no other current directorships outside the Company. Mr Berrie was previously a director of Hylea Metals Limited.
Term of office	Mr Berrie has served as a Director since 28 October 2016 and was last re-elected on 27 November 2024.
Independence	If re-elected, the Board considers that Mr Berrie will be an independent Director.
Board recommendation	Having received an acknowledgement from Mr Berrie that he will have sufficient time to fulfil his responsibilities as a Director and having reviewed the performance of Mr Berrie since his appointment to the Board and the skills, knowledge, experience and capabilities required by the Board, the Directors (other than Mr Berrie) recommend that Shareholders vote in favour of this Resolution.

3.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, Mr Berrie will be re-elected to the Board as Non-Executive Chairman.

If this Resolution is not passed, Mr Berrie will not continue in their role as Non-Executive Chairman. The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. As an additional consequence, this may detract from the Board and Company's ability to execute on its strategic vision.

4. RESOLUTION 3 – APPROVAL OF 7.1A MANDATE

4.1 General

This Resolution seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an Eligible Entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**). An Eligible Entity means an entity which is not included

in the S&P/ASX 300 Index and has a market capitalisation of $300,000,000 or less. As of the date of this Notice, the Company's market capitalisation is $10,044,621. The Company is therefore an Eligible Entity.

4.2 Technical information required by Listing Rule 14.1A

For this Resolution to be passed, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be cast in favour of the Resolution.

If this Resolution is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

4.3 Technical information required by Listing Rule 7.3A

REQUIRED INFORMATION	DETAILS
Period for which the 7.1A Mandate is valid	The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following: (a) the date that is 12 months after the date of this Meeting; (b) the time and date of the Company's next annual general meeting; and (c) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).
Minimum price	Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before: (a) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or (b) if the Equity Securities are not issued within 10 trading days of the date in paragraph (a) above, the date on which the Equity Securities are issued.
Use of funds	The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the acquisition of new resources, assets and investments (including expenses associated with such an acquisition), continued exploration expenditure on the Company's current assets/or projects (funds would then be used for project, feasibility studies and ongoing project administration), the development of the Company's current business, general working capital, costs of offer.
Risk of economic and voting dilution	Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue. If this Resolution is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and

voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 16 October 2026.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

		DILUTION			
Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		**Shares issued – 10% voting dilution**	**Issue Price**		
			$0.010	**$0.020**	**$0.030**
			50% decrease	**Issue Price**	**50% increase**
			Funds Raised		
Current	502,231,042	50,223,104	$502,231	$1,004,462	$1,506,693
50% increase	753,346,563	75,334,656	$753,346	$1,506,693	$2,260,039
100% increase	1,004,462,084	100,446,208	$1,004,462	$2,008,924	$3,013,386

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 502,231,042 Shares on issue.
2. The issue price set out above is the closing market price of the Shares on the ASX on 16 October 2026 (being $0.020) (**Issue Price**). The Issue Price at a 50% increase and 50% decrease are each rounded to three decimal places prior to the calculation of the funds raised.
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

REQUIRED INFORMATION	DETAILS
	Shareholders should note that there is a risk that: (a) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and (b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.
Allocation policy under 7.1A Mandate	The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company. The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors: (a) the purpose of the issue; (b) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate; (c) the effect of the issue of the Equity Securities on the control of the Company; (d) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company; (e) prevailing market conditions; and (f) advice from corporate, financial and broking advisers (if applicable).
Previous approval under Listing Rule 7.1A.2	The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its annual general meeting held on 6 November 2025 (**Previous Approval**). During the 12 month period preceding the date of the Meeting, being on and from 25 November 2025, the Company has not issued any Equity Securities pursuant to the Previous Approval.
Voting exclusion statement	As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

5.2 Director Recommendation

(a) Ms Christine Nicolau, as the nominee Director of FMG Resources Pty Ltd, a substantial Shareholder, does not consider it appropriate to make a recommendation on these Resolutions; and

(b) each Director (other than Ms Nicolau) has a material personal interest in the outcome of these Resolutions on the basis that the Directors (other than Ms Nicolau) (or their nominee(s)) are to be issued Securities on the same terms and conditions should these Resolutions be passed. For this reason, the Directors (other than Ms Nicolau) do not believe that it is appropriate to make a recommendation on these Resolutions.

5.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

(a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

For personal use only

(b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and each of the proposed recipients is a related party of the Company by virtue of being a Director.

As Securities are proposed to be issued to all of the Directors other than Ms Christine Nicolau, the "non-interested director", the Directors are unable to form a quorum to consider whether one of the exceptions set out in sections 210 to 216 of the Corporations Act applies to the issue. Accordingly, Shareholder approval for the issue is sought in accordance with Chapter 2E of the Corporations Act.

5.4 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

10.11.1 a related party;

10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;

10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;

10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or

10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

5.5 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the Company will be able to proceed with the issue within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.11), the issue will not use up any of the Company's 15% annual placement capacity.

If these Resolutions are not passed, the Company will not be able to proceed with the issue.

5.6 Technical Information required by Listing Rule 10.13 and section 219 of the Corporations Act

REQUIRED INFORMATION	DETAILS
Name of the persons to whom Securities will be issued	The proposed recipients of the Securities are set out in Section 5.1 above.
Categorisation under Listing Rule 10.11	Each of the proposed recipients falls within the category set out in Listing Rule 10.11.1 as they are a related party of the Company by virtue of being a Director. Any nominee(s) of the proposed recipients who receive Securities may constitute 'associates' for the purposes of Listing Rule 10.11.4.

REQUIRED INFORMATION	DETAILS
Number of Securities and class to be issued	The maximum number of Options to be issued (being the nature of the financial benefit proposed to be given) is 6,000,000 which will be allocated as set out in the table included at Section 5.1 above.
Terms of Securities	The Options will be issued on the terms and conditions set out in Schedule 1.
Date(s) on or by which the Securities will be issued	The Company expects to issue the Securities within 5 Business Days of the Meeting. In any event, the Company will not issue any Securities later than one month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).
Price or other consideration the Company will receive for the Securities	The Options will be issued at a nil issue price.
Purpose of the issue, including the intended use of any funds raised by the issue	The purpose of the issue is to provide an incentive component in the remuneration package for the proposed recipients that is linked to the Company's Share price performance, to align the interests of the proposed recipients with those of Shareholders, to motivate and reward the performance of the proposed recipients in their roles as Directors and to provide a cost effective way for the Company to remunerate the proposed recipients, which will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the proposed recipients.
Consideration of type of Security to be issued	The Company has agreed to issue the Options for the following reasons: (a) the issue of the Options has no immediate dilutionary impact on Shareholders; (b) the deferred taxation benefit which is available to the proposed recipients in respect of an issue of Options is also beneficial to the Company as it means the proposed recipients are not required to immediately sell the Options to fund a tax liability (as would be the case in an issue of Shares where the tax liability arises upon issue of the Shares) and will instead, continue to hold an interest in the Company; (c) the issue is a reasonable and appropriate method to provide cost effective remuneration as the non-cash form of this benefit will allow the Company to spend a greater proportion of its cash reserves on its operations than it would if alternative cash forms of remuneration were given to the Directors; and (d) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Options on the terms proposed.
Consideration of quantum of Securities to be issued	The number of Securities to be issued has been determined based upon a consideration of:

6. RESOLUTION 7 – APPROVAL TO ISSUE OPTIONS TO MANAGER – MR DARIN ROWLEY

6.1 General

This Resolution seeks Shareholder approval for the purposes of Listing Rule 7.1 and for all other purposes for the issue of 1,000,000 Options to Mr Darin Rowley (or his nominee(s)) as part of his remuneration as Weebo Gold Project Exploration Manager, a position he holds

For personal use only

under an employment agreement dated 19 February 2026 with Northern Goldfields Resources Pty Ltd (ACN 686 816 035), a wholly owned subsidiary of the Company.

A summary of Listing Rule 7.1 is set out in Section 4.1 above.

The proposed issue does not fit within any of the exceptions set out in Listing Rule 7.2. While the issue does not exceed the 15% limit in Listing Rule 7.1 and can therefore be made without breaching that rule, the Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder approval pursuant to Listing Rule 7.1 so that it does not use up any of its 15% placement capacity under Listing Rule 7.1.

6.2 Technical information required by Listing Rule 14.1A

If this Resolution is passed, the Company will be able to proceed with the issue. In addition, the issue will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

If this Resolution is not passed, the issue can still proceed but it will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for 12 months following the issue.

6.3 Technical information required by Listing Rule 7.3

REQUIRED INFORMATION	DETAILS
Names of persons to whom Securities will be issued or the basis on which those persons were or will be identified/selected	Mr Darin Rowley (or his nominee(s)) The Company confirms that no Material Persons will be issued more than 1% of the issued capital of the Company.
Number of Securities and class to be issued	1,000,000 Options will be issued.
Terms of Securities	The Options will be issued on the terms and conditions set out in Schedule 1.
Date(s) on or by which the Securities will be issued	The Company expects to issue the Securities within 5 Business Days of the Meeting. In any event, the Company will not issue any Securities later than three months after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).
Price or other consideration the Company will receive for the Securities	The Options will be issued at a nil issue price, in consideration for services provided and to be provided by Mr Darin Rowley as Weebo Gold Project Exploration Manager.
Purpose of the issue, including the intended use of any funds raised by the issue	The purpose of the issue is to provide an equity incentive component to Mr Darin Rowley's remuneration as Weebo Gold Project Exploration Manager, to align his interests with those of Shareholders and to incentivise his performance in that role, while allowing the Company to conserve its cash reserves. No funds will be raised from the issue of the Options.
Voting exclusion statement	A voting exclusion statement applies to this Resolution.

7. RESOLUTION 8 – RENEWAL OF PROPORTIONAL TAKEOVER PROVISIONS IN THE CONSTITUTION

7.1 General

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, an entity may include a provision in its constitution whereby a proportional takeover bid for shares may only proceed after the bid has been approved by a meeting of shareholders held in accordance with the terms set out in the Corporations Act.

In accordance with section 648G(1) of the Corporations Act, such clause will cease to apply at the end of three years from the incorporation of the Company, insertion of the clause or renewal of the clause (as appropriate) unless otherwise specified. When this clause ceases to apply, the constitution will be modified by omitting the clause.

A company may renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution (i.e., by special resolution of shareholders).

The Company's constitution (including the proportional takeover provisions set out in clause 76) was adopted on 18 December 2020. The proportional takeover provisions set out in clause 76 of the Constitution were last renewed on 28 November 2023. Accordingly, the proportional takeover provisions included in the Constitution apply until 28 November 2026 unless sooner omitted or renewed.

This Resolution is a special resolution which will enable the Company to modify its Constitution by renewing clause 76 for a period of three years from the date of Shareholder approval. It is noted that Shareholder approval will not result in a change to the wording of clause 76.

The Company is permitted to seek further Shareholder approval to renew this clause for further periods of up to three years on each occasion.

A copy of the Constitution was released to ASX on 23 December 2020 and is available for download from the Company's ASX announcements platform.

7.2 Technical information required by section 648G(5) of the Corporations Act

Overview	A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares. Pursuant to section 648G of the Corporations Act, the Company has included in its Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act. This clause of the Constitution will cease to have effect on the third anniversary of the date of the adoption or last renewal of the clause.
Effect of proposed proportional takeover provisions	Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a Resolution to approve the proportional off-market bid is passed.
Reasons for proportional takeover provisions	A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow

	Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.
Knowledge of any acquisition proposals	As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.
Potential advantages and disadvantages of proportional takeover provisions	The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted. The potential advantages of the proportional takeover provisions for Shareholders include: (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed; (b) assisting in preventing Shareholders from being locked in as a minority; (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid. The potential disadvantages of the proportional takeover provisions for Shareholders include: (a) proportional takeover bids may be discouraged; (b) lost opportunity to sell a portion of their Shares at a premium; and (c) the likelihood of a proportional takeover bid succeeding may be reduced.
Recommendation of the Board	The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of this Resolution.
