EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information, which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2026 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at https://plcresources.au/.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting Consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

For personal use only

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

2.4 Recommendation

The Chair intends to vote all available proxies in favour of adoption of the Remuneration Report, subject to any instructions of the Shareholder to the contrary included in the Proxy Form.

Noting that each director has a personal interest in their own remuneration from the Company as set out in the Remuneration Report, the directors of the Company strongly recommend that shareholders vote in favour of adopting the 2026 Remuneration Report.

3. RESOLUTION 2 – RE-ELECTION OF DIRECTOR – JASON FROUD

3.1 General

Listing Rule 14.4 and clause 66 of the Constitution provide that, other than a Managing Director, a director of the Company must not hold office (without re-election) past the third annual general meeting following the director's appointment or last election, or three years, whichever is the longer.

Under clause 84.8 of the Constitution, a Managing Director is not subject to retirement under clause 66. Mr Jason Froud was appointed as a Director and Managing Director on 1 June 2024 and held the position of Managing Director until 1 December 2025, when he moved to the role of Non-Executive Director. From that date, Mr Froud is subject to retirement under clause 66.1. Accordingly, Mr Froud retires by rotation at this Meeting and, being eligible, seeks re-election.

3.2 Qualifications and other material directorships

Mr Froud is a Non-Executive Director of the Company.

Mr Froud is a geologist with over 25 years of experience in the resources sector, having worked for major mining companies including Newcrest and WMC, as well as global consultancies.

His expertise spans the entire mining cycle and numerous commodities. Recently, he was responsible for business development at Liontown Resources, where he focused on generating new lithium and battery metals projects with Tier 1 potential.

3.3 Independence and term of office

Mr Froud has served as a director since 1 June 2024.

If elected the Board considers that Mr Froud will be an independent Director.

3.4 Technical information required by Listing Rule 14.1A

If Resolution 2 is passed, Mr Froud will be re-elected to the Board as a Director.

In the event that Resolution 2 is not passed, Mr Froud will not continue in their role as a Director and will cease to hold office at the conclusion of the Meeting.

For personal use only

The Company may seek nominations or otherwise identify suitably qualified candidates to join the Company. This may detract from the Board and Company's ability to execute on its strategic vision.

3.5 Board recommendation

The Board (other than Mr Froud) having received an acknowledgement from Mr Froud that they will have sufficient time to fulfil their responsibilities as a Director and having reviewed Mr Froud's performance since his appointment to the Board and considers that Mr Froud's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board (with Mr Froud abstaining) supports the re-election of Mr Froud and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 AND 4 – RATIFICATION OF PRIOR ISSUE OF PLACEMENT SHARES ISSUED UNDER LISTING RULE 7.1 AND 7.1A

4.1 General

These Resolutions 3 and 4 seek Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of an aggregate of 225,000,000 Placement Shares to Placement Participants at an issue price of $0.008 per Share to raise $1,800,000 (before costs). Under the Placement:

a) 130,234,589 Placement Shares were issued pursuant to the Company's capacity under Listing Rule 7.1 (being, the subject of Resolution 3) on 25 May 2026; and

b) 94,765,411 Placement Shares were issued pursuant to the Company's placement capacity under Listing Rule 7.1A (being, the subject of Resolution 4) on 25 May 2026.

4.2 Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12-month period.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the date of the issue.

Under Listing Rule 7.1A however, an Eligible Entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. The Company obtained this approval at its annual general meeting held on 26 November 2025.

4.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

4.4 Technical Information required by Listing Rule 14.1A

If these Resolutions 3 and 4 are passed, the issue will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the date of the issue.

If these Resolutions 3 and 4 are not passed, the issue will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the date of the issue.

4.5 Technical information required by Listing Rule 7.4 and 7.5

The Consideration Shares were issued in lieu of the equivalent cash consideration payable to DZL Equipment Pty Ltd (or its nominee(s)) for exploration services provided to the Company.

5.2 Listing Rules 7.1 and 7.1A

A summary of Listing Rule 7.1 is set out in Section 4.2 above.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the date of the issue.

5.3 Listing Rule 7.4

A summary of Listing Rule 7.4 is set out in Section 4.3 above.

5.4 Technical information required by Listing Rule 14.1A

If this Resolution is not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities the Company can issue without Shareholder approval over the 12-month period following the date of the issue.

6. RESOLUTION 6 – APPROVAL OF 7.1A MANDATE

6.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**10% Placement Capacity**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of $300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of approximately $8.36 million based on the number of Shares on issue and the closing price of Shares on the ASX on 7 October 2026.

Resolution 6 seeks Shareholder approval by way of special resolution for the Company to have the 10% Placement Capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If Resolution 6 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

For personal use only

If Resolution 6 is not passed, the Company will not be able to access the 10% Placement Capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

6.2 Information on 10% Placement Capacity

(a) **Quoted securities**

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of Equity Securities of the Company that are quoted on ASX.

As at the date of this Notice, the Company currently has two classes of Equity Securities quoted on the ASX, being Ordinary Shares (ASX Code: PLC) and Listed Options (ASX Code: PLCO).

(b) **Formula for 10% Placement Capacity**

If this Resolution 6 is passed, the Company may issue or agree to issue, during the 12 month period after this Meeting, the number of Equity Securities calculated in accordance with the following formula:

Additional Placement Capacity = (A x D) – E

A = the number of fully-paid ordinary securities on issue at the commencement of the relevant period:

- plus the number of fully-paid ordinary securities issued in the relevant period under an exception in ASX Listing Rule 7.2 other than exception 9, 16, or 17;
- plus the number of fully-paid ordinary securities issued in the relevant period on the conversion of convertible securities within Listing Rule 7.2 exception 9 where:
    - the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
    - the issue of, or agreement to issue, the convertible securities was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of fully-paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:
    - the agreement was entered into before the commencement of the relevant period; or
    - the agreement or issue was approved, or taken under the Listing Rules to have been approved under Listing Rule 7.1 or 7.4;
- plus the number of fully paid ordinary securities issued in the relevant period with approval under Listing Rule 7.1 or ASX Listing Rule 7.4;
- plus the number of partly-paid ordinary securities that became fully-paid in the relevant period;
- less the number of fully-paid ordinary securities cancelled in the relevant period;

For personal use only

D = 10%; and

E = the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the relevant period where the issue or agreement has not been subsequently approved by Shareholders under Listing Rule 7.4.

6.3 Listing Rule requirements

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 6:

(a) **Period for which the 10% Placement Capacity is valid**

The 10% Placement Capacity will commence on the date of the Meeting at which the Shareholder approval is obtained and expire on the first to occur of the following:

(i) the date that is 12 months after the date of this Meeting (i.e. 30 November 2027), presuming Shareholder approval is obtained;

(ii) the time and date of the Company's next annual general meeting; and

(iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) **Minimum Price at which equity securities may be issued**

Any Equity Securities issued under the 10% Placement Capacity will be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

(i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or

(ii) if the Equity Securities are not issued within 10 trading days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(c) **Use of funds raised under 10% Placement Capacity**

The Company intends to use funds raised from issues of Equity Securities under the 10% Placement Capacity for:

(i) the acquisition of new resources, assets and investments (including expenses associated with such an acquisition);

(ii) continued exploration expenditure on the Company's current assets/or projects (funds would then be used for project, feasibility studies and ongoing project administration);

(iii) the development of the Company's current business; and

(iv) general working capital.

For personal use only

(d) **Risk of voting dilution**

If Resolution 6 is passed and the Company issues securities under the 10% Placement Capacity, then there is a risk to existing Shareholders of economic and voting dilution, including the risk that:

(i) the market price for Equity Securities in the same class may be significantly lower on the issue date of the new Equity Securities than on the date Shareholder approval is obtained for this Resolution; and

(ii) the new Equity Securities may be issued at a price that is at a discount to the market price for Equity Securities in the same class on the issue date.

The table below shows the potential dilution of existing Shareholders following the issue of Equity Securities under the 10% Placement Capacity (based on the formula set out above) using different variables for the number of issued Shares and the market price of Shares.

The table below is calculated using the closing market price of Shares and the number of Equity Securities on issue as at 7 October 2026.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are 1,194,852,274 Shares on issue as at the date of this Notice (ASX Code: PLC).

2. The issue price set out above is the closing price of the Shares on the ASX on 7 October 2026 (being $0.007).

3. The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.

4. The Company previously obtained Shareholder approval under Listing Rule 7.1A at its 2025 Annual General Meeting held on 26 November 2025.

5. The Company made two issues of Equity Securities pursuant to Listing Rule 7.1A in the past 12 months, as detailed in Schedule 1.

6. The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.

7. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.

8. This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1 unless otherwise disclosed.

9. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.

10. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

(i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and

(ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation under the 10% Placement Capacity**

The recipients of the Equity Securities to be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

(i) the purpose of the issue;

(ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;

(iii) the effect of the issue of the Equity Securities on the control of the Company;

(iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;

(v) prevailing market conditions; and

(vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under ASX Listing Rule 7.1A**

The Company previously obtained approval from its Shareholders pursuant to ASX Listing Rule 7.1A at its annual general meeting held on 26 November 2025.

The Company made two issues of Equity Securities pursuant to Listing Rule 7.1A in the past 12 months, as detailed in Schedule 1.

6.4 Voting Exclusion

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

6.5 Board recommendation

The Board recommends that Shareholders vote in favour of Resolution 6.

The Chair intends to vote all available proxies in favour of Resolution 6.
