Update to – Elevate Lifts Marenica Uranium Project Ownership to 90%

Elevate Uranium Ltd (ASX: EL8) (OTCQX: ELVUF) ("Elevate Uranium" or "the Company") announced on 30 September 2026 that it had allowed the owner of 5% of the shares in Marenica Minerals (Proprietary) Ltd ("Marenica") an extension to 30 October 2026 to settle the transaction whereby the Company would acquire its 5% holding in Marenica.

The Company advises that this acquisition has settled and that it now owns 90% of the shares of Marenica. Marenica is the owner of the Marenica Uranium Project in the Erongo Region of Namibia.

Completion of this transaction simplifies Marenica's ownership structure and increases the Company's economic and strategic interest ensuring more of the project's growing value resides directly with Elevate Uranium shareholders. Following completion of this transaction the Company's attributable share of Marenica's JORC resource is 47.5 Mlb U_3O_8 and the Company's Namibian resource base is 124 Mlb U_3O_8 (global resources of 181 Mlb U_3O_8).

The Company has one of the largest undeveloped uranium resource positions in the Erongo Region of Namibia, an established, pro-uranium mining jurisdiction. This strategic acquisition adds to the broader Central Erongo tenement package and coupled with the Company's Koppies Project's resource of 76.2 Mlb U_3O_8, enables the Company's district-scale development case for its ***U-pgrade™*** beneficiation process.
