Proteomics International Laboratories Ltd (ACN 169 979 971) (**PIQ, Proteomics** or the **Company**), is pleased to announce a Share Purchase Plan (**SPP** or **Offer**) under which Eligible Shareholders (defined below) can subscribe for up to $30,000 worth of new fully paid ordinary shares in the Company (**Shares**) at an issue price of $0.10 per Share (**Price**), to raise up to A$5,000,000 (before costs). Shareholders are invited to participate on the same terms, irrespective of the size of their shareholding and without incurring brokerage or transaction costs,

The SPP Price represents a discount of 12.2% to the volume weighted average market price for the Company's Shares, calculated over the 5 days leading up to market close on Friday, 30 October, 2026 (**5-day VWAP** - A$0.1139), and a discount of 16.7% to the last closing price of the Shares on Friday, 30 October 2026 - A$0.12.

In recent months we have secured our national Healius distribution partnership, commenced the Australian rollout of PromarkerD® and PromarkerEso®, advanced PromarkerEndo® towards launch between January and March 2027, and continued to build the clinical, operational and reimbursement foundations needed to support long-term growth.

In the next phase of commercialisation, the funds raised under the Share Purchase Plan will be directed towards commercial execution, including the Healius rollout, the expected launch of PromarkerEndo®, laboratory capacity, clinical evidence generation to support reimbursement activities and preparations for US market entry.

We are pleased to provide eligible shareholders with the opportunity to participate in this Offer and in recognition of their loyalty and support, each new share issued under the SPP will be accompanied by a free one-for-one attaching option. We believe this is an important stage in the

Company's development and look forward to delivering on the significant opportunities ahead." Proteomics' CEO and Managing Director, David Morris, said:

"Proteomics has entered an exciting new phase. In recent months we have secured our national Healius distribution partnership, commenced the Australian rollout of PromarkerD® and PromarkerEso®, advanced PromarkerEndo® towards launch and continued to build the clinical, operational and reimbursement foundations needed to support long-term growth. With three clinically validated tests targeting significant unmet medical needs and a planned pathway into the US market, we believe the Company is now positioned to translate years of scientific development into commercial outcomes."

Details of the Offer

Participation in the SPP is optional and is open to shareholders who are registered as holders of Shares at 5:00pm (AWST) on Friday, 30 October 2026 (**Record Date**) and whose registered address is in Australia or New Zealand (**Eligible Shareholders**). Shares issued under the SPP will rank equally with existing Shares.

Subject to Shareholder approval, Eligible Shareholders who subscribe for and are issued Shares under the SPP will also receive one (1) free attaching option for every one (1) Share issued to them under the SPP, exercisable at $0.15 and expiring two (2) years from the date of issue (**Option**).

Shares issued under the SPP will be issued under ASX Listing Rule 7.2, Exception 5, pursuant to an SPP offer booklet (**SPP Offer Booklet**). To the extent the number of Shares issued under the SPP exceeds 30% of the Shares on issue as at the date of this announcement, the excess Shares will be issued under the Company's placement capacity under ASX Listing Rule 7.1. The SPP Offer Booklet will be lodged with ASX and despatched to Eligible Shareholders on Wednesday, 4 November, 2026.

The free attaching Options will be offered under a separate options prospectus (**Options Prospectus**) to be lodged with ASIC and ASX at a later date and will require shareholder approval under ASX Listing Rule 7.1, which will be sought at the Company's 2026 Annual General Meeting. An addendum containing additional resolutions will be sent to shareholders as soon as practicable. If shareholder approval is not obtained, no Options will be issued to participants in the SPP.

The Company intends to raise up to A$5,000,000 under the SPP but may, at its absolute discretion, accept oversubscriptions, close the Offer early or scale back applications. Scale back decisions are made by the Board and are final. Any applicable refunds to be made will only be facilitated via electronic funds transfer (EFT) to the Eligible Shareholder's bank account (no refund cheques will be issued). The Offer will not be underwritten.

The directors of the Company who are Eligible Shareholders may participate in the Offer, subject to the ASX Listing Rules.
