Item 9 – Remuneration Report

Directors' recommendation

The Board unanimously recommends that members **VOTE IN FAVOUR** of Item 9.

The Corporations Act requires listed companies to put the Remuneration Report for each financial year to a resolution of members at their Annual General Meeting. The Remuneration Report for the year ended 30 June 2026 can be found on pages 35 to 50 of the Company's Annual Report. Under the Corporations Act, the vote on the Remuneration Report is advisory only and does not bind the Directors or the Company.

A reasonable opportunity will be provided for shareholders to ask questions about, or make comments on, the Remuneration Report at the Meeting.

In summary, the Remuneration Report:

- explains the Board's policy for determining the nature and amount of remuneration of Directors and Key Management Personnel ("KMP") of the Company;
- explains the relationship between the Board's Remuneration Policy and the Company's performance;
- details and explains any performance conditions applicable to the remuneration of Directors and KMP of the Company; and

Voting Exclusion Statement

The Company will disregard any votes cast on Item 9:

unless the vote is cast as proxy for a person entitled to vote on Item 9:

- in accordance with a direction on the proxy form; or
- by the Chairman of the Meeting pursuant to an express authorisation to vote the proxy as he sees fit, even though Item 9 is connected with the remuneration of the Company's KMP.

The Chairman of the Meeting intends to vote all available proxies in favour of Item 9.

Item 10 – Grant of Performance Rights to the Managing Director and Chief Executive Officer under the Company's FY27 Long Term Incentive Plan

Directors' recommendation

The Board, excluding Mr Lund, unanimously recommends that members **VOTE IN FAVOUR** of Item 10.

ASX Listing Rule 10.14 requires the Company to obtain shareholder approval for an issue of Performance Rights to a Director under an employee incentive scheme, unless the terms of the scheme require that Shares be purchased on market to satisfy any Performance Rights that vest.

It is currently intended that Shares will be acquired on market to satisfy any Performance Rights that vest. However, approval is being sought under ASX Listing Rule 10.14 to provide flexibility for the Company to satisfy Performance Rights under the Plan by issuing new Shares, if that is considered appropriate in the future.

Approval Sought

Shareholders are asked to approve the grant of 3,526,221 Performance Rights to Mr Rohan Lund as part of the Company's FY27 Long Term Incentive award, on the terms and conditions summarised in these Explanatory Notes.

Number of Performance Rights and Other Details of the FY27 LTI Grant

The Board proposes to grant Mr Lund 3,526,221 Performance Rights to acquire Shares in the Company based on a FY27 LTI Grant value of $1,950,000. This grant represents the annual long-term incentive component of Mr Lund's remuneration package for the 2027 financial year.

The number of Performance Rights has been calculated as follows:

> **FY27 LTI Grant value of $1,950,000** (being 150% of Mr Lund's fixed remuneration)
>
> *divided by*
>
> The five-trading day VWAP of a Company share following release of the FY26 full-year results ($0.5530).

Each Performance Right is a right to acquire one fully paid ordinary share in the Company at no cost upon satisfaction of the vesting conditions. Performance Rights are granted at no cost as they form part of Mr Lund's remuneration.

Performance Rights will vest subject to Mr Lund's continued employment with the Company until the relevant vesting date and satisfaction of the performance hurdles. 100 per cent of Mr Lund's FY27 LTI Performance Rights will be tested following the announcement of the FY29 financial results and will vest subject to meeting performance conditions over a three-year performance period (1 July 2026 to 30 June 2029).

For personal use only

Performance Rights do not carry any dividend or voting rights. Mr Lund is entitled to dividend and voting rights in connection with any Shares allocated to him on vesting of the Performance Rights. To the extent vesting occurs, Mr Lund will also receive a dividend equivalent payment in the form of an additional allocation of fully paid ordinary shares with an equal value to any dividends that would otherwise have been paid on the vested portion of Performance Rights over the performance period. Performance Rights are used as the LTI vehicle because they create share price alignment between Mr Lund and shareholders, but do not provide the full benefit of share ownership (such as dividend and voting rights) unless the performance hurdles and service condition are satisfied.

If shareholder approval is obtained, Performance Rights will be granted to Mr Lund shortly after the Meeting but, in any event, within 12 months after the date of the Meeting.

Performance Hurdles

Performance Rights are subject to Mr Lund's continued employment and two equally weighted performance hurdles – Relative Total Shareholder Return and EPS Growth – each measured over the three-year period from 1 July 2026 to 30 June 2029.

Relative Total Shareholder Return (RTSR)

Company's RTSR ranking compared to applicable peer group	Percentage of performance rights subject to RTSR hurdle that vest
At the 75th percentile or better	100% vests
Between the median and the 75th percentile	Pro-rata vesting between 50% to 100%
At the median percentile	50% vests
Below the median	0% vests

Each company in the peer group is given a percentile ranking based on growth in Total Shareholder Return (TSR) over the three-year performance period. TSR outcomes are calculated independently by an external provider.

- Hipages Group Holdings Ltd
- IVE Group Ltd
- Nine Entertainment Co. Holdings Ltd
- NZME Ltd

EPS Growth

Company's EPS Growth performance	Percentage of performance rights subject to EPS Growth hurdle that vest
At or above the maximum target	100% vests
Between the threshold and maximum target	Pro-rata vesting between 50% to 100%
At the threshold target	50% vests
Below the threshold target	0% vests

Earning per Share ("EPS") performance is measured on underlying EPS from the audited annual accounts, adjusted for significant, abnormal or unusual items. A threshold EPS target is set for each financial year within the three-year performance period; the maximum EPS target is the threshold plus 5% for each year. The threshold and maximum EPS targets, and aggregate performance to date, are disclosed in the Annual Report following the end of each applicable year.

In assessing performance against the hurdles, the People, Remuneration & Nominations Committee may, in its absolute discretion, adjust for abnormal or unusual factors outside management's control.

Other Key Terms

Testing of performance hurdles	Expected shortly after announcement of the Company's FY29 full-year results.
Allocation of Shares	One Share is allocated for each Performance Right that vests.
Price payable	No amount is payable by Mr Lund on grant of the Performance Rights, or on allocation of Shares upon vesting.
Cessation of employment	Other than as set out below, unvested awards automatically lapse on cessation of employment before the end of the performance period. Change of control	The Board may determine that some or all unvested Performance Rights vest or lapse. If an actual change of control occurs before the Board exercises this discretion, all unvested Performance Rights vest on a pro-rata basis reflecting the portion of the performance period elapsed.
Adjustments	If the Company undertakes a corporate action or capital reconstruction (for example, a bonus or rights issue, or a capital reorganisation), the Board may, subject to the ASX Listing Rules, adjust the terms of the Performance Rights so that no material advantage or disadvantage accrues to the holder.
Malus and clawback	The Plan enables the Board to lapse or forfeit Performance Rights or Shares in certain circumstances, including material financial misstatement, fraud and gross misconduct.

Voting Exclusion Statement

The Company will disregard any votes cast on Item 10:

- in favour of the resolution by or on behalf of the MD & CEO or any of his associates (regardless of the capacity in which the vote is cast); or
- as a proxy by any of the Company's KMP at the date of the Meeting or their closely related parties,

unless the vote is cast on Item 10:

- as proxy or attorney for a person entitled to vote on the resolution, in accordance with a direction given to vote in that way; or
- by the Chairman of the Meeting as proxy for a person entitled to vote on the resolution, under an express authorisation to vote as the Chairman of the Meeting decides; or
- by a holder acting solely in a nominee, trustee, custodial or other fiduciary capacity on behalf of a beneficiary, provided the beneficiary has confirmed in writing to the holder that the beneficiary is not excluded from voting (and is not an associate of a person excluded from voting) on the resolution, and the holder votes as directed by the beneficiary.

The Chairman of the Meeting intends to vote all available proxies in favour of Item 10.

Item 11 – Change of Company Name and Constitution

Directors' recommendation

The Board unanimously recommends that members **VOTE IN FAVOUR** of Item 11.

Item 11 seeks shareholder approval for the Company to change its name to "Seven Media Group Limited" and to modify its Constitution to reflect the change of name. Approval is sought by special resolution, which requires at least 75% of the votes cast on the resolution to be in favour.

The Board considers the name "Seven Media Group Limited" will more effectively represent the combined entity across investor, commercial and employee contexts. The merger of Southern Cross Media Group and Seven West Media created a large, more diverse business with market-leading brands in television, audio, publishing and digital. The proposed name maintains a strong connection to the group's heritage while orienting it towards its future as a multi-platform diversified media group. It is immediately legible to consumers, advertisers and investors; internally and externally consistent with the group's principal operating brands; and communicates the scale and scope of the group with precision and clarity.

The name change is proposed to occur concurrently with an ASX listing code change from "SXL" to "SMG", providing a stronger linkage between the business and the market, and a clearer association for shareholders.

Section 157 of the Corporations Act provides that a company may change its name by special resolution; the change takes effect when ASIC alters the details of the company's registration.

Section 136(2) of the Corporations Act provides that a company may modify its Constitution by special resolution. The proposed name has been reserved by the Company and if Item 11 is passed, the Company will lodge a copy of the special resolution with the Australian Securities and Investment Commission ("ASIC") following the Meeting to effect the change, and the name change will take effect when ASIC alters the Company's registration details.

The change to the Company's ASX listing code from "SXL" to "SMG" will be announced on the ASX Market Announcements Platform when the name change takes effect. The Company's updated Constitution will be attached to that announcement.

The Chairman of the Meeting intends to vote all available proxies in favour of Item 11.

Non-Board Endorsed Resolutions

Item 12 – Removal of Ms Marina Go AM as Director under Section 203D of the Corporations Act

Directors' recommendation

The Board, with Ms Go abstaining, unanimously recommends that members **VOTE AGAINST** Item 12.

Section 203D of the Corporations Act provides that a public company may remove a Director by resolution at a general meeting. A shareholder which holds shares for the benefit of funds managed by Sandon Capital Pty Ltd ("Sandon") has given notice of its intention to move this resolution in accordance with section 203D(2).

For personal use only

The member's statement in respect of this Resolution can be found at Annexure 1 to this Notice.

The effect of this resolution, if passed, will be that Ms Go will cease to be a Director of the Company even if she is re-elected by shareholder under Item 2 above.

Sandon has not nominated any Director to be appointed to replace the removed Director.

The Board's response

Ms Go's biography has been detailed in the Explanatory Notes for Item 2 above, which demonstrates her notable executive career in the media industry and extensive experience as a non-executive director on a number of Australian Boards.

Ms Go has a deep understanding of the Company's Audio business through her tenure on the Board prior to completion of the Scheme of Arrangement with Seven West Media, and that continuity provides significant value creation benefits to the Board. Ms Go has been closely involved in the integration of the businesses, reviewing and setting the Company's strategy, and the delivery of integration benefits.

Ms Go holds key roles on the Board's Committees, as Chair of the People, Remuneration & Nominations Committee and a member of the Audit Committee. Should Ms Go be removed as a Director, this would create a skills gap which would be difficult to adequately replace in the shorter term.

Ms Go's skills have been particularly valuable as Chair of the People, Remuneration & Nominations Committee in leading the search for additional Independent Directors, which has resulted in the appointment of highly capable directors, Ms Cathy O'Connor and Ms Sylvia Wiggins, The Hon Mark McGowan and Ms Karen Stocks, strengthening the Board's skills and experience in alignment with the Board's skills matrix and setting the Company up for its next phase. The Director search processes led by Ms Go also included the appointment of Mr Rohan Lund, who was initially appointed to the Board as an Independent Non-Executive Director and was subsequently appointed MD & CEO following an executive search process.

For these reasons, the Board strongly believes that the proposed resolution is not in the best interests of the Company.

Note regarding other motions proposed by Sandon

As stated in ASX announcements dated 4 May 2026 and 12 June 2026, the Board received notices of intention from Sandon to move additional resolutions at this Meeting.

- *The first notice proposed to remove Mr Ido Leffler, Mr Heith Mackay-Cruise and Ms Marina Go as Directors of the Company. Mr Leffler and Mr Mackay-Cruise have since retired from the Board and accordingly those resolutions have not been put to shareholders at this Meeting.*
- *The second notice proposed that any director appointed by the Board between 9 June 2026 and the start of this Meeting be removed from office with effect from the close of the Meeting. In accordance with the Corporations Act, the Board has determined not to put that resolution to the Meeting.*

Item 13 – Election of non-Board endorsed Director candidate – Mr Stephen Mayne

Directors' recommendation

The Board unanimously recommends that members **VOTE AGAINST** Item 13.

Mr Stephen Mayne, an external non-Board endorsed candidate, has submitted himself for election as a Non-Executive Director of the Company. Mr Mayne has indicated to the Company that his nomination should be considered contingent upon the completion of satisfactory background check if so elected.

The Board has thoroughly considered Mr Mayne's nomination against the Board skills matrix and its current composition and diversity. The Board has also considered whether Mr Mayne has sufficient experience in director and senior management positions of sophisticated companies of a scale and complexity similar to that of the Company.

Having regard to these matters, the Board has concluded that Mr Mayne does not possess the skills and experience necessary to oversee the Company and would not add value to your Board. Therefore, taking account of the best interests of the Company, the Board has determined to **not support** Mr Mayne's appointment.

Mr Mayne has requested the following biographical information be included in this Notice of Meeting. The information has not been independently verified by the Company.

"Stephen Mayne, 57. BCom (Melb). GAICD. Stephen is a Walkley Award-winning business journalist and Australia's best known retail shareholder advocate. His media experience is extensive having spent 10 years working with major Australian newspapers including the Herald Sun, The Daily Telegraph, The Age and The AFR, including roles such as Business Editor, Chief of Staff and Rear Window columnist. He has done more than 1000 business commentary segments on a variety of capital city radio stations (primarily the ABC) and been a fill-in Drive and Morning presenter on ABC Melbourne. He was the founder of www.crikey.com.au, Australia's longest running and best known internet only news publication and currently publishes the corporate governance website www.maynereport.com. He currently writes regular columns for The Intelligent Investor and co-hosts The Money Café podcast with Alan Kohler. His governance experience includes almost 8 years as a City of Manningham councillor in Melbourne's eastern suburbs, a 4 year term (2012-2016) as a City of Melbourne councillor where he chaired the Finance and Governance committee, almost 5 years on the Australian Shareholders' Association board and asking questions at more than 1400 ASX listed company AGMs and EGMs since 1998.

Mr Mayne has nominated for the Southern Cross Media board with a view to offering his media and governance experience to the company, plus on a platform that the company should return to a conventional governance model with an independent non-executive chairman, not associated with any individual substantial shareholder."

Notes

1. A member entitled to attend and vote at the Meeting has a right to appoint a proxy. A member entitled to cast two or more votes may appoint up to two proxies. If two proxies are appointed, the member may specify the proportion or number of votes each proxy is appointed to exercise; if not specified, each proxy may exercise half the votes. The Chairman of the Meeting intends to vote available proxies against Items 12 and 13 and in favour of all other resolutions set out in this Notice of Meeting.
2. Voting exclusions apply to Items 9 and 10, details of which are set out in the Explanatory Notes. Unless the Chairman of the Meeting is your proxy, members of the Company's KMP (including the Directors) and their closely related parties (as defined under the Corporations Act, which includes spouses, dependants and companies they control) will not be able to vote as a proxy on these items unless you direct them how to vote on the proxy form. If you intend to appoint one of these individuals as your proxy, you should direct that person how to vote on Items 9 and 10. If you appoint the Chairman of the Meeting as your proxy, or the Chairman of the Meeting is appointed as your proxy by default, you may:
   - direct the Chairman of the Meeting how to vote on Items 9 and 10 by marking "For", "Against" or "Abstain" on the corresponding section of the proxy form, in accordance with the directions on that form; or
   - not direct the Chairman of the Meeting how to vote on Items 9 and 10, in which case, by submitting the proxy form, you expressly authorise the Chairman of the Meeting to vote the undirected proxy as he sees fit, even though these Items are connected with the remuneration of KMP.
3. For the purpose of determining a person's entitlement to vote at the Meeting, a person will be recognised as a member and the holder of shares if registered as a holder of those shares at 7.00pm (Sydney time) on Tuesday, 3 November 2026.
4. A proxy need not be a member of the Company.
5. Duly completed proxy forms must be returned to the Secretary, Southern Cross Media Group Limited, either:
   - to Computershare Investor Services Pty Ltd, GPO Box 242, Melbourne VIC 3001, or by fax 61 3 9473 2555; or
   - completed online at www.investorvote.com.au,

   in each case, no later than 11.00am (AEDT) on Tuesday, 3 November 2026. Any power of attorney or authority under which a proxy form is signed (or a certified copy of it) must accompany the proxy form.
6. All resolutions will be decided by poll. On a poll, if your proxy does not attend the Meeting, or attends but does not vote on a resolution in accordance with your directions, your proxy votes will automatically default to the Chairman of the Meeting for that resolution. The Chairman of the Meeting must vote any directed proxies as directed, and may otherwise vote undirected proxies as he sees fit.
7. A body corporate that is a shareholder, or that has been appointed as a proxy, may appoint an individual to act as its representative at the Meeting. The appointment must comply with section 250D of the Corporations Act, and the Company must have received evidence of the appointment (including any authority under which it was signed) in advance of the Meeting, unless previously provided to the Company.
8. A shareholder entitled to attend and vote may appoint an attorney to act on their behalf at the Meeting. An attorney need not be a member of the Company.
9. A proxy is not revoked by the appointing shareholder attending and taking part in the Meeting, unless the appointing shareholder speaks or votes at the Meeting on a resolution(s) for which the proxy is proposed to be used. In which case, the proxy must not speak or vote, as the appointor's proxy or attorney on the resolution.
10. These Explanatory Notes form part of this Notice of Meeting. Members should read them in full.

Resolution to remove Ms Marina Go as a director

Funds managed by Sandon Capital Pty Ltd (**Sandon Capital** or **we**) currently own approximately 5.5% of Southern Cross Media Group Limited (**SXL**).

We are asking shareholders to remove Ms Marina Go as a director because, as a member of the SXL Board, she agreed to the merger with Seven West Media Limited (**SWM**). This led to SXL abandoning its successful "all about audio" strategy and has, in our view, left SXL facing greater challenges.

Ms Go is the only director who approved the merger that remains on the SXL Board. The other directors have departed, including former chairman Heith Mackay-Cruise, who stepped down earlier this year after Sandon Capital submitted notices seeking the removal of Mr Mackay-Cruise, Ms Go and another former SXL director at SXL's next general meeting.

At this year's AGM, shareholders can vote to remove Ms Go from the SXL Board. We encourage you to vote FOR the resolution to remove her as a director.

We believe the remaining SXL directors are fully capable of acting in the best interests of SXL and its shareholders without Ms Go on the SXL Board.

We intend to vote for the re-election of all other SXL directors.

The record since the merger

On 30 September 2025, SXL and SWM announced that they had executed a scheme implementation deed in relation to a proposed merger of the two parties by way of a scheme of arrangement (**Scheme**).

We considered the transaction to be a nil-premium reverse takeover of SXL by SWM. Despite the transaction fundamentally changing SXL's ownership, governance, earnings mix and debt profile, SXL's then directors (including Ms Go) decided not to give shareholders an opportunity to vote on the transaction.

SWM shareholders, who had the opportunity to vote on the matter, approved the transaction at the Scheme Meeting on 22 December 2025, and the Scheme was implemented on 7 January 2026.

Since the merger, the following has occurred:

- SXL's attractive Audio business has been diluted from 100% of earnings to significantly less than 50% of earnings of the merged entity;
- SXL merged with SWM despite SWM's revenue and net profit after tax having declined by 12% and 73%, respectively, between FY22 and FY25. Both deteriorated further in FY26, in contrast with the growth of SXL's legacy Audio business and underscoring the headwinds facing traditional television and print media;
- SXL's net debt has risen more than fivefold from $67.6 million on 30 June 2025 to $362.8 million on 30 June 2026;
- After resuming dividends in FY25, SXL ceased paying them following the merger. We expect it will be some time before dividends resume. Even then, the profit reserves per share available for dividends has been halved by the new shares issued to SWM shareholders;
- Consensus sell-side estimates for SXL FY27 earnings per share, the first full year of operations for the combined entity, have fallen from approximately 11.2 cents before the merger announcement to 8.1 cents today—a decline of almost 30%;
- Since the merger was announced on 30 September 2025, SXL's share price has declined almost 40% from 89.5 cents on 30 September 2025 to 54 cents on 21 September 2026.

We believe the consequences of the merger were foreseeable. Ms Go is the only remaining SXL director who approved the merger; the other four have stepped down.

Shareholders now have the opportunity to hold the last remaining member of the former SXL Board accountable by voting to remove Ms Go as a director.

Vote FOR the resolution to remove Ms Go as a director.
