- * This agreement is also subject to the "Warning and Disclaimer" on the coversheet to the "User's Guide" relating to this agreement.

AGREEMENT

Recitals:

- A. The Parties hereto are desirous of agreeing to a procedure whereby either one of them (the "Lender") will make available to the other of them (the "Borrower") from time to time Securities (as hereinafter defined).
- B. All transactions carried out under this Agreement will be effected in accordance with the Rules (as hereinafter defined), if applicable, **together with** current market practices, customs and conventions, in so far as they are not inconsistent with the terms of this Agreement.

Operative provisions:

1 Interpretation

- [**Definitions**] The terms defined in clause 26 and in Schedule 1 have the meanings therein specified for the purposes of this Agreement.
- 1.2 [Inconsistency] In the event of any inconsistency between the provisions of Schedule 1 and the other provisions of this Agreement, Schedule 1 will prevail. In the event of any inconsistency between the provisions (if any) of Schedule 3 and the other provisions of this Agreement (including Schedule 1), Schedule 3 will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Agreement (including Schedules 1 and 3), such Confirmation will prevail for the purpose of the relevant transaction.
- 1.3 [Single agreement] All transactions are entered into in reliance on the fact that this Agreement and all Confirmations form a single agreement between the Parties (collectively referred to as this "Agreement"), and the Parties would not otherwise enter into any transactions.
- 1.4 [Interpretation] In this Agreement:
 - (a) Unless the context otherwise requires:
 - (i) The **singular** includes the plural and vice versa.
 - (ii) A person includes a corporation.
 - (iii) A **corporation** includes any body corporate and any statutory authority.
 - (iv) A reference to a statute, ordinance, code or other law or the Rules includes regulations or other instruments under it or them and consolidations, amendments, re-enactments or replacements of any of them.

- (b) Notwithstanding the use of expressions such as "borrow", "lend", "Collateral", "Margin", "redeliver" etc., which are used to reflect terminology used in the market for transactions of the kind provided for in this Agreement, title to Securities "borrowed" or "lent" and "Collateral" provided in accordance with this Agreement shall pass from one Party to another as provided for in this Agreement, the Party obtaining such title being obliged to redeliver Equivalent Securities or Equivalent Collateral, as the case may be.
- 1.5 **[Headings]** All headings appear for convenience only and shall not affect the interpretation of this Agreement.
- 1.6 [Currency conversion] For the purposes of clauses 6, 8.3 and 8.4, when a conversion into the Base Currency is required, all prices, sums or values (including any Value, Offer Value and Bid Value) of Securities, Equivalent Securities, Collateral or Equivalent Collateral (including Cash Collateral) stated in currencies other than the Base Currency shall be converted into the Base Currency at the rate quoted by an Australian bank selected by the Lender (or, if an Event of Default has occurred in relation to the Lender, by the Borrower) at or about 11.00am (Sydney time) on the day of conversion as its spot rate for the sale by the bank of the Base Currency in exchange for the relevant other currency.
- 1.7 [Other agreements] Where at any time there is in existence any other agreement between the Parties the terms of which make provision for the lending of Securities (as defined in this Agreement) as well as other securities, the terms of this Agreement shall apply to the lending of such Securities to the exclusion of any other such agreement.
- 1.8 [Nominees] If payment is to be made to a Party's nominee or otherwise in accordance with the directions of a Party (whether by the other Party or by a third party), it shall be deemed, for the purposes of this agreement, to have been paid or made to the first mentioned Party.

- 2.1 [Borrowing Request and acceptance thereof] The Lender will lend Securities to the Borrower, and the Borrower will borrow Securities from the Lender, in accordance with the terms and conditions of this Agreement and with the Rules provided always that the Lender shall have received from the Borrower and accepted (by whatever means) a Borrowing Request.
- 2.2 [Changes to a Borrowing Request] The Borrower has the right to reduce the amount of Securities referred to in, or otherwise vary, a Borrowing Request provided that:
 - (a) the Borrower has notified the Lender of such reduction or variation no later than midday Australian Eastern standard or summer (as appropriate) time on the day which is two Business Days prior to the Settlement Date, unless otherwise agreed between the Parties, and
 - (b) the Lender shall have accepted such reduction or variation (by whatever means).

3 Delivery of Securities

[Delivery of Securities] The Lender shall procure the delivery of Securities to the Borrower or deliver such Securities in accordance with the relevant Borrowing Request together with appropriate instruments of transfer (where necessary) duly stamped (where necessary) and such other instruments (if any) as may be requisite to vest title thereto in the Borrower. Such Securities shall be deemed to have been delivered by the Lender to the Borrower on delivery to the Borrower or as it shall direct of the relevant instruments of transfer and certificates or other documents of title (if any), or in the case of Securities title to which is registered in a computer based system which provides for the recording and transfer of title to the same by way of electronic entries (such as CHESS), on the transfer of title in accordance with the rules and procedures of such system as in force from time to time, or by such other means as may be agreed.

4 Title, Distributions and Voting

- 4.1 [Passing of title] The Parties shall execute and deliver all necessary documents and give all necessary instructions to procure that all right, title and interest in:
 - (a) any Securities borrowed pursuant to clause 2;
 - (b) any Equivalent Securities redelivered pursuant to clause 7;

In the case of Securities, Collateral, Equivalent Securities or Equivalent Collateral title to which is registered in a computer based system which provides for the recording and transfer of title to the same by way of electronic entries, delivery and transfer of title shall take place in accordance with the rules and procedures of such system as in force from time to time.

4.2 [Distributions]

- (a) [Cash distributions] Unless otherwise agreed, where Income is paid in relation to any Securities on or by reference to an Income Payment Date on which such Securities are the subject of a loan under this Agreement, the Borrower shall, on the date of the payment of such Income, or on such other date as the Parties may from time to time agree, (the "Relevant Payment Date") pay and deliver a sum of money equivalent to the same to the Lender, irrespective of whether the Borrower received the same.
- (b) [Non-cash distributions] Subject to paragraph (c) (unless otherwise agreed), where, in respect of any borrowed Securities or any Collateral, any rights relating to conversion, sub-division, consolidation, pre-emption, rights arising under a takeover offer or other rights, including those requiring election by the holder for the time being of such Securities or Collateral, become exercisable prior to the redelivery of Equivalent Securities or Equivalent Collateral, then the Lender or Borrower, as the case may be, may, within a reasonable time before the latest time for the exercise of the right or option, give written notice to the other Party that, on redelivery of

Equivalent Securities or Equivalent Collateral, as the case may be, it wishes to receive Equivalent Securities or Equivalent Collateral in such form as will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as is specified in such written notice.

- (c) [Tax Act ss 26BC(3)(c)(ii) and (v) requirements] Notwithstanding paragraph (b), where, in respect of any Borrowed Securities or any Collateral, the relevant issuer company, trustee, government or government authority issues any right or option in respect of the Borrowed Securities or Collateral, as the case may be, the Borrower or the Lender, respectively, must deliver or make, as the case may be, to the other Party on the date of such issue or on such other date as the Parties may from time to time agree:
 - (i) the right, or option; or
 - (ii) an identical right or option; or
 - (iii) a payment equal to the value to the Lender or the Borrower, respectively, of the right or option;

together with any such endorsements or assignments as shall be customary and appropriate.

- (d) [Manner of payment] Any payment to be made by the Borrower under this clause shall be made in a manner to be agreed between the Parties.
- 4.3 [Voting] Unless paragraph 4 in Schedule 1 specifies that this clause 4.3 does not apply, each Party undertakes that, where it holds Securities of the same description as any Securities borrowed by it or transferred to it by way of Collateral at a time when a right to vote arises in respect of such Securities, it will use its best endeavours to arrange for the voting rights attached to such Securities to be exercised in accordance with the instructions of the Lender or Borrower (as the case may be) provided always that each Party shall use its best endeavours to notify the other of its instructions in writing no later than seven Business Days prior to the date upon which such votes are exercisable, or as otherwise agreed between the Parties, and that the Party concerned shall not be obliged so to exercise the votes in respect of the number of Securities greater than the number so lent or transferred to it. For the avoidance of doubt, the Parties agree that, subject as hereinbefore provided, any voting rights attaching to the relevant Securities, Equivalent Securities, Collateral and/or Equivalent Collateral shall be exercisable by the persons in whose name they are registered, or in the case of Securities, Equivalent Securities, collateral and/or Equivalent Collateral in bearer form by the persons by or on behalf of whom they are held, and not necessarily by the Borrower or the Lender (as the case may be).

5 Fees

- 5.1 [Fees] In respect of each loan of Securities:
 - (a) for which the Collateral is cash:
 - (i) the Lender must pay a fee to the Borrower in respect of the amount of that Collateral, calculated at the rate agreed between them; and

- (ii) unless the Parties otherwise agree, the Borrower is not obliged to pay a fee to the Lender;
- (b) for which there is no Cash Collateral, the Borrower must pay a fee to the Lender, calculated at the rate agreed between them.
- 5.2 [Where there are different types of Collateral] Where the Collateral comprises only partly cash, clause 5.1 is to be construed as if there were separate loans of Securities, one secured solely by Cash Collateral and the other secured solely by non-cash Collateral.
- [Calculation of fees] In respect of each loan of Securities, the payments referred to in clause 5.1 of this clause shall accrue daily in respect of the period commencing on and inclusive of the Settlement Day and terminating on and exclusive of the Business Day upon which Equivalent Securities are redelivered or Cash Collateral is repaid. Unless otherwise agreed, the sums so accruing in respect of each calendar month shall be paid in arrears by the Borrower to the Lender or to the Borrower by the Lender (as the case may be) not later than the Business Day which is one week after the last Business Day of the calendar month to which such payment relate or such other date as the Parties from time to time agree. Any payment made pursuant to clause 5.1 shall be in Australian currency, unless otherwise agreed, and shall be paid in such manner and at such place as shall be agreed between the Parties.

6 Collateral

6.1 [Borrower's obligation to provide Collateral] Unless otherwise agreed, subject to the other provisions of this clause 6, the Borrower undertakes to deliver to or deposit with the Lender (or in accordance with the Lender's instructions) Collateral of the kind specified in the relevant Borrowing Request or as otherwise agreed between the Parties (together with appropriate instruments of transfer duly stamped (where necessary) and such other instruments as may be requisite to vest title thereto in the Lender) simultaneously with delivery of the Borrowed Securities by the Lender.

6.2 [Global margining]

- (a) [Adjustments to Collateral] Unless otherwise agreed between the Parties, subject to paragraph (b), clause 6.4 and paragraph 1.5 in Schedule 1:
 - (i) The aggregate Value of the Collateral delivered to or deposited with the Lender or its nominated bank or depositary (excluding any Collateral repaid or redelivered under paragraph (ii) below (as the case may be)) in respect of all loans of Securities outstanding under this Agreement ("Posted Collateral") shall from day to day and at any time be at least the aggregate of the Required Collateral Values in respect of such loans.
 - (ii) If at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement exceeds the aggregate of the Required Collateral Values in respect of such loans, the Lender shall (on demand) repay such Cash Collateral and/or redeliver to the Borrower such Equivalent Collateral as will eliminate the excess.

- (iii) If at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement falls below the aggregate of Required Collateral Values in respect of all such loans, the Borrower shall (on demand) provide such further Collateral to the Lender as will eliminate the deficiency.
- [Netting of Collateral obligations where a Party is both Lender and **Borrower**] Unless otherwise agreed between the Parties, subject to clause 6.4 and paragraph 1.5 in Schedule 1, where paragraph (a) applies, if a Party (the "first Party") would, but for this paragraph, be required under paragraph (a) to repay Cash Collateral, redeliver Equivalent Collateral or provide further Collateral in circumstances where the other Party (the "second Party") would, but for this paragraph, also be required to repay Cash Collateral, redeliver Equivalent Collateral or provide further Collateral under paragraph (a), then the Value of the Cash Collateral, Equivalent Collateral or further Collateral deliverable by the first Party ("X") shall be set-off against the Value of the Cash Collateral, Equivalent Collateral or further Collateral deliverable by the second Party ("Y") and the only obligation of the Parties under paragraph (a) shall be, where X exceeds Y, an obligation of the first Party, or where Y exceed X, an obligation of the second Party, (on demand) to repay Cash Collateral, redeliver Equivalent Collateral or deliver further Collateral having a Value equal to the difference between X and Y.
- 6.3 [Required Collateral Value] For the purposes of clause 6.2(a), the Value of the Posted Collateral to be delivered or deposited in respect of any loan of Securities, while the loan of Securities continues, shall be equal to the aggregate of the Value of the borrowed Securities and the Margin applicable thereto (the "Required Collateral Value").
- 6.4 [Time for payment/repayment of Collateral] Except as provided in clause 6.1 or clause 6.6, where any Cash Collateral is to be repaid, Equivalent Collateral is to be redelivered or further Collateral is to be provided under this clause 6, it shall be paid or delivered as stated in paragraph 1.4 in Schedule 1.
- 6.5 [Substitution of Alternative Collateral] The Borrower may from time to time call for the repayment of Cash Collateral or the redelivery of Equivalent Collateral prior to the date on which the same would otherwise have been repayable or redeliverable, provided that, at the time of such repayment or redelivery, the Borrower shall have delivered or delivers Alternative Collateral acceptable to the Lender.
- 6.6 [Return of Collateral/Equivalent Collateral on redelivery of Equivalent Securities]
 - (a) Cash Collateral shall be repaid and Equivalent Collateral shall be redelivered at the same time as Equivalent Securities in respect of the Securities borrowed are redelivered.
 - (b) Where Collateral is provided through a book entry transfer system (such as Austraclear or RITS), the obligation of the Lender shall be to redeliver Equivalent Collateral through such book entry transfer system in accordance with this Agreement. If the loan of Securities in respect of which Collateral

was provided has not been discharged when the Equivalent Collateral is redelivered, any payment obligation generated within the book entry transfer system on such redelivery shall, until the loan of Securities is discharged or further Collateral is provided, be deemed to constitute an obligation to pay Cash Collateral.

- 6.7 [Receipt by Lender of Income on Collateral] Where Collateral (other than Cash Collateral) is delivered in respect of which any Income may become payable and an Income Payment Date in respect of that Collateral occurs prior to the redelivery of Equivalent Collateral, then, unless such Income is paid directly to the Borrower, the Lender shall, on the date on which such Income is paid or on such other date as the Parties may from time to time agree, pay and deliver a sum of money or property equivalent to such Income (with any such endorsements or assignments as shall be customary and appropriate to effect the delivery) to the Borrower.
- 6.8 [Borrower's rights re Collateral are not assignable] The Borrower may not assign, transfer or otherwise dispose of, or mortgage, charge or otherwise encumber, or otherwise deal with its rights in respect of any Collateral without the prior written consent of the Lender.
- 6.9 [Lender may set off obligation to repay or return Equivalent Collateral] If the Borrower fails to comply with its obligation to redeliver Equivalent Securities, the obligation of the Lender in respect of any Collateral may be the subject of a set-off in accordance with clause 8.
- 6.10 [Collateral provided to Lender's Nominee] Without limiting clause 1.8, where Collateral is provided to the Lender's nominee, any obligation under this Agreement to repay or redeliver or otherwise account for Equivalent Collateral shall be an obligation of the Lender, notwithstanding that any such repayment or redelivery may be effected in any particular case by the nominee.

7 Redelivery of Equivalent Securities

- 7.1 [Borrower's obligation to redeliver Equivalent Securities] The Borrower undertakes to redeliver Equivalent Securities in accordance with this Agreement and the terms of the relevant Borrowing Request.
- 7.2 [Lender may call for early redelivery of Equivalent Securities] Subject to clause 8 and the terms of the relevant Borrowing Request, the Lender may call for the redelivery of all or any Equivalent Securities at any time by giving notice on any Business Day of not less than the Standard Settlement Time for such Equivalent Securities or the equivalent time on the exchange or in the clearing organisation through which the relevant borrowed Securities were originally delivered. The Borrower shall as hereinafter provided redeliver such Equivalent Securities not later than the expiry of such notice in accordance with the Lender's instructions.
- 7.3 [Lender may terminate loan if Borrower defaults] If the Borrower does not redeliver Equivalent Securities in accordance with such call, the Lender may elect to continue the loan of Securities; provided that, if the Lender does not elect to continue the loan, the Lender may by written notice to the Borrower elect to terminate the relevant loan. Upon the expiry of such notice the provisions of clauses 8.2 to 8.5 shall apply as if upon the expiry of such notice an Event of Default had occurred in relation to the Borrower (who shall thus be the Defaulting

- Party for the purposes of this Agreement) and as if the relevant loan were the only loan outstanding.
- 7.4 [Consequence of exercise of "buy-in" against Lender, as a result of Borrower default] In the event that, as a result of the failure of the Borrower to redeliver Equivalent Securities to the Lender in accordance with this Agreement, a "buy-in" is exercised against the Lender, then, provided that reasonable notice has been given to the Borrower of the likelihood of such a "buy-in", the Borrower shall account to the Lender for the total costs and expenses reasonably incurred by the Lender as a result of such "buy-in".
- 7.5 [Right of Borrower to terminate loan early] Subject to the terms of the relevant Borrowing Request, the Borrower shall be entitled at any time to terminate a particular loan of Securities and to redeliver all and any Equivalent Securities due and outstanding to the Lender in accordance with the Lender's instructions.

8 Set-off etc.

- 8.1 [Requirement for simultaneous delivery] On the date and time that Equivalent Securities are required to be redelivered by the Borrower in accordance with the provisions of this Agreement the Lender shall simultaneously redeliver the Equivalent Collateral and repay any Cash Collateral held (in respect of the Equivalent Securities to be redelivered) to the Borrower. Neither Party shall be obliged to make delivery (or make a payment as the case may be) to the other unless it is satisfied that the other Party will make such delivery (or make an appropriate payment as the case may be) to it simultaneously. If it is not so satisfied (whether because an Event of Default has occurred in respect of the other Party or otherwise), it shall notify the other Party and, unless that other Party has made arrangements which are sufficient to assure full delivery (or the appropriate payment as the case may be) to the notifying Party, the notifying Party shall (provided it is itself in a position, and willing, to perform its own obligations) be entitled to withhold delivery (or payment, as the case may be) to the other Party.
- 8.2 [Netting following occurrence of Event of Default] If an Event of Default occurs in relation to either Party, the Parties' delivery and payment obligations (and any other obligations they have under this Agreement) shall be accelerated so as to require performance thereof at the time such Event of Default occurs (the date of which shall be the "Performance Date" for the purposes of this clause), and in such event:
 - (a) the Relevant Value of the Securities to be delivered (or payment to be made, as the case may be) by each Party shall be established in accordance with clause 8.3; and
 - (b) on the basis of the Relevant Values so established, an account shall be taken (as at the Performance Date) of what is due from each Party to the other and (on the basis that each Party's claim against the other in respect of delivery of Equivalent Securities or Equivalent Collateral or any cash payment equals the Relevant Value thereof) the sums due from one Party shall be set-off against the sums due from the other and only the balance of the account shall be payable (by the Party having the claim valued at the lower amount pursuant to the foregoing) and such balance shall be payable on the Performance Date.

- 8.3 [Relevant Value] For the purposes of clause 8.2 the Relevant Value:
 - (a) of any cash payment obligation shall equal its par value (disregarding any amount taken into account under (b) or (c) below);
 - (b) of any Securities to be delivered by the Defaulting Party shall, subject to clause 8.4(b) and (c) below, equal the Offer Value thereof; and
 - (c) of any Securities to be delivered to the Defaulting Party shall, subject to clause 8.4(b) and (c) below, equal the Bid Value thereof.

8.4 [Bid Value/Offer Value]

- (a) For the purposes of clause 8.3, but subject to (b) and (c) below, the Bid Value and Offer Value of any Securities shall be calculated as at the Close of Business in the most appropriate market for Securities of the relevant description (as determined by the Non-Defaulting Party) on the first Business Day following the Performance Date, or, if the relevant Event of Default occurs outside the normal business hours of such market, on the second Business Day following the Performance Date (the "Default Valuation Time").
- (b) Where the Non-Defaulting Party has, following the occurrence of an Event of Default but prior to the Default Valuation Time, purchased Securities forming part of the same issue and being of an identical type and description to those to be delivered by the Defaulting Party and in substantially the same amount as those Securities or sold Securities forming part of the same issue and being of an identical type and description to those to be delivered by him to the Defaulting Party and in substantially the same amount as those Securities, the cost of such purchase or the proceeds of such sale, as the case may be, (taking into account all reasonable costs, fees and expenses that would be incurred in connection therewith) shall be treated as the Offer Value or Bid Value, as the case may be, of the relevant Securities for the purposes of this clause 8.
- (c) Where the amount of any Securities sold or purchased as mentioned in (b) above is not in substantially the same amount as those Securities to be valued for the purposes of clause 8.3, the Offer Value or the Bid Value (as the case may be) of those Securities shall be ascertained by:
 - (i) dividing the net proceeds of sale or cost of purchase by the amount of the Securities sold or purchased so as to obtain a net unit price; and
 - (ii) multiplying that net unit price by the amount of the Securities to be valued.
- 8.5 [Interpretation: "Securities"] Any reference in this clause 8 to Securities shall include any asset other than cash provided by way of Collateral.
- [Interpretation: "Event of Default"] If the Borrower or the Lender for any reason fails to comply with its respective obligations under clause 6.6 in respect of the redelivery of Equivalent Collateral or the repayment of Cash Collateral, such failure shall be an Event of Default for the purposes of this clause 8, and the person failing to comply shall thus be the Defaulting Party.

8.7 [Waiver of right to require simultaneous delivery] Subject to and without prejudice to its rights under clause 8.1, either Party may from time to time in accordance with market practice and in recognition of the practical difficulties in arranging simultaneous delivery of Securities, Collateral and cash transfers waive its right under this Agreement in respect of simultaneous delivery and/or payment; provided that no such waiver in respect of one transaction shall bind it in respect of any other transaction.

9 Stamp duty, taxes etc and loss of tax benefits

- 9.1 [Stamp duty etc] The Borrower hereby undertakes promptly to pay and account for any transfer or similar duties or taxes, and any loan security or other stamp duties, (if any) chargeable in connection with any transaction effected pursuant to or contemplated by this Agreement, and shall indemnify and keep indemnified the Lender against any liability arising in respect thereof as a result of the Borrower's failure to do so.
- 9.2 [Borrower to give Transfer of Dividend Statement to Lender re franked dividends] If:
 - (a) an Income Payment Date occurs during an Income Determination Period in relation to a particular loan of Securities;
 - (b) had the Lender been the holder of those Securities on the relevant Income Payment Date, it would have received a Franked Dividend in respect of those Securities;
 - (c) the Agreement or the relevant Confirmation states that the Lender is an Australian Taxpayer;
 - (d) the failure of the Lender to receive a Franked Dividend is not due to any unreasonable act or omission by or on behalf of the Lender; and
 - (e) neither item 7 in Schedule 1 nor the relevant Confirmation states that the Lender is **not** entitled to compensation for the loss of franking credits/rebates;

then:

- (f) the Borrower must either:
 - (i) as soon as practicable, and in any event within 10 Business Days after the relevant Income Payment Date, give to the Lender a Transfer of Dividend Statement in respect of those Securities (which the Borrower is to be taken as having warranted is correct in all material respects and is effective for the purposes of Division 6A of Part IIIAA of the Tax Act); or
 - (ii) on the 10th Business Day after the relevant Income Payment Date pay to the Lender an amount equal to the franking credit referable to the Franked Dividend.
- 9.3 [Borrower to compensate corporate Lender for loss of intercorporate dividend rebate re unfranked dividends] If:

- (a) an Income Payment Date occurs during an Income Determination Period in relation to a particular loan of Securities;
- (b) had the Lender been the holder of those Securities on the relevant Income Payment Date, it would have received an Unfranked Dividend in respect of those Securities;
- (c) the Agreement or the relevant Confirmation states the Lender is entitled to compensation for the loss of the intercorporate dividend rebate under the Tax Act;
- (d) the failure of the Lender to qualify for that rebate is not due to any unreasonable act or omission by or on behalf of the Lender; and
- (e) neither item 8 of the Agreement nor the relevant Confirmation states that the Lender is **not** entitled to compensation for the loss of that rebate;

then the Borrower must pay to the Lender an amount calculated as follows:

$$P = \frac{DT}{1-T}$$

Where:

P = the amount payable;

D = the amount of the Unfranked Dividend; and

- T = the rate of income tax, expressed as a decimal, determined under the Tax Act at the relevant Income Payment Date as that payable in respect of the taxable income of a company (other than a private company, a company in the capacity of a trustee or a non-profit company that is a friendly society dispensary).
- 9.4 ["Notifiable consideration" for the purposes of s26BC(3)(d) of the Tax Act] For the purposes of section 26BC(3)(d) of the Tax Act, the notifiable consideration in respect of any loan of Securities is dissected as follows:
 - (a) a fee see clause 5.1(as applicable); and
 - (b) other consideration see clauses 4.2, 6 and 9 and the definition of "Equivalent Securities" in clause 26.

- 12.2 [Obligation of each Party to notify its Event of Default] Each Party shall notify the other if an Event of Default occurs in relation to it.

13 Outstanding payments

[**Default interest**] In the event of either Party failing to remit sums in accordance with this Agreement, such Party hereby undertakes to pay to the other Party upon demand interest (before as well as after judgment) on the net balance due and outstanding, for the period commencing on and inclusive of the original due date for payment to (but excluding) the date of actual payment, in the same currency at a rate per annum equal to the cost (without proof or evidence of any actual cost) to the relevant payee (as certified by it in good faith) if it were to fund or of funding the relevant amount, plus 2% (or other agreed percentage) per annum.

14 Transactions entered into as agent

- 14.1 [Agency Transactions] Subject to the following provisions of this clause, the Lender may enter into loans as agent (in such capacity, the "Agent") for a third person (a "Principal"), whether as custodian or investment manager or otherwise (a loan so entered into being referred to in this clause as an "Agency Transaction").
- 14.2 [Conditions for Agency Transactions] A Lender may enter into an Agency Transaction if, but only if:
 - (a) it specifies that loan as an Agency Transaction at the time when it enters into it;
 - (b) it enters into that loan on behalf of a single Principal whose identity is disclosed to the Borrower (whether by name or by reference to a code or identifier which the Parties have agreed will be used to refer to a specified Principal) at the time when it enters into the loan; and
 - (c) it has at the time when the loan is entered into actual authority to enter into the loan and to perform on behalf of that Principal all of that Principal's obligations under the agreement referred to in clause 14.4(b) below.
- 14.3 [Undertakings by Lender] The Lender undertakes that, if it enters as agent into an Agency Transaction, forthwith upon becoming aware:
 - (a) of any event which constitutes an Act of Insolvency with respect to the relevant Principal; or
 - (b) of any breach of any of the warranties given in clause 14.5 below or of any event or circumstance which has the result that any such warranty would be untrue if repeated by reference to the current facts,

it will inform the Borrower of that fact and will, if so required by the Borrower, furnish it with such additional information as it may reasonably request.

14.4 [Consequences of Agency Transaction]

- (a) Each Agency Transaction shall be a transaction between the relevant Principal and the Borrower and no person other than the relevant Principal and the Borrower shall be a party to or have any rights or obligations under an Agency Transaction. Without limiting the foregoing, the Lender shall not be liable as principal for the performance of an Agency Transaction or for breach of any warranty contained in clause 10(d) of this Agreement, but this is without prejudice to any liability of the Lender under any other provision of this clause.
- (b) All the provisions of the Agreement shall apply separately as between the Borrower and each Principal for whom the Agent has entered into an Agency Transaction or Agency Transactions as if each such Principal were a party to a separate agreement with the Borrower in all respects identical with this Agreement other than this paragraph and as if the Principal were Lender in respect of that agreement; provided that:

- (i) if there occurs in relation to the Agent an Event or Default or an event which would constitute an Event of Default if the Borrower served written notice under any paragraph of clause 12, the Borrower shall be entitled by giving written notice to the Principal (which notice shall be validly given to the Lender in accordance with clause 20) to declare that, by reason of that event, an Event of Default is to be treated as occurring in relation to the Principal. If the Borrower gives such a notice, then an Event of Default shall be treated as occurring in relation to the Principal at the time when the notice is deemed to be given; and

- (B) (i) Where Income is paid in relation to any Securities on or by reference to an Income Payment Date on which such Securities are the subject of a loan hereunder, the Borrower shall, on the date of the payment of such Income, or on such other date as the Parties may from time to time agree, (the "Relevant Payment Date") pay and deliver a sum of money or property equivalent to the same (with any such endorsements or assignments as shall be customary and appropriate to effect the delivery) to the Lender or its Nominee, irrespective of whether the Borrower received the same. The provisions of sub-paragraphs (ii) to (v) below shall apply in relation thereto.
 - (ii) Subject to sub-paragraph (iii) below, in the case of any Income comprising a payment, the amount (the "Manufactured Dividend") payable by the Borrower shall be equal to the amount of the relevant Income together with an amount equivalent to any deduction, withholding or payment for or on account of tax made by the relevant issuer (or on its behalf) in respect of such Income together with an amount equal to any other tax credit associated with such Income unless a lesser amount is agreed between the Parties or an Appropriate Tax Voucher (together with any further amount which may be agreed between the Parties to be paid) is provided in lieu of such deduction, withholding tax credit or payment.
 - (iii) Where either the Borrower, or any person to whom the Borrower has on-lent the Securities, is unable to make payment of the Manufactured Dividend to the Lender without accounting to the Inland Revenue for any amount of relevant tax (as required by Schedule 23A to the Income and Corporation Taxes Act

1988) the Borrower shall pay to the Lender or its Nominee, in cash, the Manufactured Dividend less amounts equal to such tax. The Borrower shall at the same time if requested supply Appropriate Tax Vouchers to the Lender.

(iv) If at any time any Manufactured Dividend falls to be paid and neither of the Parties is an Approved UK Intermediary or an Approved UK Collecting Agent, the Borrower shall procure that the payment is paid through an Approved UK Intermediary or an Approved UK Collecting Agent agreed by the Parties for this purpose, unless the rate of relevant withholding tax in respect of any Income that would have been payable to the Lender but for the loan of the Securities would have been zero and no income tax liability under Section 123 of the Income and Corporation Taxes Act 1988 would have arisen in respect thereof.

- (v) In the event of the Borrower failing to remit either directly or by its Nominee any sum payable pursuant to this Clause, the Borrower hereby undertakes to pay a rate to the Lender (upon demand) on the amount due and outstanding at the rate provided for in Clause 13 hereof. Interest on such sum shall accrue daily commencing on and inclusive of the third Business Day after the Relevant Payment Date, unless otherwise agreed between the Parties.
- (vi) Each Party undertakes that where it holds securities of the same description as any securities borrowed by it or transferred to it by way of collateral at a time when a right to vote arises in respect of such securities, it will use its best endeavours to arrange for the voting rights attached to such securities to be exercised in accordance with the instructions of the Lender or Borrower (as the case may be) PROVIDED ALWAYS THAT each Party shall use its best endeavours to notify the other of its instructions in writing no later than seven Business Days prior to the date upon which such votes are exercisable or as otherwise agreed between the Parties and that the Party concerned shall not be obliged so to exercise the votes in respect of a number of Securities greater than the number so lent or transferred to it. For the avoidance of doubt the Parties agree that subject as hereinbefore provided any voting rights attaching to the relevant Securities, Equivalent Securities, Collateral and/or Equivalent Collateral shall be exercisable by the persons in whose name they are registered or in the case of Securities, Equivalent Securities, Collateral and/or Equivalent Collateral in bearer form, the persons by or on behalf of whom they are held, and not necessarily by the Borrower or the Lender (as the case may be).
- (vii) Where, in respect of any borrowed Securities or any Collateral, any rights relating to conversion, sub-division, consolidation, pre-emption, rights arising under a takeover offer or other rights, including those requiring election by the holder for the time being of such Securities or Collateral, become exercisable prior to the redelivery of Equivalent Securities or Equivalent Collateral, then the Lender or Borrower, as the case may be, may, within a reasonable time before the latest time for the exercise of the right or option give written notice to the other Party that on redelivery of Equivalent Securities or Equivalent Collateral, as the case may be, it wishes to receive Equivalent Securities or Equivalent Collateral in such form as will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as is specified in such written notice.

(viii) Any payment to be made by the Borrower under this Clause shall be made in a manner to be agreed between the Parties.

5. RATES

- (A) In respect of each loan of Securities, the Borrower shall pay to the Lender, in the manner prescribed in sub-Clause (C), sums calculated by applying such rate as shall be agreed between the Parties from time to time to the daily Value of the relevant Securities.
- (B) Where Cash Collateral is deposited with the Lender in respect of any loan of Securities in circumstances where:
 - (i) interest is earned by the Lender in respect of such Cash Collateral and that interest is paid to the Lender without deduction of tax, the Lender shall pay to the Borrower, in the manner prescribed in sub-Clause (C), an amount equal to the gross amount of such interest earned. Any such payment due to the Borrower may be set-off against any payment due to the Lender pursuant to sub-Clause (A) hereof if either the Borrower has warranted to the Lender in this Agreement that it is subject to tax in the United Kingdom under Case I of Schedule D in respect of any income arising pursuant to or in connection with the borrowing of Securities hereunder or the Lender has notified the Borrower of the gross amount of such interest or income; and
 - (ii) sub-Clause (B)(i) above does not apply, the Lender shall pay to the Borrower, in the manner presented in sub-Clause (C), sums calculated by applying such rates as shall be agreed between the Parties from time to time to the amount of such Cash Collateral. Any such payment due to the Borrower may be set-off against any payment due to the Lender pursuant to sub-Clause (A) hereof.
- (C) In respect of each loan of Securities, the payments referred to in sub-Clauses (A) and (B) of this Clause shall accrue daily in respect of the period commencing on and inclusive of the Settlement Day and terminating on and exclusive of the Business Day upon which Equivalent Securities are redelivered or Cash Collateral is repaid. Unless otherwise agreed, the sums so accruing in respect of each calendar month shall be paid in arrears by the Borrower to the Lender or to the Borrower by the Lender (as the case may be) not later than the Business Day which is one week after the last Business Day of the calendar month to which such payments relate or such other date as the Parties shall from time to time agree. Any payment made pursuant to sub-Clauses (A) and (B) hereof shall be in such currency and shall be paid in such manner and at such place as shall be agreed between the Parties.

6. COLLATERAL

- (A) (i) Subject to sub-Clauses (B), (C) and (E) below the Borrower undertakes to deliver Collateral to the Lender (or in accordance with the Lender's instructions) TOGETHER WITH appropriate instruments of transfer duly stamped where necessary and such other instruments as may be requisite to vest title thereto in the Lender simultaneously with delivery of the borrowed Securities and in any event no later than Close of Business on the Settlement Date. Collateral may be provided in any of the forms specified in the Schedule hereto (as agreed between the Parties);
 - (ii) where Collateral is delivered to the Lender's Nominee any obligation under this Agreement to redeliver or otherwise account for Equivalent Collateral shall be an

obligation of the Lender notwithstanding that any such redelivery may be effected in any particular case by the Nominee.

- (B) Where CGO Collateral is provided to the Lender or its Nominee by member-to-member delivery or delivery-by-value in accordance with the provisions of the CGO Rules from time to time in force, the obligation of the Lender shall be to redeliver Equivalent Collateral through the CGO to the Borrower in accordance with this Agreement. Any references, (howsoever expressed) in this Agreement, the Rules, and/or any other agreement or communication between the Parties to an obligation to redeliver such Equivalent Collateral shall be construed accordingly. If the loan of Securities in respect of which such Collateral was provided has not been discharged when the Collateral is redelivered, the Assured Payment obligation generated on such redelivery shall be deemed to constitute a payment of money which shall be treated as Cash Collateral until the loan is discharged, or further Equivalent Collateral is provided later during that Business Day. This procedure shall continue daily where CGO Collateral is delivered-by-value for as long as the relevant loan remains outstanding.
- (C) Where CGO Collateral or other collateral is provided by delivery-by-value to a Lender or its Nominee the Borrower may consolidate such Collateral with other Collateral provided by the same delivery to a third party for whom the Lender or its Nominee is acting.
- (D) Where Collateral is provided by delivery-by-value through an alternative book entry transfer system, not being the CGO, the obligation of the Lender shall be to redeliver Equivalent Collateral through such book entry transfer system in accordance with this Agreement. If the loan of Securities in respect of which such Collateral was provided has not been discharged when the Collateral is redelivered, any payment obligation generated within the book entry transfer system on such redelivery shall be deemed to constitute a payment of money which shall be treated as Cash Collateral until the loan is discharged, or further Equivalent Collateral is provided later during that Business Day. This procedure shall continue when Collateral is delivered-by-value for as long as the relevant loan remains outstanding;
- (E) Where Cash Collateral is provided the sum of money so deposited may be adjusted in accordance with Clause 6(H). Subject to Clause 6(H)(ii), the Cash Collateral shall be repaid at the same time as Equivalent Securities in respect of the Securities borrowed are redelivered, and the Borrower shall not assign, charge, dispose of or otherwise deal with its rights in respect of the Cash Collateral. If the Borrower fails to comply with its obligations for such redelivery of Equivalent Securities the Lender shall have the right to apply the Cash Collateral by way of set-off in accordance with Clause 8.
- (F) The Borrower may from time to time call for the repayment of Cash Collateral or the redelivery of Collateral equivalent to any Collateral delivered to the Lender prior to the date on which the same would otherwise have been repayable or redeliverable PROVIDED THAT at the time of such repayment or redelivery the Borrower shall have delivered or delivers Alternative Collateral acceptable to the Lender.
- (G) (i) Where Collateral (other than Cash Collateral) is delivered in respect of which any Income may become payable, the Borrower shall call for the redelivery of Collateral equivalent to such Collateral in good time to ensure that such Equivalent Collateral may be delivered prior to any such Income becoming payable to the Lender, unless in relation to such Collateral the Parties are satisfied before the relevant Collateral is transferred that no tax will be payable to the UK Inland Revenue under Schedule 23A of the Income and Corporation Taxes Act 1988. At

the time of such redelivery the Borrower shall deliver Alternative Collateral acceptable to the Lender.

- (ii) Where the Lender receives any Income in circumstances where the Parties are satisfied as set out in Clause 6(G)(i) above, then the Lender shall on the date on which the Lender receives such Income or on such date as the Parties may from time to time agree, pay and deliver a sum of money or property equivalent to such Income (with any such endorsements or assignments as shall be customary and appropriate to effect the delivery) to the Borrower and shall supply Appropriate Tax Vouchers (if any) to the Borrower.
- (H) Unless the Schedule to this Agreement indicates that Clause 6(I) shall apply in lieu of this Clause 6(H), or unless otherwise agreed between the Parties, the Value of the Collateral delivered to or deposited with the Lender or its nominated bank or depositary (excluding any Collateral repaid or redelivered under sub-Clauses (H)(ii) or (I)(ii) below (as the case may be) ("Posted Collateral")) in respect of any loan of Securities shall bear from day to day and at any time the same proportion to the Value of the Securities borrowed under such loan as the Posted Collateral bore at the commencement of such loan. Accordingly:
 - (i) the Value of the Posted Collateral to be delivered or deposited while the loan of Securities continues shall be equal to the Value of the borrowed Securities and the Margin applicable thereto (the "Required Collateral Value");
 - (ii) if on any Business Day the Value of the Posted Collateral in respect of any loan of Securities exceeds the Required Collateral Value in respect of such loan, the Lender shall (on demand) repay such Cash Collateral and/or redeliver to the Borrower such Equivalent Collateral as will eliminate the excess; and
 - (iii) if on any Business Day the Value of the Posted Collateral falls below the Required Collateral Value, the Borrower shall (on demand) provide such further Collateral to the Lender as will eliminate the deficiency.
- (I) Subject to Clause 6(J), unless the Schedule to this Agreement indicates that Clause 6(H) shall apply in lieu of this Clause 6(I), or unless otherwise agreed between the Parties:-
 - (i) the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement shall equal the aggregate of the Required Collateral Values in respect of such loans;
 - (ii) if at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement exceeds the aggregate of the Required Collateral Values in respect of such loans, the Lender shall (on demand) repay such Cash Collateral and/or redeliver to the Borrower such Equivalent Collateral as will eliminate the excess;
 - (iii) if at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement falls below the aggregate of Required Collateral Values in respect of all such loans, the Borrower shall (on demand) provide such further Collateral to the Lender as will eliminate the deficiency.
- (J) Where Clause 6(I) applies, unless the Schedule to this Agreement indicates that this Clause 6(J) does not apply, if a Party (the "first Party") would, but for this Clause 6(J), be required under Clause 6(I) to repay Cash Collateral, redeliver Equivalent Securities or provide further Collateral in circumstances where the other Party (the "second Party")

would, but for this Clause 6(J), also be required to repay Cash Collateral or provide or redeliver Equivalent Collateral under Clause 6(I), then the Value of the Cash Collateral or Equivalent Collateral deliverable by the first Party ("X") shall be set-off against the Value of the Cash Collateral, or Equivalent Collateral or further Collateral deliverable by the second Party ("Y") and the only obligation of the Parties under Clause 6(I) shall be, where X exceeds Y, an obligation of the first Party, or where Y exceeds X, an obligation of the second Party, to repay Cash Collateral, redeliver Equivalent Collateral or to deliver further Collateral having a Value equal to the difference between X and Y.

- (K) Where Cash Collateral is repaid, Equivalent Collateral is redelivered or further Collateral is provided by a Party under Clause 6(I), the Parties shall agree to which loan or loans of Securities such repayment, redelivery or further provision is to be attributed and failing agreement it shall be attributed, as determined by the Party making such repayment, redelivery or further provision to the earliest outstanding loan and, in the case of a repayment or redelivery up to the point at which the Value of Collateral in respect of such loan is reduced to zero and, in the case of a further provision up to the point at which the Value of the Collateral in respect of such loan equals the Required Collateral Value in respect of such loan, and then to the next earliest outstanding loan up to the similar point and so on.
- (L) Where any Cash Collateral falls to be repaid or Equivalent Collateral to be redelivered or further Collateral to be provided under this Clause 6, it shall be delivered within the minimum period after demand specified in the Schedule or if no appropriate period is there specified within the standard settlement time for delivery of the relevant type of Cash Collateral, Equivalent Collateral or Collateral, as the case may be.

7. REDELIVERY OF EQUIVALENT SECURITIES

- (A) The Borrower undertakes to redeliver Equivalent Securities in accordance with this Agreement and the terms of the relevant Borrowing Request. For the avoidance of doubt any reference herein or in any other agreement or communication between the Parties (howsoever expressed) to an obligation to redeliver or account for or act in relation to borrowed Securities shall accordingly be construed as a reference to an obligation to redeliver or account for or act in relation to Equivalent Securities.
- (B) Subject to Clause 8 hereof and the terms of the relevant Borrowing Request the Lender may call for the redelivery of all or any Equivalent Securities at any time by giving notice on any Business Day of not less than the standard settlement time for such Equivalent Securities on the exchange or in the clearing organisation through which the relevant borrowed Securities were originally delivered. The Borrower shall as hereinafter provided redeliver such Equivalent Securities not later than the expiry of such notice in accordance with the Lender's instructions. Simultaneously with the redelivery of the Equivalent Securities in accordance with such call, the Lender shall (subject to Clause 6(I), if applicable) repay any Cash Collateral and redeliver to the Borrower Collateral equivalent to the Collateral delivered pursuant to Clause 6 in respect of the borrowed Securities. For the avoidance of doubt any reference herein or in any other agreement or communication between the Parties (however expressed) to an obligation to redeliver or account for or act in relation to Collateral shall accordingly be construed as a reference to an obligation to redeliver or account for or act in relation to Equivalent Collateral.
- (C) If the Borrower does not redeliver Equivalent Securities in accordance with such call, the Lender may elect to continue the loan of Securities **PROVIDED THAT** if the Lender does not elect to continue the loan the Lender may by written notice to the Borrower elect to terminate the relevant loan. Upon the expiry of such notice the provisions of Clauses (8)

- (B) to (F) shall apply as if upon the expiry of such notice an Event of Default had occurred in relation to the Borrower (who shall thus be the Defaulting Party for the purposes of this Agreement) and as if the relevant loan were the only loan outstanding.
- (D) In the event that as a result of the failure of the Borrower to redeliver Equivalent Securities to the Lender in accordance with this Agreement a "buy-in" is exercised against the Lender then provided that reasonable notice has been given to the Borrower of the likelihood of such a "buy-in", the Borrower shall account to the Lender for the total costs and expenses reasonably incurred by the Lender as a result of such "buy-in".
- (E) Subject to the terms of the relevant Borrowing Request, the Borrower shall be entitled at any time to terminate a particular loan of Securities and to redeliver all and any Equivalent Securities due and outstanding to the Lender in accordance with the Lender's instructions. The Lender shall accept such redelivery and simultaneously therewith (subject to Clause 6(I) if applicable) shall repay to the Borrower any Cash Collateral or, as the case may be, redeliver Collateral equivalent to the Collateral provided by the Borrower pursuant to Clause 6 in respect thereof.
- (F) Where a TALISMAN short term certificate (as described in paragraph C of the Schedule) is provided by way of Collateral, the obligation to redeliver Equivalent Collateral is satisfied by the redelivery of the certificate to the Borrower or its expiry as provided for in the Rules applying to such certificate.
- (G) Where a Letter of Credit is provided by way of Collateral, the obligation to redeliver Equivalent Collateral is satisfied by the Lender redelivering for cancellation the Letter of Credit so provided, or where the Letter of Credit is provided in respect of more than one loan, by the Lender consenting to a reduction in the value of the Letter of Credit.

8. <u>SET-OFF ETC.</u>

- (A) On the date and time (the "Performance Date") that Equivalent Securities are required to be redelivered by the Borrower in accordance with the provisions of this Agreement the Lender shall simultaneously redeliver the Equivalent Collateral and repay any Cash Collateral held (in respect of the Equivalent Securities to be redelivered) to the Borrower. Neither Party shall be obliged to make delivery (or make a payment as the case may be) to the other unless it is satisfied that the other Party will make such delivery (or make an appropriate payment as the case may be) to it simultaneously. If it is not so satisfied (whether because an Event of Default has occurred in respect of the other Party or otherwise) it shall notify the other party and unless that other Party has made arrangements which are sufficient to assure full delivery (or the appropriate payment as the case may be) to the notifying Party, the notifying Party shall (provided it is itself in a position, and willing, to perform its own obligations) be entitled to withhold delivery (or payment, as the case may be) to the other Party.
- (B) If an Event of Default occurs in relation to either Party, the Parties' delivery and payment obligations (and any other obligations they have under this Agreement) shall be accelerated so as to require performance thereof at the time such Event of Default occurs (the date of which shall be the "Performance Date" for the purposes of this clause) and in such event:
 - (i) the Relevant Value of the Securities to be delivered (or payment to be made, as the case may be) by each Party shall be established in accordance with Clause 8(C); and

- (ii) on the basis of the Relevant Values so established, an account shall be taken (as at the Performance Date) of what is due from each Party to the other and (on the basis that each Party's claim against the other in respect of delivery of Equivalent Securities or Equivalent Collateral or any cash payment equals the Relevant Value thereof) the sums due from one Party shall be set-off against the sums due from the other and only the balance of the account shall be payable (by the Party having the claim valued at the lower amount pursuant to the foregoing) and such balance shall be payable on the Performance Date.
- (C) For the purposes of Clause 8(B) the Relevant Value:-

- (i) of any cash payment obligation shall equal its par value (disregarding any amount taken into account under (ii) or (iii) below);
- (ii) of any securities to be delivered by the Defaulting Party shall, subject to Clause 8(E) below, equal the Offer Value thereof; and
- (iii) of any securities to be delivered to the Defaulting Party shall, subject to Clause 8(E) below, equal the Bid Value thereof.
- (D) For the purposes of Clause 8(C), but subject to Clause 8(E) below, the Bid Value and Offer Value of any securities shall be calculated as at the Close of Business in the most appropriate market for securities of the relevant description (as determined by the Non-Defaulting Party) on the first Business Day following the Performance Date, or if the relevant Event of Default occurs outside the normal business hours of such market, on the second Business Day following the Performance Date (the "Default Valuation Time");
- (E) Where the Non-Defaulting Party has following the occurrence of an Event of Default but prior to the Default Valuation Time purchased securities forming part of the same issue and being of an identical type and description to those to be delivered by the Defaulting Party and in substantially the same amount as those securities or sold securities forming part of the same issue and being of an identical type and description to those to be delivered by him to the Defaulting Party and in substantially the same amount as those securities, the cost of such purchase or the proceeds of such sale, as the case may be, (taking into account all reasonable costs, fees and expenses that would be incurred in connection therewith) shall be treated as the Offer Value or Bid Value, as the case may be, of the relevant securities for the purposes of this Clause 8.
 - (ii) Where the amount of any securities sold or purchased as mentioned in (E)(i) above is not in substantially the same amount as those securities to be valued for the purposes Clause 8(C) the Offer Value or the Bid Value (as the case may be) of those securities shall be ascertained by dividing the net proceeds of sale or cost of purchase by the amount of the securities sold or purchased so as to obtain a net unit price and multiplying that net unit price by the amount of the securities to be valued.
- (F) Any reference in this Clause 8 to securities shall include any asset other than cash provided by way of Collateral.
- (G) If the Borrower or the Lender for any reason fail to comply with their respective obligations under Clauses 6(F) or 6(G) in respect of redelivery of Equivalent Collateral or repayment of Cash Collateral such failure shall be an Event of Default for the purposes of this Clause 8, and the person failing to comply shall thus be the Defaulting Party.

(H) Subject to and without prejudice to its rights under Clause 8(A) either Party may from time to time in accordance with market practice and in recognition of the practical difficulties in arranging simultaneous delivery of Securities, Collateral and cash transfers waive its right under this Agreement in respect of simultaneous delivery and/or payment **PROVIDED THAT** no such waiver in respect of one transaction shall bind it in respect of any other transaction.

9. TAXATION

- (A) The Borrower hereby undertakes promptly to pay and account for any transfer or similar duties or taxes chargeable in connection with any transaction effected pursuant to or contemplated by this Agreement, and shall indemnify and keep indemnified the Lender against any liability arising in respect thereof as a result of the Borrower's failure to do so.
- (B) The Borrower shall only make a Borrowing Request where the purpose of the loan meets the requirements of the Rules regarding the conditions that must be fulfilled for Section 129 of the Income and Corporation Taxes Act 1988 (or any statutory modification or re-enactment thereof for the time being in force) to apply to the arrangement concerning the loan, unless the Lender is aware that the transaction is unapproved for the purposes of the Rules of the UK Inland Revenue or such purpose is not met.
- (C) A Party undertakes to notify the other Party if it becomes or ceases to be an Approved UK Intermediary or an Approved UK Collecting Agent.

10. <u>LENDER'S WARRANTIES</u>

Each Party hereby warrants and undertakes to the other on a continuing basis to the intent that such warranties shall survive the completion of any transaction contemplated herein that, where acting as a Lender:

- it is duly authorised and empowered to perform its duties and obligations under this Agreement;
- (B) it is not restricted under the terms of its constitution or in any other manner from lending Securities in accordance with this Agreement or from otherwise performing its obligations hereunder;
- it is absolutely entitled to pass full legal and beneficial ownership of all Securities provided by it hereunder to the Borrower free from all liens, charges and encumbrances;
- where the Schedule to this Agreement specifies that this Clause 10(D) applies, it is not resident in the United Kingdom for tax purposes and either is not carrying on a trade in the United Kingdom through a branch or agency or if it is carrying on such a trade the loan is not entered into in the course of the business of such branch or agency, and it has (i) delivered or caused to be delivered to the Borrower a duly completed and certified Certificate (MOD2) or a photocopy thereof bearing an Inland Revenue acknowledgement and unique number and such Certificate or photocopy remains valid or (ii) has taken all necessary steps to enable a specific authorisation to make gross payment of the Manufactured Dividend to be issued by the Inland Revenue;

11. BORROWER'S WARRANTIES

Each Party hereby warrants and undertakes to the other on a continuing basis to the intent that such warranties shall survive the completion of any transaction contemplated herein that, where acting as a Borrower:

- (A) it has all necessary licenses and approvals, and is duly authorised and empowered, to perform its duties and obligations under this Agreement and will do nothing prejudicial to the continuation of such authorisation, licences or approvals;
- (B) it is not restricted under the terms of its constitution or in any other manner from borrowing Securities in accordance with this Agreement or from otherwise performing its obligations hereunder;
- (C) it is absolutely entitled to pass full legal and beneficial ownership of all Collateral provided by it hereunder to the Lender free from all liens, charges and encumbrances;
- (D) it is acting as principal in respect of this Agreement;
- (E) where the Schedule to this Agreement specifies this Clause 11(E) applies, it is subject to tax in the United Kingdom under Case I of Schedule D in respect of any income arising pursuant to or in connection with the borrowing of Securities hereunder.

12. EVENTS OF DEFAULT

Each of the following events occurring in relation to either Party (the "Defaulting Party", the other Party being the "Non-Defaulting Party") shall be an Event of Default for the purpose of Clause 8:-

- (A) the Borrower or Lender failing to pay or repay Cash Collateral or deliver or redeliver Collateral or Equivalent Collateral upon the due date, and the Non-Defaulting Party serves written notice on the Defaulting Party;
- (B) the Lender or Borrower failing to comply with its obligations under Clause 6, and the Non-Defaulting Party serves written notice on the Defaulting Party;
- (C) the Borrower failing to comply with Clause 4(B)(i), (ii) or (iii) hereof, and the Non-Defaulting Party serves written notice on the Defaulting Party;
- an Act of Insolvency occurring with respect to the Lender or the Borrower and (except in the case of an Act of Insolvency which is the presentation of a petition for winding up or any analogous proceeding or the appointment of a liquidator or analogous officer of the Defaulting Party in which case no such notice shall be required) the Non-Defaulting Party serves written notice on the Defaulting Party;
- (E) any representations or warranties made by the Lender or the Borrower being incorrect or untrue in any material respect when made or repeated or deemed to have been made or repeated, and the Non-Defaulting Party serves written notice on the Defaulting Party;
- (F) the Lender or the Borrower admitting to the other that it is unable to, or it intends not to, perform any of its obligations hereunder and/or in respect of any loan hereunder, and the Non-Defaulting Party serves written notice on the Defaulting Party;

- (G) the Lender (if appropriate) or the Borrower being declared in default by the appropriate authority under the Rules or being suspended or expelled from membership of or participation in any securities exchange or association or other self-regulatory organisation, or suspended from dealing in securities by any government agency, and the Non-Defaulting Party serves written notice on the Defaulting Party;
- (H) any of the assets of the Lender or the Borrower or the assets of investors held by or to the order of the Lender or the Borrower being transferred or ordered to be transferred to a trustee by a regulatory authority pursuant to any securities regulating legislation and the Non-Defaulting Party serves written notice on the Defaulting Party, or
- (I) the Lender or the Borrower failing to perform any other of its obligations hereunder and not remedying such failure within 30 days after the Non-Defaulting Party serves written notice requiring it to remedy such failure, and the Non-Defaulting Party serves a further written notice on the Defaulting Party.

Each Party shall notify the other if an Event of Default occurs in relation to it.

13. OUTSTANDING PAYMENTS

In the event of either Party failing to remit either directly or by its Nominee sums in accordance with this Agreement such Party hereby undertakes to pay a rate to the other Party upon demand on the net balance due and outstanding of 1% above the Barclays Bank PLC base rate from time to time in force.

14. TRANSACTIONS ENTERED INTO AS AGENT

- (A) Subject to the following provisions of this Clause, the Lender may enter into loans as agent (in such capacity, the "Agent") for a third person (a "Principal"), whether as custodian or investment manager or otherwise (a loan so entered into being referred to in this clause as an "Agency Transaction").
- (B) A Lender may enter into an Agency Transaction if, but only if:-
 - (i) if specifies that loan as an Agency Transaction at the time when it enters into it;
 - (ii) it enters into that loan on behalf of a single Principal whose identity is disclosed to the Borrower (whether by name or by reference to a code or identifier which the Parties have agreed will be used to refer to a specified Principal) at the time when it enters into the loan; and
 - (iii) it has at the time when the loan is entered into actual authority to enter into the loan and to perform on behalf of that Principal all of that Principal's obligations under the agreement referred to in (D)(ii) below.
- (C) The Lender undertakes that, if it enters as agent into an Agency Transaction, forthwith upon becoming aware:
 - of any event which constitutes an Act of Insolvency with respect to the relevant Principal; or

(ii) of any breach of any of the warranties given in Clause 14(E) below or of any event or circumstance which has the result that any such warranty would be untrue if repeated by reference to the current facts;

it will inform the Borrower of that fact and will, if so required by the Borrower, furnish it with such additional information as it may reasonably request.

- (D) (i) Each Agency Transaction shall be a transaction between the relevant Principal and the Borrower and no person other than the relevant Principal and the Borrower shall be a party to or have any rights or obligations under an Agency Transaction. Without limiting the foregoing, the Lender shall not be liable as principal for the performance of an Agency Transaction or for breach of any warranty contained in Clause 10(D) or 11(E) of this Agreement, but this is without prejudice to any liability of the Lender under any other provision of this Clause.
 - (ii) All the provisions of the Agreement shall apply separately as between the Borrower and each Principal for whom the Agent has entered into an Agency transaction or Agency Transactions as if each such Principal were a party to a separate agreement with the Borrower in all respects identical with this Agreement other than this paragraph and as if the Principal were Lender in respect of that agreement.

PROVIDED THAT

if there occurs in relation to the Agent an Event of Default or an event which would constitute an Event of Default if the Borrower served written notice under any sub-Clause of Clause 12, the Borrower shall be entitled by giving written notice to the Principal (which notice shall be validly given if given to the Lender in accordance with Clause 20) to declare that by reason of that event an Event of Default is to be treated as occurring in relation to the Principal. If the Borrower gives such a notice then an Event of Default shall be treated as occurring in relation to the Principal at the time when the notice is deemed to be given; and

if the Principal is neither incorporated nor has established a place of business in Great Britain, the Principal shall for the purposes of the agreement referred to in (D)(ii) be deemed to have appointed as its agent to receive on its behalf service of process in the courts of England the Agent, or if the Agent is neither incorporated nor has established a place of business in the United Kingdom, the person appointed by the Agent for the purposes of this Agreement, or such other person as the Principal may from time to time specify in a written notice given to the other party.

- (iii) The foregoing provisions of this Clause do not affect the operation of the Agreement as between the Borrower and the Lender in respect of any transactions into which the Lender may enter on its own account as principal.
- (E) The Lender warrants to the Borrower that it will, on every occasion on which it enters or purports to enter into a transaction as an Agency Transaction, have been duly authorised to enter into that loan and perform the obligations arising thereunder on behalf of the person whom it specifies as the principal in respect of that transaction and to perform on behalf of that person all the obligations of that person under the agreement referred to in (D)(ii).

15. TERMINATION OF COURSE OF DEALINGS BY NOTICE

MASTER SECURITIES LENDING AGREEMENT (REV. 1/13/84)

DATED: **FEBRUARY 15, 2007**

Gentlemen:

This letter sets forth the terms of an agreement between Citibank, N.A., as Agent for one or more holders of securities (the "Agent"), and Macquarie Securities (USA) Inc. (the "Borrower").

Position of Agent

The Agent has been appointed the agent for one or more holders of securities (collectively, the "Lenders"), to arrange and administer, on behalf of such holders, pursuant to this Agreement, loans of securities. A list of such Lenders is available upon request to the Agent.

Loans of Securities

If the Borrower desires to borrow securities it may telephone the Agent, specifying the securities the Borrower wishes to borrow, the nature of the Collateral (such term and certain other defined terms employed herein being defined in Annex I) the Borrower proposes to deliver to the Agent as security for such loan, the Maintenance Percentage to be applicable in connection with such loan, the fees and rebates the Borrower proposes to pay and collect in connection with such loan and the principal terms of the Loan referred to in Section 4 hereof. The Agent, on behalf of a Lender willing to consummate a loan (a "Loan") of such securities (the "Loaned Securities") upon such terms shall so notify the Borrower by telephone (such day of notification being herein referred to as the "Trade Date"). Unless otherwise agreed by the Agent and the Borrower and provided in the Confirmation (as defined in Section 4 hereof), the settlement date (the "Settlement Date") for such Loan shall be the Trade Date. In the case of Foreign Securities, the Settlement Date shall be the Foreign Business Day for the principal market for the Loaned Securities agreed by both the parties on the Trade Date.

Deliveries on the Settlement Date

- On the Settlement Date for any Loan and during the Agent's business hours, the Lender making such Loan shall (i) cause the Loaned Securities which are to be the subject of such Loan to be credited to the account of the Borrower in accordance with subsection (c) (ii) (B) of Section 20 hereof or (ii) deliver to the Agent for delivery to the Borrower certificates representing such Loaned Securities in accordance with subsection (c) (ii) (A) of Section 20 hereof, in which event the Agent shall list such Loaned Securities on a receipt which the Borrower shall execute and return to the Agent at the time such Loaned Securities are received by the Borrower.
- Against receipt of such Loaned Securities, the Borrower shall deliver to the Agent, as Initial Collateral, (i) cash, (ii) Marketable Securities or (iii) a Letter of Credit, or any combination thereof as agreed to on the Trade Date with respect to such Loan. The Market Value of the Initial Collateral for such Loan shall be at least equal to the Maintenance Percentage of the Market Value of the Loaned Securities subject thereto at the time the Agent has been notified by the Borrower of its intent to borrow securities.
- Upon the delivery of the Loaned Securities by the Agent to the Borrower as contemplated by subsection (a) of this Section a Loan of the Loaned Securities, upon the terms and conditions agreed to on the Trade Date, and subject to the terms and conditions of this Agreement, shall be deemed to have been made.

4. The Confirmation

The terms and conditions of each Loan shall be memorialized in a written confirmation (the "Confirmation") in the form attached as Exhibit A. By the close of business on the Business Day following Trade Date for each Loan, the Agent shall send to the Borrower a Confirmation that reflects the principal terms of such Loan, including (i) the identity of the Lender making such Loan, (ii) a description of the Loaned Securities subject thereto, (iii) the basis of compensation for such Loan, (iv) the type and amount of Collateral to be provided for such Loan, (v) the termination date of such Loan, if any, and (vi) any special terms and conditions for such Loan agreed between the parties on the Trade Date. The Borrower shall review such Confirmation in accordance with the procedures set forth therein. This Agreement shall be deemed to be incorporated into each such Confirmation as though set forth therein. The description of the Collateral on the Confirmation shall include the foreign currency market value of the Foreign Securities, the exchange rate used in the calculation of the dollar equivalent of the Foreign Securities, and the dollar value of the Collateral.

Security Interest

The Borrower shall be deemed to have granted to each Lender with respect to any and all Loans extended by such Lender a security interest in all cash and Marketable Securities held by the Agent as Collateral for such Loans and any proceeds thereof to secure all present and future obligations of the Borrower to such Lender under this Agreement with respect to such Loans. Any such security interest shall survive the termination of any Loans arising from a Borrower's Default under Section 16 hereof or a failure of the Borrower to make a delivery required by Section 15 hereof and shall continue until all obligations of the Borrower to the Lender hereunder have been satisfied.

6. Representations and Warranties of and Covenants by the Borrower

The Borrower represents and warrants to the Agent on the Settlement Date and for any Loan shall be deemed to have represented and warranted to the Agent and the Lender making such Loan, and covenants with the Agent and such Lender that:

 - Each Lender by the Agent on the Settlement Date for any Loan hereunder shall be deemed to have represented and warranted to and covenanted with the Borrower that:
 - any securities furnished as Collateral to such Lender hereunder will be used only for purposes (i) permitted by, and in full conformity with, all applicable laws and regulations;
 - any Loaned Securities delivered by such Lender hereunder shall be owned by the Lender and delivered free and clear of any lien, claim or encumbrance whatsoever;
 - the obligations of the Lender hereunder have been duly and validly authorized by all necessary (iii) action of the Lender;
 - it will not direct the Agent to draw against any Letter of Credit furnished as Collateral unless a Borrower's Default has occurred or is continuing; and
 - (v) no Lender's Default by, or attributable to, such Lender has occurred or is expected to occur.
 - The Borrower agrees that no Lender will have any Liability to the Borrower with respect to any (b) Loan hereunder arising from any breach by the Agent of the representations and warranties set forth in Section 8 hereof or any negligence or willful misconduct of the Agent in the performance of its duties hereunder.
 - Representations and Warranties of Agent; Limitation on Liability of Agent
 - The Agent represents and warrants to the Borrower that: (a)

- this Agreement has been duly authorized and validly executed and delivered by the Agent and constitutes the legal, valid and binding obligation of the Agent;
- (ii) the Agent will hold all Collateral for any Loan pursuant to the terms of each Lender's authorization which will provide that the Agent will hold any Collateral for such Lender and that such authorization will not be revocable on less than 5 Business Days notice. The Agent will give the Borrower prompt notice of any notice of revocation thereof received by the Agent from any Lender which has made an outstanding Loan; and
- (iii) the Agent has been duly authorized by the respective Lenders to enter into this Agreement and the transactions contemplated hereby.
- (b) The Borrower agrees that the Agent will have no liability to the Borrower with respect to any Loan hereunder except for breach of the foregoing warranties and representations and any negligence or willful misconduct by the Agent in the performance of its duties hereunder.
- 9. Rights of Borrower in Respect of Loaned Securities

Until such time as a Loan is terminated pursuant hereto, the Borrower shall have all of the incidents of ownership of the Loaned Securities which are the subject of such Loan.

- 10. Rights of Lender in Respect of Cash and Marketable Securities Delivered as Collateral
 - (a) The Agent, on behalf of each Lender having a Loan outstanding hereunder, shall be entitled to exercise all rights of ownership of any cash held by the Agent as Collateral for such Loan, including the right to invest it, and may deal with such cash at the risk and for the account of such Lender. The sole obligation of such Lender in respect of any such cash shall be to direct the Agent to transmit to the Borrower upon termination of any Loan in respect of which such cash was delivered an amount of cash equal to the amount of cash theretofore delivered to the Agent as Collateral for such Loan (net of redeliveries, if any).
 - (b) Until such time as a Loan is terminated pursuant hereto, a Lender shall have all of the incidents of ownership of any Marketable Securities delivered as Collateral for any Loan made by such Lender.
 - (c) The Agent shall not have any obligation to segregate any Collateral but the Agent will record on its books and records all deliveries of Collateral made by the Borrower hereunder.
- Distributions on Loaned Securities and on Marketable Securities Delivered as Collateral
 - (a) With respect to each Loan hereunder, the Borrower will, provided no Lender's Default by or attributable to the Lender making such Loan has occurred and is continuing, and except as provided in subsection (b) of this Section:
 - (i) Deliver to the Agent an amount equal to any cash distributions or dividends payable on the Loaned Securities subject to such Loan within one Business Day after the payable date for any such payment or distribution. In the case of Foreign Securities, all cash distributions, dividends, and interest shall be delivered by the Borrower to the Agent. In the event that such Loaned Securities have been re-registered while on loan in the name of an entity which incurs a higher withholding tax on distributions than the Lender would have incurred, the Borrower will deliver to the Agent the full amount that would have been due the Lender if the Loaned Securities had not been on loan.
 - (ii) Deliver to the Agent securities or rights corresponding to any securities or rights distributed on such Loaned Securities within one Business Day after receipt by the Borrower of any such distribution or within one Business Day after distribution date, whichever date is earlier.

In the event a distribution or dividend on such Loaned Securities is payable in one of several forms at the option of the owner of record of such Loaned Securities and one of such options is a cash option, the Borrower shall deliver to the Agent within one Business Day after the payable date for such cash option, free and clear of any claims of the Borrower hereunder, a payment in cash equal to the amount that would have been received if the cash option had been chosen with respect to such distribution or dividend.

- (b) In the case of distributions or dividends in securities made on Loaned Securities subject to any Loan, such securities will be added to the Loaned Securities, and be considered as Loaned Securities subject to such Loan for all purposes, unless the Borrower and Agent agree otherwise. Where such securities are to be added to the Loaned Securities, the Borrower shall deliver to the Agent on such distribution date additional Collateral with a Market Value at least equal to the Maintenance Percentage of the Market Value of such securities on distribution date.
- (c) With respect to each Loan hereunder the Lender making such Loan will, provided no Borrower's Default has occurred and is continuing:
- (i) direct the Agent to deliver to the Borrower an amount equal to any cash distributions or dividends payable on any Marketable Securities included in the Collateral for such Loan within one (1) Business Day after the payable date for any such payment or distribution; and
- (ii) direct the Agent to deliver to the Borrower securities or rights corresponding to any securities or rights distributed on such Marketable Securities within one (1) Business Day after receipt by the Lender of any such distribution. In the event a distribution or dividend on such Marketable Securities is payable in one of several forms at the option of the owner of record of such Marketable Securities and one of such options is a cash option, the Lender shall direct the Agent to deliver to the Borrower within one (1) Business Day after the payable date for such cash option free and clear of any claims hereunder a payment in cash equal to the amount that would have been received if the cash options had been chosen with respect to such distribution or dividend.

12. Marks to Market

- (a) If, as of the close of business on any Business Day, the aggregate Market Value of the Collateral in respect of all Loans between a single Lender and the Borrower (the "Aggregate Collateral Value") shall exceed the Maintenance Percentage of the aggregate Market Value of the Loaned Securities subject to such Loans (the "Aggregate Loaned Securities Value"), the Agent shall, if so directed by the Borrower and provided that the Agent shall not know that any Borrower's Default has occurred and is continuing, as promptly as possible on the next Business Day, return to the Borrower (and the Lender making such Loan shall be deemed to have directed the Agent to do so) Collateral specified by the Borrower provided that as of the close of business on the day prior to the date of such return, after giving effect to any such return, the Aggregate Collateral Value shall be at least equal to the Maintenance Percentage of the Aggregate Loaned Securities Value.
- (b) If, as of the close of business on any Business Day, the Aggregate Collateral Value shall be less than the Maintenance Percentage of the Aggregate Loaned Securities Value, the Agent shall, prior to 12:00 noon on the next Business Day, give telephonic notice of such fact to the Borrower which shall, provided that no Lender's Default, by or attributable to the Lender which made such Loan, has occurred and is continuing, deliver to the Agent Collateral with a Market Value such that as of the close of business on the day prior to the date of such delivery the Aggregate Collateral Value, after giving effect to such delivery, shall be at least equal to the Maintenance Percentage of the Aggregate Loaned Securities Value.
- (c) For purposes of this Agreement, if a Lender has more than one Loan outstanding hereunder, Collateral delivered by the Borrower with respect to all Loans outstanding from such Lender hereunder shall be aggregated and deemed allocated pro rata to each such Loan according to the respective Market Value of the Loaned Securities which are the subject of each such Loan.
- (d) If any notice of the type described in subsection (b) of this Section is given by the Agent by 10:00 A.M., New York City time, on any Business Day, deliveries of Collateral called for as a result thereof shall be made no later than the close of business on such Business Day. Otherwise, deliveries shall be made no later than 12:00 noon, New York City time, on the following Business Day.
- (e) Solely with respect to Borrowers which are registered broker-dealers under the Exchange Act, the Borrower shall furnish to the Agent prior to 12:00 noon, New York City time, daily on each Business Day during the term of any Loan under this Agreement a report, either by telephone or otherwise, of the Market Value at the close of trading on the last preceding Business Day of all Collateral and Loaned Securities on

such day. In the event the Aggregate Loaned Securities Value at the close of trading on such last preceding Business Day exceeds 100% of the Aggregate Collateral Value, the Borrower shall deliver to the Agent additional Collateral by the close of the day such report is furnished as necessary to equal, when added to the Aggregate Collateral Value as of the close of business on the date of such delivery, not less than the Maintenance Percentage of the Aggregate Loaned Securities Value. The Borrower may elect in such report to leave any excess Collateral with the Agent. In the event the Agent disagrees with a report furnished by the Borrower, or in the event that the Borrower fails to furnish such report by 12:00 noon, New York City time, on the Business Day following the day for which the report is made, the Agent may demand that the Borrower deliver an amount of additional Collateral computed pursuant to this Section 12, and the Borrower shall make delivery of such additional Collateral and a statement of its Market Value to the Agent by the close of business on the same Business Day. The obligations of the Borrower under this subsection (e) are in addition to, and not in lieu of, the obligations of the Borrower under subsection (b) of this Section.

13. Transfer Taxes and Fees

All transfer taxes and fees, if any, with respect to any transfers of Loaned Securities and any Collateral shall be paid by the Borrower.

14. Indemnification

- (a) The Borrower will indemnify, defend, hold and save harmless the Agent and each Lender from any claims, actions, demands or liabilities of any kind whatsoever arising in any way out of any use that the Borrower makes of any Loaned Securities and will reimburse each Lender, upon demand, for any losses, other than consequential damages, incurred by such Lender (including all reasonable counsel fees and expenses) as a result of any failure or inability of the Borrower to return Equivalent Securities corresponding to the Loaned Securities subject to any Loan by such Lender in the manner and under the circumstances contemplated by this Agreement.
- (b) Each Lender will indemnify, defend, hold and save harmless the Agent and the Borrower from any claims, actions, demands or liabilities of any kind whatsoever arising in any way out of the use that such Lender makes of any Marketable Securities included in the Collateral for any Loan by such Lender and will reimburse the Borrower, upon demand, for any losses, other than consequential damages, incurred by the Borrower (including all reasonable counsel fees and expenses) as a result of any failure or inability of such Lender to return any cash or Equivalent Securities corresponding to any Marketable Securities included in the Collateral for any Loan by such Lender in the manner and under the circumstances contemplated by this Agreement.

15. Termination Without Default

- (a) Provided that no Borrower's Default has occurred and is continuing, the Borrower may terminate a Loan on any Business Day by giving notice to the Agent of its intention to terminate such Loan on such day (a "Borrower's Termination Date"); provided, however, that if such notice is given after 12:00 noon, New York City time, on such day, the Borrower's Termination Date for such Loan, shall be the next following Business Day. On any Borrower's Termination Date for any Loan, the Borrower shall deliver Equivalent Securities corresponding to the Loaned Securities which are the subject of such Loan to the Agent and the Agent shall deliver to the Borrower:
- (i) cash in an amount equal to the amount of cash Collateral for such Loan (net of redeliveries) theretofore delivered to the Agent by the Borrower; and
- (ii) Equivalent Securities corresponding to any Marketable Securities theretofore delivered to the Agent as Collateral for such Loan, provided that no such delivery under (i) above or this Subsection (ii) shall be made to the extent such delivery would cause the Aggregate Collateral Value to be less than the Maintenance Percentage of the Aggregate Loaned Securities Value.
- (b) Provided that no Lender's Default by or attributable to such Lender has occurred and is continuing, a Lender may on any Business Day notify the Agent by telephone of the Lender's election to terminate a Loan made by such Lender on such day (a "Lender's Termination Date"); provided, however,

that if such notice is given after 12:00 noon, New York City time on such day, the Lender's Termination Date for such Loan shall be the next Business Day. The Agent shall, as promptly as practicable, after receipt of such notice from such Lender, give notice of such Lender's Termination Date to the Borrower. Within five (5) Business Days after any Lender's Termination Date or, if the then customary delivery period in New York City in the principal market for Equivalent Securities corresponding to the Marketable Securities which are the subject of such Loan would expire on an earlier date, on such earlier date, the Borrower shall deliver to the Agent Equivalent Securities corresponding to the Loaned Securities which are the subject of the terminated Loan and the Agent shall deliver to the Borrower:

- (i) cash in an amount equal to the amount of cash Collateral for such Loan (net of redeliveries) theretofore delivered to the Agent by the Borrower; and
- (ii) Equivalent Securities corresponding to any Marketable Securities theretofore delivered to the Agent as Collateral for such Loan, provided that no such delivery under (i) or (ii) above shall be made to the extent such delivery would cause the Aggregate Collateral Value to be less than the Maintenance Percentage of the Aggregate Loaned Securities Value.

With respect to Foreign Securities:

- (i) For termination of a loan by the Borrower, the Borrower shall notify the Agent of the termination
 of a loan on the Business Day which immediately precedes the Foreign Business Day in the principal market
 in which the Securities will be returned;
- (ii) For termination of a loan by the Lender, the Borrower shall return Foreign Securities within a period of time equal to the customary settlement period in the principal trading market for such Foreign Securities commencing on the Foreign Business Day immediately following the Business Day on which the Lender or the Agent notifies the Borrower of termination; and
- (iii) The collateral will be returned to the Borrower on the Business Day immediately following the Foreign Business Day on which the Foreign Securities are returned to the Agent. If the collateral is in the form of cash, transfer will be effected in immediately available funds.
- (c) Notwithstanding the provisions of this Section, any Lender, provided that no Lender's Default by or attributable to such Lender has occurred and is continuing, or the Borrower, provided that no Borrower's Default has occurred and is continuing, may terminate a Loan with respect to (i) any U.S. Government Securities, on any Business Day on which the Federal Reserve Clearance System is open for business and (ii) any Agency Securities, on any Business Day on which the Federal Reserve Clearance System is open for business, by giving telephonic notice of its intent to terminate such Loan on said day (a "Government Termination Date"); provided however, that if such notice is given after 10:00 A.M., New York City time, on such day, the Government Termination Date for such Loan shall be the next following Business Day. On the Government Termination Date for any Loan, the Borrower shall deliver Equivalent Securities corresponding to the Loaned Securities which are the subject of such Loan to the Agent and the Lender shall direct the Agent to return the Collateral for such Loan to the Borrower.

Termination of Loan Upon Default

- (a) All Loans made under this Agreement shall terminate immediately upon the happening of any Borrower's Default (as defined in subsection (b) of this Section) and all Loans made hereunder by a particular Lender shall terminate immediately upon the happening of a Lender's Default (as defined in subsection (b) of this section) by or attributable to such Lender and without any notice by the non-defaulting party or the Agent.
- (b) Any event of the nature described below occurring to, or arising out of the action or inaction of, the Borrower shall be referred to herein as a "Borrower's Default," and any event of the nature described below occurring to, or arising out of the action or inaction of, the Lender shall be referred to herein as a "Lender's Default":

- (i) the Borrower shall fail to deliver the Initial Collateral pursuant to Section 3 hereof or a Lender shall fail to deliver the Loaned Securities, or either the Borrower or a Lender shall fail to deliver Collateral as required by Section 12 hereof;
- (ii) either the Borrower or a Lender shall fail to make any delivery to the Agent as required by Section 11 hereof or any delivery requested by Section 15 hereof;
- (iii) either the Borrower or a Lender shall fail to comply with any other provision hereof and such failure shall continue for more than one day after notice;
- (iv) either the Borrower or a Lender shall make a general assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts as they become due, or shall file a petition in bankruptcy or shall be adjudicated a bankrupt or insolvent, or shall file a petition seeking reorganization, liquidation, dissolution or similar relief under any present or future statute, law or regulation, or shall seek consent to or acquiesce in the appointment of any trustee, receiver or liquidator or similar official for all or any material portion of its properties; or if any petition is filed against it in any court or before any agency alleging it is bankrupt or insolvent or seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution or similar relief under any present or future statute, law or regulation, or the appointment of a trustee, receiver or liquidator or similar official of all or a material portion of its property and such petition shall not be dismissed within 30 days; or
- (v) any representation or warranty made or deemed made by the Borrower or a Lender hereunder or in connection herewith shall prove to have been incorrect in any material respect when made or deemed made or the Borrower shall fail to promptly notify the Agent of a material adverse change in the Borrower's financial condition or results of operations.
- (vi) if the Borrower is a registered broker-dealer under the Exchange Act and, if the Borrower shall have been suspended or expelled from membership or participation in any national securities exchange or association or other self-regulatory organization or if it is suspended from dealing in securities by any governmental agency; or
- (vii) if the Borrower is a registered broker-dealer under the Exchange Act and, if under the net capital requirements under the Exchange Act or any national securities exchange of which the Borrower is a member, (i) the Borrower's aggregate indebtedness shall exceed 1,000 percent of its net capital if the Borrower is not operating pursuant to the alternative net capital requirements provided in Rule 15c3-1 under the Exchange Act or (ii) the Borrower's net capital shall be less than 5% of its aggregate debit items if the Borrower is operating pursuant to such alternative net capital requirements.
- (c) Except as provided in Section 20(d) hereof, the Agent shall, promptly after learning of any Lender's Default or Borrower's Default, give notice by telephone (confirmed as promptly as practicable in writing) to the non-defaulting party, identifying the party in default and describing the Lender's or the Borrower's Default in question. No failure or omission by the Agent to give any such notice shall excuse any Lender's Default or Borrower's Default or limit the rights of any Borrower or Lender in respect thereof.

17. Remedies of Lender

Upon the happening of any Borrower's Default each Lender shall have all the rights in respect of the Collateral of a secured party under Articles 8 and 9 of the New York Uniform Commercial Code and as otherwise provided by law, including the right of set-off and, in addition to any and all other rights and remedies it may have, may at its sole option, elect, without any further notice to or demand on the Borrower by the Agent, to purchase Equivalent Securities corresponding to the Loaned Securities which are the subject of any outstanding Loan or Loans and apply the Collateral for such Loan or Loans to or toward the payment of the cost thereof (the purchase price thereof, including accrued interest, if applicable, plus any brokerage commissions, fees, transfer taxes, and other charges incurred by the Lender in connection with such purchase) and any other amounts then owing to the Lender hereunder, in which event the obligation of the Borrower to return Equivalent Securities corresponding to such Loaned Securities shall terminate and such Lender shall be entitled to collect and retain all payments of principal of, interest on or any other amount payable on or with respect to such Collateral. The Borrower shall be liable for, and shall pay to the Agent

upon demand, the excess, if any, of the cost to such Lender (as defined above and as specified in such demand) of the Equivalent Securities corresponding to the Loaned Securities purchased by such Lender pursuant to this Section, plus any amounts then owing to the Lender hereunder with respect to the Loan or Loans in question, over the sum of (i) the amount of cash Collateral then held by the Agent with respect to such Loan or Loans (ii) the cash proceeds received by the Agent under any Letters of Credit included in the Collateral then held by the Agent with respect to such Loan or Loans and (iii) the Market Value, as of the close of business on the Business Day preceding the date of purchase of such Equivalent Securities of the Marketable Securities included in the Collateral then held by the Agent with respect to such Loan or Loans, together with interest on such excess at an annual rate equal to the broker's loan rate in effect at Citibank N.A., from time to time, or the maximum rate permitted by law, if less, from the date of such purchase or notice until the date of payment of such excess. In the event the sum of (i), (ii) and (iii) set forth in the immediately preceding sentence exceeds the cost of the Equivalent Securities purchased pursuant to this Section plus any amounts then owing to such Lender hereunder, such Lender shall return such excess amount to the Borrower, provided that no such amount shall be returned to the extent such delivery would cause the Aggregate Collateral Value to be less then the maintenance Percentage of the Aggregate Loaned Securities Value. The Borrower shall be liable for, and shall pay to the Agent on demand, all reasonable costs and expenses incurred by any Lender as a result of any Borrower's Default.

18. Remedies of Borrower

Upon the happening of any Lender's Default, the Borrower, in addition to any and all other rights and remedies it may have, may at its sole option, and without any further notice to or demand on the Lender in question by the Agent, elect to purchase the Loaned Securities which are the subject of any Loan or Loans by such Lender at a purchase price equal to the Market Value of such loaned Securities (including accrued interest, if applicable, if such interest is not included in the Market Value of such Loaned Securities) at the close of business on the day preceding the date of such event less any other amounts then owing to the Borrower by such Lender hereunder, and apply any cash or Marketable Securities then held by the Agent as Collateral for such Loan or Loans by such Lender to the payment of such purchase price (any Marketable Securities included in such Collateral being valued for purposes of such payment at their Market Value at the close of business on the day preceding the date of such event). Such Lender shall remain liable, in the event of any such purchase of such Loaned Securities, to the Borrower for an amount equal to the excess of the Market Value of the Collateral for such Loan or Loans over the purchase price of the Loaned Securities as defined above, together with interest on such excess at an annual rate equal to the broker's loan rate in effect at Citibank, N.A., from time to time, or the maximum rate permitted by law, if less, from the date of such purchase until the date of payment of such excess. In the event the Market Value of the Loaned Securities which are the subject of such Loan or Loans exceeds the Market Value of the Collateral for such Loan or Loans on such date plus any amounts then owing to the Borrower by such Lender hereunder, the Borrower shall remit to such Lender such excess amount. If the Borrower purchases Loaned Securities pursuant to this Section the Borrower shall be entitled to collect and retain all payments of principal of, interest on or any other amounts payable on or with respect to such Loaned Securities. Each Lender shall be liable for, and shall pay to the Agent on demand, all reasonable costs and expenses incurred by the Borrower as a result of a Lender's Default by or attributable to such Lender.

Substitution

The Borrower shall have the right to substitute Marketable Securities, cash and/or a Letter of Credit for the Collateral delivered to the Agent for any Loan provided that the Collateral so substituted is acceptable to the Agent in its sole discretion and has a Market Value at least equal to the Market Value of the replaced Collateral.

20. Notices, Deliveries and Payments

(a) Except as otherwise provided herein, all notices under this Agreement shall be deemed to be delivered and received when transmitted or sent to the party entitled to receive such notices at the addresses indicated at the end of this Agreement, or to such other addresses and telephone numbers and to the attention of such other persons as either party may furnish the other party by written notice under this Section.

- (b) Except as otherwise expressly herein provided, all payments of money under this Agreement, whether by or to the Agent, any Lender or the Borrower, shall be made by (i) delivering a certified or official bank check payable to the order of the Borrower, the Agent or such Lender, as the case may be, drawn in New York Clearing House Funds or (ii) by crediting the account of the Borrower, the Agent or such Lender, as the case may be, at the Federal Reserve Bank of New York, a recognized securities depository or a clearing corporation acceptable to the parties. Notwithstanding the provisions of this Section, all payments made with respect to Government Securities shall be made in same day funds.
- (c) Except as otherwise expressly herein provided, all deliveries of securities under this Agreement, whether by or to the Agent, any Lender or the Borrower must be:
 - (i) of the specified issue, and
- (ii) (A) placed in the possession of the transferee in bearer form or registered in the name of the transferee or endorsed to said transferee in blank, or
- (B) effected by the making of appropriate entries on the books of the Federal Reserve Bank of New York, or a recognized securities depository or clearing corporation acceptable to the parties, reducing the account of the transferor and increasing the account of the transferee. As used in this Section, "transferee" shall include transferee's designated agent, custodian or nominee.
- (d) Each Lender and the Borrower each acknowledges that failures to make deliveries at the times called for herein may be expected to occur in the ordinary course of business. Each Lender and the Borrower each hereby agrees that the Agent need not notify it of any such failure unless such failure shall have continued for one (1) full Business Day after the time such delivery was required, and agrees (without prejudice to any rights the Borrower may have against any Lender or any Lender may have against the Borrower) not to assert any claim against the Agent for any damages suffered by it as a result of compliance by the Agent with this subsection.

21. Miscellaneous

This Agreement supersedes any other agreement between the parties concerning securities loans, shall not be assignable by either party without prior written consent of the other party, shall be binding upon and inure to the benefit of the parties and their respective successors and assigns, shall not be changed except by an instrument in writing signed by each of the parties, and shall be governed by the laws of the State of New York.

The Borrower hereby consents to the disclosure of its identity by the Agent to any Lender from whom the Borrower borrows Loaned Securities.

This Agreement may be executed in two or more counterparts, each of which shall constitute an original, but all of which when taken together shall constitute one instrument.

22. Matters Concerning the Securities Investor Protection Act of 1970

A LENDER MAY NOT BE PROTECTED BY THE PROVISIONS OF THE SECURITIES INVESTOR PROTECTION ACT OF 1970 WITH RESPECT TO SECURITIES LOAN TRANSACTIONS AND, THEREFORE, COLLATERAL DELIVERED TO A LENDER MAY CONSTITUTE THE ONLY SOURCE OF SATISFACTION OF THE BORROWER'S OBLIGATION IN THE EVENT THE BORROWER FAILS TO RETURN THE SECURITIES.

CONFIDENTIALITY AGREEMENT

This is a Confidentiality Agreement ("Agreement") by and between Citibank, N.A. ("Citibank") and Macquarie Securities (USA) Inc., ("Recipient").

It is understood and agreed that Citibank has and will, pursuant to the Agency Lending Disclosure Initiative in electronic format, through the SunGard Worldlend system (or a replacement system used by Citibank), provide Recipient with certain confidential and proprietary information and materials concerning the principal lenders in transactions entered into under the terms of the Master Securities Lending Agreement dated February 15, 2007 as amended (the "Loan Agreement"). That information, as well as all reports, analyses, compilations, studies, interpretations, forecasts, notes and other materials prepared by Recipient or its Representatives containing, reflecting or based upon, any such information shall be referred to as "Confidential Information". Recipient intends to use that information solely for the purpose of (i) determining whether the lenders are eligible counterparties for purposes of securities lending transactions, and whether the lenders are creditworthy, (ii) monitoring the credit exposure level to each lender, and (iii) calculating regulatory capital exposure to each lender and compliance (including without limitation compliance with rules relating to financial responsibility, books and records, net capital, and internal and supervisory controls) and (iv) determining whether the lenders are otherwise acceptable to the Recipient, (the "Permitted Purposes"). Citibank seeks to keep all such information and material confidential.

For good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged, Citibank and Recipient agree to be bound by this Agreement as follows:

- 1. Recipient hereby agrees to treat confidentially and not to disclose the Confidential Information. Notwithstanding anything in this Agreement to the contrary, Citibank agrees that Recipient may disclose information to its directors, officers, employees, professional advisors (including without limitation attorneys and accountants), agents and representatives and those of its affiliates (collectively, "Representatives") on a "need to know basis" in connection with a Permitted Purpose(s), and further that Recipient may disclose Confidential Information without liability (a) as required by law or regulation, (b) pursuant to court order, subpoena or other legal process, or (c) as requested by any governmental agency, regulatory body or self-regulatory organization. Recipient shall be liable for any breach of this Agreement by any of its Representatives.
- 2. The term "Confidential Information" does not include information which (a) is or becomes generally available to the public other than as a result of a disclosure by Recipient or it's representatives in breach of this Agreement, (b) was available to the Recipient on a non-confidential basis prior to its disclosure in accordance with this Agreement, (c) is or has been independently developed or acquired by the Recipient or it's representatives without violation of this Agreement, (d) becomes available on a non-confidential basis from a third-party source other than a Representative, provided that such third-party source is not, to Recipient's knowledge, bound by a confidentiality agreement with Citibank, or (e) is explicitly approved for release by written authorization from Citibank.
- 3. This nondisclosure obligation continues both during the term of the Loan Agreement between the parties referenced above and thereafter.

 Recipient shall promptly deliver to Citibank, upon Citibank's written request, all written Confidential Information still in Recipient's possession, except that (i) Recipient shall destroy (and not return) any internal notes, extracts or memoranda containing any Confidential Information and (ii) Recipient may retain such copies as it is required to retain pursuant to applicable record retention regulations and/or policies.
- 4. It is understood and agreed that money damages would not be a sufficient remedy for any breach of this Agreement and that the non-breaching party shall be entitled to specific performance as a remedy for any such breach. Such remedy shall not be deemed to be the exclusive remedy for any such breach of this Agreement but shall be in addition to all other remedies available at law or in equity to the non-breaching party.
- 5. This Agreement shall be governed by, and construed, interpreted and enforced in accordance with, the laws of the State of New York without regard to its conflicts of laws principles. The parties expressly waive trial by jury.
- 6. This Agreement constitutes the entire agreement between the parties and supersedes all prior agreements or understandings between them with respect to the confidential treatment of the Confidential Information, and is to become effective and binding on Citibank and Recipient on the day it has been executed by both parties.

Annex I-A

Party Acting as Agent

This Annex to the Master Securities Lending Agreement dated February 15, 2007 between the parties (such agreement, together with this Annex and any other annexes, schedules or exhibits, referred to as the "Agreement") sets forth below the terms and conditions governing all transactions in which a party lending Securities ("Agent") in a Loan is acting as agent for one or more third parties and the method by which (i) Agent shall disclose the identity of each principal ("Principal" or "Lender(s)" as defined in the Agreement) on whose behalf it intends to loan securities as agent to Borrower, and (ii) Borrower may accept, reject, or withdraw the acceptance of any such Principal. Unless otherwise defined, capitalized terms used but not defined in this Annex shall have the meanings assigned in the Agreement of which it forms a part and, unless otherwise specified, all section references herein are intended to refer to sections of such Agreement.

- 1. Additional Representations and Warranties. In addition to the representations and warranties set forth in the Agreement, Agent hereby makes the following representations and warranties, which shall continue during the term of any Loan: Principal has duly authorized Agent to execute and deliver the Agreement on its behalf, has the power to so authorize Agent and to enter into the Loans contemplated by the Agreement and to perform the obligations of Lender or Borrower, as the case may be, under such Loans, and has taken all necessary action to authorize such execution and delivery by Agent and such performance by it.
- 2. Identification of Principals. (a) Agent agrees to provide to Borrower, prior to effecting any Loan under the Agreement as agent on behalf of any Principal, such information in its possession as Borrower is required to obtain by applicable law, rule or regulation, or as otherwise agreed by Agent and Borrower ("Agreed Format"), and will provide to Borrower such optional information that may be requested by the Borrower for the purpose of identifying such Principal (all such information, the "Principal Information") as Agent is permitted to provide by the Principal. Agent represents and warrants that, with the exception of the pseudo tax identification numbers for Principal(s) who do not have an official tax identification number, it has not intentionally altered so as to make inaccurate the Principal Information, including but not limited to the tax identification numbers, and that the Principal Information was provided to it by Principal. (b) Agent agrees that it shall not effect any Loan with Borrower on behalf of any Principal unless Borrower has previously notified Agent of Borrower's approval of such Principal, and has not notified Agent that it has withdrawn such approval (each Principal for which Agent has received approval and not received withdrawal of approval as to that Principal shall be referred to as an "Approved Principal"), with both such notifications in the Agreed Format. Agent further agrees to provide Borrower, before the Close of Business on the next Business Day after the date on which Loaned Securities are transferred to the Borrower, with notice in the Agreed Format, of the specific Approved Principal or Approved Principals for whom it is acting in connection with such Loan, and the portion of each Loan allocable to the account of each Approved Principal for which it is acting. If Agent fails to identify such Approved Principal(s) or fails to accurately allocate any portion of a Loan to such Approved Principal(s) prior to the Close of Business on such next Business Day, Borrower may terminate any Loan with such Principal or Principals, return to Agent any Loaned Securities previously transferred to Borrower, and Agent shall return to Borrower that portion of the Collateral previously transferred to Agent in connection with such Loan from Principal in accordance with the terms of the Agreement. (c) Borrower acknowledges that Agent shall not have any obligation to provide it with confidential information regarding the financial status of its Principals; Agent agrees, however, that it will forward on to Agent's Principals such requests for information regarding the financial status of such Principals as Borrower may reasonably present and will forward on to Borrower any responses it receives from, and is authorized to present by, its Principal.

- 3. Limitation of Agent's Liability. The parties expressly acknowledge that (a) Agent's obligations under the Agreement shall not include a guarantee of performance by its Principal or Principals, and (b) the other party's remedies for breach of any term of this Annex, or any representation or warranty, shall not include a right of setoff against obligations, if any, of Agent arising in other transactions in which Agent is acting as principal.
- 4. Treatment of Loans. The parties agree that (i) the portion of any individual Loan allocable to each Principal shall be deemed a separate Loan under the Agreement, (ii) the mark to market obligations of Borrower and Principal under the Agreement shall be determined on a Principal-by-Principal basis, and (iii) Borrower's and Principal's remedies under the Agreement upon the occurrence of a Default shall be determined as if Agent had entered into a separate Agreement with the other party on behalf of each of its Principals.
- 5. Interpretation of Terms. All references to "Lender" or "Borrower," as the case may be, in the Agreement shall, subject to the provisions of this Annex (including, among other provisions, the limitations on Agent's liability in Section 3 of this Annex), be construed to reflect that (i) each Principal shall have, in connection with any Loan or Loans entered into by Agent on its behalf, the rights, responsibilities, privileges and obligations of a "Lender" or "Borrower," as the case may be, directly entering into such Loan or Loans with the other party under the Agreement, and (ii) Agent's Principal or Principals have designated Agent as their sole agent for performance of Lender's obligations to Borrower or Borrower's obligations to Lender, as the case may be, and for receipt of performance by Borrower of its obligations to Lender or Lender of its obligations to Borrower, as the case may be, in connection with any Loan or Loans under the Agreement (including, among other things, as Agent for each Principal in connection with transfers of securities, cash or other property and as agent for giving and receiving all notices under the Agreement). Both Agent and its Principal or Principals shall be deemed "parties" to the Agreement and all references to a "party" or "either party" in the Agreement shall be deemed revised accordingly (and any Default by Agent under the Agreement shall be deemed a Default by Lender).

In the event of any inconsistency between the provisions of any Confirmation and this Agreement (including Schedules 1 and 3), such Confirmation will prevail for the purpose of the relevant transaction.
- 1.3 [Single agreement] All transactions are entered into in reliance on the fact that this Agreement and all Confirmations form a single agreement between the Parties (collectively referred to as this "Agreement"), and the Parties would not otherwise enter into any transactions.

- 1.7 [Other agreements] Where at any time there is in existence any other agreement between the Parties the terms of which make provision for the lending of Securities (as defined in this Agreement) as well as other securities, the terms of this Agreement shall apply to the lending of such Securities to the exclusion of any other such agreement.
- 1.8 [Nominees] If payment is to be made to a Party's nominee or otherwise in accordance with the directions of a Party (whether by the other Party or by a third party), it shall be deemed, for the purposes of this agreement, to have been paid or made to the first mentioned Party.

2 Loans of Securities

- 2.1 [Borrowing Request and acceptance thereof] The Lender will lend Securities to the Borrower, and the Borrower will borrow Securities from the Lender, in accordance with the terms and conditions of this Agreement and with the Rules provided always that the Lender shall have received from the Borrower and accepted (by whatever means) a Borrowing Request.

4.2 [Distributions]

- (a) [Cash distributions] Unless otherwise agreed, where Income is paid in relation to any Securities on or by reference to an Income Payment Date on which such Securities are the subject of a loan under this Agreement, the Borrower shall, on the date of the payment of such Income, or on such other date as the Parties may from time to time agree, (the "Relevant Payment Date") pay and deliver a sum of money equivalent to the same to the Lender, irrespective of whether the Borrower received the same.
- (b) [Non-cash distributions] Subject to paragraph (c) (unless otherwise agreed), where, in respect of any borrowed Securities or any Collateral, any rights relating to conversion, sub-division, consolidation, pre-emption, rights arising under a takeover offer or other rights, including those requiring election by the holder for the time being of such Securities or Collateral, become exercisable prior to the redelivery of Equivalent Securities or Equivalent Collateral, then the Lender or Borrower, as the case may be, may, within a reasonable time before the latest time for the exercise of the right or option, give written notice to the other Party that, on redelivery of Equivalent Securities or Equivalent Collateral, as the case may be, it wishes to receive Equivalent Securities or Equivalent Collateral in such form as will arise if the right is exercised or, in the case of a right which may be exercised in more than one manner, is exercised as is specified in such written notice.
- (c) [Tax Act ss 26BC(3)(c)(ii) and (v) requirements] Notwithstanding paragraph (b), where, in respect of any Borrowed Securities or any Collateral, the relevant issuer company, trustee, government or government authority issues any right or option in respect of the Borrowed Securities or Collateral,

- (i) the right, or option; or
- (ii) an identical right or option; or
- (iii) a payment equal to the value to the Lender or the Borrower, respectively, of the right or option;

together with any such endorsements or assignments as shall be customary and appropriate.

- (d) [Manner of payment] Any payment to be made by the Borrower under this clause shall be made in a manner to be agreed between the Parties.
- 4.3 [Voting] Unless paragraph 4 in Schedule 1 specifies that this clause 4.3 does not apply, each Party undertakes that, where it holds Securities of the same description as any Securities borrowed by it or transferred to it by way of Collateral at a time when a right to vote arises in respect of such Securities, it will use its best endeavours to arrange for the voting rights attached to such Securities to be exercised in accordance with the instructions of the Lender or Borrower (as the case may be) provided always that each Party shall use its best endeavours to notify the other of its instructions in writing no later than seven Business Days prior to the date upon which such votes are exercisable, or as otherwise agreed between the Parties, and that the Party concerned shall not be obliged so to exercise the votes in respect of the number of Securities greater than the number so lent or transferred to it. For the avoidance of doubt, the Parties agree that, subject as hereinbefore provided, any voting rights attaching to the relevant Securities, Equivalent Securities, Collateral and/or Equivalent Collateral shall be exercisable by the persons in whose name they are registered, or in the case of Securities, Equivalent Securities, collateral and/or Equivalent Collateral in bearer form by the persons by or on behalf of whom they are held, and not necessarily by the Borrower or the Lender (as the case may be).

5 Fees

- 5.1 [Fees] In respect of each loan of Securities:
 - (a) for which the Collateral is cash:
 - (i) the Lender must pay a fee to the Borrower in respect of the amount of that Collateral, calculated at the rate agreed between them; and
 - (ii) unless the Parties otherwise agree, the Borrower is not obliged to pay a fee to the Lender;
 - (b) for which there is no Cash Collateral, the Borrower must pay a fee to the Lender, calculated at the rate agreed between them.
- 5.2 [Where there are different types of Collateral] Where the Collateral comprises only partly cash, clause 5.1 is to be construed as if there were separate loans of Securities, one secured solely by Cash Collateral and the other secured solely by non-cash Collateral.

[Calculation of fees] In respect of each loan of Securities, the payments referred to in clause 5.1 of this clause shall accrue daily in respect of the period commencing on and inclusive of the Settlement Day and terminating on and exclusive of the Business Day upon which Equivalent Securities are redelivered or Cash Collateral is repaid. Unless otherwise agreed, the sums so accruing in respect of each calendar month shall be paid in arrears by the Borrower to the Lender or to the Borrower by the Lender (as the case may be) not later than the Business Day which is one week after the last Business Day of the calendar month to which such payment relate or such other date as the Parties from time to time agree. Any payment made pursuant to clause 5.1 shall be in Australian currency, unless otherwise agreed, and shall be paid in such manner and at such place as shall be agreed between the Parties.

6 Collateral

6.1 [Borrower's obligation to provide Collateral] Unless otherwise agreed, subject to the other provisions of this clause 6, the Borrower undertakes to deliver to or deposit with the Lender (or in accordance with the Lender's instructions) Collateral of the kind specified in the relevant Borrowing Request or as otherwise agreed between the Parties (together with appropriate instruments of transfer duly stamped (where necessary) and such other instruments as may be requisite to vest title thereto in the Lender) simultaneously with delivery of the Borrowed Securities by the Lender.

6.2 [Global margining]

- (a) [Adjustments to Collateral] Unless otherwise agreed between the Parties, subject to paragraph (b), clause 6.4 and paragraph 1.5 in Schedule 1:
 - (i) The aggregate Value of the Collateral delivered to or deposited with the Lender or its nominated bank or depositary (excluding any Collateral repaid or redelivered under paragraph (ii) below (as the case may be)) in respect of all loans of Securities outstanding under this Agreement ("Posted Collateral") shall from day to day and at any time be at least the aggregate of the Required Collateral Values in respect of such loans.
 - (ii) If at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement exceeds the aggregate of the Required Collateral Values in respect of such loans, the Lender shall (on demand) repay such Cash Collateral and/or redeliver to the Borrower such Equivalent Collateral as will eliminate the excess.
 - (iii) If at any time the aggregate Value of the Posted Collateral in respect of all loans of Securities outstanding under this Agreement falls below the aggregate of Required Collateral Values in respect of all such loans, the Borrower shall (on demand) provide such further Collateral to the Lender as will eliminate the deficiency.
- (b) [Netting of Collateral obligations where a Party is both Lender and Borrower] Unless otherwise agreed between the Parties, subject to clause 6.4 and paragraph 1.5 in Schedule 1, where paragraph (a) applies, if a Party (the "first Party") would, but for this paragraph, be required under paragraph (a) to repay Cash Collateral, redeliver Equivalent Collateral or provide further Collateral in circumstances where the other Party (the "second Party") would, but for this paragraph, also be required to repay Cash Collateral, redeliver Equivalent Collateral or provide further Collateral under paragraph (a), then the Value of the Cash Collateral, Equivalent Collateral or further Collateral

<u>B</u>

deliverable by the first Party ("X") shall be set-off against the Value of the Cash Collateral, Equivalent Collateral or further Collateral deliverable by the second Party ("Y") and the only obligation of the Parties under paragraph (a) shall be, where X exceeds Y, an obligation of the first Party, or where Y exceed X, an obligation of the second Party, (on demand) to repay Cash Collateral, redeliver Equivalent Collateral or deliver further Collateral having a Value equal to the difference between X and Y.

- [Required Collateral Value] For the purposes of clause 6.2(a), the Value of the Posted Collateral to be delivered or deposited in respect of any loan of Securities, while the loan of Securities continues, shall be equal to the aggregate of the Value of the borrowed Securities and the Margin applicable thereto (the "Required Collateral Value").
- 6.4 [Time for payment/repayment of Collateral] Except as provided in clause 6.1 or clause 6.6, where any Cash Collateral is to be repaid, Equivalent Collateral is to be redelivered or further Collateral is to be provided under this clause 6, it shall be paid or delivered as stated in paragraph 1.4 in Schedule 1.
- 6.5 [Substitution of Alternative Collateral] The Borrower may from time to time call for the repayment of Cash Collateral or the redelivery of Equivalent Collateral prior to the date on which the same would otherwise have been repayable or redeliverable, provided that, at the time of such repayment or redelivery, the Borrower shall have delivered or delivers Alternative Collateral acceptable to the Lender.
- 6.6 [Return of Collateral/Equivalent Collateral on redelivery of Equivalent Securities]
 - (a) Cash Collateral shall be repaid and Equivalent Collateral shall be redelivered at the same time as Equivalent Securities in respect of the Securities borrowed are redelivered.
 - (b) Where Collateral is provided through a book entry transfer system (such as Austraclear or RITS), the obligation of the Lender shall be to redeliver Equivalent Collateral through such book entry transfer system in accordance with this Agreement. If the loan of Securities in respect of which Collateral was provided has not been discharged when the Equivalent Collateral is redelivered, any payment obligation generated within the book entry transfer system on such redelivery shall, until the loan of Securities is discharged or further Collateral is provided, be deemed to constitute an obligation to pay Cash Collateral.
- 6.7 [Receipt by Lender of Income on Collateral] Where Collateral (other than Cash Collateral) is delivered in respect of which any Income may become payable and an Income Payment Date in respect of that Collateral occurs prior to the redelivery of Equivalent Collateral, then, unless such Income is paid directly to the Borrower, the Lender shall, on the date on which such Income is paid or on such other date as the Parties may from time to time agree, pay and deliver a sum of money or property equivalent to such Income (with any such endorsements or assignments as shall be customary and appropriate to effect the delivery) to the Borrower.
- 6.8 [Borrower's rights re Collateral are not assignable] The Borrower may not assign, transfer or otherwise dispose of, or mortgage, charge or otherwise encumber, or otherwise deal with its rights in respect of any Collateral without the prior written consent of the Lender.

- 6.9 [Lender may set off obligation to repay or return Equivalent Collateral] If the Borrower fails to comply with its obligation to redeliver Equivalent Securities, the obligation of the Lender in respect of any Collateral may be the subject of a set-off in accordance with clause 8.
- 6.10 [Collateral provided to Lender's Nominee] Without limiting clause 1.8, where Collateral is provided to the Lender's nominee, any obligation under this Agreement to repay or redeliver or otherwise account for Equivalent Collateral shall be an obligation of the Lender, notwithstanding that any such repayment or redelivery may be effected in any particular case by the nominee.

7 Redelivery of Equivalent Securities

- 7.1 [Borrower's obligation to redeliver Equivalent Securities] The Borrower undertakes to redeliver Equivalent Securities in accordance with this Agreement and the terms of the relevant Borrowing Request.
- 7.2 [Lender may call for early redelivery of Equivalent Securities] Subject to clause 8 and the terms of the relevant Borrowing Request, the Lender may call for the redelivery of all or any Equivalent Securities at any time by giving notice on any Business Day of not less than the Standard Settlement Time for such Equivalent Securities or the equivalent time on the exchange or in the clearing organisation through which the relevant borrowed Securities were originally delivered. The Borrower shall as hereinafter provided redeliver such Equivalent Securities not later than the expiry of such notice in accordance with the Lender's instructions.
- 7.3 [Lender may terminate loan if Borrower defaults] If the Borrower does not redeliver Equivalent Securities in accordance with such call, the Lender may elect to continue the loan of Securities; provided that, if the Lender does not elect to continue the loan, the Lender may by written notice to the Borrower elect to terminate the relevant loan. Upon the expiry of such notice the provisions of clauses 8.2 to 8.5 shall apply as if upon the expiry of such notice an Event of Default had occurred in relation to the Borrower (who shall thus be the Defaulting Party for the purposes of this Agreement) and as if the relevant loan were the only loan outstanding.
- 7.4 [Consequence of exercise of "buy-in" against Lender, as a result of Borrower default] In the event that, as a result of the failure of the Borrower to redeliver Equivalent Securities to the Lender in accordance with this Agreement, a "buy-in" is exercised against the Lender, then, provided that reasonable notice has been given to the Borrower of the likelihood of such a "buy-in", the Borrower shall account to the Lender for the total costs and expenses reasonably incurred by the Lender as a result of such "buy-in".
- 7.5 [Right of Borrower to terminate loan early] Subject to the terms of the relevant Borrowing Request, the Borrower shall be entitled at any time to terminate a particular loan of Securities and to redeliver all and any Equivalent Securities due and outstanding to the Lender in accordance with the Lender's instructions.

8 Set-off etc.

8.1 [Requirement for simultaneous delivery] On the date and time that Equivalent Securities are required to be redelivered by the Borrower in accordance with the provisions of this Agreement the Lender shall simultaneously redeliver the Equivalent Collateral and repay any Cash Collateral held (in respect of the

Equivalent Securities to be redelivered) to the Borrower. Neither Party shall be obliged to make delivery (or make a payment as the case may be) to the other unless it is satisfied that the other Party will make such delivery (or make an appropriate payment as the case may be) to it simultaneously. If it is not so satisfied (whether because an Event of Default has occurred in respect of the other Party or otherwise), it shall notify the other Party and, unless that other Party has made arrangements which are sufficient to assure full delivery (or the appropriate payment as the case may be) to the notifying Party, the notifying Party shall (provided it is itself in a position, and willing, to perform its own obligations) be entitled to withhold delivery (or payment, as the case may be) to the other Party.

- 8.2 [Netting following occurrence of Event of Default] If an Event of Default occurs in relation to either Party, the Parties' delivery and payment obligations (and any other obligations they have under this Agreement) shall be accelerated so as to require performance thereof at the time such Event of Default occurs (the date of which shall be the "Performance Date" for the purposes of this clause), and in such event:
 - (a) the Relevant Value of the Securities to be delivered (or payment to be made, as the case may be) by each Party shall be established in accordance with clause 8.3; and
 - (b) on the basis of the Relevant Values so established, an account shall be taken (as at the Performance Date) of what is due from each Party to the other and (on the basis that each Party's claim against the other in respect of delivery of Equivalent Securities or Equivalent Collateral or any cash payment equals the Relevant Value thereof) the sums due from one Party shall be set-off against the sums due from the other and only the balance of the account shall be payable (by the Party having the claim valued at the lower amount pursuant to the foregoing) and such balance shall be payable on the Performance Date.
- 8.3 [Relevant Value] For the purposes of clause 8.2 the Relevant Value:
 - (a) of any cash payment obligation shall equal its par value (disregarding any amount taken into account under (b) or (c) below);
 - (b) of any Securities to be delivered by the Defaulting Party shall, subject to clause 8.4(b) and (c) below, equal the Offer Value thereof; and
 - (c) of any Securities to be delivered to the Defaulting Party shall, subject to clause 8.4(b) and (c) below, equal the Bid Value thereof.
 - 8.4 [Bid Value/Offer Value]
 - (a) For the purposes of clause 8.3, but subject to (b) and (c) below, the Bid Value and Offer Value of any Securities shall be calculated as at the Close of Business in the most appropriate market for Securities of the relevant description (as determined by the Non-Defaulting Party) on the first Business Day following the Performance Date, or, if the relevant Event of Default occurs outside the normal business hours of such market, on the second Business Day following the Performance Date (the "Default Valuation Time").
 - (b) Where the Non-Defaulting Party has, following the occurrence of an Event of Default but prior to the Default Valuation Time, purchased Securities forming part of the same issue and being of an identical type and description to those to be delivered by the Defaulting Party and in substantially the same amount as those Securities or sold Securities forming part of the same issue and being of

an identical type and description to those to be delivered by him to the Defaulting Party and in substantially the same amount as those Securities, the cost of such purchase or the proceeds of such sale, as the case may be, (taking into account all reasonable costs, fees and expenses that would be incurred in connection therewith) shall be treated as the Offer Value or Bid Value, as the case may be, of the relevant Securities for the purposes of this clause 8.

- (c) Where the amount of any Securities sold or purchased as mentioned in (b) above is not in substantially the same amount as those Securities to be valued for the purposes of clause 8.3, the Offer Value or the Bid Value (as the case may be) of those Securities shall be ascertained by:
 - (i) dividing the net proceeds of sale or cost of purchase by the amount of the Securities sold or purchased so as to obtain a net unit price; and
 - (ii) multiplying that net unit price by the amount of the Securities to be valued.
- 8.5 [Interpretation: "Securities"] Any reference in this clause 8 to Securities shall include any asset other than cash provided by way of Collateral.
- 8.6 [Interpretation: "Event of Default"] If the Borrower or the Lender for any reason fails to comply with its respective obligations under clause 6.6 in respect of the redelivery of Equivalent Collateral or the repayment of Cash Collateral, such failure shall be an Event of Default for the purposes of this clause 8, and the person failing to comply shall thus be the Defaulting Party.
- 8.7 [Waiver of right to require simultaneous delivery] Subject to and without prejudice to its rights under clause 8.1, either Party may from time to time in accordance with market practice and in recognition of the practical difficulties in arranging simultaneous delivery of Securities, Collateral and cash transfers waive its right under this Agreement in respect of simultaneous delivery and/or payment; provided that no such waiver in respect of one transaction shall bind it in respect of any other transaction.

9 Stamp duty, taxes etc and loss of tax benefits

- 9.1 [Stamp duty etc] The Borrower hereby undertakes promptly to pay and account for any transfer or similar duties or taxes, and any loan security or other stamp duties, (if any) chargeable in connection with any transaction effected pursuant to or contemplated by this Agreement, and shall indemnify and keep indemnified the Lender against any liability arising in respect thereof as a result of the Borrower's failure to do so.
- 9.2 [Borrower to give Transfer of Dividend Statement to Lender re franked dividends] If:
 - (a) an Income Payment Date occurs during an Income Determination Period in relation to a particular loan of Securities;
 - (b) had the Lender been the holder of those Securities on the relevant Income Payment Date, it would have received a Franked Dividend in respect of those Securities;

- (c) the Agreement or the relevant Confirmation states that the Lender is an Australian Taxpayer;
- (d) the failure of the Lender to receive a Franked Dividend is not due to any unreasonable act or omission by or on behalf of the Lender; and
- (e) neither item 7 in Schedule 1 nor the relevant Confirmation states that the Lender is **not** entitled to compensation for the loss of franking credits/rebates;

then:

- (f) the Borrower must either:
 - (i) as soon as practicable, and in any event within [10 Business Days] after the relevant Income Payment Date, give to the Lender a Transfer of Dividend Statement in respect of those Securities (which the Borrower is to be taken as having warranted is correct in all material respects and is effective for the purposes of Division 6A of Part IIIAA of the Tax Act); or
 - (ii) on the [10th Business Day] after the relevant Income Payment Date pay to the Lender an amount equal to the franking credit referable to the Franked Dividend.
- 9.3 [Borrower to compensate corporate Lender for loss of intercorporate dividend rebate re unfranked dividends] If:
 - (a) an Income Payment Date occurs during an Income Determination Period in relation to a particular loan of Securities;
 - (b) had the Lender been the holder of those Securities on the relevant Income Payment Date, it would have received an Unfranked Dividend in respect of those Securities;
 - (c) the Agreement or the relevant Confirmation states the Lender is entitled to compensation for the loss of the intercorporate dividend rebate under the Tax Act;
 - (d) the failure of the Lender to qualify for that rebate is not due to any unreasonable act or omission by or on behalf of the Lender; and
 - (e) neither item 8 of the Agreement nor the relevant Confirmation states that the Lender is **not** entitled to compensation for the loss of that rebate:

then the Borrower must pay to the Lender an amount calculated as follows:

$$P = \underline{DT}_{1-T}$$

Where:

P = the amount payable;

D = the amount of the Unfranked Dividend; and

T = the rate of income tax, expressed as a decimal, determined under the Tax Act at the relevant Income Payment Date as that payable in respect of the taxable

income of a company (other than a private company, a company in the capacity of a trustee or a non-profit company that is a friendly society dispensary).

- 9.4 ["Notifiable consideration" for the purposes of s26BC(3)(d) of the Tax Act] For the purposes of section 26BC(3)(d) of the Tax Act, the notifiable consideration in respect of any loan of Securities is dissected as follows:
 - (a) a fee see clause 5.1(as applicable); and
 - (b) other consideration see clauses 4.2, 6 and 9 and the definition of "Equivalent Securities" in clause 26.

"no Borrowing Request shall specify a loan period in excess of 12 months. All loans are recallable on demand and must be repaid within the standard settlement period for the market on demand.";

- (b) clause 5.1(b) is deleted and the following substituted:
 - "(b) for which there is no Cash Collateral, the Borrower must pay a fee to the Lender, calculated at the rate agreed between them, which fee the Lender shall credit to the account of the Principal, after deducting from that fee such amount as may be agreed between the Lender and the Principal;" and
- (c) a new clause 14.6 is added:

"To the maximum extent permitted by applicable law, and except as expressly provided in clause 14.5, the Lender makes no representation and gives no warranty in relation to the Principal or as to the validity or enforceability of the Agreement or any Agency Transaction against the Principal.

- The words "Borrowed Securities" are deleted where they appear in the second and fourth lines of clause 4.2(c) and replaced with the words "borrowed Securities".
- The word "collateral" is deleted where it appears in the third last line of clause 4.3 and replaced with the word "Collateral".
- 4 A new clause 4.4 is added as follows:

"Where Securities are subject to a loan under this Agreement and those Securities are or become the subject of a dividend reinvestment plan, the Borrower will, if instructed by the Lender with at least one Business Day's notice, take all necessary action to reinvest any dividend in accordance with that plan so that the Securities so acquired are added to the Securities the subject of the loan under this Agreement;

Where the above requirements may not otherwise be met, without limiting the Lender's rights under this Agreement, the Lender may recall the loan in sufficient time for the requirements to be able to be met.";

5 A new clause 4.5 is added as follows:

$$P = \frac{FT}{1-T}$$

where:

F = franked amount of dividend, or trust distribution attributable to a dividend.

T =the corporate tax rate expressed as a decimal (eg 0.36).
