## **EXPLORATION DEVELOPMENT INCENTIVE SCHEME RECORD DATE AND DISTRIBUTION**

---

Arrow Minerals Limited (**Arrow Minerals** or the **Company**) is pleased to advise that it will be participating in the Federal Government's Exploration Development Incentive (**EDI**) Scheme for the 2016/2017 tax year. The process is administered by the Australian Taxation Office (**ATO**).

The EDI enables eligible exploration companies to create exploration credits (**EDI Credits**) by giving up a portion of its tax losses and distributing these EDI Credits to its shareholders. Australian tax resident shareholders that are issued with an EDI Credit will be entitled to a refundable tax offset (for shareholders who are individuals or superannuation funds) or franking credits (for shareholders who are companies). The Company's carry forward tax losses will be reduced by the amount of EDI Credits created.

Arrow has claimed EDI expenditure of \$1,487,586 for the 2017 income tax year. Arrow shareholders will receive a pro-rata distribution of \$409,086 of EDI Credits, which equates to 0.13¢ per share.

Shareholder entitlements to the 2017 EDI Credits have been determined as at 5pm (AWST) on Friday, 29 June 2018 (**Record Date**) and will be relative to the number of shares held on the Record Date as a proportion of the Company's total shares on issue on the Record Date. EDI Credits will be rounded down to the nearest dollar and the minimum EDI Credit to be issued will be \$1 (**Eligible Shareholders**). Eligible Shareholders as at the Record Date will be issued with the EDI Credits in the approved form prior to 31 August 2018. The 2017 EDI Credits can be claimed in the 2017/18 tax year.
