SOUTHERN CROSS AUSTEREO H1 FY19 INVESTOR PRESENTATION 21st February 2019

SOUTHERN CROSS AUSTEREO

Disclaimer

Summary information

The material in this presentation has been prepared by Southern Cross Media Group Limited ABN 91 116 024 536 ("Southern Cross Austereo") and contains summary information about Southern Cross Austereo's activities current as at 21 February 2019. The information in this presentation is of a general background nature and does not purport to be complete. It should be read in conjunction with Southern Cross Austereo's other periodic and continuous disclosure announcements which are available at <u>www.southerncrossaustereo.com.au</u>

Past performance

Past performance information in this presentation is for illustrative purposes only and should not be relied upon as (and is not) an indication of future performance.

Future performance

This presentation contains certain "forward–looking statements". Forward-looking statements, opinions and estimates provided in this presentation are based on assumptions and estimates which are subject to change without notice, as are statements about market and industry trends, which are based on interpretation of market conditions. Although due care has been used in the preparation of forward-looking statements, actual results and performance may vary materially because events and actual circumstances frequently do not occur as forecast. Investors should form their own views as to these matters and any assumptions on which any of the forward-looking statements are based.

Not financial product advice

Information in this presentation, including forecast financial information, should not be considered as advice or a recommendation to investors or potential investors in relation to holding, purchasing or selling securities. Before acting on any information, you should consider the appropriateness of the information having regard to your particular objectives, financial situation and needs, any relevant offer document and in particular, you should seek independent financial advice.

H1 FY19 Results Grant Blackley

SOUTHERN CROSS AUSTEREO

GROUP OVERVIEW & RESULTS SUMMARY

- ✓ Strong market fundamentals for Audio Radio & Podcasting assets
- ✓ Group Underlying NPAT of \$42.2m up 10.6%
- ✓ Group revenue up 0.2% to \$335.7m driven by Metro Radio growth of 6.7%
- ✓ Group expenses down by \$4.3m or 1.7% (excluding restructuring costs of \$2.8m)
- ✓ Quality of earnings evidenced with high cash conversion fully franked dividend maintained and \$30 million debt reduction
- Stronger Balance Sheet maintaining flexibility and opportunity for future growth

HEADLINE ACHIEVEMENTS

- Metro Radio revenue up 6.7% on back of stronger ratings and better monetisation of FM + Digital Radio coupled audiences
- National advertiser investment into Regional Radio continues to grow up 9.2% on H1 FY18 and 22% on H1 FY17
- SCA monetisation of Television audiences continues to outperform the market but impacted by loss of cricket in December 2018
- New national operating structure fully implemented creating platform for further improvement in costs and revenue growth
- Workforce Planning Project delivering cost savings and providing blueprint for future skills and workflow management
- Group EBITDA margins improved from 23.9% to 24.4% driven by revenue growth and lower expenses
- Fully franked dividend declared at 3.75 cps (Interim FY18: 3.75cps)
- Net debt continuing to reduce with all debt metrics improving and leverage ratio within targeted range

8: 3.75cps) oving and leverage ratio within

One-off adjustments ¹	1.7	-	nm
Underlying EBITDA	16.3	17.9	(8.9%)
EBITDA Margin	13.9%	15.8%	

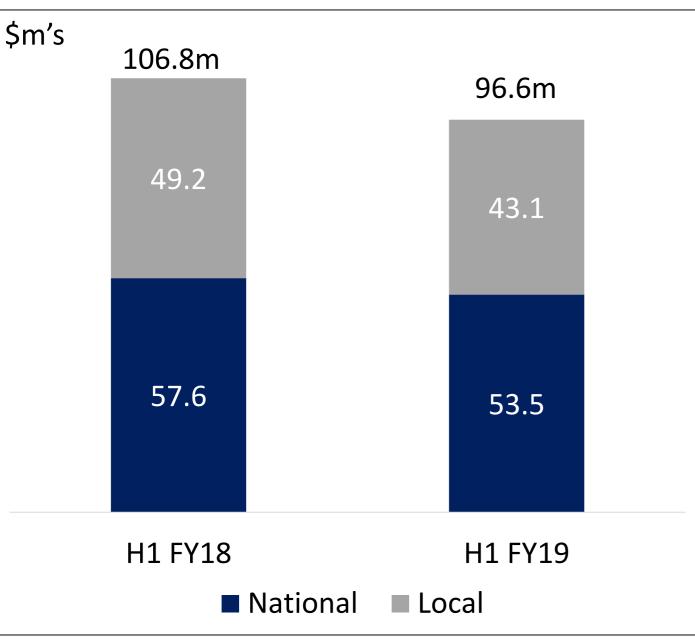

- slowing demand in Q2
- SCA outperformed the market excluding ulletimpact of cricket (circa \$4m in H1 FY18)
- Variable cost structure benefits revenue down • \$8.0m & EBITDA down only \$1.6m
- Employee costs and margins impacted by: •
 - Provision for restructuring costs in preparation for transition of television playout to National Playout Centre (Nine & Seven JV)
 - Additional employee costs related to NNSW local sales representation with Nine

¹References to underlying numbers exclude the impact of Restructuring Costs and adoption of AASB 15 accounting standards. Refer slide 8. nm = not meaningful

Television market challenging in H1, driven by

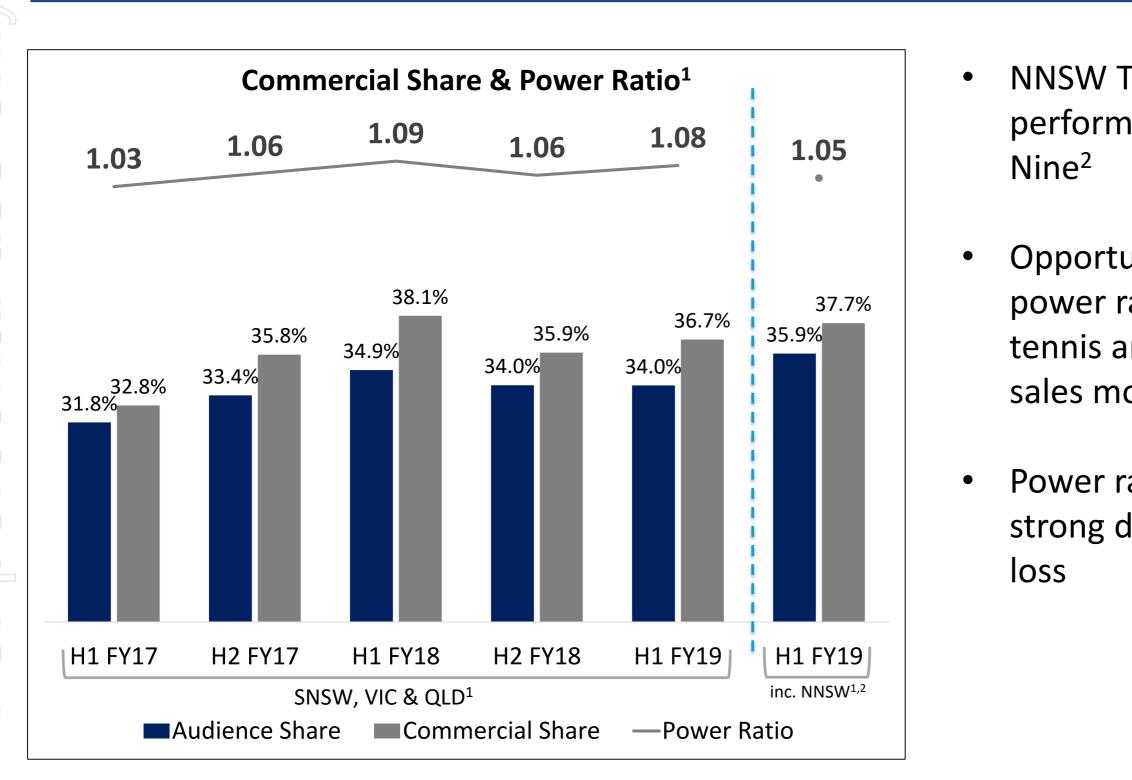

TELEVISION - REGIONAL TV ADVERTISING REVENUES

- H1 FY19 revenues directly impacted by loss of cricket in December 18 – circa \$4m
- Tennis has positively impacted January 2019 revenues
- National revenues partly insulated by benefit of scale from combined Television and Radio assets

TELEVISION - REGIONAL TV POWER RATIO NINE AFFILIATION

¹ KPMG Market Share Report – Regional Queensland, SNSW, NNSW & Regional Victoria

² Effective 1 July 2018 SCA and Nine entered into a local sales representation agreement for the NNSW Television licence area

NNSW TV sales representation performing well for both SCA &

Opportunity to further grow power ratio in NNSW with tennis and continued positive sales momentum

Power ratio of 1.05 remains strong despite impact of cricket
